11 day and half-day pre-kindergarten placements for three-year-olds and
12 four-year-olds; provided that such grants shall only be used to
13 supplement, not supplant existing pre-kindergarten programs; and
14 provided further, however, that any portion of such \$15,000,000 that
15 is not awarded shall remain available for subsequent awards in the
16 2015-16 school year or for full-day and half-day prekindergarten
17 grants to be awarded in subsequent school years. Provided, further,

37 of the same rules and requirements as universal prekindergarten
38 programs pursuant to section 3602-e of the education law except as
39 modified herein; provided that notwithstanding paragraph c of subdivi-

6 dergarten pupil pursuant to subparagraph i of paragraph b of subdivi-
7 sion 10 of section 3602-e of the education law; provided, however,
8 that no district shall receive a grant in excess of the total actual
9 grant expenditures incurred by the district in the current school
10 year as approved by the commissioner. Provided, further, that as a
11 condition of eligibility for receipt of such funding, a school
12 district shall agree to adopt approved quality indicators within two
13 years, including, but not limited to, valid and reliable measures of
14 environmental quality, the quality of teacher-student interactions
15 and child outcomes, and ensure that any such assessment of child
16 outcomes shall not be used to make high-stakes educational decisions
17 for individual children. Provided, further, that no school district
18 shall receive more than forty percent of the total prekindergarten
19 for three-year-old and four-year-old children grant allocation.
20 Provided, further, that notwithstanding any provision of law to the

24 teachers, and of related costs, administered by the state university
25 of New York pursuant to a plan developed in consultation with the
26 commissioner, who shall consult with appropriate state organizations

39 include, but not be limited to, achievement of a rating of highly
40 effective on the annual professional performance review; and (iv)
41 provide periodic opportunities for professional development for
42 successful applicants. Provided, further, that priority shall be
43 given to applicants in regions of the state where a similar program
44 is not otherwise offered. Notwithstanding any provision of law to
45 the contrary, upon approval of the director of the budget, such
46 \$2,500,000 of master teachers program funding may be suballocated,

4 state reimbursement to each social
5 services district for services identified
6 herein that are otherwise reimbursable by
7 the state from April 1, 2019 through March
8 31, 2020 shall be limited to a district
9 allocation, hereinafter referred to as the
10 district's block grant allocation.
11 Notwithstanding any other provision of
12 law, such block grant allocation shall be
13 based, in part, on each district's claims
14 for such costs, adjusted by the applicable
15 cost allocation methodology and net of any
16 retroactive payments for the 12 month
17 period ending June 30, 2018 that are

27 on preventive services provided pursuant
28 to section 409-a of the social services

6 grant allocation by the state share

13 disallowances or sanctions taken against
14 the district pursuant to the social

16 Notwithstanding any other provision of law,

27 of the social services district to comply
28 with federal or state requirements,
29 including, but not limited to, failure to
30 document eligibility for federal or state
31 funds in the case record; provided, howev-
32 er, if the office determines that any
33 federal disallowance for services provided
34 between January 1, 1999 and May 31, 1999
35 results solely from the late enactment of
36 the state legislation implementing the

42 prospectively and retroactively regardless
43 of whether such sanctions or disallowances
44 are for services provided or claims made
45 prior to or after April 1, 2019.

15 ity criteria; and fully implement the
16 social services payment system on or
17 before April 1, 2005 for all direct and
18 voluntary agency foster care services.

19 Notwithstanding any law to the contrary, the
20 office of children and family services
21 shall impose on social services districts
22 any federal disallowance issued against
23 the state as a result of a federal title
24 IV-E secondary eligibility review regard-
25 less of the date the children may have
26 entered foster care, the date the eligi-
27 bility or payment errors occurred, or the
28 filing date of any federal claims for

30 state shall be responsible for the disal-

42 within the timeframes necessary to avoid
43 any potential interest payments on such

2 The amount of the offset against each
3 district will be adjusted, if necessary,
4 upon completion of the disallowance allo-
5 cation process. The final allocation of
6 the amount of any federal disallowance
7 resulting from a title IV-E secondary
8 eligibility review shall be allocated
9 among the districts so that each district
10 shall be responsible for the amount
11 attributable to each of the district's
12 children or cases that are determined by
13 the federal review to be unallowable. Each
14 district shall also be responsible for a
15 portion of the federal extrapolated disal-
16 lowance amount based on the relative error
17 rate for the district. The city of New
18 York's error rate will be based on the
19 federal sample and federal statistics. For
20 all social services districts other than
21 the city of New York, the error rate will
22 be based on a review conducted by the

