2019-2020 Regular Sessions

IN ASSEMBLY

January 15, 2019

Introduced by M. of A. VANEL, SCHIMMINGER -- read once and referred to the Committee on Economic Development

AN ACT to amend the economic development law, in relation to the development and creation of distributed ledger technology and business entities that develop such technology

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivisions 8 and 23 of section 352 of the economic development law, as amended by section 1 of part K of chapter 59 of the laws of 2017, are amended to read as follows:

4 8. "Financial services data centers or financial services customer back office operations" means operations that manage the data or accounts of existing customers or provide product or service information and support to customers of financial services companies, including banks, other lenders, securities and commodities brokers and dealers, investment banks, portfolio managers, trust offices, ~~[and]~~ insurance companies, and financial technology companies that develop distributed ledger technology. For purposes of this subdivision "distributed ledger technology" means a mathematically secured, chronological, and decentralized consensus ledger or database, whether maintained via internet interaction, peer-to-peer network, or otherwise used to authenticate, record, share and synchronize transactions in their respective electronic ledgers or databases.

17 23. "Software development" means the creation of distributed ledger technology, coded computer instructions or production or post-production of video games, as defined in subdivision one-a of section six hundred eleven of the general business law, other than those embedded and used exclusively in advertising, promotional websites or microsites, and also includes new media as defined by the commissioner in regulations. For purposes of this subdivision "distributed ledger technology" means a mathematically secured, chronological, and decentralized consensus

EXPLANATION--Matter in italics (underscored) is new; matter in brackets ~~[-]~~ is old law to be omitted.
