AN ACT making appropriations for the support of government

### AID TO LOCALITIES BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. a) The several amounts specified in this chapter for aid to  
2 localities, or so much thereof as shall be sufficient to accomplish the  
3 purposes designated by the appropriations, are hereby appropriated and  
4 authorized to be paid as hereinafter provided, to the respective public  
5 officers and for the several purposes specified.
- 6 b) Where applicable, appropriations made by this chapter for expendi-  
7 tures from federal grants for aid to localities may be allocated  
8 for spending from federal grants for any grant period beginning, during,  
9 or prior to, the state fiscal year beginning on April 1, 2019 except as  
10 otherwise noted.
- 11 c) The several amounts named herein, or so much thereof as shall be  
12 sufficient to accomplish the purpose designated, being the undisbursed  
13 and/or unexpended balances of the prior year's appropriations, are here-  
14 by reappropriated from the same funds and made available for the same  
15 purposes as the prior year's appropriations, unless herein amended, for  
16 the fiscal year beginning April 1, 2019. Certain reappropriations in  
17 this chapter are shown using abbreviated text, with three leader dots  
18 (an ellipsis) followed by three spaces (... ) used to indicate where  
19 existing law that is being continued is not shown. However, unless a

1 change is clearly indicated by the use of brackets [-] for deletions and  
2 underscores for additions, the purposes, amounts, funding source and all  
3 other aspects pertinent to each item of appropriation shall be as last  
4 appropriated.

5 For the purpose of complying with the state finance law, the year,  
6 chapter and section of the last act reappropriating a former original  
7 appropriation or any part thereof is, unless otherwise indicated, chap-  
8 ter 53, section 1, of the laws of 2018 and, for the education depart-  
9 ment, chapter 54, section 2, of the laws of 2018.

10 d) No moneys appropriated by this chapter shall be available for  
11 payment until a certificate of approval has been issued by the director  
12 of the budget, who shall file such certificate with the department of  
13 audit and control, the chairperson of the senate finance committee and  
14 the chairperson of the assembly ways and means committee.

15 e) Notwithstanding any other provision of law to the contrary, to  
16 maintain a balanced budget in the event that the annual estimate for tax  
17 receipts for fiscal year 2019-20 is reduced by \$500,000,000 or more  
18 compared to estimate in the fiscal year 2019-20 executive budget finan-  
19 cial plan, the appropriations and related cash disbursements for all  
20 general fund and state special revenue fund aid to localities appropri-  
21 ations made by this chapter shall be uniformly reduced by the percentage  
22 set forth in a written allocation plan prepared by the director of the  
23 budget, provided, however, that the uniform percentage reduction shall  
24 not exceed 3 percent. The following types of appropriations shall be  
25 exempt from such uniform reduction: (a) public assistance payments for  
26 families and individuals and payments for eligible aged, blind and dis-  
27 abled persons related to supplemental social security; (b) any reductions  
28 that would violate federal law; (c) payments of debt service and related  
29 expenses for which the state is constitutionally obligated to pay debt  
30 service or is contractually obligated to pay debt service, subject to an  
31 appropriation, including where the state has a contingent contractual  
32 obligation; (d) payments the state is obligated to make pursuant to  
33 court orders or judgments; (e) payments for CUNY senior colleges; (f)  
34 school aid, (g) medicaid and (h) payments from the community projects  
35 fund. Such reductions to the general fund and special revenue fund  
36 appropriations made by this chapter and related cash disbursements shall  
37 commence within 10 days following the publication of a financial plan  
38 required under sections 22 or 23 of the state finance law stating that  
39 the annual estimate for tax receipts for fiscal year 2019-20 is reduced  
40 by \$500,000,000 or more compared to estimate in the fiscal year 2019-20  
41 executive budget financial plan, and shall be uniformly reduced in  
42 accordance with a written allocation plan prepared by the director of  
43 the budget, which shall be filed with the state comptroller, the chair-  
44 man of the senate finance committee and the chairman of the assembly  
45 ways and means committee. Such written allocation plan shall include a  
46 summary of the methodology for calculating the percentage reductions to  
47 the payments from non-exempt appropriations and cash disbursements and  
48 the reasons for any exemptions, and a detailed schedule of the  
49 reductions and exemptions. The director of the budget shall prepare  
50 appropriately reduced certificates, which shall be filed with the state  
51 comptroller, the chair of the senate finance committee and the chair of  
52 the assembly ways and means committee. On March 31, 2020, the director  
53 of the budget shall calculate the difference, if any, between the annual  
54 estimate in tax receipts contained in the fiscal year 2020 executive  
55 budget financial plan and actual tax collections for fiscal year 2019-  
56 20. If actual tax receipts for fiscal year 2019-20 were not less than

1 \$500,000,000 below the annual estimate in tax receipts contained in the  
2 executive budget financial plan for fiscal year 2019-20, then the  
3 amounts withheld pursuant to the written allocation plan prepared by the  
4 director shall be payable as soon as practicable thereafter in the  
5 fiscal year 2021-22. Notwithstanding any inconsistent provision of law,  
6 rule or regulation, the effectiveness of the provisions of sections 2807  
7 and 3614 of the public health law, section 18 of chapter 2 of the laws  
8 of 1988, and subdivision (h) of section 505.14 of title 18 of the NYCRR,  
9 as they relate to time frames for notice, approval or certification of  
10 rates of payment, are hereby suspended and without force or effect for  
11 purposes of implementing the written allocation plan prepared by the  
12 director to reduce the general fund and special revenue fund appropri-  
13 ations made by this chapter and related cash disbursements.

14 f) Notwithstanding any other provision of law to the contrary, if at  
15 any time during the 2019-20 state fiscal year the budget director deter-  
16 mines that the general fund is reasonably calculated to end such state  
17 fiscal year out of balance, the budget director is hereby authorized to  
18 implement a plan to unilaterally reduce appropriation authority  
19 contained herein and concomitant cash disbursements therefore in a  
20 manner which the budget director determines would bring the general fund  
21 into balance. Provided however, that such reductions shall not be made  
22 to (a) appropriations or payments which the budget director determines  
23 are public assistance payments for families and individuals, and  
24 payments for eligible aged, blind and disabled persons related to  
25 supplemental social security; (b) any reductions which the budget direc-  
26 tor determines would violate federal law; (c) payments of debt service  
27 and related expenses for which the budget director determines the state  
28 is constitutionally obligated to pay debt service or is contractually  
29 obligated to pay debt service, subject to an appropriation, including  
30 where the state has a contingent contractual obligation; and (d)  
31 payments which the budget director determines the state is obligated to  
32 make pursuant to court orders or judgments. To the extent any individual  
33 or entity is entitled to any cash disbursement authorized by any appro-  
34 priation contained herein, such entitlement shall be reduced commensu-  
35 rate with reductions made by the budget director in accordance with this  
36 provision. Provided however, that this provision shall have no force and  
37 effect in the event the (i) legislature enacts the chapter or chapters  
38 of law identical to the legislation amending the state finance law and  
39 referred to as the temporary offset of deficit drivers act as submitted  
40 by the governor pursuant to article VII of the New York state constitu-  
41 tion as legislative bill numbers S.1505 and A.2005, and (ii) the budget  
42 director notifies the office of the state comptroller in writing that  
43 the legislature enacted the legislation referenced in (i) on or before  
44 April 1, 2019.

45 g) The appropriations contained in this chapter shall be available for  
46 the fiscal year beginning on April 1, 2019 except as otherwise noted.

Provided, further, that to assess proposal quality in order to award such funding, the commissioner shall take into account factors including, but not limited to: (i) the extent to which the school district's proposal would provide such community services through partnerships with local governments and non-profit organizations, (ii) the extent to which the proposal would provide for delivery of such services directly in school buildings, (iii) the extent to which the proposal articulates how such services would facilitate measurable improvement in student and family outcomes, (iv) the extent to which the proposal articulates and identifies how existing funding streams and programs would be used to provide such community services, and (v) the extent to which the proposal ensures the safety of all students, staff and community members in school buildings used as community hubs. 9 shall be available under a foster care  
10 block grant for state reimbursement of  
11 eligible social services district expendi-  
12 tures for the provision and administration  
13 of foster care services including care,  
14 maintenance, supervision, and tuition; for

20 placed in residential programs operated by  
21 authorized agencies and in out-of-state

23 provision and administration of the

25 including kinship guardianship assistance  
26 payments and payments for non-recurring

28 reimbursement from the amount appropriated  
29 herein shall not be available for tuition  
30 expenditures for foster children, includ-  
31 ing persons in need of supervision and  
32 adjudicated juvenile delinquents, made by  
33 a social services district located within  
34 a city having a population of one million  
35 or more.