32 of children and family services shall
33 notify each social services district of
34 the sample of children and/or cases from
35 the federal audit period that the social
36 services district must review. Any child
37 or case from the social services district
38 that was included in the federal sample
39 will automatically be included in the
40 social services district's review sample
41 and the determination made at the federal
42 review regarding that child or case will

1 re-review. If a social services district
2 does not complete its review within 60
3 days of receiving the sample from the
4 office of children and family services,
5 the office of children and family services
6 shall assign an error rate to the social
7 services district based on the relative
8 percentage of the district's applicable
9 title IV-E claims for the relevant period
10 as compared to applicable statewide title
11 IV-E claims for that period and other
12 circumstances that the office of children
13 and family services may consider in order
14 to allocate 100 percent of the federal
15 disallowance. The office of children and
16 family services shall apply each social
17 services district's error rate to the
18 total amount of the district's applicable
19 title IV-E claims including associated
20 administrative expenses. The resulting
21 dollar amounts for all of the social
22 services districts will be summed to
23 derive the total amount of title IV-E
24 claims deemed to be in error statewide. To
25 establish a disallowance percentage for
26 each social services district, the amount
27 of the district's title IV-E claims deemed
28 to be in error will be divided by the
29 amount of statewide title IV-E claims
30 deemed to be in error. The resulting
31 disallowance percentage for each district
32 will be applied to the entire title IV-E
33 extrapolated disallowance calculated by
34 the federal review to determine the amount
35 of the extrapolated disallowance for which
36 the district is responsible. Each district
37 will be credited for the amount already
38 disallowed for any individual children or
39 cases found to be in error during the
40 federal review. The exclusive appeal
41 rights for the review of the amount of the
42 federal disallowance assigned to each
43 social services district shall be pursuant
44 to article 78 of the civil practice laws
45 and rules; provided, however, that in any
46 such action all of the social services
47 districts shall be joined as necessary
48 parties and the venue of any such action

2 office of health insurance programs. Funding authority from this
3 account used for state administration of the medical assistance
4 program may be transferred to state operations appropriations within
5 the aforementioned programs at amounts agreed upon by the commis-
6 sioner of health, and the New York state division of the budget.

7 Notwithstanding section 40 of the state finance law or any other law
8 to the contrary, all medical assistance appropriations made from
9 this account shall remain in full force and effect in accordance, in
10 the aggregate, with the following schedule: not more than 50 percent
11 for the period April 1, 2018 to March 31, 2019; and the remaining
12 amount for the period April 1, 2019 to [~~March 31~~] September 15,
13 2020.

14 Notwithstanding section 40 of the state finance law or any provision
15 of law to the contrary, subject to federal approval, department of
16 health state funds medicaid spending, excluding payments for medical
17 services provided at state facilities operated by the office of
18 mental health, the office for people with developmental disabilities
19 and the office of alcoholism and substance abuse services and
20 further excluding any payments which are not appropriated within the
21 department of health, in the aggregate, for the period April 1,
22 [~~2018~~] 2019 through March 31, [~~2019~~] 2020, shall not exceed
23 [~~\$20,060,018,000~~] \$21,701,148,000 except as provided below and state

28 April 1, [~~2018~~] 2019 through March 31, [~~2020~~] 2021 exceed
29 [~~\$43,004,329,000~~] \$44,351,166,000 provided, however, such aggregate
30 limits may be adjusted by the director of the budget to account for
31 any changes in the New York state federal medical assistance
32 percentage amount established pursuant to the federal social securi-
33 ty act, increases in provider revenues, reductions in local social
34 services district payments for medical assistance administration,
35 minimum wage increases and beginning April 1, 2012 the operational
36 costs of the New York state medical indemnity fund, pursuant to
37 chapter 59 of the laws of 2011, and state costs or savings from the
38 essential plan program. Such projections may be adjusted by the
39 director of the budget to account for increased or expedited depart-
40 ment of health state funds medicaid expenditures as a result of a
41 natural or other type of disaster, including a governmental declara-
42 tion of emergency. The director of the budget, in consultation with
43 the commissioner of health, shall assess on a monthly basis known
44 and projected medicaid expenditures by category of service and by
45 geographic region, as determined by the commissioner of health,
46 incurred both prior to and subsequent to such assessment for each
47 such period, and if the director of the budget determines that such
48 expenditures are expected to cause medicaid spending for such period
49 to exceed the aggregate limit specified herein for such period, the
50 state medicaid director, in consultation with the director of the
51 budget and the commissioner of health, shall develop a medicaid

1 savings allocation plan to limit such spending to the aggregate
2 limit specified herein for such period.

