CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

proposing an amendment to section 7 of article 5 of the constitution, in relation to the public pension of a state employee

Section 1. Resolved (if the Senate concur), That section 7 of article 5 of the constitution be amended by adding two new subdivisions (e) and (f) to read as follows:

(e) Notwithstanding subdivision (a) of this section, the public pension of a state employee who stands convicted of a felony constituting physical abuse, sexual abuse, emotional abuse, active neglect, passive neglect or financial exploitation, as such terms are defined in subdivision (f) of this section, of an adult which such state employee is tasked to work with in the performance of the state employee's existing duties, may be reduced or revoked, following notice and a hearing by an appropriate court, as provided by law. The court determination whether to reduce or revoke such pension shall be based on the consideration of factors including the severity of the crime and the proportionality of a reduction or revocation of such pension to such crime. When a court issues an order to reduce or revoke such pension, the court shall consider and determine specific findings as to the amount of such forfeiture, if any, and whether forfeiture, in whole or in part, would result in undue hardship or other inequity upon any dependant children, spouse or other dependants; and other factors as provided by law. The legislature shall enact legislation to implement this amendment taking into account interests of justice.

(f) Definitions. As used in this section:
