8 amounts payable by the commissioner under this paragraph shall be paid
9 from the account established for the payment of STAR benefits to late
10 registrants pursuant to subparagraph (iii) of paragraph (a) of subdivi-
11 sion fourteen of this section. When the commissioner implements the
12 determination in this manner, he or she shall so notify the assessor and
13 county director of real property tax services, but no correction shall
14 be made to the assessment roll or tax roll for that school year, and no
15 refund shall be issued by the school authorities to the property owner
16 or his or her agent for the excessive amount of school taxes paid for
17 that school year.

18 (b) If the determination removes, denies or decreases the taxpayer's
19 exemption for that school year, the commissioner is authorized to
20 collect the shortfall directly from the owners of the property, together
21 with interest, by utilizing any of the procedures for collection, levy,
22 and lien of personal income tax set forth in article twenty-two of the
23 tax law, and any other relevant procedures referenced within the
24 provisions of such article. When the commissioner implements the deter-
25 mination in this manner, he or she shall so notify the assessor and
26 county director of real property tax services, but no correction shall
27 be made to the assessment roll or tax roll for that school year, and no
28 corrected school tax bill shall be sent to the taxpayer for that school
29 year.

30 § 9. Section 171-o of the tax law is REPEALED.

31 § 10. Subparagraph (B) of paragraph 1 of subsection (eee) of section
32 606 of the tax law, as amended by section 8 of part A of chapter 73 of
33 the laws of 2016, is amended to read as follows:

34 (B) "Affiliated income" shall mean for purposes of the basic STAR
35 credit, the combined income of all of the owners of the parcel who
36 resided primarily thereon as of December thirty-first of the taxable
37 year, and of any owners' spouses residing primarily thereon as of such
38 date, and for purposes of the enhanced STAR credit, the combined income
39 of all of the owners of the parcel as of December thirty-first of the
40 taxable year, and of any owners' spouses residing primarily thereon as
41 of such date; provided that for both purposes the income to be so
42 combined shall be the "adjusted gross income" for the taxable year as
43 reported for federal income tax purposes, or that would be reported as
44 adjusted gross income if a federal income tax return were required to be
45 filed, reduced by distributions, to the extent included in federal
46 adjusted gross income, received from an individual retirement account
47 and an individual retirement annuity. For taxable years beginning on
48 and after January first, two thousand nineteen, where an income-eli-
49 gibility determination is wholly or partly based upon the income of one or
50 more individuals who did not file a return pursuant to section six
51 hundred fifty-one of this article for the applicable income tax year,
52 then in order to be eligible for the credit authorized by this
53 subsection, each such individual must file a statement with the depart-
54 ment showing the source or sources of his or her income for that income
55 tax year, and the amount or amounts thereof, that would have been
56 reported on such a return if one had been filed. Such statement shall be

1 filed at such time, and in such form and manner, as may be prescribed by
2 the department, and shall be subject to the provisions of section six
3 hundred ninety-seven of this article to the same extent that a return
4 would be. The department shall make such forms and instructions avail-
5 able for the filing of such statements. The local assessor shall upon
6 the request of a taxpayer assist such taxpayer in the filing of the
7 statement with the department. Provided further, that if the qualified
8 taxpayer was an owner of the property during the taxable year but did
9 not own it on December thirty-first of the taxable year, then the deter-
10 mination as to whether the income of an individual should be included in
11 "affiliated income" shall be based upon the ownership and/or residency
12 status of that individual as of the first day of the month during which
13 the qualified taxpayer ceased to be an owner of the property, rather
14 than as of December thirty-first of the taxable year.

15 § 11. No application for an enhanced exemption on a final assessment
16 roll to be completed in 2019 may be approved if the applicants have not
17 enrolled in the STAR income verification program established by subpara-
18 graph (iv) of paragraph (b) of subdivision 4 of section 425 of the real
19 property tax law as amended by section two of this act, regardless of
20 when the application was filed. The assessor shall notify such appli-
21 cants that participation in that program has become mandatory for all
22 applicants and that their applications cannot be approved unless they
23 enroll therein. The commissioner of taxation and finance shall provide
24 a form for assessors to use, at their option, when making this notifica-
25 tion.

26 § 12. This act shall take effect immediately.

3. Notwithstanding any provision of law to the contrary, every school district that is subject to the provisions of section two thousand twenty-three-a of this part shall report both its proposed budget and its adopted budget to the office of the state comptroller and the commissioner at the time and in the manner as they may prescribe, whether or not such budget has been or will be certified as provided by this subdivision.

If such an extension is granted, and any taxes are not paid by the final date so provided, those taxes shall

1 be subject to the same interest and penalties that would have applied if
2 no extension had been granted.

3 § 6. Paragraph (d) of subdivision 1 of section 928-a of the real prop-

20 (B) Notwithstanding any provision of law to the contrary, the names
21 and addresses of individuals who have applied for or are receiving the
22 credit authorized by this subsection may be disclosed to assessors
23 [and], county directors of real property tax services, and municipal tax
24 collecting officers. In addition, where an agreement is in place between
25 the commissioner and the head of the tax department of another state,
26 such information may be disclosed to such official or his or her desig-
27 nees. Such information shall be considered confidential and shall not be
28 subject to further disclosure pursuant to the freedom of information law
29 or otherwise.

38 ty director of real property tax services of each county. Such certif-
39 ication shall be made at least twenty days before the last date
40 prescribed by law for the filing of the tentative assessment roll.
41 Provided, however, that where school taxes are levied on a prior year
42 assessment roll, or on a final assessment roll that was filed more than
43 one year after the tentative roll was filed, such certification shall be
44 made no later than fifteen days after the publication of the data needed
45 to compute the base figure for the enhanced STAR exemption pursuant to
46 clause (A) of subparagraph (vi) of paragraph (b) of this subdivision,
47 and provided further, that upon receipt of such certification, the
48 assessor shall thereupon be authorized and directed to correct the
49 assessment roll to reflect the exempt amount so certified, or, if anoth-
50 er person has custody or control of the assessment roll, to direct that
51 person to make the appropriate corrections.

§ 9. This act shall take effect immediately; provided, however, that sections one, one-a, one-b, two and three of this act shall take effect April 15, 2020; provided further, however, that section 3-d of the general municipal law, as added by section two of this act, shall expire and be deemed repealed on the same date and in the same manner as section 1 of part A of chapter 97 of the laws of 2011, expires and is deemed repealed, and provided that section 2023-b of the education law, as added by section three of this act, shall expire and be deemed repealed on the same date and in the same manner as section 2 of part A of chapter 97 of the laws of 2011, expires and is deemed repealed, and provided further that the amendments to paragraph 6 of subsection (eee) of section 606 of the tax law made by section eight of this act shall take effect immediately and shall apply to taxable years beginning on or after January 1, 2016.

REPEAL NOTE: Section 606(bbb) of the Tax Law, section 3-d of the General Municipal Law and section 2023-b of the Education Law collectively constituted the enabling legislation for the tax freeze credit program. By the terms of those statutes, the tax freeze credit was only applicable to taxable years 2014, 2015 and 2016. Therefore, these provisions no longer serve a purpose, except for the reporting provisions, which facilitate the administration of the tax levy limit program and are being preserved in a reenacted section 3-d of the General Municipal Law and section 2023-b of the Education Law.

17 to claim the credit as calculated on the annual final certificate of tax
18 credit on the return for the fiscal year that encompasses the date on

(f) (1) Services rendered by a veterinarian licensed and registered as required by the education law which constitute the practice of veterinary medicine as defined in said law, including hospitalization for which no separate boarding charge is made, shall not be subject to tax under paragraph (3) of subdivision (c) of section eleven hundred five, but the exemption allowed by this subdivision shall not apply to other services provided by a veterinarian to pets and other animals, including, but not limited to, boarding, grooming and clipping. Articles of tangible personal property designed for use in some manner relating to domestic animals or poultry, when sold by such a veterinarian, shall not be subject to tax under subdivision (a) of section eleven hundred five or under section eleven hundred ten. However, the sale of any such articles of tangible personal property to a veterinarian shall not be deemed a sale for resale within the meaning of ~~paragraph~~ paragraph (4) of subdivision (b) of section eleven hundred one and shall not be exempt from retail sales tax.

(2) Drugs or medicine sold to or used by a veterinarian for use in rendering services that are exempt pursuant to paragraph one of this subdivision to livestock or poultry used in the production for sale of tangible personal property by farming, or sold to a person qualifying for the exemption provided for in paragraph six of subdivision (a) of this section for use by such person on such livestock or poultry.

§ 2. Subdivision (a) of section 1119 of the tax law, as amended by chapter 686 of the laws of 1986 and as further amended by section 15 of part GG of chapter 63 of the laws of 2000, is amended to read as follows:

(a) Subject to the conditions and limitations provided for herein, a refund or credit shall be allowed for a tax paid pursuant to subdivision (a) of section eleven hundred five or section eleven hundred ten (1) on the sale or use of tangible personal property if the purchaser or user, in the performance of a contract, later incorporates that tangible personal property into real property located outside this state, (2) on the sale or use of tangible personal property purchased in bulk, or any portion thereof, which is stored and not used by the purchaser or user within this state if that property is subsequently reshipped by such purchaser or user to a point outside this state for use outside this state, (3) on the sale to or use by a contractor or subcontractor of tangible personal property if that property is used by him solely in the performance of a pre-existing lump sum or unit price construction contract, (4) on the sale or use within this state of tangible personal property, not purchased for resale, if the use of such property in this state is restricted to fabricating such property (including incorporating it into or assembling it with other tangible personal property), processing, printing or imprinting such property and such property is then shipped to a point outside this state for use outside this state, ~~(5) on the sale to or use by a veterinarian of drugs or medicine if~~

~~such drugs or medicine are used by such veterinarian in rendering services, which are exempt pursuant to subdivision (f) of section eleven hundred fifteen of this chapter, to livestock or poultry used in the production for sale of tangible personal property by farming or if such drugs or medicine are sold to a person qualifying for the exemption provided for in paragraph (6) of subdivision (a) of section eleven hundred fifteen of this chapter for use by such person on such livestock or poultry,~~

] or (6) on the sale of tangible personal property purchased for use in constructing, expanding or rehabilitating industrial or commercial real property (other than property used or to be used exclusively by one or more registered vendors primarily engaged in the retail sale of tangible personal property) located in an area designated as an empire zone pursuant to article eighteen-B of the general municipal law, but only to the extent that such property becomes an integral component part of the real property. (For the purpose of clause (3) of the preceding sentence, the term "pre-existing lump sum or unit price construction contract" shall mean a contract for the construction of improvements to real property under which the amount payable to the contractor or subcontractor is fixed without regard to the costs incurred by him in the performance thereof, and which (i) was irrevocably entered into prior to the date of the enactment of this article or the enactment of a law increasing the rate of tax imposed under this article, or (ii) resulted from the acceptance by a governmental agency of a bid accompanied by a bond or other performance guaranty which was irrevocably submitted prior to such date.) Where the tax on the sale or use of such tangible personal property has been paid to the vendor, to qualify for such refund or credit, such tangible personal property must be incorporated into real property as required in clause (1) above, reshipped as required in clause (2) above, used in the manner described in clauses (3), (4)[~~7~~, ~~(5)~~] and (6) above within three years after the date such tax was payable to the tax commission by the vendor pursuant to section eleven hundred thirty-seven. Where the tax on the sale or use of such tangible personal property was paid by the applicant for the credit or refund directly to the tax commission, to qualify for such refund or credit, such tangible personal property must be incorporated into real property as required in clause (1) above, reshipped as required in clause (2) above, used in the manner described in clauses (3), (4)[~~7~~, ~~(5)~~] and (6) above within three years after the date such tax was payable to the tax commission by such applicant pursuant to this article. An application for a refund or credit pursuant to this section must be filed with such commission within the time provided by subdivision (a) of section eleven hundred thirty-nine. Such application shall be in such form as the tax commission may prescribe. Where an application for credit has been filed, the applicant may immediately take such credit on the return which is due coincident with or immediately subsequent to the time that he files his application for credit. However, the taking of the credit on the return shall be deemed to be part of the application for credit and shall be subject to the provisions in respect to applications for credit in section eleven hundred thirty-nine as provided in subdivision (e) of such section. With respect to a sale or use described in clause (3) above where a pre-existing lump sum or unit price construction contract was irrevocably entered into prior to the date of the enactment of this article or the bid accompanied by the performance guaranty was irrevocably submitted to the governmental agency prior to such date, the purchaser or user shall be entitled to a refund or credit only of the amount by which the tax on such sale or use imposed under

1 this article plus any tax imposed under the authority of article twenty-nine exceeds the amount computed by applying against such sale or use the local rate of tax, if any, in effect at the time such contract was entered into or such bid was submitted.

2 In the case of the enactment of a law increasing the rate of tax imposed by this article, the purchaser or user shall be entitled only to a refund or credit of the amount by which the increased tax on such sale or use imposed under this article plus any tax imposed under the authority of article twenty-nine exceeds the amount computed by applying against such sale or use the state and local rates of tax in effect at the time such contract was entered into or such bid was submitted.

3 § 3. This act shall take effect June 1, 2018, and shall apply to sales made and uses occurring on and after such date.

14 PART X

15 Section 1. Subdivision 1 of section 1131 of the tax law, as amended by chapter 576 of the laws of 1994, is amended to read as follows:

16 (1) "Persons required to collect tax" or "person required to collect any tax imposed by this article" shall include: every vendor of tangible personal property or services; every recipient of amusement charges; and every operator of a hotel. Said terms shall also include any officer, director or employee of a corporation or of a dissolved corporation, any employee of a partnership, any employee or manager of a limited liability company, or any employee of an individual proprietorship who as such officer, director, employee or manager is under a duty to act for such corporation, partnership, limited liability company or individual proprietorship in complying with any requirement of this article, or has so acted; and any member of a partnership or limited liability company. Provided, however, that any person who is a vendor solely by reason of clause (D) or (E) of subparagraph (i) of paragraph (8) of subdivision (b) of section eleven hundred one of this article shall not be a "person required to collect any tax imposed by this article" until twenty days after the date by which such person is required to file a certificate of registration pursuant to section eleven hundred thirty-four of this part.

17 § 2. Subdivision (a) of section 1133 of the tax law, as amended by chapter 621 of the laws of 1967, is amended to read as follows:

18 (a) (1) Except as otherwise provided in paragraph two of this subdivision and in section eleven hundred thirty-seven of this part, every person required to collect any tax imposed by this article shall be personally liable for the tax imposed, collected or required to be collected under this article. Any such person shall have the same right in respect to collecting the tax from his customer or in respect to nonpayment of the tax by the customer as if the tax were a part of the purchase price of the property or service, amusement charge or rent, as the case may be, and payable at the same time; provided, however, that the tax commission shall be joined as a party in any action or proceeding brought to collect the tax.

19 (2) Notwithstanding any other provision of this article: (i) The commissioner shall grant the relief described in subparagraph (iii) of this paragraph to a limited partner of a limited partnership (but not a partner of a limited liability partnership) or a member of a limited liability company if such limited partner or member demonstrates to the satisfaction of the commissioner that such limited partner's or member's ownership interest and the percentage of the distributive share of the

1 profits and losses of such limited partnership or limited liability
2 company are each less than fifty percent, and such limited partner or
3 member was not under a duty to act for such limited partnership or
4 limited liability company in complying with any requirement of this
5 article. Provided, however, the commissioner may deny an application for
6 relief to any such limited partner or member who the commissioner finds
7 has acted on behalf of such limited partnership or limited liability
8 company in complying with any requirement of this article or has been
9 convicted of a crime provided in this chapter or who has a past-due
10 liability, as such term is defined in section one hundred seventy-one-v
11 of this chapter.

12 (ii) Such limited partner or member must submit an application for
13 relief, on a form prescribed by the commissioner, and the information
14 provided in such application must be true and complete in all material
15 respects. Providing materially false or fraudulent information on such
16 application shall disqualify such limited partner or member for the
17 relief described in subparagraph (iii) of this paragraph, shall void any
18 agreement with the commissioner with respect to such relief, and shall
19 result in such limited partner or member bearing strict liability for
20 the total amount of tax, interest and penalty owed by their respective
21 limited partnership or limited liability company pursuant to this subdi-
22 vision.

23 (iii) A limited partner of a limited partnership or member of a limit-
24 ed liability company, who meets the requirements set forth in this para-
25 graph and whose application for relief is approved by the commissioner,
26 shall be liable for the percentage of the original sales and use tax
27 liability of their respective limited partnership or limited liability
28 company that reflects such limited partner's or member's ownership
29 interest of distributive share of the profits and losses of such limited
30 partnership or limited liability company, whichever is higher. Such
31 original liability shall include any interest accrued thereon up to and
32 including the date of payment by such limited partner or member at the
33 underpayment rate set by the commissioner pursuant to section eleven
34 hundred forty-two of this part, and shall be reduced by the sum of any
35 payments made by (A) the limited partnership or limited liability compa-
36 ny; (B) any person required to collect tax not eligible for relief; and
37 (C) any person required to collect tax who was eligible for relief but
38 had not been approved for relief by the commissioner at the time such
39 payment was made. Provided, however, such limited partner or member
40 shall not be liable for any penalty owed by such limited partnership or
41 limited liability company or any other partner or member of such limited
42 partnership or limited liability company. Any payment made by a limited
43 partner or member pursuant to the provisions of this paragraph shall not
44 be credited against the liability of other limited partners or members
45 of their respective limited partnership or limited liability company who
46 are eligible for the same relief; provided, however that the sum of the
47 amounts owed by all of the persons required to collect tax of a limited
48 partnership or limited liability company shall not exceed the total
49 liability of such limited partnership or limited liability company.

50 § 3. This act shall take effect immediately.

32 and county of Monroe. The amount of the ninety and three-quarters
33 percent to be distributed and allocated to the city of Rochester and

41 allocated on the basis of the enrolled public school pupils, thereof, as

45 reason of subsection (a) of section 965 of the internal revenue code, as

50 deductions directly or indirectly attributable to that income. In lieu
51 of subtracting from its exempt CFC income the amount of those interest
52 deductions, the taxpayer may make a revocable election to reduce its
53 total exempt CFC income by forty percent. If the taxpayer makes this
54 election, the taxpayer must also make the elections provided for in

1 paragraph (b) of subdivision six of this section and paragraph (c) of
2 this subdivision. If the taxpayer subsequently revokes this election,
3 the taxpayer must revoke the elections provided for in paragraph (b) of
4 subdivision six of this section and paragraph (c) of this subdivision. A

17 the taxpayer but is not included in a combined report with the taxpayer,
18 and (ii) such income required to be included in the taxpayer's federal
19 gross income pursuant to subsection (a) of such section 951 of the
20 internal revenue code by reason of subsection (a) of section 965 of the
21 internal revenue code, as adjusted by subsection (b) of section 965 of
22 the internal revenue code, and without regard to subsection (c) of such
23 section, received from a corporation that is not included in a combined
24 report with the taxpayer, less, (iii) in the discretion of the commis-
25 sioner of finance, any interest deductions directly or indirectly
26 attributable to that income. In lieu of subtracting from its exempt CFC
27 income the amount of those interest deductions, the taxpayer may make a
28 revocable election to reduce its total exempt CFC income by forty
29 percent. If the taxpayer makes this election, the taxpayer must also
30 make the elections provided for in paragraph (b) of subdivision five of
31 this section and paragraph (c) of this subdivision. If the taxpayer
32 subsequently revokes this election, the taxpayer must revoke the
33 elections provided for in paragraph (b) of subdivision five of this
34 section and paragraph (c) of this subdivision. A taxpayer which does
35 not make this election because it has no exempt CFC income will not be
36 precluded from making those other elections. The income described in
37 subparagraph (ii) of this paragraph shall not constitute investment
38 income.

(1) If any taxpayer fails to file a declaration of estimated tax under article nine-A of this chapter, or fails to pay all or any part of an amount which is applied as an installment against such estimated tax, it shall be deemed to have made an underpayment of estimated tax. There shall be added to the tax for the taxable year an amount at the underpayment rate set by the commissioner pursuant to section one thousand ninety-six of this article, or if no rate is set, at the rate of seven and one-half percent per annum upon the amount of the underpayment for the period of the underpayment but not beyond the fifteenth day of the ~~third~~ fourth month following the close of the taxable year. Provided, however, that, for taxable years beginning on or after January first, two thousand seventeen and before January first, two thousand eighteen, no amount shall be added to the tax with respect to the portion of such tax related to the amount of any interest deductions directly or indirectly attributable to the amount included in exempt CFC income pursuant to subparagraph (ii) of paragraph (b) of subdivision six-a of section two hundred eight of this chapter or the forty percent reduction of such exempt CFC income in lieu of interest attribution if the election described in paragraph (b) of subdivision six-a of such section is made.

The amount of the underpayment shall be, with respect to any installment of estimated tax computed on the basis of either the preceding year's tax or the second preceding year's tax, the excess of the amount required to be paid over the amount, if any, paid on or before the last day prescribed for such payment or, with respect to any other installment of estimated tax, the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to ninety-one percent of the tax shown on the return for the taxable year (or if no return was filed, ninety-one percent of the tax for such year) over the amount, if any, of the installment paid on or before the last day prescribed for such payment. In any case in which there would be no underpayment if "eighty percent" were substituted for "ninety-one percent" each place it appears in this subsection, the addition to the tax shall be equal to seventy-five percent of the amount otherwise determined. No underpayment shall be deemed to exist with respect to a declaration or installment otherwise due on or after the termination of existence of the taxpayer.

3. Failure to file declaration or underpayment of estimated tax. If any taxpayer fails to file a declaration of estimated tax under subchapter two, three or three-A of this chapter, or fails to pay all or any part of an amount which is applied as an installment against such estimated tax, it shall be deemed to have made an underpayment of estimated

1 tax. There shall be added to the tax for the taxable year an amount at
2 the underpayment rate set by the commissioner of finance pursuant to
3 section 11-687 of this subchapter, or, if no rate is set, at the rate of
4 seven and one-half percent per annum upon the amount of the underpayment
5 for the period of the underpayment but not beyond the fifteenth day of
6 the ~~third~~ fourth month following the close of the taxable year.
7 Provided, however, that, for taxable years beginning on or after January

14 of such exempt CFC income in lieu of interest attribution if the
15 election described in paragraph (b) of subdivision five-a of such
16 section is made. The amount of the underpayment shall be, with respect
17 to any installment of estimated tax computed on the basis of either the
18 preceding year's tax or the second preceding year's tax, the excess of
19 the amount required to be paid over the amount, if any, paid on or
20 before the last day prescribed for such payment or, with respect to any
21 other installment of estimated tax, the excess of the amount of the
22 installment which would be required to be paid if the estimated tax were
23 equal to ninety percent of the tax shown on the return for the taxable
24 year (or if no return was filed, ninety percent of the tax for such
25 year) over the amount, if any, of the installment paid on or before the
26 last day prescribed for such payment. In any case in which there would
27 be no underpayment if "eighty percent" were substituted for "ninety
28 percent" each place it appears in this subdivision, the addition to the
29 tax shall be equal to seventy-five percent of the amount otherwise
30 determined. No underpayment shall be deemed to exist with respect to a
31 declaration or installment otherwise due on or after the termination of
32 existence of the taxpayer.

33 § 4-b. Subparagraphs (A) and (B) of paragraph 1 of subdivision (b) of

§ 92-gg. Charitable gifts trust fund. 1. There is hereby established in the joint custody of the commissioner of taxation and finance and the state comptroller a special fund pursuant to section eleven of this chapter to be known as the "charitable gifts trust fund".

2. Moneys in the charitable gifts trust fund shall be kept separate from and shall not be commingled with any other moneys in the custody of the comptroller or the commissioner of taxation and finance. Provided, however that any moneys of the fund not required for immediate use may, at the discretion of the comptroller, in consultation with the director of the budget, be invested by the comptroller in obligations of the United States or the state. The proceeds of any such investment shall be retained by the fund as assets to be used for purposes of the fund.

3. Except as set forth in subdivisions two and four of this section, no moneys from the charitable gifts trust fund shall be transferred to any other fund, nor shall moneys from the fund be used to make payments for any purpose other than the purposes set forth in subdivisions two and four of this section.

4. The charitable gifts trust fund shall have two separate and distinct accounts, as set forth in paragraphs a and b of this subdivision. Moneys in each of the accounts shall be kept separate from and shall not be commingled with any other moneys of any other account within the fund.

a. The "health charitable account" shall consist of monetary grants, gifts or bequests received by the state, and all other moneys credited or transferred thereto from any other fund or source. Moneys of such account shall only be expended for the support of services relating to primary, preventive, and inpatient health care, dental and vision care, hunger prevention and nutritional assistance, and other services for New York state residents with the overall goal of ensuring that New York

1 state residents have access to quality health care and other related
2 services.

3 b. The "elementary and secondary education charitable account" shall
4 consist of monetary grants, gifts or bequests received by the state for
5 the support of elementary and secondary education of children enrolled
6 in public school districts in the state and all other moneys credited or
7 transferred thereto from any other fund or source. Moneys of such
8 account shall only be expended for the provision of elementary and
9 secondary education of children in the state.

10 § 2. Credits for certain charitable contributions to Health Research,
11 Inc. 1. Charitable monetary contributions to Health Research, Inc.
12 (hereinafter "the corporation") that conform to the provisions of this
13 subdivision shall be considered qualified contributions for purposes of
14 the tax credit available pursuant to subsection (iii) of section 606 of
15 the tax law.

16 (a) Applications for contribution authorization certificates.
17 Contributors seeking to make a qualified contribution to the corporation
18 shall apply to the corporation for a contribution authorization certifi-
19 cate for such contribution. Such application shall be in the form and
20 manner prescribed by the corporation. The corporation may allow contrib-
21 utors to make multiple applications on the same form, provided that each
22 contribution listed on such application shall be treated as a separate
23 application and that the corporation shall issue separate contribution
24 authorization certificates for each such application.

25 (b) Contribution authorization and receipt certificates. (i) Issuance
26 of certificates. The president of the corporation shall issue contrib-
27 ution authorization certificates in two phases. In phase one, which
28 begins on the first day of January and ends on the thirtieth day of
29 September, the president of the corporation shall accept applications
30 for contribution authorization certificates, but shall not issue any
31 such certificates. Commencing after the first day of October, the pres-
32 ident of the corporation shall issue contribution authorization certifi-
33 cates for applications received during phase one, provided that if the
34 aggregate total of the contributions for which applications have been
35 received during phase one exceeds the amount of the contribution cap in
36 paragraph (e) of this subdivision, the authorized contribution amount
37 listed on each contribution authorization certificate shall equal the
38 pro-rata share of the contribution cap. If the contribution cap is not
39 exceeded, phase two commences on October first and ends on November
40 fifteenth, during which period the president of the corporation shall
41 issue contribution authorization certificates on a first-come first-
42 served basis based upon the date the corporation received the contribu-
43 tor's application for such certificate; provided, however, that if on
44 any day the corporation receives applications requesting contribution
45 authorization certificates for contributions that in the aggregate
46 exceed the amount of the remaining available contribution cap on such
47 day, the authorized contribution amount listed in each contribution
48 authorization certificate shall be the contributor's pro-rata share of
49 the remaining available contribution cap. For purposes of determining a
50 contributor's pro-rata share of remaining available contribution cap,
51 the head of the corporation shall multiply the amount of remaining
52 available contribution cap by a fraction, the numerator of which equals
53 the total contribution amount listed on the contributor's application
54 and the denominator of which equals the aggregate amount of contrib-
55 utions listed on the applications for contribution authorization certifi-
56 cates received on such day. Contribution authorization certificates

1 for applications received during phase one shall be mailed no later than
2 the fifteenth day of October. Contribution authorization certificates
3 for applications received during phase two shall be mailed within twenty
4 days of receipt of such applications. Provided, however, that no
5 contribution authorization certificates for applications received during
6 phase two shall be issued until all of the contribution authorization
7 certificates for applications received during phase one have been
8 issued.