3 Such medicaid savings allocation plan shall be designed, to reduce the
4 expenditures authorized by the appropriations herein in compliance
5 with the following guidelines: (1) reductions shall be made in
6 compliance with applicable federal law, including the provisions of
7 the Patient Protection and Affordable Care Act, Public Law No.
8 111-148, and the Health Care and Education Reconciliation Act of
9 2010, Public Law No. 111-152 (collectively "Affordable Care Act")
10 and any subsequent amendments thereto or regulations promulgated
11 thereunder; (2) reductions shall be made in a manner that complies
12 with the state medicaid plan approved by the federal centers for
13 medicare and medicaid services, provided, however, that the commis-
14 sioner of health is authorized to submit any state plan amendment or
15 seek other federal approval, including waiver authority, to imple-
16 ment the provisions of the medicaid savings allocation plan that
17 meets the other criteria set forth herein; (3) reductions shall be
18 made in a manner that maximizes federal financial participation, to
19 the extent practicable, including any federal financial partic-
20 ipation that is available or is reasonably expected to become avail-
21 able, in the discretion of the commissioner, under the Affordable
22 Care Act; (4) reductions shall be made uniformly among categories of
23 services and geographic regions of the state, to the extent practi-
24 cable, and shall be made uniformly within a category of service, to
25 the extent practicable, except where the commissioner determines
26 that there are sufficient grounds for non-uniformity, including but
27 not limited to: the extent to which specific categories of services
28 contributed to department of health medicaid state funds spending in
29 excess of the limits specified herein; the need to maintain safety
30 net services in underserved communities; or the potential benefits
31 of pursuing innovative payment models contemplated by the Affordable
32 Care Act, in which case such grounds shall be set forth in the medi-
33 caid savings allocation plan; and (5) reductions shall be made in a
34 manner that does not unnecessarily create administrative burdens to
35 medicaid applicants and recipients or providers.

36 The commissioner shall seek the input of the legislature, as well as
37 organizations representing health care providers, consumers, busi-
38 nesses, workers, health insurers, and others with relevant exper-
39 tise, in developing such medicaid savings allocation plan, to the
40 extent that all or part of such plan, in the discretion of the
41 commissioner, is likely to have a material impact on the overall
42 medicaid program, particular categories of service or particular
43 geographic regions of the state.

44 (a) The commissioner shall post the medicaid savings allocation plan
45 on the department of health's website and shall provide written
46 copies of such plan to the chairs of the senate finance and the
47 assembly ways and means committees at least 30 days before the date
48 on which implementation is expected to begin.

49 (b) The commissioner may revise the medicaid savings allocation plan
50 subsequent to the provisions of notice and prior to implementation
51 but needs to provide a new notice pursuant to subparagraph (i) of

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2019-20

1 this paragraph only if the commissioner determines, in his or her
2 discretion, that such revisions materially alter the plan.
3 Notwithstanding the provisions of paragraphs (a) and (b) of this
4 subdivision, the commissioner need not seek the input described in
5 paragraph (a) of this subdivision or provide notice pursuant to
6 paragraph (b) of this subdivision if, in the discretion of the
7 commissioner, expedited development and implementation of a medicaid
8 savings allocation plan is necessary due to a public health emergen-
9 cy.

10 For purposes of this section, a public health emergency is defined as:
11 (i) a disaster, natural or otherwise, that significantly increases
12 the immediate need for health care personnel in an area of the
13 state; (ii) an event or condition that creates a widespread risk of
14 exposure to a serious communicable disease, or the potential for
15 such widespread risk of exposure; or (iii) any other event or condi-
16 tion determined by the commissioner to constitute an imminent threat
17 to public health.

18 Nothing in this paragraph shall be deemed to prevent all or part of
19 such medicaid savings allocation plan from taking effect retroac-
20 tively to the extent permitted by the federal centers for medicare
21 and medicaid services.

