1 for the various classes of mechanics, workers, or laborers employed on
2 the work. Such posted statement shall be written in plain English and
3 titled, in lettering no smaller than two inches in height and two inches
4 in width, with the phrase "Prevailing Rate of Wages". Such posted state-
5 ment shall be constructed of materials capable of withstanding adverse
6 weather conditions. The contractor and every sub-contractor shall notify
7 all laborers, workers or mechanics in their employ in writing of the
8 prevailing rate of wage and supplements for their particular job classi-
9 fication. Such notification shall be given to every laborer, worker or
10 mechanic upon hire, on their first pay stub and with every pay stub
11 thereafter, and shall set forth the amounts paid per hour for each
12 supplement provided for his or her particular job classification in
13 accordance with the schedules determined by the fiscal officer. Such
14 notification shall be provided in English and in the language identified
15 by such laborer, worker, or mechanic as his or her primary language. At
16 the beginning of performance of every public works contract, and with
17 the first paycheck after July first of each year, the contractor and
18 every sub-contractor shall notify all laborers, workers, and mechanics
19 in their employ in writing, in English and in the language identified by
20 each laborer, worker, and mechanic as his or her primary language, in
21 accordance with such form as is prescribed by the fiscal officer, of the
22 telephone number and address for the fiscal officer. The notice shall
23 also inform each laborer, worker, or mechanic of his or her right to
24 contact the fiscal officer or some other representative if, at any time
25 while working for the public works contractor or sub-contractor, he or
26 she does not receive the proper prevailing rate of wages or supplements
27 for his or her particular job classification that he or she is entitled
28 to receive under the contract. If after investigation the fiscal officer
29 finds that a contractor or sub-contractor has (1) failed to post or
30 provide any notice required under this subdivision, including having
31 failed to provide any such notice in the language identified by any
32 laborer, worker, or mechanic as his or her primary language, (2) failed
33 to set forth the prevailing wage or the breakdown of supplements on the
34 pay stub, (3) [~~willfully~~] willfully posted the incorrect prevailing wage,
35 or (4) [~~willfully~~] willfully set forth the incorrect prevailing wage or
36 the amounts paid per hour for each supplement on the pay stub, the
37 fiscal officer[~~r~~] shall, by an order which shall describe particularly
38 the nature of the alleged violation, assess the contractor or sub-con-
39 tractor a civil penalty of not more than fifty dollars upon the first
40 finding of a violation, two hundred fifty dollars upon the second find-
41 ing of a violation, and five hundred dollars for each subsequent
42 violation. In assessing the amount of the penalty, the fiscal officer
43 shall give due consideration to the size of the employer's business, the
44 good faith of the employer, and the gravity of the violation.

45 The fiscal officer shall prepare templates that comply with the
46 notification requirements of this subparagraph. Each such template shall
47 be dual-language, including English and one additional language. The
48 fiscal officer shall determine, in his or her discretion, which
49 languages to provide in addition to English, based on the size of the
50 New York state population that speaks each language and any other factor
51 that the fiscal officer shall deem relevant. All such templates shall be
52 posted on the fiscal officer's website and made available for download-
53 ing by contractors and subcontractors. When any laborer, worker, or
54 mechanic identifies his or her primary language and a template is not
55 made available by the fiscal officer in that language, the contractor or
56 subcontractor shall comply with this subparagraph by providing such

1 laborer, worker, or mechanic an English-language notice or acknowledg-
2 ment. A contractor or subcontractor shall not be penalized for errors or
3 omissions in the non-English portions of any notice provided by the
4 fiscal officer. The fiscal officer shall have discretion to waive or
5 alter the notification requirements of this subparagraph for temporary
6 help firms as defined in section nine hundred sixteen of this chapter.

7 (iii) The contractor and every sub-contractor shall keep original
8 payrolls or transcripts thereof, subscribed and sworn to or affirmed by
9 him or her as true under the penalties of perjury, setting forth the
10 names and addresses and showing for each worker, laborer, or mechanic
11 the hours and days worked, the occupations worked, the hourly wage rates
12 paid and the supplements paid or provided. Such payrolls or transcripts
13 thereof shall also set forth the amounts paid per hour for each supple-
14 ment provided in accordance with the schedules determined by the fiscal
15 officer. Where the contractor or sub-contractor maintains no regular
16 place of business in New York state and where the amount of the contract
17 is in excess of twenty-five thousand dollars such payrolls shall be kept
18 on the site of the work. All other contractors or sub-contractors shall
19 produce within five days on the site of the work and upon formal order
20 of the commissioner or his or her designated representative such
21 original payrolls or transcripts thereof, subscribed and sworn to or
22 affirmed by him or her as true under the penalties of perjury, as may be
23 deemed necessary to adequately enforce the provisions of this article.
24 Every contractor, and sub-contractor, shall submit to the department of
25 jurisdiction within thirty days after issuance of its first payroll, and
26 every thirty days thereafter, a transcript of the original payroll
27 record, as provided by this article, subscribed and sworn to or affirmed
28 as true under the penalties of perjury. Every contractor and subcon-
29 tractor shall submit to the commissioner, and to the fiscal officer,
30 when the fiscal officer is a city comptroller or other analogous offi-
31 cer, within thirty days of its first payroll, and annually thereafter, a
32 transcript of the original payroll record, subscribed and sworn to or
33 affirmed as true under the penalties of perjury, including, documenta-
34 tion of each fund, plan, or program for which any supplement has been
35 paid or provided. Such transcripts and additional information shall be
36 provided on a form promulgated by the department. Any person who
37 [~~wilfully~~] willfully fails to file such payroll records with the depart-
38 ment of jurisdiction, commissioner, or the fiscal officer shall be guil-
39 ty of a class E felony. In addition, any person who [~~wilfully~~] willfully
40 fails to file such payroll records within the time specified in this
41 subparagraph shall be subject to a civil penalty of up to one thousand
42 dollars per day.

43 § 3. Subdivision 6 of section 220 of the labor law, as amended by
44 chapter 230 of the laws of 1984, is amended to read as follows:

45 6. The fiscal officer[~~r~~] may, and on the written request of any inter-
46 ested person shall, require any person or corporation performing such
47 public work to file with such fiscal officer schedules of the supple-
48 ments to be provided and wages to be paid to such laborers, workmen or
49 mechanics, including information regarding the amounts to be paid per
50 hour for each supplement provided for each particular job classifica-
51 tion. The fiscal officer may, and on the written request of any inter-
52 ested party shall, require and furnish proof of any supplements provided
53 or amounts paid to or on behalf of laborers, workers, or mechanics in
54 satisfaction of the obligation to provide supplements under this
55 section. Any such person or corporation shall, within ten days after the
56 receipt of written notice of such requirement, file with the fiscal

1 officer such schedules of wages and supplements. An employer may contest
2 a determination by the fiscal officer under paragraphs a and c of subdi-
3 vision five of this section. The employer must allege and prove by
4 competent evidence, that the actual percentage of workers, laborers or
5 mechanics is below the required thirty per centum and during the penden-
6 cy of any such contest and until final determination thereof, the work
7 in question shall proceed under the rate established by the fiscal offi-
8 cer.

9 § 4. This act shall take effect on the one hundred eightieth day after
10 it shall have become a law and shall only apply to public work contracts
11 entered into on or after such effective date.