9 (ii) Contribution authorization certificate contents. Each contrib-
10 ution authorization certificate shall state: (A) the date such certif-
11 icate was issued; (B) the date by which the authorized contributions
12 listed in the certificate must be made, which shall be no later than
13 November thirtieth of the year for which the contribution authorization
14 certificate was issued; (C) the contributor's name and address; (D) the
15 amount of authorized contributions; (E) the contribution authorization
16 certificate's certificate number; and (F) any other information that the
17 president of the corporation or the commissioner of taxation and finance
18 deems necessary.

19 (c) Certificate of receipt. If a contributor makes an authorized
20 contribution to the corporation no later than the date by which such
21 authorized contribution is required to be made, the corporation shall,
22 within 30 days of receipt of the authorized contribution, issue to the
23 contributor a written certificate of receipt. Each certificate of
24 receipt shall state: (i) the name and address of the corporation; (ii)
25 the contributor's name and address; (iii) the date for each contrib-
26 ution; (iv) the amount of each contribution and the corresponding
27 contribution authorization certificate number; (v) the total amount of
28 contributions; and (vi) any other information that the commissioner of
29 taxation and finance deems necessary.

30 (d) Notification to the department of the issuance of a certificate of
31 receipt. Upon the issuance of a certificate of receipt, the corporation
32 shall, within thirty days of issuing the certificate of receipt, provide
33 the department of taxation and finance with notification of the issuance
34 of such certificate in the form and manner prescribed by the department
35 of taxation and finance.

36 (e) Contribution cap. The maximum permitted contributions under this
37 section available annually for calendar year two thousand eighteen and
38 all following years shall be ten million dollars.

39 2. Use of authorized contributions. The corporation shall develop
40 policies and procedures to ensure that all contributions for which
41 certificates of receipt have been issued are expended only for one or
42 more of the following charitable health purposes: to support and supple-
43 ment laboratory facilities and programs, including, but not limited to,
44 laboratory testing and scientific research; to support and supplement
45 bioinformatics programs, including, but not limited to, developing
46 public health data analytical strategies; and to support and supplement
47 other public health activities.

48 § 3. Credits for certain charitable contributions to University Foun-
49 dations. 1. Charitable monetary contributions to the State University
50 of New York Impact Foundation (hereinafter "the SUNY foundation") or the
51 Research Foundation of the City University of New York (hereinafter "the
52 CUNY foundation") that conform to the provisions of this subdivision
53 shall be considered qualified contributions for purposes of the tax
54 credit available pursuant to subsection (iii) of section 606 of the tax
55 law.

(a) Applications for contribution authorization certificates. Contributors seeking to make a qualified contribution to the SUNY foundation or the CUNY foundation shall apply to such foundation for a contribution authorization certificate for such contribution. Such application shall be in the form and manner prescribed by the corporation. Each foundation may allow contributors to make multiple applications on the same form, provided that each contribution listed on such application shall be treated as a separate application and that the foundation shall issue separate contribution authorization certificates for each such application.

(b) Contribution authorization and receipt certificates. (i) Issuance of certificates. The head of each foundation shall issue contribution authorization certificates in two phases. In phase one, which begins on the first day of January and ends on the thirtieth day of September, the head of each foundation shall accept applications for contribution authorization certificates, but shall not issue any such certificates. Commencing after the first day of October, the head of each foundation shall issue contribution authorization certificates for applications received during phase one, provided that if the aggregate total of the contributions for which applications have been received during phase one exceeds the amount of the contribution cap in paragraph (e) of this subdivision, the authorized contribution amount listed on each contribution authorization certificate shall equal the pro-rata share of the contribution cap. If the contribution cap is not exceeded, phase two commences on October first and ends on November fifteenth, during which period the head of each foundation shall issue contribution authorization certificates on a first-come first-served basis based upon the date the foundation received the contributor's application for such certificate; provided, however, that if on any day the SUNY foundation or the CUNY foundation receives applications requesting contribution authorization certificates for contributions that in the aggregate exceed the amount of the remaining available contribution cap on such day, the authorized contribution amount listed in each contribution authorization certificate shall be the contributor's pro-rata share of the remaining available contribution cap. For purposes of determining a contributor's pro-rata share of remaining available contribution cap, the head of each foundation shall multiply the amount of remaining available contribution cap by a fraction, the numerator of which equals the total contribution amount listed on the contributor's application and the denominator of which equals the aggregate amount of contributions listed on the applications for contribution authorization certificates received on such day. Contribution authorization certificates for applications received during phase one shall be mailed no later than the fifteenth day of October. Contribution authorization certificates for applications received during phase two shall be mailed within twenty days of receipt of such applications. Provided, however, that no contribution authorization certificates for applications received during phase two shall be issued until all of the contribution authorization certificates for applications received during phase one have been issued.

(ii) Contribution authorization certificate contents. Each contribution authorization certificate shall state: (A) the date such certificate was issued; (B) the date by which the authorized contributions listed in the certificate must be made, which shall be no later than November thirtieth of the year for which the contribution authorization certificate was issued; (C) the contributor's name and address; (D) the

1 amount of authorized contributions; (E) the contribution authorization
2 certificate's certificate number; and (F) any other information that the
3 head of the respective foundation or the commissioner of taxation and
4 finance deems necessary.

5 (c) Certificate of receipt. If a contributor makes an authorized
6 contribution to the SUNY foundation or the CUNY foundation no later than
7 the date by which such authorized contribution is required to be made,
8 such foundation shall, within thirty days of receipt of the authorized
9 contribution, issue to the contributor a written certificate of receipt.
10 Each certificate of receipt shall state: (i) the name and address of the
11 foundation; (ii) the contributor's name and address; (iii) the date for
12 each contribution; (iv) the amount of each contribution and the corre-
13 sponding contribution authorization certificate number; (v) the total
14 amount of contributions; and (vi) any other information that the commis-
15 sioner of taxation and finance deems necessary.

16 (d) Notification to the department of the issuance of a certificate of
17 receipt. Upon the issuance of a certificate of receipt, the respective
18 foundation shall, within thirty days of issuing the certificate of
19 receipt, provide the department of taxation and finance with notifica-
20 tion of the issuance of such certificate in the form and manner
21 prescribed by the department of taxation and finance.

22 (e) Contribution cap. The maximum permitted contributions under this
23 section available annually for calendar year two thousand eighteen and
24 all following years shall be ten million dollars for the SUNY foundation
25 and ten million dollars for the CUNY foundation.

26 2. Use of authorized contributions. The SUNY foundation and the CUNY
27 foundation shall develop policies and procedures to ensure that all
28 contributions for which certificates of receipt have been issued are
29 expended only to support programs benefiting students enrolled at the

10 of such charitable fund shall be transferred to the school district's
11 general fund for expenditure consistent with the charitable purposes of
12 the fund, provided that the amount of taxes to be levied by the school
13 district for any school year shall be determined without regard to any
14 such transfer. The school district shall maintain an accounting of all
15 such deposits, interest or capital gain, transfers, and expenditures.

16 § 6. Section 1709 of the education law is amended by adding a new
17 subdivision 12-b to read as follows:

33 4. The governing board shall establish a procedure for contributions
34 to the charitable gifts reserve fund, which shall include the provision
35 of a written acknowledgment of the gift to the contributor.

36 § 9. The real property tax law is amended by adding a new section
37 980-a to read as follows:

38 § 980-a. Tax credits for contributions to certain funds. 1. (a) A
39 municipal corporation that has established a fund pursuant to subdivi-
40 sion forty-four of section sixteen hundred four of the education law,
41 subdivision twelve-b of section seventeen hundred nine of the education
42 law, subdivision fifty-four of section twenty-five hundred ninety-h of
43 the education law, or section six-t or six-u of the general municipal
44 law, may adopt a local law, or in the case of a school district, a
45 resolution, authorizing a tax credit to be provided pursuant to this
46 section for contributions to such fund. For purposes of this section, a
47 municipal corporation that has established such a fund and authorized
48 such a credit shall be referred to as a "participating" municipal corpo-
49 ration.

50 (b) On and after a date specified in the local law or resolution
51 adopted by a participating municipal corporation pursuant to paragraph
52 (a) of this subdivision, the owner or owners of real property shall be
53 allowed a credit against the real property taxes of a participating
54 municipal corporation that have been imposed upon such property. The
55 amount of such credit shall equal ninety-five percent, or such lesser
56 allowable percentage credit as may have been established pursuant to

1 paragraph (c) of this subdivision, of the amount contributed by one or
2 more of the owners of such property during the "associated credit year"
3 as defined in this section, to any or all of the funds established by
4 such municipal corporation, subject to the limit established pursuant to
5 paragraph (c) of this subdivision, if any.

6 (c) The participating municipal corporation may establish a limit upon
7 the amount or percentage of such credit to be allowed in any given
8 fiscal year, in which case the amount of such credit shall not exceed
9 any limit so established. Any such limit shall be adopted by local law,
10 or in the case of a school district, by resolution, which local law or
11 resolution may either be the same as or separate from the local law or
12 resolution that initially authorized the credit. Once such a limit has
13 been adopted, it may be amended or repealed thereafter by local law, or
14 in the case of a school district, by resolution, provided that any such
15 amendment or repeal shall only apply to taxes of the participating
16 municipal corporation for fiscal years commencing after the adoption of
17 such local law or resolution. A copy of any local law or resolution
18 establishing, amending or repealing such a limit shall be provided to
19 the collecting officer who collects the taxes of the participating
20 municipal corporation.

21 2. For purposes of this section, the "associated credit year" shall be
22 the twelve-month period during which the owner of the property has made
23 a contribution described in subdivision one of this section that ends on
24 the last day prescribed by law on which the taxes of the participating
25 municipal corporation may be paid without interest or penalties, subject
26 to the following:

27 (a) Where such taxes are payable in installments, such twelve-month
28 period shall end on the last day prescribed by law on which the first
29 installment of such taxes may be paid without interest or penalties.

30 (b) Where a participating municipal corporation is a city school
31 district that is subject to article fifty-two of the education law, such
32 twelve-month period shall end on the last day prescribed by law on which
33 city taxes may be paid without interest or penalties, or if applicable,
34 on the last day prescribed by law on which the first installment of such
35 taxes may be paid without interest or penalties.

36 (c) Each such twelve-month period shall be determined without regard
37 to the possibility that the period prescribed by law for paying such
38 taxes without interest or penalties may be extended due to a delay in
39 the first publication of the collecting officer's notice as provided by
40 sections thirteen hundred twenty-two or thirteen hundred twenty-four of
41 this chapter or a comparable law, or due to an executive order issued in
42 connection with a state disaster emergency as provided by subdivision
43 two of section nine hundred twenty-five-a of this chapter.

44 3. The credit authorized by this section shall be administered as
45 follows:

46 (a) The administrator of the fund or its designated agent shall, upon
47 receiving a contribution to the fund specified in subdivision one of
48 this section during a credit year, furnish the property owner with an
49 acknowledgement in duplicate. Such acknowledgement shall be provided on
50 a form prescribed by the commissioner and shall specify the amount of
51 the contribution, the name and address of the donor, the date the
52 contribution was received, the authorized signature of the administrator
53 or agent, and such other information as the commissioner shall require.

54 (b) After receiving such an acknowledgement, the property owner may
55 present it to the appropriate collecting officer on or before the last
56 day prescribed by law on which taxes may be paid without interest or

1 penalty, together with a credit claim on a form prescribed by the
2 commissioner. Such credit claim form shall contain the name of the
3 property owner or owners, the date and amount of the contributions made
4 to the account during the associated credit year, the address of the
5 property to which the credit claim relates, and such other information
6 as the commissioner shall require. Notwithstanding any provision of law
7 to the contrary, the collecting officer shall thereupon be authorized
8 and directed to grant the property owner a tax credit equal to ninety-
9 five percent, or such lesser allowable percentage credit as may have
10 been established pursuant to paragraph (c) of subdivision one of this
11 section, of the amount of the contributions made during the associated
12 credit year as specified on the acknowledgement, and to reduce the tax
13 liability on the parcel accordingly, provided that such credit may not
14 exceed any percentage credit or other limit established by the partic-
15 ipating municipal corporation pursuant to paragraph (c) of subdivision
16 one of this section, if such a limit has been established, and may not
17 exceed the property taxes due or paid that are attributable to the
18 participating municipal corporation. Where taxes are payable in install-
19 ments, if the credit exceeds the amount of the first installment, the
20 excess shall be applied to future installments until exhausted. The
21 participating municipal corporation may adopt a local law, or in the
22 case of a school district, a resolution, providing that where a property
23 owner submits a credit claim form to the collecting officer prior to the
24 collecting officer's receipt of the tax warrant, or such other date as
25 may be specified in such local law or resolution, the associated proper-
26 ty tax bill shall reflect a reduction in the tax liability equal to the
27 credit authorized by this section; provided however that if the collect-
28 ing officer is not employed by the participating municipal corporation,
29 such local law or resolution shall not take effect unless and until the
30 governing body of the municipal corporation that employs the collecting
31 officer has adopted a resolution agreeing thereto. The department of

(2) Step two. Selection of the proposal which is the best value to the authorized entity. The authorized entity shall issue a request for proposals to the responding entities listed pursuant to paragraph one of this subdivision. If such a responding entity consists of a team of separate entities, the entities that comprise such a team must remain unchanged from the responding entity as listed pursuant to paragraph one of this subdivision unless otherwise approved by the authorized entity. The request for proposals shall set forth the public work's scope of work, and other requirements, as determined by the authorized entity, which may include separate goals for work under the contract to be performed by businesses certified as minority- or women-owned business enterprises pursuant to article 15-A of the executive law, or certified pursuant to local law as minority- or women-owned business enterprises. The request for proposals shall also specify the criteria to be used to evaluate the responses and the relative weight of each of such criteria. Such criteria shall include the proposal's cost, the quality of the

proposal's solution, the qualifications and experience of the proposer, and other factors deemed pertinent by the authorized entity, which may include, but shall not be limited to, the proposal's manner and schedule of project implementation, the proposer's ability to complete the work in a timely and satisfactory manner, maintenance costs of the completed public work, maintenance of traffic approach, and community impact. Any contract awarded pursuant to this act shall be awarded to a responsive and responsible proposer, which, in consideration of these and other specified criteria deemed pertinent, offers the best value, as determined by the authorized entity. The request for proposals shall include a statement that proposers shall designate in writing those portions of the proposal that contain trade secrets or other proprietary information that are to remain confidential; that the material designated as confidential shall be readily separable from the proposal. Nothing in this subdivision shall be construed to prohibit the authorized entity from negotiating final contract terms and conditions including cost. All proposals submitted shall be scored according to the criteria listed in the request for proposals and such final scores shall be published on the authorized entity's website.