22 In accordance with the medicaid savings allocation plan, the commis-
23 sioner of the department of health shall reduce department of health
24 state funds medicaid spending by the amount of the projected over-
25 spending through, actions including, but not limited to modifying or
26 suspending reimbursement methods, including but not limited to all
27 fees, premium levels and rates of payment, notwithstanding any
28 provision of law that sets a specific amount or methodology for any
29 such payments or rates of payment; modifying medicaid program bene-
30 fits; seeking all necessary federal approvals, including, but not
31 limited to waivers, waiver amendments; and suspending time frames
32 for notice, approval or certification of rate requirements, notwith-
33 standing any provision of law, rule or regulation to the contrary,
34 including but not limited to sections 2807 and 3614 of the public
35 health law, section 18 of chapter 2 of the laws of 1988, and 18
36 NYCRR 505.14(h).

37 The department of health shall prepare a monthly report that sets
38 forth: (a) known and projected department of health medicaid expend-
39 itures as described in subdivision (1) of this section, and factors
40 that could result in medicaid disbursements for the relevant state
41 fiscal year to exceed the projected department of health state funds
42 disbursements in the enacted budget financial plan pursuant to
43 subdivision 3 of section 23 of the state finance law, including
44 spending increases or decreases due to: enrollment fluctuations,
45 rate changes, utilization changes, MRT investments, and shift of
46 beneficiaries to managed care; and variations in offline medicaid
47 payments; and (b) the actions taken to implement any medicaid
48 savings allocation plan implemented pursuant to subdivision (4) of
49 this section, including information concerning the impact of such
50 actions on each category of service and each geographic region of
51 the state. Each such monthly report shall be provided to the chairs

4 \$44,351,166,000 provided, however, such aggregate limits may be
5 adjusted by the director of the budget to account for any changes in
6 the New York state federal medical assistance percentage amount
7 established pursuant to the federal social security act, increases
8 in provider revenues, reductions in local social services district
9 payments for medical assistance administration, minimum wage
10 increases and beginning April 1, 2012 the operational costs of the
11 New York state medical indemnity fund, pursuant to chapter 59 of the
12 laws of 2011, and state costs or savings from the essential plan
13 program. Such projections may be adjusted by the director of the
14 budget to account for increased or expedited department of health
15 state funds medicaid expenditures as a result of a natural or other
16 type of disaster, including a governmental declaration of emergency.
17 The director of the budget, in consultation with the commissioner of
18 health, shall assess on a monthly basis known and projected medicaid
19 expenditures by category of service and by geographic region, as
20 defined by the commissioner, incurred both prior to and subsequent
21 to such assessment for each such period, and if the director of the
22 budget determines that such expenditures are expected to cause medi-
23 caid spending for such period to exceed the aggregate limit speci-
24 fied herein for such period, the state medicaid director, in consul-
25 tation with the director of the budget and the commissioner of
26 health, shall develop a medicaid savings allocation plan to limit
27 such spending to the aggregate limit specified herein for such peri-
28 od.

29 Such medicaid savings allocation plan shall be designed, to reduce the
30 expenditures authorized by the appropriations herein in compliance
31 with the following guidelines: (1) reductions shall be made in
32 compliance with applicable federal law, including the provisions of
33 the Patient Protection and Affordable Care Act, Public Law No.
34 111-148, and the Health Care and Education Reconciliation Act of
35 2010, Public Law No. 111-152 (collectively "Affordable Care Act")
36 and any subsequent amendments thereto or regulations promulgated
37 thereunder; (2) reductions shall be made in a manner that complies
38 with the state medicaid plan approved by the federal centers for
39 medicare and medicaid services, provided, however, that the commis-
40 sioner of health is authorized to submit any state plan amendment or
41 seek other federal approval, including waiver authority, to imple-
42 ment the provisions of the medicaid savings allocation plan that
43 meets the other criteria set forth herein; (3) reductions shall be
44 made in a manner that maximizes federal financial participation, to
45 the extent practicable, including any federal financial partici-
46 pation that is available or is reasonably expected to become avail-
47 able, in the discretion of the commissioner, under the Affordable
48 Care Act; (4) reductions shall be made uniformly among categories of
49 services and geographic regions of the state, to the extent practi-
50 cable, and shall be made uniformly within a category of service, to
51 the extent practicable, except where the commissioner determines
52 that there are sufficient grounds for non-uniformity, including but

AID TO LOCALITIES - REAPPROPRIATIONS 2019-20

not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation plan; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation plan, to the extent that all or part of such plan, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation plan on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation plan subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation plan is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as:

(i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation plan from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation plan, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any

1 provision of law that sets a specific amount or methodology for any
2 such payments or rates of payment; modifying or discontinuing medi-
3 caid program benefits; seeking all necessary federal approvals,
4 including, but not limited to waivers, waiver amendments; and
5 suspending time frames for notice, approval or certification of rate
6 requirements, notwithstanding any provision of law, rule or regu-
7 lation to the contrary, including but not limited to sections 2807
8 and 3614 of the public health law, section 18 of chapter 2 of the
9 laws of 1988, and 18 NYCRR 505.14(h).