36 Notwithstanding any other provision of law,  
37 a portion of the funds are available to  
38 reimburse social services districts for  
39 the change in the maximum state aid rates  
40 established by the office of children and

42 pursuant to section 398-a of the social

44 the education law to reflect the continua-  
45 tion of the cost of living adjustments  
46 that became effective April 1, 2008 for  
47 payments made to foster parents and for  
48 salary and fringe benefit costs and other

critical nonpersonal services costs for foster care programs as determined by the office. Social services districts must adjust the amount of payments made for care provided by congregate care and foster boarding home programs and to foster parents to reflect the cost of living adjustments in the manner specified by the office. Each authorized agency operating a congregate care or foster boarding home program in New York state for which the office sets a maximum state aid rate pursuant to section 398-a of the social services law or section 4003 or 4405 of the education law shall submit, at the time and in a manner to be determined by the office, a written certification, attesting that the funds received for the continuation of the cost of living adjustment to the maximum state aid rate that became effective April 1, 2008 for that program will be or were used solely in accordance with the requirements of the cost of living adjustment established by the office.

Notwithstanding any inconsistent provision of law, for the period commencing on April 1, 2019 and ending March 31, 2020 the commissioner shall not apply any cost of living adjustment for the purpose of establishing rates of payments, contracts or any other form of reimbursement.

Within the amounts appropriated herein, state reimbursement to each social services district for services identified herein that are otherwise reimbursable by the state from April 1, 2019 through March 31, 2020 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be based, in part, on each district's claims for such costs, adjusted by the applicable cost allocation methodology and net of any retroactive payments for the 12 month period ending June 30, 2018 that are submitted on or before January 2, 2019 and, in part, on such other factors as determined by the office of children and family services and approved by the direc-

tor of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal reimbursement during that state fiscal year may not be claimed against that district's block grant apportionment for the next state fiscal year.

The office of children and family services, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share decrease related to federal retroactive reimbursement for such foster care services identified herein. The office, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share of disallowances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal

1 disallowance attributable to final federal  
2 agency decisions or to settlement made, on  
3 or after July 1, 1995, when such disallow-  
4 ance or sanction results from the failure  
5 of the social services district to comply  
6 with federal or state requirements,  
7 including, but not limited to, failure to  
8 document eligibility for federal or state  
9 funds in the case record; provided, howev-  
10 er, if the office determines that any  
11 federal disallowance for services provided  
12 between January 1, 1999 and May 31, 1999  
13 results solely from the late enactment of  
14 the state legislation implementing the  
15 federal adoption and safe families act,  
16 the state shall be solely responsible for  
17 the full amount of the disallowance or  
18 sanction; provided, further, however, this  
19 provision shall be deemed to apply both  
20 prospectively and retroactively regardless  
21 of whether such sanctions or disallowances  
22 are for services provided or claims made  
23 prior to or after April 1, 2019.

24 Notwithstanding any other provision of law,  
25 any federal disallowance resulting from a  
26 federal title IV-E eligibility review or  
27 audit that uses extrapolated statistic  
28 techniques shall be passed along by the  
29 state to any and all social services  
30 districts that the office of children and  
31 family services has determined have not  
32 complied with the title IV-E eligibility  
33 requirements or have not taken the neces-  
34 sary actions to ensure compliance with  
35 such requirements including, but not  
36 limited to, failing to: assess and fully  
37 document all the criteria and have readily  
38 available all the necessary documents to  
39 establish and continue title IV-E eligi-  
40 bility for all title IV-E eligible chil-  
41 dren within the required time frames;  
42 claim title IV-E funding only for cases  
43 that meet all of the title IV-E eligibil-  
44 ity criteria; and fully implement the  
45 social services payment system on or  
46 before April 1, 2005 for all direct and  
47 voluntary agency foster care services.

48 Notwithstanding any law to the contrary, the  
49 office of children and family services  
50 shall impose on social services districts  
51 any federal disallowance issued against

1 the state as a result of a federal title  
2 IV-E secondary eligibility review regard-  
3 less of the date the children may have  
4 entered foster care, the date the eligi-  
5 bility or payment errors occurred, or the  
6 filing date of any federal claims for  
7 reimbursement; provided, however, that the  
8 state shall be responsible for the disal-  
9 lowed costs and expenditures related to  
10 the placement of children in a facility  
11 operated by the office of children and  
12 family services, which shall be determined  
13 in the same manner as the disallowed costs  
14 and expenditures for social services  
15 districts other than the city of New York.  
16 In order to reimburse the federal govern-  
17 ment for the full amount of any disallow-  
18 ance imposed on the state by the federal  
19 administration for children and families  
20 within the timeframes necessary to avoid  
21 any potential interest payments on such  
22 amount, the office of children and family  
23 services is authorized to immediately  
24 offset funds otherwise due to each  
25 district for a pro rata share of the total  
26 disallowed costs based on the percentage  
27 of applicable federal title IV-E claims  
28 made by that district for the relevant  
29 time period as compared to the total  
30 applicable statewide title IV-E claims.  
31 The amount of the offset against each  
32 district will be adjusted, if necessary,  
33 upon completion of the disallowance allo-  
34 cation process. The final allocation of  
35 the amount of any federal disallowance  
36 resulting from a title IV-E secondary  
37 eligibility review shall be allocated  
38 among the districts so that each district  
39 shall be responsible for the amount  
40 attributable to each of the district's  
41 children or cases that are determined by  
42 the federal review to be unallowable. Each  
43 district shall also be responsible for a  
44 portion of the federal extrapolated disal-  
45 lowance amount based on the relative error  
46 rate for the district. The city of New  
47 York's error rate will be based on the  
48 federal sample and federal statistics. For  
49 all social services districts other than  
50 the city of New York, the error rate will  
51 be based on a review conducted by the

1 district of a sample of children and/or  
2 cases determined by the office of children  
3 and family services and a re-review of a  
4 sub-sample by the office of those children  
5 and/or cases determined by the office. The  
6 office of children and family services  
7 will determine what is reasonable in  
8 establishing the size of the sample and  
9 sub-sample for each district. The office  
10 of children and family services shall  
11 notify each social services district of  
12 the sample of children and/or cases from  
13 the federal audit period that the social  
14 services district must review. Any child  
15 or case from the social services district  
16 that was included in the federal sample  
17 will automatically be included in the  
18 social services district's review sample  
19 and the determination made at the federal  
20 review regarding that child or case will  
21 govern for the purposes of the social  
22 services district's review. The social  
23 services district must complete and submit  
24 the results of its review to the office of  
25 children and family services within 60  
26 days of receipt of the sample. The error  
27 rate for the district will be based on the  
28 findings of the district's review and the  
29 office of children and family services'  
30 re-review. If a social services district  
31 does not complete its review within 60  
32 days of receiving the sample from the  
33 office of children and family services,  
34 the office of children and family services  
35 shall assign an error rate to the social  
36 services district based on the relative  
37 percentage of the district's applicable  
38 title IV-E claims for the relevant period  
39 as compared to applicable statewide title  
40 IV-E claims for that period and other  
41 circumstances that the office of children  
42 and family services may consider in order  
43 to allocate 100 percent of the federal  
44 disallowance. The office of children and  
45 family services shall apply each social  
46 services district's error rate to the  
47 total amount of the district's applicable  
48 title IV-E claims including associated  
49 administrative expenses. The resulting  
50 dollar amounts for all of the social  
51 services districts will be summed to

2 claims deemed to be in error statewide. To  
3 establish a disallowance percentage for  
4 each social services district, the amount  
5 of the district's title IV-E claims deemed  
6 to be in error will be divided by the  
7 amount of statewide title IV-E claims  
8 deemed to be in error. The resulting  
9 disallowance percentage for each district  
10 will be applied to the entire title IV-E  
11 extrapolated disallowance calculated by  
12 the federal review to determine the amount  
13 of the extrapolated disallowance for which  
14 the district is responsible. Each district  
15 will be credited for the amount already  
16 disallowed for any individual children or  
17 cases found to be in error during the  
18 federal review. The exclusive appeal  
19 rights for the review of the amount of the  
20 federal disallowance assigned to each  
21 social services district shall be pursuant  
22 to article 78 of the civil practice laws  
23 and rules; provided, however, that in any  
24 such action all of the social services  
25 districts shall be joined as necessary  
26 parties and the venue of any such action  
27 shall be in Rensselaer county. Any social  
28 services district that fails to complete  
29 its sample review in the required time  
30 frames shall have no right to appeal and  
31 shall not be a necessary party to any  
32 action brought by another social services  
33 district.

The funds allocated to a district under this appropriation in addition to any state block grant funds allocated to the district for child care services and any funds the district requests the office of temporary and disability assistance to transfer from the district's flexible fund for family services allocation to the federal day care account shall constitute the district's entire block grant allocation for a particular federal fiscal year, which shall be available only for child care assistance expenditures made during that federal fiscal year and which are claimed by March 31 of the year immediately following the end of that federal fiscal year. 19 pharmacy benefit management services on  
20 behalf of the health care plan, including,  
21 but not limited to, any discounts or