(b) An authorized entity awarding a design-build contract to a contractor offering the best value may but shall not be required to use the following types of contracts:

(1) A cost-plus not to exceed guaranteed maximum price form of contract in which the authorized entity shall be entitled to monitor and audit all costs. In establishing the schedule and process for determining a guaranteed maximum price, the contract between the authorized entity and the contractor shall:

(i) Describe the scope of the work and the cost of performing such work,

(ii) Include a detailed line item cost breakdown,

(iii) Include a list of all drawings, specifications and other information on which the guaranteed maximum price is based,

(iv) Include the dates of substantial and final completion on which the guaranteed maximum price is based, and

(v) Include a schedule of unit prices; or

(2) A lump sum contract in which the contractor agrees to accept a set dollar amount for a contract which comprises a single bid without providing a cost breakdown for all costs such as for equipment, labor, materials, as well as such contractor's profit for completing all items of work comprising the public work.

§ 5. Any contract entered into pursuant to this act shall include a clause requiring that any professional services regulated by articles 145, 147 and 148 of the education law shall be performed and stamped and sealed, where appropriate, by a professional licensed in accordance with the appropriate articles.

§ 6. Construction or reconstruction with respect to each contract entered into by an authorized entity pursuant to this act shall be deemed a "public work" to be performed in accordance with the provisions of article 8 of the labor law, as well as subject to sections 200, 240, 241 and 242 of such law and enforcement of prevailing wage requirements pursuant to applicable law or, for projects or public works receiving federal aid, applicable federal requirements for prevailing wage. Any contract entered into pursuant to this act shall include a clause requiring the selected design builder to obligate every tier of contractor working on the public work to comply with the project labor agreement referenced in section three of this act, and shall include project

1 labor agreement compliance monitoring and enforcement provisions
2 consistent with the applicable project labor agreement.

3 § 7. Each contract entered into by an authorized entity pursuant to
4 this act shall comply with the objectives and goals with regard to
5 minority- and women-owned business enterprises pursuant to, as applica-
6 ble, section 6-129 of the administrative code of the city of New York,
7 or, for projects or public works receiving federal aid, applicable
8 federal requirements for disadvantaged business enterprises or minority-
9 and women-owned business enterprises.

10 § 8. Public works undertaken by an authorized entity pursuant to this
11 act shall be subject to the requirements of article 8 of the environ-
12 mental conservation law, and, where applicable, the requirements of the
13 national environmental policy act.

14 § 9. (a) Notwithstanding any provision of law to the contrary, all
15 rights or benefits, including terms and conditions of employment, and
16 protection of civil service and collective bargaining status of all
17 employees of authorized entities solely in connection with the public
18 works identified in subdivision (f) of section two of this act, shall be
19 preserved and protected.

20 (b) Nothing in this act shall result in the: (1) displacement of any
21 currently employed worker or loss of position (including partial
22 displacement such as a reduction in the hours of non-overtime work,
23 wages or employment benefits), or result in the impairment of existing
24 collective bargaining agreements; and (2) transfer of existing duties
25 and functions related to maintenance and operations currently performed
26 by existing employees of authorized entities to a contractor.

27 (c) Employees of authorized entities using design-build contracts
28 serving in positions in newly created titles shall be assigned to the
29 appropriate bargaining unit. Nothing contained in this act shall be
30 construed to affect (1) the existing rights of employees of such enti-
31 ties pursuant to an existing collective bargaining agreement, (2) the
32 existing representational relationships among employee organizations
33 representing employees of such entities, or (3) the bargaining relation-
34 ships between such entities and such employee organizations.

35 § 10. The submission of a proposal or responses or the execution of a
36 design-build contract pursuant to this act shall not be construed to be
37 a violation of section 6512 of the education law.

38 § 11. Nothing contained in this act shall limit the right or obli-
39 gation of any authorized entity to comply with the provisions of any
40 existing contract or to award contracts as otherwise provided by law.

41 § 12. Any construction or reconstruction performed pursuant to this
42 act shall be subject to any applicable uniform land use review proce-
43 dures and local zoning requirements.

44 § 13. Before the demolition of any correctional facility located on
45 the Rikers Island Jail Complex, a substitute correctional facility must
46 be identified and if such facility is defined as a public works project
47 pursuant to this act, such public works project must be fully
48 constructed before such demolition may occur.

49 § 14. This act shall take effect immediately and shall expire and be
50 deemed repealed two years after such date, provided that, public works
51 with requests for qualifications issued prior to such repeal shall be
52 permitted to continue under this act notwithstanding such repeal.

1 Section 1. This act shall be known and may be cited as the "New York
2 city housing authority modernization investment act".

3 § 2. For the purposes of this act:

4 (a) "Authorized entity" shall mean the New York city department of
5 design and construction, and the New York city housing authority.

6 (b) "Best value" shall mean the basis for awarding contracts for
7 services to a proposer that optimizes quality, cost and efficiency,

29 and other applicable labor and prevailing wage laws, article 15-A of the
30 executive law, and any other applicable laws concerning minority- and
31 women-owned business enterprise participation;

32 (13) The proposer's record of complying with existing labor standards,
33 maintaining harmonious labor relations, and protecting the health and
34 safety of workers and payment of wages above any locally-defined living
35 wage; and

36 (14) A quantitative factor to be used in evaluation of bids or offers
37 for awarding of contracts for bidders or offerers that are certified as
38 minority- or women-owned business enterprises pursuant to article 15-A
39 of the executive law, and certified pursuant to local law as minority-
40 or women-owned business enterprises. Where an agency identifies a quan-
41 titative factor pursuant to this paragraph, the agency must specify that
42 businesses certified as minority- or women-owned business enterprises
43 pursuant to article 15-A of the executive law as well as those certified
44 as minority- or women-owned business enterprises or pursuant to section
45 1304 of the New York City charter are eligible to qualify for such
46 factor. Nothing in this paragraph shall be construed as a requirement
47 that such businesses be concurrently certified as minority- or women-
48 owned business enterprises under both article 15-A of the executive law
49 and section 1304 of the New York City charter to qualify for such quan-
50 titative factors. Such basis shall reflect, wherever possible, objec-

52 (c) "Cost plus" shall mean compensating a contractor for the cost to
53 complete a contract by reimbursing actual costs for labor, equipment and
54 materials plus an additional amount for overhead and profit.

2 construction of a public work with a single entity, which may be a team

6 shall require participation in apprentice training programs in accord-
7 ance with paragraph (e) of subdivision 2 of such section.

8 (f) "Public work" shall mean a public work in the city of New York
9 related to the following, and shall refer to this public work; the
10 construction or reconstruction of residential properties owned by the
11 New York City housing authority where such construction or recon-
12 struction is required to remediate certain conditions of habitability,
13 including but not limited to, roof repair, lead or mold abatement and
14 remediation, plumbing installation or repair, boiler installation or
15 repair, or any structural repair where such construction or recon-
16 struction is deemed necessary in accordance with the terms of a state
17 declaration of a disaster emergency pursuant to section 402-d of the
18 public housing law.

19 § 3. Any contract for a public work undertaken pursuant to a project
20 labor agreement in accordance with section 222 of the labor law may be a
21 design-build contract in accordance with this act.

22 § 4. Notwithstanding any general, special or local law, rule or regu-
23 lation to the contrary, including but not limited to article 5-A of the
24 general municipal law, section 151 of the public housing law, and in
25 conformity with the requirements of this act, for any public work that
26 is undertaken pursuant to a project labor agreement in accordance with
27 section 222 of the labor law, an authorized entity charged with awarding
28 a contract for public work may use the alternative delivery method
29 referred to as design-build contracts.

30 (a) A contractor selected by such authorized entity to enter into a
31 design-build contract shall be selected through a two-step method, as
32 follows:

33 (1) Step one. Generation of a list of responding entities that have
34 demonstrated the general capability to perform the design-build
35 contract. Such list shall consist of a specified number of responding
36 entities, as determined by an authorized entity, and shall be generated
37 based upon the authorized entity's review of responses to a publicly
38 advertised request for qualifications. The authorized entity's request
39 for qualifications shall include a general description of the public
40 work, the maximum number of responding entities to be included on the
41 list, the selection criteria to be used and the relative weight of each
42 criteria in generating the list. Such selection criteria shall include
43 the qualifications and experience of the design and construction team,
44 organization, demonstrated responsibility, ability of the team or of a
45 member or members of the team to comply with applicable requirements,
46 including the provisions of articles 145, 147, and 148 of the education
47 law, past record of compliance with the labor law, and such other quali-
48 fications the authorized entity deems appropriate, which may include but
49 are not limited to project understanding, financial capability and
50 record of past performance. The authorized entity shall evaluate and
51 rate all responding entities to the request for qualifications. Based
52 upon such ratings, the authorized entity shall list the responding enti-
53 ties that shall receive a request for proposals in accordance with para-
54 graph two of this subdivision. To the extent consistent with applicable
55 federal law, the authorized entity shall consider, when awarding any
56 contract pursuant to this section, the participation of: (i) responding

1 entities that are certified as minority- or women-owned business enter-
2 prises pursuant to article 15-A of the executive law, or certified
3 pursuant to local law as minority- or women-owned business enterprises;
4 and (ii) small business concerns identified pursuant to subdivision (b)
5 of section 139-g of the state finance law.

6 (2) Step two. Selection of the proposal which is the best value to the
7 authorized entity. The authorized entity shall issue a request for
8 proposals to the responding entities listed pursuant to paragraph one of
9 this subdivision. If such a responding entity consists of a team of
10 separate entities, the entities that comprise such a team must remain
11 unchanged from the responding entity as listed pursuant to paragraph one
12 of this subdivision unless otherwise approved by the authorized entity.
13 The request for proposals shall set forth the public work's scope of
14 work, and other requirements, as determined by the authorized entity,
15 which may include separate goals for work under the contract to be
16 performed by businesses certified as minority- or women-owned business
17 enterprises pursuant to article 15-A of the executive law, or certified
18 pursuant to local law as minority- or women-owned business enterprises.
19 The request for proposals shall also specify the criteria to be used to
20 evaluate the responses and the relative weight of each of such criteria.
21 Such criteria shall include the proposal's cost, the quality of the
22 proposal's solution, the qualifications and experience of the proposer,
23 and other factors deemed pertinent by the authorized entity, which may
24 include, but shall not be limited to, the proposal's manner and schedule
25 of project implementation, the proposer's ability to complete the work
26 in a timely and satisfactory manner, maintenance costs of the completed
27 public work, maintenance of traffic approach, and community impact. Any
28 contract awarded pursuant to this act shall be awarded to a responsive
29 and responsible proposer, which, in consideration of these and other
30 specified criteria deemed pertinent, offers the best value, as deter-
31 mined by the authorized entity. The request for proposals shall include
32 a statement that proposers shall designate in writing those portions of
33 the proposal that contain trade secrets or other proprietary information
34 that are to remain confidential; that the material designated as confi-
35 dential shall be readily separable from the proposal. Nothing in this
36 subdivision shall be construed to prohibit the authorized entity from
37 negotiating final contract terms and conditions including cost. All
38 proposals submitted shall be scored according to the criteria listed in
39 the request for proposals and such final scores shall be published on
40 the authorized entity's website.

41 (b) An authorized entity awarding a design-build contract to a
42 contractor offering the best value may but shall not be required to use
43 the following types of contracts:

44 (1) A cost-plus not to exceed guaranteed maximum price form of
45 contract in which the authorized entity shall be entitled to monitor and
46 audit all costs. In establishing the schedule and process for determin-
47 ing a guaranteed maximum price, the contract between the authorized
48 entity and the contractor shall:

49 (i) Describe the scope of the work and the cost of performing such
50 work,

51 (ii) Include a detailed line item cost breakdown,

52 (iii) Include a list of all drawings, specifications and other infor-
53 mation on which the guaranteed maximum price is based,

54 (iv) Include the dates of substantial and final completion on which
55 the guaranteed maximum price is based, and

56 (v) Include a schedule of unit prices; or

1 (2) A lump sum contract in which the contractor agrees to accept a set
2 dollar amount for a contract which comprises a single bid without
3 providing a cost breakdown for all costs such as for equipment, labor,
4 materials, as well as such contractor's profit for completing all items
5 of work comprising the public work.

