11 all "incorporated cities" and "census-designated places" in the state;  
12 and one additional permanent collection site for every thirty thousand  
13 people located in those areas, unless otherwise approved by the depart-

15 fifteen mile radius of an incorporated city or census-designated place,  
16 the program shall provide for at least one collection event annually.

18 collection of post-consumer architectural paint.

19 3. The plan submitted to the department pursuant to this section

25 provide convenient, statewide accessibility to the program;

9. 2 the contents of a returned paint container.

3 12. Producers or the representative organization shall provide retail-  
4 ers with educational materials regarding the paint stewardship assess-

30 architectural paint and retailers;

31 (g) a detailed list of efforts undertaken and an evaluation of the  
32 methods used to disseminate such materials including recommendations, if  
33 any, for how the educational component of the program can be improved;  
34 and

35 (h) the annual report shall be accompanied by a fee in the amount of  
36 three thousand dollars to be deposited into the environmental regulatory  
37 account, established pursuant to section 72-1009 of this chapter to  
38 cover the review of said plan by the department.

39 14. The representative organization shall update the plan, as needed,  
40 when there are changes proposed to the current program. A new plan or

48 The operator of the paint stewardship program shall notify the depart-
