School 5 districts that, at the time of adoption of such a resolution, have б entered into a contract for transportation services, may, notwithstand-7 ing any other provision of state law, rule or regulation, renegotiate 8 the terms of their current transportation contract for the purposes of 9 allowing the installation of school bus safety cameras. School 10 districts shall not be required to take school buses out of service if 11 such buses are not equipped with automated school bus safety cameras or 12 functional automated safety cameras. School districts and school bus transportation contractors shall 13 be 14 held harmless from and not liable for any criminal or civil liability arising from the operation of school bus safety cameras. The commis-15 16 sioner shall promulgate rules and regulations for the installation of 17 school bus safety cameras. A designated vendor or employee of such vendor, police officer, or designated governing body employee shall not 18 be liable for any loss that occurs while acting within the scope of 19 20 their employment or contractual engagement to implement or enforce a 21 violation of section eleven hundred seventy-four-a of this chapter. 22 § 4. "Owner" shall have the same meaning provided in article two-B of 32 this chapter. 33 (b) 1. Notwithstanding any other provision of law, the board of education or of trustees of a school district is hereby authorized and 34 35 empowered to adopt a resolution providing for the installation and operation of school bus safety cameras upon school buses operated by or 36 contracted with such district. School districts shall not access the 37 38 images from such cameras but shall provide, pursuant to an agreement 39 with the appropriate law enforcement agency or agencies for the proper handling and custody of such images, for the forwarding of images from 40 such cameras to a law enforcement agency having jurisdiction in the area 41 42 in which the violation occurred, for the purpose of imposing monetary 43 liability on the owner of a motor vehicle for illegally overtaking or 44 passing a school bus in violation of subdivision (a) of section eleven 45 hundred seventy-four of this article. 46 2. In such school districts that have adopted a resolution authorizing 47 the installation of such school bus safety cameras, the board of educa-48 tion or of trustees of the school district or a school bus transporta-49 tion contractor may, furthermore, enter into an agreement with a private vendor for the installation, operation, notice processing and adminis-50 51 tration, and maintenance of school bus safety cameras on buses within 52 such district's fleet. 14	hundred seventy-five of this chapter. If such police officer finds that
15	such a violation occurred, he or she shall issue a simplified traffic
16	information alleging the violation, and such information with a copy of
17	the photographic image of the violation shall be mailed to the owner of
18	the motor vehicle by first class mail within thirty days of the alleged
19	violation. The videotape and images produced by a school bus safety
20	camera shall be prima facie evidence of the facts contained therein. All
21	photographic images of motor vehicles which do not depict or result in
22	liability for violation of subdivision (a) of section eleven hundred
23	seventy-four of this article shall be destroyed by the appropriate
24	school district and law enforcement agency within two days.
25	(e) An imposition of liability pursuant to this section shall not be
26	deemed a conviction as an operator and shall not be made part of the
27	operating record of the person upon whom such liability is imposed nor
28	shall it be used for insurance purposes in the provision of motor vehi-
29	<u>cle insurance coverage.</u>
30	(f) 1. A simplified traffic information and the photographic image of
31	the alleged violation shall be sent by first class mail to each person
32	alleged to be liable as an owner for a violation of subdivision (a) of
33	section eleven hundred seventy-four of this article pursuant to this
34	section within thirty days if such owner is a resident of this state and
35	within forty-five business days if such owner is a non-resident,
36	provided that a warning notice and not a simplified traffic information
37	shall be sent if such violation is evidenced by information obtained
38	from a school bus safety camera that has been operational but inactive

40	the owner shall not be required. A manual or automatic record of mailing
41	prepared in the ordinary course of business shall be prima facie
42	evidence of the facts contained therein.

4	shall be by a traffic violations bureau established pursuant to section

б	by the court having jurisdiction over traffic infractions.
7	(h) If an owner receives a simplified traffic information pursuant to
8	this section for any time period during which the vehicle was stolen, it
9	shall be a valid defense to an allegation of liability for a violation
10	of subdivision (a) of section eleven hundred seventy-four of this arti-
11	cle pursuant to this section that the vehicle had been reported to the
12	police as stolen prior to the time the violation occurred and had not
13	been recovered by such time. For purposes of asserting the defense
14	provided by this subdivision it shall be sufficient that a certified
15	copy of the police report on the stolen vehicle be sent by first class
16	mail to the traffic violations bureau, court having jurisdiction or
17	parking violations bureau.
18	(i) An owner who is a lessor of a vehicle to which a simplified traf-
19	fic information was issued pursuant to this section shall not be liable
20	for the violation of subdivision (a) of section eleven hundred seventy-

22	jurisdiction a copy of the rental, lease or other such contract document
23	covering such vehicle on the date of the violation, with the name and
24	address of the lessee clearly legible, within thirty-seven days after
25	receiving notice from the court of the date and time of such violation,
26	together with the other information contained in the original simplified
27	traffic information. Failure to send such information within such thir-
28	ty-seven day time period shall render the owner liable for the penalty
29	prescribed by this section. Where the lessor complies with the
30	provisions of this subdivision, the lessee of such vehicle on the date
31	of such violation shall be deemed to be the owner of such vehicle for
32	purposes of this section, shall be subject to liability for the
33	violation of subdivision (a) of section eleven hundred seventy-four of
34	this article pursuant to this section and shall be sent a simplified
35	traffic information pursuant to this section.

38	section eleven hundred seventy-four of this article.
39	(k) The school bus safety cameras installed and operated pursuant to
40	this section shall be used solely for the purposes of carrying out
41	photo-monitoring and videotaping of violations of subdivision (a) of
42	section eleven hundred seventy-four of this article.
43 44	(1) In any such school district which adopts a resolution pursuant to subdivision (b) of this section, such school district shall, to the
44 45	extent that such information is available to it, submit an annual report