6 § 5. Any contract entered into pursuant to this act shall include a
7 clause requiring that any professional services regulated by articles
8 145, 147 and 148 of the education law shall be performed and stamped and
9 sealed, where appropriate, by a professional licensed in accordance with
10 the appropriate articles.

11 § 6. Construction with respect to each contract entered into by an
12 authorized entity pursuant to this act shall be deemed a "public work"
13 to be performed in accordance with the provisions of article 8 of the
14 labor law, as well as subject to sections 200, 240, 241 and 242 of such
15 law and enforcement of prevailing wage requirements pursuant to applica-
16 ble law or, for projects or public works receiving federal aid, applica-
17 ble federal requirements for prevailing wage. Any contract entered into
18 pursuant to this act shall include a clause requiring the selected
19 design builder to obligate every tier of contractor working on the
20 public work to comply with the project labor agreement referenced in
21 section three of this act, and shall include project labor agreement
22 compliance monitoring and enforcement provisions consistent with the
23 applicable project labor agreement.

24 § 7. Each contract entered into by an authorized entity pursuant to
25 this act shall comply with the objectives and goals with regard to
26 minority- and women-owned business enterprises pursuant to, as applica-
27 ble, section 6-129 of the administrative code of the city of New York,
28 or, for projects or public works receiving federal aid, applicable
29 federal requirements for disadvantaged business enterprises or minority-
30 and women-owned business enterprises.

31 § 8. Public works undertaken by an authorized entity pursuant to this
32 act shall be subject to the requirements of article 8 of the environ-
33 mental conservation law, and, where applicable, the requirements of the
34 national environmental policy act.

35 § 9. (a) Notwithstanding any provision of law to the contrary, all
36 rights or benefits, including terms and conditions of employment, and
37 protection of civil service and collective bargaining status of all
38 employees of authorized entities solely in connection with the public
39 works identified in subdivision (f) of section two of this act, shall be
40 preserved and protected.

41 (b) Nothing in this act shall result in the: (1) displacement of any
42 currently employed worker or loss of position (including partial
43 displacement such as a reduction in the hours of non-overtime work,
44 wages or employment benefits), or result in the impairment of existing
45 collective bargaining agreements; and (2) transfer of existing duties
46 and functions related to maintenance and operations currently performed
47 by existing employees of authorized entities to a contractor.

48 (c) Employees of authorized entities using design-build contracts
49 serving in positions in newly created titles shall be assigned to the
50 appropriate bargaining unit. Nothing contained in this act shall be
51 construed to affect: (1) the existing rights of employees of such enti-
52 ties pursuant to an existing collective bargaining agreement, (2) the
53 existing representational relationships among employee organizations
54 representing employees of such entities, or (3) the bargaining relation-
55 ships between such entities and such employee organizations.

§ 10. The submission of a proposal or responses or the execution of a design-build contract pursuant to this act shall not be construed to be a violation of section 6512 of the education law.

§ 11. Nothing contained in this act shall limit the right or obligation of any authorized entity to comply with the provisions of any existing contract or to award contracts as otherwise provided by law.

§ 12. This act shall take effect immediately and shall expire and be deemed repealed 2 years after such date, provided that, public works with requests for qualifications issued prior to such repeal shall be permitted to continue under this act notwithstanding such repeal.

PART MMM

Section 1. This act shall be known and may be cited as the "New York Pennsylvania Station Public Safety Improvements Act".

§ 2. It is hereby found and declared, that the rail and transportation facility known as New York Pennsylvania Station ("Penn Station") is antiquated, substandard, and inadequate to meet current transportation and public safety needs and presents an unreasonable safety risk to the public; Penn Station serves as a major transportation hub for the Metropolitan Transportation Authority ("MTA"), New York City Transit, Amtrak, the Long Island Railroad, and the New Jersey Transit. It serves hundreds of millions of passengers on an annual basis. Well over 600,000 passengers travel through Penn Station on a daily basis. This is more people than travel through LaGuardia, John F. Kennedy International, and Newark Liberty International airports combined. Penn Station is in need of modernization to meet public safety needs. Penn Station is currently overcrowded, hard to navigate, at times often chaotic and has a limited capacity for security and proper policing. Penn Station is in desperate need of more access and egress to allow better entrance and exit capacity and expedited evacuation procedures. In this time of heightened terrorist threats Penn Station needs more controlled points for security monitoring and equipment. Passenger flow and security access must allow manageability in emergency situations. The current situation poses a clear public safety hazard. With the new adjoining Farley Building Moynihan Train Hall soon to be completed, the proposed Gateway Tunnel, and improved Long Island Railroad access the number of commuters entering Penn Station is expected to increase dramatically.

§ 3. It is further found and declared that such conditions and circumstances require action to repair or redevelop such facilities into safe, modern, efficient facilities to assure the safety and comfort of travelers. Work is currently underway within Penn Station to improve passageways, concourses, lighting and amenities. Connections with the new Moynihan Train Hall at Farley are also underway, as well as planning for remaining necessary improvements to access and egress and to the surrounding areas to position such areas to accommodate and attract passengers and evolving technological and business and commercial needs and practices.

§ 4. This is a pressing public safety and transportation issue and is a major objective for the State to resolve and should be made a top priority. MTA and the New York state urban development corporation ("UDC") should coordinate and consult with community leaders, business groups and federal and city government to design a solution.

§ 5. The State will provide funds to UDC to begin with the planning of any such redevelopment.

§ 6. This act shall take effect immediately.

50 of surcharge under this subsection shall be two dollars and fifty cents
51 for each trip.

52 (b) In addition to any other tax or assessment imposed by this chapter
53 or other law, beginning on January first, two thousand nineteen, there
54 is hereby imposed on transportation provided by pool vehicles a
55 surcharge of seventy-five cents for each person that both enters and

1 exits the pool vehicle in the state, and who is picked up in, dropped
2 off in, or travels through the congestion zone.

3 (c) Notwithstanding the foregoing, the surcharge imposed by this arti-
4 cle shall not apply to transportation services that are administered by
5 or on behalf of the metropolitan transportation authority, including
6 paratransit services.

7 (d) Receipts subject to tax under paragraph ten of subdivision (c) of
8 section eleven hundred five of this chapter, as well as the gross trip
9 fare of every TNC prearranged trip as those terms are defined by section
10 twelve hundred ninety-one of this chapter, shall be deemed to exclude
11 any surcharge imposed by this article.

12 § 1299-B. Liability for surcharge. (a) Notwithstanding any provision
13 of law to the contrary, any person that dispatches a motor vehicle by
14 any means that provides transportation that is subject to a surcharge
15 imposed by this article, including transportation network companies as
16 defined in article forty-four-B of the vehicle and traffic law, shall be
17 liable for the surcharge imposed by this article, except that in the
18 case of taxicab trips and HAIL vehicle trips that are also subject to
19 tax pursuant to article twenty-nine-A of this chapter, only the taxicab
20 owner or HAIL base liable for that tax shall be the person liable for
21 the surcharge imposed by this article. For purposes of this section, the
22 terms "taxicab trips," "HAIL vehicle trips," "taxicab owner," and "HAIL
23 base" shall have the same meaning as they do in section twelve hundred
24 eighty of this chapter.

25 (b) Notwithstanding any law to the contrary: (1) The surcharge imposed
26 by this article must be passed along to passengers and separately stated
27 on any receipt that is provided to such passengers. The passing along of
28 such surcharge shall not be construed by any court or administrative
29 body as the imposition of the surcharge on the person or entity that
30 pays for the for-hire transportation trip. All regulatory agencies must
31 adjust any fares that are authorized by them to include the surcharge
32 imposed by this article, and must require that any meter or other
33 instrument used in any for-hire vehicle regulated by it to calculate
34 fares be adjusted to include the surcharge.

35 (2) Neither the failure of a regulatory agency to adjust fares nor the
36 failure to adjust a meter or other instrument used in a for-hire vehicle
37 to calculate fares shall relieve any person liable for the surcharge
38 imposed by this article from the obligation to pay such surcharge.

39 § 1299-C. Registration. (a) Every person liable for the surcharge
40 imposed by this article shall file with the commissioner a properly
41 completed application for a certificate of registration, in a form
42 prescribed by the commissioner. Such application shall be accompanied by
43 a fee of one dollar and fifty cents, and shall set forth the name and
44 address of the registrant, and any other information that the commis-
45 sioner may require. Notwithstanding the foregoing, any person liable for
46 a surcharge imposed by this article that will incur such liability no
47 more than one time in any single calendar month shall not be subject to
48 the provisions of this paragraph.

49 (b) Except as otherwise provided in this section, the commissioner
50 shall issue a certificate of registration to each person that applies
51 for one for a specified term of not less than three years. Any certif-
52 icate of registration referred to in this paragraph shall be subject to
53 renewal in accordance with rules promulgated by the commissioner, and
54 upon the payment of a fee of one dollar and fifty cents. Whether or not
55 such certificate of registration is issued for a specified term, it
56 shall be subject to suspension or revocation as provided for in this

1 section. Each certificate shall state the registrant, the registrant's
2 taxpayer ID number, and vehicle (or vehicles) it is applicable to.
3 Certificates of registration issued pursuant to this article shall be
4 non-assignable and non-transferable, and shall be surrendered to the
5 commissioner immediately upon the registrant's ceasing to do business at
6 the address provided in its application, unless the registrant amends
7 its certificate of registration in accordance with rules promulgated by
8 the commissioner. All registrants must notify the commissioner of chang-
9 es to any of the information stated on their certificate of registra-
10 tion, including vehicle changes, if any, on a calendar quarterly basis,
11 and shall amend their certificates of registration accordingly.

12 (c) (1) The commissioner may refuse to issue a certificate of regis-
13 tration to a person, or may suspend or revoke a certificate of registra-
14 tion that was issued to a person, pursuant to this section upon finding
15 that: (i) such person failed to pay any monies that are finally deter-
16 mined to be due for any tax or imposition that is administered by the
17 commissioner; (ii) such person failed to file any report or return that
18 is due from it under this chapter; (iii) such person willfully filed a
19 false report, return or other document due under this chapter; (iv) such
20 person willfully violated any provision of this article, or any rule or
21 regulation of the commissioner promulgated under this article; or (v) a
22 certificate of registration issued pursuant to this section to such
23 person, or to any business or entity under control of such person, or
24 that is subject to substantially the same ownership, direction or
25 control of such person, has been revoked or suspended within one year
26 from the date on which a certificate of registration is filed.

27 (2) A notice of proposed revocation, suspension or refusal to issue
28 shall be given to the person that applies for a certificate of registra-
29 tion pursuant to this section in the manner prescribed for a notice of
30 deficiency in subsection (a) of section one thousand eighty-one of this
31 chapter, and except as otherwise provided herein, all the provisions of
32 article twenty-seven of this chapter applicable to a notice of deficien-
33 cy shall apply to a notice issued pursuant to this paragraph, insofar as
34 such provisions can be made applicable to such notice, and with such
35 modifications as may be necessary in order to adapt the language of such
36 provisions to the notice authorized by this paragraph. All notices of
37 proposed revocation, suspension or refusal to issue shall contain a
38 statement advising the person to whom it is issued that the suspension,
39 revocation or refusal to issue may be challenged through a hearing proc-
40 ess and that the petition for such challenge must be filed with the
41 division of tax appeals within ninety days after the giving of such
42 notice.

43 (3) In the case of a proposed revocation or suspension, notice of such
44 must be given to a person within three years from the date of the act or
45 omission described in paragraph one of this subdivision, except that in
46 the case of acts involving falsity or fraud, such notice may be issued
47 at any time.

48 (4) In any of the foregoing instances where the commissioner may
49 suspend or revoke or refuse to issue a certificate of registration, the
50 commissioner may condition the retention or issuance of a certificate of
51 registration upon the filing of a bond or the deposit of tax in the
52 manner provided in paragraph two or three of subdivision (e) of section
53 eleven hundred thirty-seven of this chapter.

54 (d) If the commissioner considers it necessary for the proper adminis-
55 tration of the surcharge imposed by this article, he or she may require
56 every person who holds a certificate of registration issued pursuant to

1 this section to apply for a new certificate of registration in such form
2 and at such time as the commissioner may prescribe, and to surrender
3 each previously issued certificate of registration. The commissioner may
4 require such filing and such surrender not more often than once every
5 three years. Upon the filing of an application for a new certificate of
6 registration and the surrender of all previous such certificates, the
7 commissioner shall issue, within such time as the commissioner may
8 prescribe, a new certificate of registration, without charge, to each
9 registrant.

10 § 1299-D. Returns and payment of surcharge. (a) Every person liable
11 for the surcharge imposed by this article shall file a return with the
12 commissioner on a monthly basis. Each return shall show the number of
13 for-hire transportation trips, or the number of pool vehicle passengers,
14 subject to the surcharge imposed by this article in the month for which
15 the return is filed, along with such other information as the commis-
16 sioner may require. The returns required by this section shall be filed
17 within twenty days after the end of the month covered thereby. If the
18 commissioner deems it necessary to ensure the payment of the surcharge
19 imposed by this article, he or she may require returns to be made for
20 shorter periods than prescribed by the foregoing provisions of this
21 section, and upon such dates as may be specified. The form of returns
22 shall be prescribed by the commissioner and shall contain such informa-
23 tion as the commissioner may deem necessary for the proper adminis-
24 tration of this article. The commissioner may require that returns be
25 filed electronically.

26 (b) Every person liable for the surcharge imposed by this article
27 shall, at the time of filing such return, pay to the commissioner the
28 total amount of all surcharges due under this article. Such amount shall
29 be due and payable on the date specified for the filing of the return
30 for such period, without regard to whether a return is filed, or whether
31 the return that is filed correctly shows the correct number of for-hire
32 trips are subject the surcharge, or the correct surcharge amount due
33 thereon. The commissioner may require that the surcharge be paid elec-
34 tronically.