10 The department of health shall prepare a monthly report that sets
11 forth: (a) known and projected department of health medicaid expend-
12 itures as described in subdivision (1) of this section, and factors
13 that could result in medicaid disbursements for the relevant state
14 fiscal year to exceed the projected department of health state funds
15 disbursements in the enacted budget financial plan pursuant to
16 subdivision 3 of section 23 of the state finance law, including
17 spending increases or decreases due to: enrollment fluctuations,
18 rate changes, utilization changes, MRT investments, and shift of
19 beneficiaries to managed care; and variations in offline medicaid
20 payments; and (b) the actions taken to implement any medicaid
21 savings allocation plan implemented pursuant to subdivision (4) of
22 this section, including information concerning the impact of such
23 actions on each category of service and each geographic region of
24 the state. Each such monthly report shall be provided to the chairs
25 of the senate finance and the assembly ways and means committees and
26 shall be posted on the department of health's website in a timely
27 manner.

32 and to providers of family care where payment systems through the
33 fiscal intermediaries are not operational, and shall be available to
34 the department net of disallowances, refunds, reimbursements, and

20 Care Act; (4) reductions shall be made uniformly among categories of
21 services and geographic regions of the state, to the extent practi-
22 cable, and shall be made uniformly within a category of service, to
23 the extent practicable, except where the commissioner determines
24 that there are sufficient grounds for non-uniformity, including but
25 not limited to: the extent to which specific categories of services
26 contributed to department of health medicaid state funds spending in
27 excess of the limits specified herein; the need to maintain safety
28 net services in underserved communities; or the potential benefits
29 of pursuing innovative payment models contemplated by the Affordable
30 Care Act, in which case such grounds shall be set forth in the medi-

17 such medicaid savings allocation plan from taking effect retroac-
18 tively to the extent permitted by the federal centers for medicare
19 and medicaid services.

20 In accordance with the medicaid savings allocation plan, the commis-

5 \$44,351,166,000 provided, however, such aggregate limits may be
6 adjusted by the director of the budget to account for any changes in
7 the New York state federal medical assistance percentage amount
8 established pursuant to the federal social security act, increases
9 in provider revenues, reductions in local social services district
10 payments for medical assistance administration, minimum wage
11 increases and beginning April 1, 2012 the operational costs of the
12 New York state medical indemnity fund, pursuant to chapter 59 of the
13 laws of 2011, and state costs or savings from the essential plan.
14 Such projections may be adjusted by the director of the budget to
15 account for increased or expedited department of health state funds
16 medicaid expenditures as a result of a natural or other type of
17 disaster, including a governmental declaration of emergency. The
18 director of the budget, in consultation with the commissioner of
19 health, shall assess on a monthly basis known and projected medicaid
20 expenditures by category of service and by geographic region, as
21 determined by the commissioner of health, incurred both prior to and
22 subsequent to such assessment for each such period, and if the
23 director of the budget determines that such expenditures are
24 expected to cause medicaid spending for such period to exceed the
25 aggregate limit specified herein for such period, the state medicaid
26 director, in consultation with the director of the budget and the
27 commissioner of health, shall develop a medicaid savings allocation
28 plan to limit such spending to the aggregate limit specified herein
29 for such period.

30 Such medicaid savings allocation plan shall be designed, to reduce the
31 expenditures authorized by the appropriations herein in compliance
32 with the following guidelines: (1) reductions shall be made in
33 compliance with applicable federal law, including the provisions of
34 the Patient Protection and Affordable Care Act, Public Law No.
35 111-148, and the Health Care and Education Reconciliation Act of
36 2010, Public Law No. 111-152 (collectively "Affordable Care Act")
37 and any subsequent amendments thereto or regulations promulgated
38 thereunder; (2) reductions shall be made in a manner that complies
39 with the state medicaid plan approved by the federal centers for
40 medicare and medicaid services, provided, however, that the commis-
41 sioner of health is authorized to submit any state plan amendment or
42 seek other federal approval, including waiver authority, to imple-
43 ment the provisions of the medicaid savings allocation plan that
44 meets the other criteria set forth herein; (3) reductions shall be
45 made in a manner that maximizes federal financial participation, to