28 purposes of this provision "spread pric-  
29 ing" means any amount charged or claimed  
30 by the pharmacy benefit manager in excess  
31 of the amount paid to pharmacies on behalf  
32 of the health care plan less an adminis-  
33 trative fee as described above. Any such  
34 excess amount shall be remitted to the  
35 health care plan on a quarterly basis.  
36 The commissioner may promulgate regu-  
37 lations as necessary to establish addi-  
38 tional standards for contracts or other  
39 arrangements related to the services  
40 described above. Provided, however, the  
41 director of the budget determines that if  
42 this chapter appropriates sufficient addi-  
43 tional funds to allow the narrowing of the  
44 spread between the amount the managed care  
45 organization is charged by the pharmacy  
46 benefit manager for prescriptions and the  
47 amount actually paid to the pharmacy and  
48 the cost to the medicaid program, then the  
49 provisions of this paragraph shall not  
50 apply and shall be considered null and  
51 void.

4 Notwithstanding any inconsistent provision  
5 of law, rule or regulation to the contra-  
6 ry, for state fiscal years 2020-21, the  
7 medicaid drug expenditure growth target  
8 shall be limited to the ten-year rolling  
9 average of the medical component of the  
10 consumer price index plus four percent and  
11 minus a pharmacy savings target of  
12 \$85,000,000.

13 Further, for state fiscal years 2019-2020  
14 and 2020-21: The department and the divi-  
15 sion of the budget shall not be required  
16 to report quarterly to the drug utiliza-  
17 tion review board the projected state

23 conducted by or for other state govern-  
24 ments, the federal government, the govern-  
25 ments of other nations, third party payers  
26 or multi-state coalitions.

27 In the event that the commissioner and the  
28 manufacturer previously agreed to a  
29 supplemental rebate for a drug pursuant to

4 Notwithstanding any inconsistent provision

10 certain criteria are met, including:

11 (i) the preferred drug has been tried by the  
12 patient and has failed to produce the

10 And, further, notwithstanding any inconsist-  
11 ent provision of sections one 112 and 163  
12 of the state finance law, or section 142  
13 of the economic development law, or any  
14 other law, the commissioner is authorized

28 prospective contractor may seek selection,  
29 which shall be no less than thirty days  
30 after such information is first posted on  
31 the website; and

32 (D) the manner by which a prospective  
33 contractor may seek such selection, which  
34 may include submission by electronic  
35 means;

36 (ii) all reasonable and responsive  
37 submissions that are received from  
38 prospective contractors in timely fashion  
39 shall be reviewed by the commissioner; and

40 (iii) the commissioner shall select such  
41 contractor or contractors that, in the  
42 commissioner's discretion, are best suited  
43 to serve the purposes of this section.

44 Provided, however, if the director of the  
45 budget determines that this chapter appro-  
46 priates sufficient additional funds to  
47 achieve savings related to a transition to  
48 a fiscal intermediary or intermediaries

1 In the event that the patient does not  
2 meet this criteria, the prescriber may  
3 provide additional information to the  
4 medical assistance program to justify the  
5 use of the drug. The program shall

9 The program will consider the additional  
10 information and the justification  
11 presented to determine whether the use of

4 of such income is passed through to the  
5 health care plan in full to reduce the  
6 reportable ingredient cost; (iii) The  
7 pharmacy benefit manager shall not retain  
8 any portion of spread pricing. For  
9 purposes of this provision "spread pricing"  
10 means any amount charged or claimed

lations be waived if such waiver would risk patient safety. Provided, further, however, if the director of the budget determines that this chapter appropriates sufficient additional funds to allow the waiver of such regulatory requirements for the purposes described above, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2019.

Notwithstanding any provision of law to the contrary, the portion of this appropriation covering fiscal year 2019-20 shall supersede and replace any duplicative (i) reappropriation for this item covering fiscal year 2019-20, and (ii) appropriation for this item covering fiscal year 2019-20 set forth in chapter 53 of the laws of 2018 (26952) ..... 15,061,616,000

For services and expenses of the medical assistance program including pharmacy services.

Notwithstanding any inconsistent provision of law, rule or regulation to the contrary, for state fiscal years 2020-21, the medicaid drug expenditure growth target shall be limited to the ten-year rolling average of the medical component of the consumer price index plus four percent and minus a pharmacy savings target of \$85,000,000.

Further, for state fiscal years 2019-2020 and 2020-21: The department and the division of the budget shall not be required to report quarterly to the drug utilization review board the projected state funds medicaid drug expenditures.

Rebates for drugs covered by medicaid and negotiated with manufactures may be based on evidence-based research, including, but not limited to: research operated or conducted by or for other state governments, the federal government, the governments of other nations, third party payers or multi-state coalitions.