35 (c) In addition to any other penalty or interest provided for under
36 this article or other law, and unless it is shown that such failure is
37 due to reasonable cause and not due to willful neglect, any person
38 liable for the surcharge imposed by this article that fails to pay such
39 surcharge when due shall be liable for a penalty in an amount equal to
40 two hundred percent of the total surcharge amount that is due.

41 § 1299-E. Records to be kept. Every person liable for the surcharge
42 imposed by this article shall keep, and shall make available for review
43 upon demand by the commissioner:

44 (1) records of every trip provided or arranged by such person, or
45 provided through the use of a for-hire vehicle owned or leased by such
46 person, including all amounts paid, charged or due thereon, in such form
47 as the commissioner may require;

48 (2) true and complete copies of any records required to be kept by any
49 applicable regulatory department or agency; and

50 (3) such other records and information as the commissioner may require
51 to perform his or her duties under this article.

52 § 1299-F. Secrecy of returns and reports. (a) Except in accordance
53 with proper judicial order or as otherwise provided by law, it shall be
54 unlawful for the commissioner, any officer or employee of the depart-
55 ment, any person engaged or retained by the department on an independent
56 contract basis, or any person who in any manner may acquire knowledge of

1 the contents of a return or report filed with the commissioner pursuant
2 to this article, to divulge or make known in any manner any particulars
3 set forth or disclosed in any such return or report. The officers
4 charged with the custody of such returns and reports shall not be
5 required to produce any of them or evidence of anything contained in
6 them in any action or proceeding in any court, except on behalf of the
7 commissioner in an action or proceeding under the provisions of this
8 chapter, or in any other action or proceeding involving the collection
9 of a tax due under this chapter to which the state, the commissioner or
10 an agency that is authorized to permit or regulate the provision of any
11 relevant transportation is a party or a claimant, or on behalf of any
12 party to any action, proceeding or hearing under the provisions of this
13 article, when the returns or the reports or the facts shown thereby are
14 directly involved in such action, proceeding or hearing, in any of which
15 events the court, or in the case of a hearing, the division of tax
16 appeals, may require the production of, and may admit in evidence so
17 much of said returns or reports or of the facts shown thereby as are
18 pertinent to the action or proceeding and no more. Nothing herein shall
19 be construed, however, to prohibit the commissioner, in his or her
20 discretion, from allowing the inspection or delivery of a certified copy
21 of any return or report filed under this article, or from providing any
22 information contained in any such return or report, by or to a duly
23 authorized officer or employee of the comptroller; nor to prohibit the
24 inspection or delivery of a certified copy of any return or report filed
25 under this article, or the provision of any information contained there-
26 in, by or to the attorney general or other legal representatives of the
27 state when an action shall have been recommended or commenced pursuant
28 to this chapter in which such returns or reports or the facts shown
29 thereby are directly involved; nor to prohibit the commissioner from
30 providing or certifying to the division of budget or the comptroller the
31 total number of returns or reports filed under this article in any
32 reporting period and the total collections received therefrom; nor to
33 prohibit the delivery to a person liable for the surcharge imposed by
34 this article, or a duly authorized representative of such, a certified
35 copy of any return or report filed by such person pursuant to this arti-
36 cle, nor to prohibit the publication of statistics so classified as to
37 prevent the identification of particular returns or reports and the
38 items thereof; nor to prohibit the disclosure, in such manner as the
39 commissioner deems appropriate, of the names and other appropriate iden-
40 tifying information of those persons required to pay the surcharge
41 imposed by this article.

42 (b) Notwithstanding the provisions of subdivision (a) of this section,
43 the commissioner may permit the secretary of the treasury of the United
44 States or such secretary's delegate, or the authorized representative of
45 either such officer, to inspect any return filed under this article, or
46 may furnish to such officer or such officer's authorized representative
47 an abstract of any such return or supply such person with information
48 concerning an item contained in any such return, or disclosed by any
49 investigation of liability under this article, but such permission shall
50 be granted or such information furnished only if the laws of the United
51 States grant substantially similar privileges to the commissioner or
52 officer of this state charged with the administration of the surcharge
53 imposed by this article, and only if such information is to be used for
54 purposes of tax administration only; and provided further the commis-
55 sioner may furnish to the commissioner of internal revenue or such
56 commissioner's authorized representative such returns filed under this

1 article and other tax information, as such commissioner may consider
2 proper, for use in court actions or proceedings under the internal
3 revenue code, whether civil or criminal, where a written request there-
4 for has been made to the commissioner by the secretary of the treasury
5 of the United States or such secretary's delegate, provided the laws of
6 the United States grant substantially similar powers to the secretary of
7 the treasury of the United States or his or her delegate. Where the
8 commissioner has so authorized use of returns and other information in
9 such actions or proceedings, officers and employees of the department
10 may testify in such actions or proceedings in respect to such returns or
11 other information.

12 (c) (1) Any officer or employee of the state who willfully violates
13 the provisions of subdivision (a) of this section shall be dismissed
14 from office and be incapable of holding any public office for a period
15 of five years thereafter.

16 (2) Cross-reference: For criminal penalties, see article thirty-seven
17 of this chapter.

18 § 1299-G. Practice and procedure. The provisions of article twenty-
19 seven of this chapter shall apply with respect to the administration of
20 and procedure with respect to the surcharge imposed by this article in
21 the same manner and with the same force and effect as if the language of
22 such article twenty-seven had been incorporated in full into this arti-
23 cle and had expressly referred to the surcharge imposed by this article,
24 except to the extent that any such provision is either inconsistent with
25 a provision of this article or is not relevant to this article.

26 § 1299-H. Deposit and disposition of revenue. (a) Any surcharge,
27 interest, and penalties collected or received by the commissioner shall
28 be deposited daily with such responsible banks, banking houses or trust
29 companies, as may be designated by the comptroller, to the credit of the
30 comptroller in trust for the metropolitan transportation authority. An
31 account may be established in one or more of such depositories. Such
32 deposits will be kept separate and apart from all other money in the
33 possession of the comptroller. The comptroller shall require adequate
34 security from all such depositories. Of the total revenue collected or
35 received under this article, the comptroller shall retain such amount as
36 the commissioner may determine to be necessary for refunds under this
37 article. The commissioner is authorized and directed to deduct from the
38 amounts it receives under this article, before deposit into the trust
39 accounts designated by the comptroller, a reasonable amount necessary to
40 effectuate refunds of appropriations of the department to reimburse the
41 department for the costs incurred to administer, collect and distribute
42 the surcharge, interest, and penalties imposed by this article.

43 (b) On or before the twelfth day of each month, after reserving such
44 amount for such refunds and deducting such amounts for such costs, as
45 provided for in subdivision (a) of this section, the commissioner shall
46 certify to the comptroller the amount of revenues so received during the
47 prior month as a result of the surcharge, interest and penalties so
48 imposed. Notwithstanding any provision of law to the contrary, after
49 deducting the amounts specified in the previous sentence, the first
50 three hundred sixty-two million dollars collected or received in calen-
51 dar year two thousand nineteen, the first three hundred one million
52 dollars collected or received in calendar year two thousand twenty, and
53 the first three hundred million dollars collected or received in each
54 calendar year thereafter, shall be deposited by the comptroller, without
55 appropriation, pursuant to subdivision (c) of this section. The next
56 fifty million dollars collected or received in calendar year two thou-

1 sand nineteen, and in each year thereafter, in excess of funds collected
2 and deposited pursuant to subdivision (c) of this section, shall be
3 deposited by the comptroller, without appropriation, pursuant to subdivi-
4 vision (d) of this section, provided, however, that any uncommitted fund
5 balance at the end of each calendar year through the approval process of
6 subdivision three of section twelve hundred seventy-i of the public
7 authorities law shall be transferred on the last business day of the
8 calendar year by the metropolitan transportation authority from the
9 outer borough transportation account to the general transportation
10 account of the New York city transportation assistance fund created by
11 section twelve hundred seventy-i of the public authorities law. Any
12 amounts collected or received, in any year, that are in excess of the
13 amounts deposited pursuant to subdivisions (c) and (d) of this section,
14 shall be deposited by the comptroller, without appropriation, pursuant
15 to subdivision (e) of this section.

16 (c) The amount of revenues so certified shall be paid over by the
17 fifteenth business day of each succeeding month from such account, with-
18 out appropriation, into the subway action plan account of the New York
19 city transportation assistance fund established pursuant to section
20 twelve hundred seventy-i of the public authorities law.

21 (d) The amount of revenues so certified that are in excess of the
22 amounts deposited as provided in subdivision (c) of this section, shall
23 be paid over by the fifteenth business day of each succeeding month from
24 such account, without appropriation, into the outer borough transporta-
25 tion account of the New York city transportation assistance fund estab-
26 lished pursuant to section twelve hundred seventy-i of the public
27 authorities law.

28 (e) The amount of revenues so certified that are in excess of the
29 amounts deposited as provided in subdivisions (c) and (d) of this
30 section, shall be paid over by the fifteenth business day of each
31 succeeding month from such account, without appropriation, into the
32 general transportation account of the New York city transportation
33 assistance fund established pursuant to section twelve hundred seventy-i
34 of the public authorities law.

35 (f) Notwithstanding any provision of law to the contrary, any
36 surcharge imposed by this article that is paid in connection with trans-
37 portation provided to persons eligible for medical assistance who are
38 transported pursuant to section three hundred sixty-five-h of the social
39 services law shall be transferred on a quarterly basis from the account
40 specified in paragraph (a) of this section to the Medicaid management
41 information system escrow fund. The commissioner of health shall collect
42 the Medicaid transportation data necessary to determine an amount to be
43 transferred each quarter; provided that such amount shall be reconciled
44 in the subsequent quarter to reflect actual Medicaid surcharge expendi-
45 tures; and further provided that any difference between the amount
46 transferred and the reconciled amount shall be added to or subtracted
47 from the amount transferred in the following quarter.

48 § 1299-I. Cooperation by regulatory agencies. All regulatory agencies
49 shall cooperate with and assist the commissioner to effectuate the
50 purposes of this article and the commissioner's responsibilities here-
51 under. Such cooperation shall include obtaining, furnishing, and timely
52 updating current, complete and accurate names, addresses and all other
53 information concerning: (1) every for-hire vehicle owner, operator, and
54 driver of for-hire vehicles licensed or permitted by such licensing
55 agency; (2) every agent of such person, if any; and (3) any other person
56 or entity that is licensed or permitted by such licensing agency. Such

cooperation shall also include furnishing to the commissioner all written, computerized, automated or electronic records in the regulatory agency's possession, or in the possession of any of its agents, instrumentalities, contractors, or any other person authorized or required to obtain or possess such records or information, that account for any transportation and operation for hire provided by a licensed or permitted person or entity. Such information shall be provided to the commissioner without cost, and in a format prescribed by the commissioner.

§ 3. Section 1825 of the tax law, as amended by section 20 of part AAA of chapter 59 of the laws of 2017, is amended to read as follows:

§ 1825. Violation of secrecy provisions of the tax law.--Any person who violates the provisions of subdivision (b) of section twenty-one, subdivision one of section two hundred two, subdivision eight of section two hundred eleven, subdivision (a) of section three hundred fourteen, subdivision one or two of section four hundred thirty-seven, section four hundred eighty-seven, subdivision one or two of section five hundred fourteen, subsection (e) of section six hundred ninety-seven, subsection (a) of section nine hundred ninety-four, subdivision (a) of section eleven hundred forty-six, section twelve hundred eighty-seven, section twelve hundred ninety-six, section twelve hundred ninety-nine-F, subdivision (a) of section fourteen hundred eighteen, subdivision (a) of section fifteen hundred eighteen, subdivision (a) of section fifteen hundred fifty-five of this chapter, and subdivision (e) of section 11-1797 of the administrative code of the city of New York shall be guilty of a misdemeanor.

§ 4. The public authorities law is amended by adding a new section 1270-i to read as follows:

§ 1270-i. New York city transportation assistance fund. 1. The authority shall create and establish a fund to be known as the "New York city transportation assistance fund" which shall be kept separate from and shall not be commingled with any other moneys of the authority. The New York city transportation assistance fund shall consist of three separate accounts: (i) the "subway action plan account"; (ii) the "outer borough transportation account"; and (iii) the "general transportation account". The authority shall make deposits in the subway action plan account of the moneys received by it pursuant to the provisions of subdivision (c) of section twelve hundred ninety-nine-H of the tax law in accordance with the provisions thereof, shall make deposits in the outer borough transportation account of the moneys received by it pursuant to the provisions of subdivision (d) of section twelve hundred ninety-nine-H of the tax law in accordance with the provisions thereof, and shall make deposits in the general transportation account of the moneys received by it pursuant to the provisions of subdivision (e) of section twelve hundred ninety-nine-H of the tax law in accordance with the provisions thereof, and pursuant to the provisions of section eleven hundred eleven-C of vehicle and traffic law.

2. Moneys in the subway action plan account shall be used for the exclusive purpose of funding the operating and capital costs of the metropolitan transportation authority's New York city subway action plan. Such funds may be used for infrastructure including construction, reconstruction, reconditioning and preservation of transportation systems, facilities and equipment, acquisition of property, and for operating costs including personal services, non-personal services, fringe benefits, and contractual services. Funds may also be used to pay or to reimburse the authority for its payment of debt service and reserve requirements on that portion of authority bonds and notes issued

1 by the authority for capital costs of the metropolitan transportation
2 authority's New York city subway action plan.