48 able, in the discretion of the commissioner, under the Affordable
49 Care Act; (4) reductions shall be made uniformly among categories of

51 cable, and shall be made uniformly within a category of service, to
52 the extent practicable, except where the commissioner determines

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2019-20

1 that there are sufficient grounds for non-uniformity, including but
2 not limited to: the extent to which specific categories of services
3 contributed to department of health medicaid state funds spending in
4 excess of the limits specified herein; the need to maintain safety
5 net services in underserved communities; or the potential benefits
6 of pursuing innovative payment models contemplated by the Affordable
7 Care Act, in which case such grounds shall be set forth in the medi-
8 caid savings allocation plan; and (5) reductions shall be made in a
9 manner that does not unnecessarily create administrative burdens to
10 medicaid applicants and recipients or providers.

11 The commissioner shall seek the input of the legislature, as well as
12 organizations representing health care providers, consumers, busi-
13 nesses, workers, health insurers, and others with relevant exper-
14 tise, in developing such medicaid savings allocation plan, to the
15 extent that all or part of such plan, in the discretion of the
16 commissioner, is likely to have a material impact on the overall
17 medicaid program, particular categories of service or particular
18 geographic regions of the state.

19 (a) The commissioner shall post the medicaid savings allocation plan
20 on the department of health's website and shall provide written
21 copies of such plan to the chairs of the senate finance and the
22 assembly ways and means committees at least 30 days before the date
23 on which implementation is expected to begin.

24 (b) The commissioner may revise the medicaid savings allocation plan
25 subsequent to the provisions of notice and prior to implementation
26 but needs to provide a new notice pursuant to subparagraph (i) of
27 this paragraph only if the commissioner determines, in his or her
28 discretion, that such revisions materially alter the plan.

29 Notwithstanding the provisions of paragraphs (a) and (b) of this
30 subdivision, the commissioner need not seek the input described in
31 paragraph (a) of this subdivision or provide notice pursuant to
32 paragraph (b) of this subdivision if, in the discretion of the
33 commissioner, expedited development and implementation of a medicaid
34 savings allocation plan is necessary due to a public health emergen-
35 cy.

36 For purposes of this section, a public health emergency is defined as:

37 (i) a disaster, natural or otherwise, that significantly increases
38 the immediate need for health care personnel in an area of the
39 state; (ii) an event or condition that creates a widespread risk of
40 exposure to a serious communicable disease, or the potential for
41 such widespread risk of exposure; or (iii) any other event or condi-
42 tion determined by the commissioner to constitute an imminent threat
43 to public health.

44 Nothing in this paragraph shall be deemed to prevent all or part of
45 such medicaid savings allocation plan from taking effect retroac-
46 tively to the extent permitted by the federal centers for medicare
47 and medicaid services.

48 In accordance with the medicaid savings allocation plan, the commis-
49 sioner of the department of health shall reduce department of health
50 state funds medicaid spending by the amount of the projected over-
51 spending through, actions including, but not limited to modifying or
52 suspending reimbursement methods, including but not limited to all

12 forth: (a) known and projected department of health medicaid expend-
13 itures as described in subdivision (1) of this section, and factors
14 that could result in medicaid disbursements for the relevant state
15 fiscal year to exceed the projected department of health state funds
16 disbursements in the enacted budget financial plan pursuant to
17 subdivision 3 of section 23 of the state finance law, including
18 spending increases or decreases due to: enrollment fluctuations,
19 rate changes, utilization changes, MRT investments, and shift of
20 beneficiaries to managed care; and variations in offline medicaid
21 payments; and (b) the actions taken to implement any medicaid
22 savings allocation plan implemented pursuant to subdivision (4) of
23 this section, including information concerning the impact of such
24 actions on each category of service and each geographic region of
25 the state. Each such monthly report shall be provided to the chairs
26 of the senate finance and the assembly ways and means committees and
27 shall be posted on the department of health's website in a timely
28 manner.

29 For the purpose of making payments, the money hereby appropriated is
30 available for payment of aid heretofore accrued or hereafter
31 accrued, to providers of medical care pursuant to section 367-b of
32 the social services law, and for payment of state aid to municipi-
33 palities and the federal government where payment systems through
34 fiscal intermediaries are not operational, to reimburse such provid-
35 ers for costs attributable to the provision of care to patients
36 eligible for medical assistance. Notwithstanding any inconsistent
37 provision of law, the moneys hereby appropriated may be increased or
38 decreased by interchange or transfer with any appropriation of the
39 department of health with the approval of the director of the budg-
