

STATE OF NEW YORK

7632

IN SENATE

February 1, 2018

Introduced by Sen. HAMILTON -- read twice and ordered printed, and when printed to be committed to the Committee on Investigations and Government Operations

AN ACT to amend the executive law, in relation to requiring state agencies that directly serve the public to enact policies to ensure that people who do not speak English well receive the interpretation and translation services they need in order to access vital government programs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 301 of the executive law is renumbered section 302
2 and a new section 301 is added to read as follows:

3 § 301. Agency language interpretation. 1. Definitions. As used in
4 this section: (a) "Agency covered language" shall mean every non-English
5 language used by a limited English proficient population that consti-
6 tutes five percent or one thousand individuals, whichever is less, of
7 the population served or encountered, or likely to be served or encount-
8 ered, by the agency.

9 (b) "Agency" shall mean any statewide government agency, department,
10 or program that furnishes information or renders services, programs, or
11 activities directly to the public or contracts with other entities,
12 either directly or indirectly, to conduct programs, services, or activ-
13 ities, and all political subdivisions and local entities of such state-
14 wide government agency, department, or program. Agencies include, but
15 are not limited to: the office for the aging; the office of alcoholism
16 and substance abuse services; the office of attorney general; the office
17 of children and family services; the city university of New York; the
18 department of corrections and community supervision; the office of court
19 administration; the division of criminal justice services; the depart-
20 ment of education; the board of elections; department of family assist-
21 ance; the department of health; the division of housing and community
22 renewal; the division of human rights; the department of financial
23 services; the department of labor; the metropolitan transportation
24 authority; the department of motor vehicles; the office of parks, recre-

2 Jersey; office for the prevention of domestic violence; office of
3 probation and correctional alternatives; the division of state police;
4 the state university of New York; the office of temporary and disability
5 assistance; and the division of veteran's affairs.

6 (c) "Competent interpretation" shall mean a trans-language rendition
7 of a spoken message in which the interpreter comprehends the source
8 language and can speak comprehensively in the target language to convey
9 the meaning intended in the source language. The interpreter knows rele-
10 vant terminology and provides accurate interpretations by choosing
11 equivalent expressions that convey the best matching and meaning to the
12 source language and captures, to the greatest possible extent, all
13 nuances intended in the source message.

14 (d) "Competent translation" shall mean a trans-language rendition of a
15 written message in which the translator comprehends the source language
16 and can write comprehensively in the target language to convey the mean-
17 ing intended in the source language. The translator knows relevant
18 terminology and provides accurate translations by choosing equivalent
19 expressions that convey the best matching and meaning to the source
20 language and captures, to the greatest possible extent, all nuances
21 intended in the source message. Competent translation shall not include
22 online translation tools such as Google Translate, Yahoo! Babel Fish,
23 and comparable services.

24 (e) "Language assistance services" shall mean competent interpretation
25 and translation services.

26 (f) "Limited English proficient individual" or "LEP individual" shall
27 mean an individual who does not read, write, speak, and/or understand
28 the English language at a level that permits him or her to communicate
29 effectively with the agency.

30 (g) "Primary language" shall mean the language in which a limited
31 English proficient individual prefers to communicate.

32 (h) "Vital documents" shall mean printed and online documents that
33 provide information necessary to access or participate in services,
34 programs, and activities of an agency, including but not limited to
35 applications, corresponding instructional materials, legal contracts,
36 stipulations, outreach materials, and written notices or letters that
37 affect or relate to the legal rights or benefits of an individual or the
38 agency's services, programs or benefits and which are used or intended
39 to be used for communicating with individuals or the public.

40 2. Interpretation services. (a) Every agency shall provide competent
41 interpretation at all stages of the LEP individual's interaction with
42 the agency and at no cost to the LEP individual. Such competent inter-
43 pretation must be provided promptly but need not be provided in person
44 or face-to-face in order to meet the requirements of this section.

45 (b) Minor children shall not be used to interpret at any time, except
46 in an extreme emergency. If minor children are used to interpret, a
47 record shall be kept of the incident in the individual's case file, if
48 one exists.

49 (c) The agency is prohibited from requiring that an LEP individual
50 provide his or her own interpretation services.

51 (d) Use of untrained or informal interpreters such as the family or
52 friends of an LEP individual shall be actively discouraged. If an LEP
53 individual chooses to use an informal interpreter after being notified
54 of the availability of free, timely and competent interpretation, he or
55 she must complete a waiver that is signed by a manager at the agency and
56 by the LEP individual.

1 3. Language access plan. (a) Each agency shall publish, and update
2 every two years, with the first plan being developed within one hundred
3 eighty days of the effective date of this section, a language access
4 plan that will reflect how the agency will comply with the provisions of
5 this section and all progress made since the agency last submitted a
6 language access plan.

7 (b) Each language access plan shall be written in consultation with
8 the state chief diversity officer, the statewide language access direc-
9 tor, the agency's language access coordinator, the local subdivisions'
10 language access coordinators, and the directors that conduct outreach to
11 limited English proficient populations.