3 3. Moneys in the outer borough transportation account shall be used
4 for the exclusive purpose of funding the operating and capital costs of
5 metropolitan transportation authority facilities, equipment and services
6 in the counties of Bronx, Kings, Queens and Richmond, and any projects
7 improving transportation connections from such counties to New York
8 County. Such funds may be used for infrastructure including
9 construction, reconstruction, reconditioning and preservation of trans-
10 portation systems, facilities and equipment, acquisition of property,
11 and for operating costs including personal services, non-personal
12 services, fringe benefits, and contractual services. Funds may also be
13 used to fund a toll reduction program for any crossings under the juris-
14 diction of the metropolitan transportation authority or its subsidiaries
15 or affiliates. Funds may also be used to pay or to reimburse the
16 authority for its payment of debt service and reserve requirements on
17 that portion of authority bonds and notes that have been issued by the
18 authority specifically for the authorized purpose of this account.
19 Notwithstanding any law to the contrary, final approval of the use of
20 any funds paid into the outer borough transportation account shall be
21 unanimously approved by three members of the Metropolitan Transportation
22 Authority Capital Program Review Board, established pursuant to section
23 twelve hundred sixty-nine-a of this title so designated pursuant to this
24 subdivision. For purposes of such final approvals the three voting
25 members are: the member appointed upon recommendation by the temporary
26 president of the senate; the member appointed upon recommendation of
27 speaker of the assembly; and the member appointed by the governor.

28 4. Moneys in the general transportation account shall be used for
29 funding the operating and capital costs of the metropolitan transporta-
30 tion authority. Such funds may be used for infrastructure including
31 construction, reconstruction, reconditioning and preservation of trans-
32 portation systems, facilities and equipment, acquisition of property,
33 and for operating costs including personal services, non-personal
34 services, fringe benefits, and contractual services. Funds may also be
35 used to pay or to reimburse the authority for its payment of debt
36 service and reserve requirements on that portion of authority bonds and
37 notes that have been issued by the authority specifically for the
38 purposes of this account.

39 5. Any revenues deposited in the subway action plan account, the outer
40 borough transportation account, or the general transportation account
41 pursuant to subdivision one of this section shall be used exclusively
42 for the purposes described, respectively, in subdivisions two, three,
43 and four of this section. Such revenues shall only supplement and shall
44 not supplant any federal, state, or local funds expended by the metro-
45 politan transportation authority, such authority's affiliates or subsid-
46 aries for such respective purposes.

47 6. Any revenues deposited into the New York city transportation
48 assistance fund pursuant to subdivision one of this section shall not be
49 diverted into the general fund of the state, any other fund established
50 by the chapter of the laws of two thousand eighteen which added this
51 subdivision, any other fund maintained for the support of any other
52 governmental purpose, or for any other purpose not authorized by subdivi-
53 sions two, three and four of this section.

54 7. The authority shall report on the receipt and uses of all funds
55 received by the New York city transportation assistance fund, and in
56 each of its accounts, to the director of the budget, the temporary pres-

1 ident of the senate, and the speaker of the assembly, on an annual basis
2 no later than the first day of February.

3 § 5. The public authorities law is amended by adding a new section
4 1279-d to read as follows:

5 § 1279-d. Supplemental revenue reporting program. 1. On or before
6 January first, two thousand nineteen, the authority shall develop a
7 supplemental revenue reporting program. Such program shall provide a
8 detailed accounting of the amount spent from supplemental revenues on
9 actions, measures or projects undertaken to reduce major incidents that
10 have been found to cause delays to the New York city subway system,
11 including but not limited to: track incidents; signal failure; persons
12 on the track; police and medical activity; structural and electrical
13 problems; and broken traincar equipment. The information described in
14 this subdivision, including the spending details and the associated
15 category of major incident, shall be updated quarterly and be prominent-
16 ly posted together on the authority's website.

17 2. Definitions. For purposes of this section, "supplemental revenues"
18 shall include any funds appropriated by the state or the city of New
19 York to support the NYC subway action plan approved by the board of the
20 authority and any revenues received pursuant to section twelve hundred
21 ninety-nine-H of the tax law.

22 § 6. Section 1111-c of the vehicle and traffic law, as added by
23 section 9 of part II of chapter 59 of the laws of 2010, paragraphs 1 and
24 4 of subdivision (a), subdivision (b), paragraphs 3, 4, 5 and 6 of

26 laws of 2015, is amended to read as follows:

27 § 1111-c. Owner liability for failure of operator to comply with bus
28 lane restrictions. (a) 1. Notwithstanding any other provision of law,
29 the city of New York is hereby authorized and empowered to establish a
30 bus rapid transit program imposing monetary liability on the owner of a
31 vehicle for failure of an operator thereof to comply with bus lane
32 restrictions in such city in accordance with the provisions of this
33 section. The New York city department of transportation or applicable
34 mass transit agency, for purposes of the implementation of such program,
35 shall operate bus lane photo devices only within designated bus lanes in
36 such bus rapid transit program. Such bus lane photo devices may be
37 stationary or mobile and shall be activated at locations determined by
38 such department of transportation and/or on buses selected by such
39 department of transportation in consultation with the applicable mass
40 transit agency, however, the applicable mass transit agency may also

45 2. Any image or images captured by bus lane photo devices shall be
46 inadmissible in any disciplinary proceeding convened by the applicable
47 mass transit agency or any subsidiary thereof and any proceeding initi-

49 Any mobile bus lane photo device mounted on a bus shall be directed
50 outwardly from such bus to capture images of vehicles operated in
51 violation of bus lane restrictions, and images produced by such device
52 shall not be used for any other purpose in the absence of a court order
53 requiring such images to be produced.

54 3. The city of New York shall adopt and enforce measures to protect
55 the privacy of drivers, passengers, pedestrians and cyclists whose iden-

1 tity and identifying information may be captured by a bus lane photo
2 device. Such measures shall include:

3 (i) utilization of necessary technologies to ensure, to the extent
4 practicable, that images produced by such bus lane photo devices shall
5 not include images that identify the driver, the passengers, or the
6 contents of the vehicle, provided, however, that no notice of liability
7 issued pursuant to this section shall be dismissed solely because an
8 image allows for the identification of the driver, the passengers or
9 other contents of a vehicle;

10 (ii) a prohibition on the use or dissemination of vehicles' license
11 plate information and other information and images captured by bus lane
12 photo devices except: (A) as required to establish liability under this

21 be operated on designated bus lanes within the bus rapid transit program
22 and only from ~~[7:00]~~ 6:00 a.m. to ~~[7:00]~~ 10:00 p.m. Warning notices of
23 violation will be issued during the first sixty days that bus lane photo

25 is established after June fifteenth, two thousand fifteen.

26 (b) If the city of New York has established a bus rapid transit
27 program pursuant to subdivision (a) of this section, the owner of a
28 vehicle shall be liable for a penalty imposed pursuant to this section
29 if such vehicle was used or operated with the permission of the owner,
30 express or implied, in violation of any bus lane restrictions that apply
31 to routes within such program, and such violation is evidenced by infor-
32 mation obtained from a bus lane photo device; provided however that no
33 owner of a vehicle shall be liable for a penalty imposed pursuant to
34 this section where the operator of such vehicle has been convicted of
35 the underlying violation of any bus lane restrictions.

36 (c) For purposes of this section, the following terms shall have the
37 following meanings:

45 designated traffic lanes by vehicles other than buses imposed on routes

9 the city in which the charged violation occurred, or a facsimile there-
10 of, based upon inspection of photographs, microphotographs, videotape or
11 other recorded images produced by a bus lane photo device, shall be
12 prima facie evidence of the facts contained therein. Any photographs,

14 violation shall be available for inspection in any proceeding to adjudi-
15 cate the liability for such violation pursuant to this section.

16 (e) An owner liable for a violation of a bus lane restriction imposed
17 on any route within a bus rapid transit program shall be liable for
18 monetary penalties in accordance with a schedule of fines and penalties
19 promulgated by the parking violations bureau of the city of New York;
20 provided, however, that the monetary penalty for violating a bus lane
21 restriction shall not exceed one hundred fifteen dollars; provided,
22 further, that an owner shall be liable for an additional penalty not to
23 exceed twenty-five dollars for each violation for the failure to respond
24 to a notice of liability within the prescribed time period.

25 (f) An imposition of liability pursuant to this section shall not be
26 deemed a conviction of an operator and shall not be made part of the
27 operating record of the person upon whom such liability is imposed, nor
28 shall it be used for insurance purposes in the provision of motor vehi-
29 cle insurance coverage.

30 (g) 1. A notice of liability shall be sent by first class mail to each
31 person alleged to be liable as an owner for a violation of a bus lane

50 or agencies designated by the city of New York, or any other entity
51 authorized by such city to prepare and mail such notification of
52 violation.

53 5. Adjudication of the liability imposed upon owners by this section
54 shall be by the New York city parking violations bureau.

55 (h) If an owner of a vehicle receives a notice of liability pursuant
56 to this section for any time period during which such vehicle was

1 reported to the police department as having been stolen, it shall be a
2 valid defense to an allegation of liability for a violation of a bus
3 lane restriction that the vehicle had been reported to the police as
4 stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by
5 this subdivision it shall be sufficient that a certified copy of the
6 police report on the stolen vehicle be sent by first class mail to the
7 parking violations bureau of such city.

9 (i) 1. An owner who is a lessor of a vehicle to which a notice of
10 liability was issued pursuant to subdivision (g) of this section shall
11 not be liable for the violation of a bus lane restriction, provided

21 together with such other additional information contained in the rental,
22 lease or other contract document, as may be reasonably required by such
23 bureau pursuant to regulations that may be promulgated for such purpose.

24 2. Failure to comply with subparagraph (ii) of paragraph one of this
25 subdivision shall render the lessor liable for the penalty prescribed in
26 this section.

27 3. Where the lessor complies with the provisions of paragraph one of
28 this subdivision, the lessee of such vehicle on the date of such
29 violation shall be deemed to be the owner of such vehicle for purposes
30 of this section, shall be subject to liability for such violation pursuant to this section and shall be sent a notice of liability pursuant to
31 subdivision (g) of this section.

33 (j) If the owner liable for a violation of a bus lane restriction was
34 not the operator of the vehicle at the time of the violation, the owner
35 may maintain an action for indemnification against the operator.

36 (k) Nothing in this section shall be construed to limit the liability
37 of an operator of a vehicle for any violation of bus lane restrictions.

38 (l) If the city of New York adopts a bus rapid transit demonstration
39 program pursuant to subdivision (a) of this section it shall submit a
40 report on the results of the use of bus lane photo devices to the governor, the temporary president of the senate and the speaker of the assembly by April first, two thousand twelve and every two years thereafter.

6 (m) Any revenue from fines and penalties collected pursuant to this
7 section from any mobile bus lane photo devices that were authorized to
8 be installed pursuant to a chapter of the laws of two thousand eighteen
9 that added this subdivision shall be remitted by the city of New York to
10 the applicable mass transit agency on a quarterly basis to be deposited
11 in the general transportation account of the New York city transporta-

§ 3. Any contract for a public work undertaken pursuant to a project labor agreement in accordance with section 222 of the labor law may be a design-build contract in accordance with this act.

§ 4. Notwithstanding any general, special or local law, rule or regulation to the contrary, including but not limited to article 5-A of the general municipal law and in conformity with the requirements of this act, for any public work that has an estimated cost of not less than ten million dollars and is undertaken pursuant to a project labor agreement in accordance with section 222 of the labor law, an authorized entity charged with awarding a contract for public work may use the alternative delivery method referred to as design-build contracts.

(a) A contractor selected by such authorized entity to enter into a design-build contract shall be selected through a two-step method, as follows:

(1) Step one. Generation of a list of responding entities that have demonstrated the general capability to perform the design-build contract. Such list shall consist of a specified number of responding entities, as determined by an authorized entity, and shall be generated based upon the authorized entity's review of responses to a publicly advertised request for qualifications. The authorized entity's request for qualifications shall include a general description of the public work, the maximum number of responding entities to be included on the list, the selection criteria to be used and the relative weight of each criteria in generating the list. Such selection criteria shall include the qualifications and experience of the design and construction team, organization, demonstrated responsibility, ability of the team or of a member or members of the team to comply with applicable requirements, including the provisions of articles 145, 147, and 148 of the education law, past record of compliance with the labor law, and such other qualifications the authorized entity deems appropriate, which may include but are not limited to project understanding, financial capability and record of past performance. The authorized entity shall evaluate and rate all responding entities to the request for qualifications. Based upon such ratings, the authorized entity shall list the responding entities that shall receive a request for proposals in accordance with paragraph two of this subdivision. To the extent consistent with applicable federal law, the authorized entity shall consider, when awarding any contract pursuant to this section, the participation of: (i) responding entities that are certified as minority- or women-owned business enterprises pursuant to article 15-A of the executive law, or certified pursuant to local law as minority- or women-owned business enterprises; and (ii) small business concerns identified pursuant to subdivision (b) of section 139-g of the state finance law.

(2) Step two. Selection of the proposal which is the best value to the authorized entity. The authorized entity shall issue a request for proposals to the responding entities listed pursuant to paragraph one of this subdivision. If such a responding entity consists of a team of separate entities, the entities that comprise such a team must remain

1 unchanged from the responding entity as listed pursuant to paragraph one
2 of this subdivision unless otherwise approved by the authorized entity.
3 The request for proposals shall set forth the public work's scope of
4 work, and other requirements, as determined by the authorized entity,
5 which may include separate goals for work under the contract to be
6 performed by businesses certified as minority- or women-owned business
7 enterprises pursuant to article 15-A of the executive law, or certified
8 pursuant to local law as minority- or women-owned business enterprises.
9 The request for proposals shall also specify the criteria to be used to
10 evaluate the responses and the relative weight of each of such criteria.
11 Such criteria shall include the proposal's cost, the quality of the
12 proposal's solution, the qualifications and experience of the proposer,
13 and other factors deemed pertinent by the authorized entity, which may
14 include, but shall not be limited to, the proposal's manner and schedule
15 of project implementation, the proposer's ability to complete the work
16 in a timely and satisfactory manner, maintenance costs of the completed
17 public work, maintenance of traffic approach, and community impact. Any
18 contract awarded pursuant to this act shall be awarded to a responsive
19 and responsible proposer, which, in consideration of these and other
20 specified criteria deemed pertinent, offers the best value, as deter-
21 mined by the authorized entity. The request for proposals shall include
22 a statement that proposers shall designate in writing those portions of
23 the proposal that contain trade secrets or other proprietary information
24 that are to remain confidential; that the material designated as confi-
25 dential shall be readily separable from the proposal. Nothing in this
26 subdivision shall be construed to prohibit the authorized entity from
27 negotiating final contract terms and conditions including cost. All
28 proposals submitted shall be scored according to the criteria listed in
29 the request for proposals and such final scores shall be published on
30 the authorized entity's website.

