47	3. a. An amount equal to eighty percent of the balance outstanding in
48	the carryout bag account at the close of each quarter shall be paid to
49	the commissioner of taxation and finance at the time the report provided
50	for in subdivision two of this section is required to be filed. The
51	commissioner of taxation and finance may require that the payments be
52	made electronically. The remaining twenty percent of the balance
53	outstanding at the close of each quarter shall be the monies of the
54	store and may be withdrawn from such account by the store. If the
55	provisions of this section with respect to such account have not been
56	fully complied with, each store shall pay to such commissioner at such

1	time, in lieu of the amount described in the preceding sentence, an
2	amount equal to the balance which would have been outstanding on such
3	date had such provisions been fully complied with. The commissioner of
4	taxation and finance may require that the payments be made electron-
5	ically.
6	b. A store who ceases to do business in this state as a store shall
7	file a final report and remit payment of eighty percent of all amounts

10	require that the payments be made electronically. The store shall indi-
11	cate on the report that it is a "final report". The final report is due
12	to be filed with payment twenty days after the close of the quarterly