7 prior to seeking an additional rebate  
8 pursuant to paragraph (b) or (c) of subdi-

11 required to take into consideration wheth-

13 ing significant discounts relative to  
14 other drugs covered by the medicaid  
15 program.

16 If, pursuant to section 280 of the public  
17 health law, the drug utilization review  
18 board recommends a target rebate amount on  
19 a drug referred by the commissioner, the  
20 department shall negotiate with the drug's  
21 manufacturer for a supplemental rebate to  
22 be paid by the manufacturer in an amount  
23 not to exceed such target rebate amount. A  
24 rebate requirement shall apply beginning  
25 with the first day of the state fiscal  
26 year during which the rebate was required,  
27 without regard to the date the department  
28 enters into the rebate agreement with the  
29 manufacturer.

30 The commissioner shall report by July, rath-  
31 er than February, first annually to the  
32 drug utilization review board on savings  
33 achieved through the drug cap in the last  
34 fiscal year.

35 Provided, however, if the director of the

38 achieve commensurate savings then the  
39 provisions of this paragraph shall not

In accordance with the medicaid savings allocation plan, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

1 incurred both prior to and subsequent to such assessment for each  
2 such period, and if the director of the budget determines that such  
3 expenditures are expected to cause medicaid spending for such period  
4 to exceed the aggregate limit specified herein for such period, the  
5 state medicaid director, in consultation with the director of the  
6 budget and the commissioner of health, shall develop a medicaid  
7 savings allocation plan to limit such spending to the aggregate  
8 limit specified herein for such period.

9 Such medicaid savings allocation plan shall be designed, to reduce the  
10 expenditures authorized by the appropriations herein in compliance  
11 with the following guidelines: (1) reductions shall be made in  
12 compliance with applicable federal law, including the provisions of  
13 the Patient Protection and Affordable Care Act, Public Law No.  
14 111-148, and the Health Care and Education Reconciliation Act of  
15 2010, Public Law No. 111-152 (collectively "Affordable Care Act")  
16 and any subsequent amendments thereto or regulations promulgated  
17 thereunder; (2) reductions shall be made in a manner that complies  
18 with the state medicaid plan approved by the federal centers for  
19 medicare and medicaid services, provided, however, that the commis-  
20 sioner of health is authorized to submit any state plan amendment or  
21 seek other federal approval, including waiver authority, to imple-  
22 ment the provisions of the medicaid savings allocation plan that  
23 meets the other criteria set forth herein; (3) reductions shall be  
24 made in a manner that maximizes federal financial participation, to  
25 the extent practicable, including any federal financial partic-  
26 ipation that is available or is reasonably expected to become avail-  
27 able, in the discretion of the commissioner, under the Affordable  
28 Care Act; (4) reductions shall be made uniformly among categories of  
29 services and geographic regions of the state, to the extent practi-  
30 cable, and shall be made uniformly within a category of service, to  
31 the extent practicable, except where the commissioner determines  
32 that there are sufficient grounds for non-uniformity, including but  
33 not limited to: the extent to which specific categories of services  
34 contributed to department of health medicaid state funds spending in  
35 excess of the limits specified herein; the need to maintain safety  
36 net services in underserved communities; or the potential benefits  
37 of pursuing innovative payment models contemplated by the Affordable  
38 Care Act, in which case such grounds shall be set forth in the medi-  
39 caid savings allocation plan; and (5) reductions shall be made in a  
40 manner that does not unnecessarily create administrative burdens to  
41 medicaid applicants and recipients or providers.

42 The commissioner shall seek the input of the legislature, as well as  
43 organizations representing health care providers, consumers, busi-  
44 nesses, workers, health insurers, and others with relevant exper-  
45 tise, in developing such medicaid savings allocation plan, to the  
46 extent that all or part of such plan, in the discretion of the  
47 commissioner, is likely to have a material impact on the overall  
48 medicaid program, particular categories of service or particular  
49 geographic regions of the state.

50 (a) The commissioner shall post the medicaid savings allocation plan

3 (b) The commissioner may revise the medicaid savings allocation plan  
4 subsequent to the provisions of notice and prior to implementation  
5 but needs to provide a new notice pursuant to subparagraph (i) of  
6 this paragraph only if the commissioner determines, in his or her  
7 discretion, that such revisions materially alter the plan.

8 Notwithstanding the provisions of paragraphs (a) and (b) of this  
9 subdivision, the commissioner need not seek the input described in  
10 paragraph (a) of this subdivision or provide notice pursuant to  
11 paragraph (b) of this subdivision if, in the discretion of the  
12 commissioner, expedited development and implementation of a medicaid  
13 savings allocation plan is necessary due to a public health emergen-  
14 cy.

