

2017-2018 Regular Sessions

I N S E N A T E

(PREFILED)

January 4, 2017

Introduced by Sens. HOYLMAN, KRUEGER, MONTGOMERY -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, the education law and the labor law, in relation to prohibiting participation in torture and improper treatment of prisoners by health care professionals

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative policy and intent. This legislation is based
2 on, and is intended to give effect to, international treaties and stand-
3 ards; federal, state and local law; and professional standards relating
4 to torture, improper treatment of prisoners, and related matters. It is
5 guided by two basic principles: (1) health care professionals shall be
6 dedicated to providing the highest standard of health care, with
7 compassion and respect for human dignity and rights; and (2) torture and
8 improper treatment of prisoners are wrong and inconsistent with the
9 practice of the health care professions. The legislature finds that the
10 conduct prohibited by this act violates the ethical and legal obli-
11 gations of licensed health care professionals. This legislation will
12 further protect the professionalism of New York state licensed health
13 care professionals by authorizing and obligating them to refuse to
14 participate in torture and improper treatment of prisoners, which in
15 turn will protect the life and health of the people of the state and
16 those with whom New York licensed health care professionals interact. A
17 health care professional who comes to the aid of a prisoner should not
18 be presumed to be in violation when she or he is fulfilling the ethical
19 principle of beneficence. In contrast, a health care professional who,
20 for example, attends to a prisoner in order to allow torture or improper
21 treatment to commence or continue is not acting beneficently. Such
22 practices are inconsistent with professional ethics and standards and
23 are violations of this legislation. The legislature is mindful that
24 ordinarily there are limits on New York state's jurisdiction relating to
25 conduct outside the state or under federal authority. However, it is

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [] is old law to be omitted.

1 proper for the state to regulate health care professional licensure in
2 relation to a professional's conduct, even where the conduct occurs
3 outside the state; certain wrongful out-of-state conduct is already
4 grounds for professional discipline. Therefore, it is the legislature's
5 intent that this legislation be applied to the fullest extent possible.

6 S 2. The public health law is amended by adding a new section 25 to
7 read as follows:

8 S 25. PARTICIPATION IN TORTURE OR IMPROPER TREATMENT OF PRISONERS BY
9 HEALTH CARE PROFESSIONALS. 1. DEFINITIONS. AS USED IN THIS SECTION, THE
10 TERMS "TORTURE" AND "IMPROPER TREATMENT" SHALL BE INTERPRETED IN ACCORD-
11 ANCE WITH APPLICABLE LAW, INCLUDING INTERNATIONAL TREATIES TO WHICH THE

14 SUCH ACTS BE COMMITTED BY A GOVERNMENT OR NON-GOVERNMENT ACTOR, ENTITY,

45 HEALTH OR CONDITION OF THE PRISONER (EXCEPT AS PERMITTED BY PARAGRAPH
46 (B) OR (C) OF SUBDIVISION FIVE OF THIS SECTION).

47 (B) NO HEALTH CARE PROFESSIONAL SHALL ENGAGE, DIRECTLY OR INDIRECTLY,

17 (EXCEPT AS PERMITTED BY PARAGRAPH (A) OR (B) OF SUBDIVISION FIVE OF THIS
18 SECTION).

19 (D) NO HEALTH CARE PROFESSIONAL SHALL PARTICIPATE IN THE INTERROGATION