31 (b) An authorized entity awarding a design-build contract to a
32 contractor offering the best value may but shall not be required to use
33 the following types of contracts:

34 (1) A cost-plus not to exceed guaranteed maximum price form of
35 contract in which the authorized entity shall be entitled to monitor and
36 audit all costs. In establishing the schedule and process for determin-
37 ing a guaranteed maximum price, the contract between the authorized
38 entity and the contractor shall:

39 (i) Describe the scope of the work and the cost of performing such
40 work,

41 (ii) Include a detailed line item cost breakdown,

42 (iii) Include a list of all drawings, specifications and other infor-
43 mation on which the guaranteed maximum price is based,

44 (iv) Include the dates of substantial and final completion on which
45 the guaranteed maximum price is based, and

46 (v) Include a schedule of unit prices; or

47 (2) A lump sum contract in which the contractor agrees to accept a set
48 dollar amount for a contract which comprises a single bid without
49 providing a cost breakdown for all costs such as for equipment, labor,
50 materials, as well as such contractor's profit for completing all items
51 of work comprising the public work.

52 § 5. Any contract entered into pursuant to this act shall include a
53 clause requiring that any professional services regulated by articles
54 145, 147 and 148 of the education law shall be performed and stamped and
55 sealed, where appropriate, by a professional licensed in accordance with
56 the appropriate articles.

§ 6. Construction with respect to each contract entered into by an authorized entity pursuant to this act shall be deemed a "public work" to be performed in accordance with the provisions of article 8 of the labor law, as well as subject to sections 200, 240, 241 and 242 of such law and enforcement of prevailing wage requirements pursuant to applicable law or, for projects or public works receiving federal aid, applicable federal requirements for prevailing wage. Any contract entered into pursuant to this act shall include a clause requiring the selected design builder to obligate every tier of contractor working on the public work to comply with the project labor agreement referenced in section three of this act, and shall include project labor agreement compliance monitoring and enforcement provisions consistent with the applicable project labor agreement.

§ 7. Each contract entered into by an authorized entity pursuant to this act shall comply with the objectives and goals with regard to minority- and women-owned business enterprises pursuant to, as applicable, section 6-129 of the administrative code of the city of New York, or, for projects or public works receiving federal aid, applicable federal requirements for disadvantaged business enterprises or minority- and women-owned business enterprises.

§ 8. Public works undertaken by an authorized entity pursuant to this act shall be subject to the requirements of article 8 of the environmental conservation law, and, where applicable, the requirements of the national environmental policy act.

§ 9. (a) Notwithstanding any provision of law to the contrary, all rights or benefits, including terms and conditions of employment, and protection of civil service and collective bargaining status of all employees of authorized entities solely in connection with the public works identified in subdivision (f) of section two of this act, shall be preserved and protected.

7 PART RRR

8 Section 1. Subdivision 1 of section 208 of the civil service law, as
9 amended by chapter 503 of the laws of 1971, is amended and two new
10 subdivisions 4 and 5 are added to read as follows:

11 1. A public employer shall extend to an employee organization certi-
12 fied or recognized pursuant to this article the following rights:

13 (a) to represent the employees in negotiations notwithstanding the
14 existence of an agreement with an employee organization that is no long-
15 er certified or recognized, and in the settlement of grievances; and

16 (b) to membership dues deduction, upon presentation of dues deduction
17 authorization cards signed by individual employees. A public employer
18 shall commence making such deductions as soon as practicable, but in no
19 case later than thirty days after receiving proof of a signed dues
20 deduction authorization card; and such dues shall be transmitted to the
21 certified or recognized employee organization within thirty days of the
22 deduction. A public employer shall accept a signed authorization to
23 deduct from the salary of a public employee an amount for the payment of
24 his or her dues in any format permitted by article three of the state
25 technology law. The right to such membership dues deduction shall remain
26 in full force and effect until:

27 (i) an individual employee revokes membership in the employee organ-
28 ization in writing in accordance with the terms of the signed authori-
29 zation; or

30 (ii) the individual employee is no longer employed by the public
31 employer, provided that if such employee is, within a period of one
32 year, employed by the same public employer in a position represented by
33 the same employee organization, the right to such dues deduction shall
34 be automatically reinstated.

35 (c) Should the individual employee who has signed a dues deduction
36 authorization card either be removed from a public employer's payroll or
37 otherwise placed on any type of involuntary or voluntary leave of
38 absence, whether paid or unpaid, such public employee's membership in an
39 employee organization shall be continued upon that public employee's
40 return to the payroll or restoration to active duty from such a leave of
41 absence.

42 4. (a) Within thirty days of a public employee first being employed or
43 reemployed by a public employer, or within thirty days of being promoted
44 or transferred to a new bargaining unit, the public employer shall noti-
45 fy the employee organization, if any, that represents that bargaining
46 unit of the employee's name, address, job title, employing agency,
47 department or other operating unit, and work location; and

48 (b) Within thirty days of providing the notice in paragraph a of this
49 subdivision, a public employer shall allow a duly appointed represen-
50 tative of the employee organization that represents that bargaining unit
51 to meet with such employee for a reasonable amount of time during his or
52 her work time without charge to leave credits, unless otherwise speci-
53 fied within an agreement bargained collectively under article fourteen
54 of the civil service law, provided however that arrangements for such

1 meeting must be scheduled in consultation with a designated represen-
2 tative of the public employer.

3 5. (a) If any clause, sentence, paragraph, or subdivision of this
4 section shall be adjudged by a court of competent jurisdiction to be
5 unconstitutional or otherwise invalid, such judgment shall not affect,
6 impair or invalidate the remainder thereof, but shall be confined in its
7 operation to the clause, sentence, paragraph, or subdivision of this
8 section directly involved in the controversy in which such judgment
9 shall have been rendered.

10 (b) If any clause, sentence, paragraph, or part of a signed authori-
11 zation shall be adjudged by a court of competent jurisdiction to be
12 unconstitutional or otherwise invalid, such determination shall not
13 affect, impair or invalidate the remainder of such signed authorization
14 but shall be confined in its operation to the clause, sentence, para-
15 graph, or part of the signed authorization directly involved in the
16 controversy in which such judgment shall have been rendered.

17 § 2. Subdivision 1 of section 93-b of the general municipal law, as
18 amended by chapter 632 of the laws of 1964, is amended to read as
19 follows:

20 1. The fiscal or disbursing officer of every municipal corporation or
21 other civil division or political subdivision of the state is hereby
22 authorized to deduct from the wage or salary of any employee of such
23 municipal corporation or civil division or political subdivision of the
24 state such amount that such employee may specify in writing filed with
25 such fiscal or disbursing officer for the payment of dues in a duly
26 organized association or organization of civil service employees and to
27 transmit the sum so deducted to the said association or organization.
28 Any such written authorization ~~[may be withdrawn by such employee or~~
29 ~~member at any time by filing written notice of such withdrawal with the~~
30 ~~fiscal or disbursing officer]~~ shall remain in effect in accordance with
31 subdivision one of section two hundred eight of the civil service law.

32 § 3. Subdivision 2 of section 201 of the state finance law, as amended
33 by chapter 233 of the laws of 1992, is amended to read as follows:

34 2. The comptroller is hereby authorized to deduct from the salary of
35 any employee of the state such amount as such employee may specify in
36 writing filed in a manner determined by the comptroller for the payment
37 of membership dues in a duly organized association or organization of
38 civil service employees or faculty members of the state university and
39 to transmit the sums so deducted to the said association or organiza-
40 tion. Any such written authorization ~~[may be withdrawn by such employee~~
41 ~~at any time upon filing written notice of such withdrawal in a manner~~
42 ~~determined by the comptroller]~~ shall remain in effect in accordance with
43 subdivision one of section two hundred eight of the civil service law.

44 The foregoing notwithstanding, and subject to the provisions of article
45 fourteen of the civil service law, such deductions and transmittals
46 shall be terminated as to one or more such associations or organizations
47 in accordance with the written directions of the director of employee
48 relations, not more than thirty days after receipt by the comptroller of
49 such directions. The deductions and transmittals which were the subject
50 of such directions shall not thereafter be resumed without the written
51 approval of such director.

52 § 4. Subdivision 2 of section 209-a of the civil service law, as
53 amended by chapter 467 of the laws of 1990, is amended to read as
54 follows:

55 2. Improper employee organization practices. It shall be an improper
56 practice for an employee organization or its agents deliberately (a) to

1 interfere with, restrain or coerce public employees in the exercise of
2 the rights granted in section two hundred two, or to cause, or attempt
3 to cause, a public employer to do so provided, however, that an employee
4 organization does not interfere with, restrain or coerce public employ-
5 ees when it limits its services to and representation of non-members in
6 accordance with this subdivision; (b) to refuse to negotiate collective-
7 ly in good faith with a public employer, provided it is the duly recog-
8 nized or certified representative of the employees of such employer; or
9 (c) to breach its duty of fair representation to public employees under
10 this article. Notwithstanding any law, rule or regulation to the contra-
11 ry, an employee organization's duty of fair representation to a public
12 employee it represents but who is not a member of the employee organiza-
13 tion shall be limited to the negotiation or enforcement of the terms of
14 an agreement with the public employer. No provision of this article
15 shall be construed to require an employee organization to provide repre-
16 sentation to a non-member (i) during questioning by the employer, (ii)
17 in statutory or administrative proceedings or to enforce statutory or
18 regulatory rights, or (iii) in any stage of a grievance, arbitration or
19 other contractual process concerning the evaluation or discipline of a
20 public employee where the non-member is permitted to proceed without the
21 employee organization and be represented by his or her own advocate. Nor
22 shall any provision of this article prohibit an employee organization
23 from providing legal, economic or job-related services or benefits
24 beyond those provided in the agreement with a public employer only to
25 its members.

26 § 5. Nothing in this act shall be construed to impede, infringe or
27 diminish the rights and benefits which accrue to an employee organiza-
28 tion through a bonafide collective bargaining agreement.

29 § 6. This act shall take effect immediately.

30 PART SSS

31 Section 1. Subdivision 2 of section 3204 of the education law, as
32 amended by chapter 827 of the laws of 1982, is amended to read as
33 follows:

35 may be given only by a competent teacher. In the teaching of the
36 subjects of instruction prescribed by this section, English shall be the
37 language of instruction, and text-books used shall be written in
38 English, except that for a period of three years, which period may be
39 extended by the commissioner with respect to individual pupils, upon
40 application therefor by the appropriate school authorities, to a period
41 not in excess of six years, from the date of enrollment in school,
42 pupils who, by reason of foreign birth or ancestry have limited English
43 proficiency, shall be provided with instructional programs as specified
44 in subdivision two-a of this section and the regulations of the commis-
45 sioner. The purpose of providing such pupils with instruction shall be
46 to enable them to develop academically while achieving competence in the
47 English language. Instruction given to a minor elsewhere than at a
48 public school shall be at least substantially equivalent to the instruc-
49 tion given to minors of like age and attainments at the public schools
50 of the city or district where the minor resides.

51 (ii) For purposes of considering substantial equivalence pursuant to

54 an educational program that extends from no later than nine a.m. until

no earlier than four p.m. for grades one through three, and no earlier than five thirty p.m. for grades four through eight, on the majority of weekdays, the department shall consider the following, but not limited to: if the curriculum provides academically rigorous instruction that develops critical thinking skills in the school's students, taking into account the entirety of the curriculum, over the course of elementary and middle school, including instruction in English that will prepare pupils to read fiction and nonfiction text for information and to use that information to construct written essays that state a point of view or support an argument; instruction in mathematics that will prepare pupils to solve real world problems using both number sense and fluency with mathematical functions and operations; instruction in history by being able to interpret and analyze primary text to identify and explore important events in history, to construct written arguments using the supporting information they get from primary source material, demonstrate an understating of the role of geography and economics in the actions of world civilizations, and an understanding of civics and the responsibilities of citizens in world communities; and instruction in science by learning how to gather, analyze and interpret observable data to make informed decisions and solve problems mathematically, using deductive and inductive reasoning to support a hypothesis, and how to differentiate between correlational and causal relationships.

(iii) For purposes of considering substantial equivalence pursuant to this subdivision for nonpublic high schools that: (1) are established for pupils in high school who have graduated from an elementary school that provides instruction as described in this section, (2) are a non-profit corporation, (3) have a bi-lingual program, and (4) have an educational program that extends from no later than nine a.m. until no earlier than six p.m. on the majority of weekdays the department shall consider the following but not limited to: if the curriculum provides academically rigorous instruction that develops critical thinking skills in the school's students, the outcomes of which, taking into account the entirety of the curriculum, result in a sound basic education.

(iv) Nothing herein shall be construed to entitle or permit any school to receive an increase in mandated services aid pursuant to 8 NYCRR 176 on account of providing a longer school day.

(v) The commissioner shall be the entity that determines whether nonpublic elementary and secondary schools are in compliance with the academic requirements set forth in paragraphs (ii) and (iii) of this subdivision.

§ 2. This act shall take effect immediately.

33 the applicable effective date of Parts A through UUU of this act shall
34 be as specifically set forth in the last section of such Parts.
