AN ACT to amend the retirement and social security law, in relation to allowing retired public employees who participated in World Trade Center rescue, recovery or cleanup operations to seek subsequent employment with the state or a municipal corporation without diminution of retirement benefits

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 212 of the retirement and social security law is
2 amended by adding a new subdivision 4 to read as follows:

3 4. Notwithstanding the provisions of subdivisions one and two of this
4 section, the earning limitations established by this section shall not
5 apply to any person who, prior to the effective date of this subdivi-
6 sion, has filed and received approval for such filed notice of partic-
7 ipation in World Trade Center rescue, recovery or cleanup operations, as
8 defined in section two of this chapter, has retired from public employ-
9 ment, receives a service retirement allowance from such public retire-
10 ment system and seeks subsequent employment with the state or a munici-
11 pal corporation; provided, however, the provisions of this subdivision
12 shall not apply to a person who retired with a disability retirement
13 benefit.

14 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD07545-14-0

This bill will allow service retirees who previously filed and received approval for notice of participation in World Trade Center rescue, recovery or cleanup operations and become subsequently employed with the state or a municipal corporation to be exempt from the earnings limitations set forth in section two hundred twelve. These provisions shall not apply to disability retirees.

If this bill is enacted, we expect few retirees to be affected. There would be negligible additional annual costs. However, if large numbers of retirees are hired into such positions, there would be additional annual costs which would be shared by the state of New York and all of the participating employers in the System.
