2 occupation of each individual signing the same and the location of the  
3 place of such business, or of the bureau, agency, subagency, office or  
4 branch office for which the license is sought, specifying the name of  
5 the city, town or village, indicating the street and number and other-  
6 wise giving such apt description as to point out reasonably the location  
7 thereof. In such case, if the applicant is a firm, partnership or corpo-

10 shall be signed and verified by each individual composing or intending  
11 to compose the same, and for such corporation, by each officer thereof.

12 4. Investigation. Before a license is issued or renewed, there shall  
13 be an investigation of all statements required in the application by the  
14 duly constituted police authorities of the locality where such applica-  
15 tion is made, including but not limited to such records as may be acces-  
16 sible to the division of state police or division of criminal justice  
17 services pursuant to section 400.02 of this article. For that purpose,  
18 the records of the appropriate office of the department of mental  
19 hygiene concerning previous or present mental illness of the applicant  
20 shall be available for inspection by the investigating officer of the  
21 police authority. In order to ascertain any previous criminal record,  
22 the investigating officer shall take the fingerprints and physical  
23 descriptive data in quadruplicate of each individual by whom the appli-  
24 cation is signed and verified. Two copies of such fingerprints shall be  
25 taken on standard fingerprint cards eight inches square, and one copy  
26 may be taken on a card supplied for that purpose by the federal bureau  
27 of investigation; provided, however, that in the case of a corporate  
28 applicant that has already been issued a dealer in firearms license and  
29 seeks to operate a firearm dealership at a second or subsequent  
30 location, the original fingerprints on file may be used to ascertain any  
31 criminal record in the second or subsequent application unless any of  
32 the corporate officers have changed since the prior application, in  
33 which case the new corporate officer shall comply with procedures  
34 governing an initial application for such license. When completed, one  
35 standard card shall be forwarded to and retained by the division of  
36 criminal justice services in the executive department, at Albany. A  
37 search of the files of such division and written notification of the  
38 results of the search to the investigating officer shall be made without  
39 unnecessary delay. Thereafter, such division shall notify the licensing  
40 officer and the executive department, division of state police, Albany,  
41 of any criminal record of the applicant filed therein subsequent to the  
42 search of its files. A second standard card, or the one supplied by the  
43 federal bureau of investigation, as the case may be, shall be forwarded  
44 to that bureau at Washington with a request that the files of the bureau  
45 be searched and notification of the results of the search be made to the  
46 investigating police authority. Of the remaining two fingerprint cards,  
47 one shall be filed with the executive department, division of state  
48 police, Albany, within ten days after issuance of the license, and the  
49 other remain on file with the investigating police authority. No such  
50 fingerprints may be inspected by any person other than a peace officer,  
51 who is acting pursuant to his special duties, or a police officer,  
52 except on order of a judge or justice of a court of record either upon  
53 notice to the licensee or without notice, as the judge or justice may  
54 deem appropriate. In order to ascertain whether any social media  
55 account or search engine history of an applicant presents any good cause  
56 for the denial of a license, the investigating officer shall, after

1 obtaining the applicant's consent pursuant to subdivision three of this  
2 section, and obtaining any log-in name, password or other means for  
3 accessing a personal account, service, or electronic communications  
4 device necessary to review such applicant's social media accounts and  
5 search engine history, review an applicant's social media accounts for  
6 the previous three years and search engine history for the previous year  
7 and investigate an applicant's posts or searches related to (i) commonly  
8 known profane slurs or biased language used to describe the race, color,  
9 national origin, ancestry, gender, religion, religious practice, age,  
10 disability or sexual orientation of a person; (ii) threatening the  
11 health or safety of another person; (iii) an act of terrorism; or (iv)  
12 any other issue deemed necessary by the investigating officer. For the  
13 purposes of this subdivision, "social media accounts" shall only include  
14 Facebook, Snapchat, Twitter and Instagram, and "search engine" shall  
15 only include Google, Yahoo and Bing. Upon completion of the investi-  
16 gation, the police authority shall report the results to the licensing  
17 officer without unnecessary delay.

18 (b) All licensees shall be recertified to the division of state police

20 date of ~~[the]~~ chapter one of the laws of two thousand thirteen ~~[which~~  
21 ~~added this paragraph]~~ shall be recertified by the licensee on or before  
22 January thirty-first, two thousand eighteen, and not less than one year  
23 prior to such date, the state police shall send a notice to all license  
24 holders who have not recertified by such time. Such recertification  
25 shall be in a form as approved by the superintendent of state police,  
26 which shall request the license holder's name, date of birth, gender,  
27 race, residential address, social security number, consent to have his  
28 or her social media accounts and search engine history reviewed and  
29 investigated, firearms possessed by such license holder, email address  
30 at the option of the license holder and an affirmation that such license  
31 holder is not prohibited from possessing firearms. The form may be in an  
32 electronic form if so designated by the superintendent of state police.  
33 Failure to recertify shall act as a revocation of such license. If the  
34 New York state police discover as a result of the recertification proc-  
35 ess that a licensee failed to provide a change of address, the New York  
36 state police shall not require the licensing officer to revoke such  
37 license. In order to ascertain whether any social media account or  
38 search engine history of a licensee presents any good cause for the  
39 revocation of a license, the New York state police shall, after obtain-  
40 ing the licensee's consent pursuant to this subdivision, and obtaining  
41 any log-in name, password or other means for accessing a personal  
42 account, service, or electronic communications device necessary to  
43 review such licensee's social media accounts and search engine history,  
44 review a licensee's social media accounts for the previous three years  
45 and search engine history for the previous year and investigate posts or  
46 searches related to (i) commonly known profane slurs or biased language  
47 used to describe the race, color, national origin, ancestry, gender,  
48 religion, religious practice, age, disability or sexual orientation of a  
49 person; (ii) threatening the health or safety of another person; (iii)  
50 an act of terrorism; or (iv) any other issue deemed necessary by the New  
51 York state police. For the purposes of this subdivision, "social media  
52 accounts" shall only include Facebook, Snapchat, Twitter and Instagram,

54 completion of the investigation, the New York state police shall report  
55 the results to the licensee without unnecessary delay.