12 (c) Each language access plan shall set forth, at minimum, the follow-
13 ing:

14 (1) when and by what means the agency will provide language assistance
15 services and an explanation as to how this determination was reached;

16 (2) the titles of all available translated documents and the corre-
17 sponding languages into which they have been translated;

18 (3) the number of public contact positions in the agency and the
19 number of bilingual employees in public contact positions, including the
20 languages they speak;

21 (4) documentation of the language needs of the population served and
22 the population eligible to be served by the agency;

23 (5) for agencies that provide individualized programs and services, a
24 system for tracking the primary language of every individual who seeks
25 or receives services from the agency;

26 (6) a training plan for agency employees which includes, at minimum,
27 annual training on the language access policies of the agency and how to
28 provide language assistance services;

29 (7) a language access coordinator at the agency, who shall be publicly
30 identified;

31 (8) if outreach is conducted by the agency, a multi-lingual outreach
32 plan to LEP communities regarding the benefits and services offered by
33 the agency and the language services provided;

34 (9) a description of the funding and budgetary sources upon which the
35 agency intends to rely to implement its language access plan;

36 (10) a detailed plan for annual internal monitoring of the agency's
37 compliance with this order; and

38 (11) an explanation of any areas of current non-compliance, including
39 complaints received and their disposition, the reasons for non-compli-
40 ance and steps to be taken to remedy areas of non-compliance, and a
41 request for approval of expected future non-compliance, to which the
42 statewide language access director shall respond within sixty days of
43 the request.

44 (d) At a minimum each agency shall maintain records of all information
45 necessary to complete and verify the information set forth in the
46 language access plan.

47 4. Agency's language access coordinator. Each agency shall designate a
48 language access coordinator, who shall report directly to the director
49 of the agency. The responsibilities of the agency's language access
50 coordinator shall include:

51 (a) general oversight of the agency's language access plan;

52 (b) for statewide agencies, oversight, central coordination, and tech-
53 nical assistance to the agency's political subdivision and local enti-
54 ties in their implementation of the provisions of this section;

55 (c) ensuring that the provision of language assistance services by the
56 agency meets acceptable standards of translation or interpretation;

1 (d) procurement of contract language services where appropriate and
2 management of the relationship with all language service contractors;

3 (e) tracking, monitoring and investigating public complaints regarding
4 language access services at the agency;

5 (f) overseeing staff training on the language access plan, language
6 policy, and how to obtain language services for LEP individuals;

7 (g) ensuring that recordkeeping and monitoring requirements of this
8 section are complied with;

9 (h) compiling, maintaining, and disseminating all translated documents
10 to be used by other agency entities, including all local offices and
11 political subdivisions; and

12 (i) overseeing and coordinating the agency's annual internal monitor-
13 ing, testing and training activities.

14 5. Monitoring and complaints. (a) The agency shall monitor its own
15 compliance with the requirements of this section by annually collecting
16 data on the provision of language assistance services, the availability
17 of translated materials, whether signage is properly posted, and any
18 other relevant measures. This information and any other collected during
19 the internal monitoring process shall be made available to the statewide
20 language access director. The monitoring plan shall include feedback
21 from the public, community groups and other stakeholders.

22 (b) The agency shall establish a system whereby LEP individuals may
23 submit complaints to the agency regarding language access services
24 provision or lack thereof, and all such complaints shall be investigated
25 by the agency language access coordinator and/or such individuals within
26 the agency as the language access coordinator shall determine. The agen-
27 cy must provide all LEP individuals submitting complaints written
28 notification of the results of any investigations resulting from such
29 complaints, including a description of the corrective action to be taken
30 in response to the complaint, if such corrective action is required.

31 6. Good cause. It shall be good cause for an individual's failure to
32 respond to an agency inquiry or requirement, failure to certify or
33 re-certify for benefits, failure to attend mandatory appointments or for
34 an untimely response, if the LEP individual is denied language services
35 as required under this section.

36 7. Statewide oversight, coordination and assistance. (a) The director
37 of state operations shall provide oversight, central coordination and
38 technical assistance to agencies in their implementation of the
39 provisions of this order and ensure that the provision of services by
40 agencies meets acceptable standards of translation or interpretation.

41 (b) There shall be a statewide language access director within the
42 office of the director of state operations, who is charged with over-
43 sight with all agencies' compliance with the provisions of this section.
44 The statewide language access director shall:

45 (1) review and monitor each agency's language access plan for compli-
46 ance with this section and Title VI of the Civil Rights Act of 1964;

47 (2) track and monitor public complaints regarding language access
48 violations at each agency and, where necessary, issue written findings
49 of noncompliance to the agency regarding failures to provide language
50 access;

51 (3) review and monitor the language access coordinators with respect
52 to their performance of responsibilities under this section; and

53 (4) facilitate sharing of best practices and interagency collaboration
54 to improve compliance with the provisions of this section.

55 (c) Every agency shall cooperate with the statewide language access
56 director and shall furnish such information and assistance as the state-

1 wide language access director determines is reasonably necessary to
2 fulfill these duties.

3 8. Private right of action; complaints. Individuals shall have a
4 private right of action to enforce the rights granted under this section
5 as set forth under subdivisions one through six of this section.

6 § 2. This act shall take effect on the ninetieth day after it shall
7 have become a law.