15 For purposes of this section, a public health emergency is defined as:

16 (i) a disaster, natural or otherwise, that significantly increases  
17 the immediate need for health care personnel in an area of the  
18 state; (ii) an event or condition that creates a widespread risk of

20 such widespread risk of exposure; or (iii) any other event or condi-  
21 tion determined by the commissioner to constitute an imminent threat  
22 to public health.

23 Nothing in this paragraph shall be deemed to prevent all or part of  
24 such medicaid savings allocation plan from taking effect retroac-  
25 tively to the extent permitted by the federal centers for medicare  
26 and medicaid services.

27 In accordance with the medicaid savings allocation plan, the commis-  
28 sioner of the department of health shall reduce department of health  
29 state funds medicaid spending by the amount of the projected over-  
30 spending through, actions including, but not limited to modifying or  
31 suspending reimbursement methods, including but not limited to all  
32 fees, premium levels and rates of payment, notwithstanding any  
33 provision of law that sets a specific amount or methodology for any  
34 such payments or rates of payment; modifying medicaid program bene-  
35 fits; seeking all necessary federal approvals, including, but not  
36 limited to waivers, waiver amendments; and suspending time frames  
37 for notice, approval or certification of rate requirements, notwith-

39 including but not limited to sections 2807 and 3614 of the public  
40 health law, section 18 of chapter 2 of the laws of 1988, and 18  
41 NYCRR 505.14(h).

42 The department of health shall prepare a monthly report that sets  
43 forth: (a) known and projected department of health medicaid expend-  
44 itures as described in subdivision (1) of this section, and factors  
45 that could result in medicaid disbursements for the relevant state  
46 fiscal year to exceed the projected department of health state funds  
47 disbursements in the enacted budget financial plan pursuant to  
48 subdivision 3 of section 23 of the state finance law, including  
49 spending increases or decreases due to: enrollment fluctuations,  
50 rate changes, utilization changes, MRT investments, and shift of

24    defined by the commissioner, incurred both prior to and subsequent

1 services and geographic regions of the state, to the extent practi-  
2 cable, and shall be made uniformly within a category of service, to  
3 the extent practicable, except where the commissioner determines  
4 that there are sufficient grounds for non-uniformity, including but  
5 not limited to: the extent to which specific categories of services  
6 contributed to department of health medicaid state funds spending in  
7 excess of the limits specified herein; the need to maintain safety  
8 net services in underserved communities; or the potential benefits  
9 of pursuing innovative payment models contemplated by the Affordable  
10 Care Act, in which case such grounds shall be set forth in the medi-  
11 caid savings allocation plan; and (5) reductions shall be made in a

14 The commissioner shall seek the input of the legislature, as well as  
15 organizations representing health care providers, consumers, busi-  
16 nesses, workers, health insurers, and others with relevant exper-  
17 tise, in developing such medicaid savings allocation plan, to the

19 commissioner, is likely to have a material impact on the overall  
20 medicaid program, particular categories of service or particular  
21 geographic regions of the state.

22 (a) The commissioner shall post the medicaid savings allocation plan

27 (b) The commissioner may revise the medicaid savings allocation plan

36 commissioner, expedited development and implementation of a medicaid

40 (i) a disaster, natural or otherwise, that significantly increases  
41 the immediate need for health care personnel in an area of the  
42 state; (ii) an event or condition that creates a widespread risk of

44 such widespread risk of exposure; or (iii) any other event or condi-

47 Nothing in this paragraph shall be deemed to prevent all or part of  
48 such medicaid savings allocation plan from taking effect retroac-

6 established pursuant to the federal social security act, increases  
7 in provider revenues, reductions in local social services district  
8 payments for medical assistance administration, minimum wage

10 New York state medical indemnity fund, pursuant to chapter 59 of the  
11 laws of 2011, and state costs or savings from the essential plan

13 budget to account for increased or expedited department of health

15 type of disaster, including a governmental declaration of emergency.  
16 The director of the budget, in consultation with the commissioner of

18 expenditures by category of service and by geographic region, as  
19 determined by the commissioner of health, incurred both prior to and  
20 subsequent to such assessment for each such period, and if the  
21 director of the budget determines that such expenditures are  
22 expected to cause medicaid spending for such period to exceed the  
23 aggregate limit specified herein for such period, the state medicaid  
24 director, in consultation with the director of the budget and the  
25 commissioner of health, shall develop a medicaid savings allocation

31 compliance with applicable federal law, including the provisions of  
32 the Patient Protection and Affordable Care Act, Public Law No.

34 2010, Public Law No. 111-152 (collectively "Affordable Care Act")

6 caid savings allocation plan; and (5) reductions shall be made in a  
7 manner that does not unnecessarily create administrative burdens to  
8 medicaid applicants and recipients or providers.

9 The commissioner shall seek the input of the legislature, as well as  
10 organizations representing health care providers, consumers, busi-  
11 nesses, workers, health insurers, and others with relevant exper-  
12 tise, in developing such medicaid savings allocation plan, to the  
13 extent that all or part of such plan, in the discretion of the  
14 commissioner, is likely to have a material impact on the overall  
15 medicaid program, particular categories of service or particular  
16 geographic regions of the state.

17 (a) The commissioner shall post the medicaid savings allocation plan

23 subsequent to the provisions of notice and prior to implementation  
24 but needs to provide a new notice pursuant to subparagraph (i) of  
25 this paragraph only if the commissioner determines, in his or her  
26 discretion, that such revisions materially alter the plan.

27 Notwithstanding the provisions of paragraphs (a) and (b) of this  
28 subdivision, the commissioner need not seek the input described in  
29 paragraph (a) of this subdivision or provide notice pursuant to  
30 paragraph (b) of this subdivision if, in the discretion of the  
31 commissioner, expedited development and implementation of a medicaid  
32 savings allocation plan is necessary due to a public health emergen-  
33 cy.

34 For purposes of this section, a public health emergency is defined as:

35 (i) a disaster, natural or otherwise, that significantly increases  
36 the immediate need for health care personnel in an area of the  
37 state; (ii) an event or condition that creates a widespread risk of  
38 exposure to a serious communicable disease, or the potential for  
39 such widespread risk of exposure; or (iii) any other event or condi-  
40 tion determined by the commissioner to constitute an imminent threat  
41 to public health.

42 Nothing in this paragraph shall be deemed to prevent all or part of  
43 such medicaid savings allocation plan from taking effect retroac-

12 Notwithstanding section 40 of the state finance law or any other law  
 13 to the contrary, all medical assistance appropriations made from  
 14 this account shall remain in full force and effect in accordance, in  
 15 the aggregate, with the following schedule: not more than 50 percent

 34 \$44,351,166,000 provided, however, such aggregate limits may be  
 35 adjusted by the director of the budget to account for any changes in  
 36 the New York state federal medical assistance percentage amount  
 37 established pursuant to the federal social security act, increases  
 38 in provider revenues, reductions in local social services district  
 39 payments for medical assistance administration, minimum wage

1 subsequent to such assessment for each such period, and if the  
2 director of the budget determines that such expenditures are  
3 expected to cause medicaid spending for such period to exceed the  
4 aggregate limit specified herein for such period, the state medicaid  
5 director, in consultation with the director of the budget and the  
6 commissioner of health, shall develop a medicaid savings allocation  
7 plan to limit such spending to the aggregate limit specified herein  
8 for such period.

9 Such medicaid savings allocation plan shall be designed, to reduce the  
10 expenditures authorized by the appropriations herein in compliance  
11 with the following guidelines: (1) reductions shall be made in  
12 compliance with applicable federal law, including the provisions of  
13 the Patient Protection and Affordable Care Act, Public Law No.  
14 111-148, and the Health Care and Education Reconciliation Act of

22 ment the provisions of the medicaid savings allocation plan that  
23 meets the other criteria set forth herein; (3) reductions shall be  
24 made in a manner that maximizes federal financial participation, to  
25 the extent practicable, including any federal financial partic-  
26 ipation that is available or is reasonably expected to become avail-  
27 able, in the discretion of the commissioner, under the Affordable  
28 Care Act; (4) reductions shall be made uniformly among categories of  
29 services and geographic regions of the state, to the extent practi-  
30 cable, and shall be made uniformly within a category of service, to  
31 the extent practicable, except where the commissioner determines  
32 that there are sufficient grounds for non-uniformity, including but  
33 not limited to: the extent to which specific categories of services  
34 contributed to department of health medicaid state funds spending in  
35 excess of the limits specified herein; the need to maintain safety  
36 net services in underserved communities; or the potential benefits  
37 of pursuing innovative payment models contemplated by the Affordable  
38 Care Act, in which case such grounds shall be set forth in the medi-  
39 caid savings allocation plan; and (5) reductions shall be made in a  
40 manner that does not unnecessarily create administrative burdens to  
41 medicaid applicants and recipients or providers.

42 The commissioner shall seek the input of the legislature, as well as
