Introduced by Sens. MONTGOMERY, BAILEY, COMRIE, HOYLMAN, PARKER, PERSAUD, RIVERA, SAVINO, SERRANO, SQUADRON -- read twice and ordered printed, and when printed to be committed to the Committee on Judiciary -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the civil practice law and rules, the criminal procedure law, the executive law, and the legislative law in relation to the use in evidence of the fact of possession or presence on the premises of condoms and other sexual and reproductive health devices; and to repeal paragraph (d) of subdivision 1 of section 160.10 of the criminal procedure law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "End criminalization of condoms act".

2  
3 § 2. Legislative findings. The legislature hereby finds that promoting  
4 and protecting health and respecting and fulfilling human rights are  
5 necessarily linked, and that health-oriented and rights-based law  
6 enforcement efforts are central to the effective provision of government  
7 services for the benefit of the people of the State. Article 17, section  
8 3 of the New York constitution requires that the legislature protect and  
9 promote the health of the inhabitants of this state as a matter of  
10 public concern. Despite these provisions, for purposes of prosecuting  
11 certain criminal, civil and administrative offenses, reproductive and  
12 sexual health tools, including condoms, are currently being destroyed,  
13 confiscated, or used as evidence by law enforcement officers. This  
14 legislation is intended to strengthen the public health of all New York-  
15 ers, including the most vulnerable, while preserving the ability of law  
16 enforcement to prosecute other crimes such as felony sexual offenses.  
17 The purpose of this bill is to avoid the disparate impact of the prac-  
18 tice of citing condoms and other reproductive and sexual health tools as

31 device; receipt into evidence.

38 local law or ordinance of a political subdivision of this state, or any  
39 word, rule or regulation of any governmental instrumentality authorized  
40 by law to adopt the same, for the purpose of establishing probable cause

19 § 8. The legislative law is amended by adding a new section 49 to read  
20 as follows:

21 § 49. Requirement with respect to bills amending certain laws which

50 § 83-n. Legislative commission on health and human rights. 1. The  
51 legislature hereby finds that promoting and protecting health and  
52 respecting and fulfilling human rights are necessarily linked, and that  
53 coordination between health and law enforcement efforts is central to  
54 the effective provision of government services for the benefit of the  
55 people of the state.

2. A legislative commission on health and human rights is hereby established to examine, evaluate and make recommendations concerning rights-based approaches to health and law enforcement interventions. The commission shall make such recommendations as it may deem necessary as to regulations, policies, programs, and proposed legislation to provide an equitable system of providing for the public safety while also protecting public health, to encourage the most effective use of state and local resources, to preserve the fiscal integrity of both state and local government health systems and otherwise to strengthen the fundamental human right to health.

3. The commission shall consist of ten representatives from organizations that promote advocacy by and for directly impacted communities. From among the members so appointed, a chairperson and vice chairperson shall be designated by the joint action of the chairpersons of the senate and assembly health committees. Any vacancy that occurs in the commission or in the chairmanship or vice chairmanship shall be filled in the same manner in which the original appointment or designation was made.

4. The commission in addition to the above mentioned powers shall have all the powers and privileges of a legislative committee pursuant to this chapter.

5. For the accomplishment of its purpose, the commission shall be authorized and empowered to undertake any study, inquiry, survey, or analysis it may deem relevant through its own personnel in cooperation with or by agreement with any other public or private agency.

6. The commission may require and shall receive from any department, board, bureau, commission, authority, office, or other instrumentality of the state, and from any county, city, town or village of this state, such facilities, assistance, and data, as it deems necessary or desirable for proper execution of its powers and duties.

7. The commission may hold public or private hearings and shall have full powers to subpoena witnesses and all records or data it shall deem necessary or desirable pursuant to this chapter.

8. The members of the commission shall serve on a voluntary basis and receive no compensation for their services.

2 rary president of the senate, the minority leader of the senate, the  
3 speaker of the assembly and the minority leader of the assembly an annu-

5 this subdivision.

6 § 11. If any provision of this article or the application thereof to  
7 any person, circumstances, or political subdivision of this state is  
8 adjudged invalid by a court of competent jurisdiction such judgment  
9 shall not affect or impair the validity of the other provisions of the  
10 article or the application thereof to other political subdivisions of  
11 this state, persons, and circumstances.

12 § 12. This act shall take effect on the first of March next succeeding  
13 the date on which it shall have become a law; provided, however that the  
14 amendments to article 5-A of the legislative law made by section nine of  
15 this act shall not affect the repeal of such article and shall be deemed  
16 repealed therewith.
