IN ASSEMBLY -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD12554-02-9

1 c) The several amounts specified in this chapter as capital projects -
2 reappropriations, or so much thereof as shall be sufficient to accom-
3 plish the purpose of the appropriations, as appropriated by comprehen-
4 sive construction programs (hereinafter referred to by the abbreviation
5 CCP), purposes, and projects, being the undisbursed and/or unexpended
6 balances of the prior year's appropriations, are reappropriated and
7 unless otherwise amended or repealed in part or total in this chapter
8 shall continue to be available for the same purposes as the prior appro-
9 priations or as otherwise amended for the fiscal year beginning April 1,
10 2019.

11 The capital projects reappropriations contained in this chapter may be
12 amended by repealing the items set forth in brackets and by adding ther-
13 eto the underscored material. Certain reappropriations in this chapter
14 are shown using abbreviated text, with three leader dots (an ellipsis)
15 followed by three spaces (...) used to indicate where existing law
16 that is being continued is not shown. However, unless a change is clear-
17 ly indicated by the use of brackets [-] for deletions and underscores
18 for additions, the purpose, amounts, funding source and all other
19 aspects pertinent to each item of appropriation shall be as last appro-
20 priated.

21 For the purpose of complying with section 25 of the state finance law,
22 the year, chapter and section of the last act reappropriating a former
23 original appropriation or any part thereof is, unless otherwise indi-
24 cated, chapter 54, section 1, of the laws of 2018.

25 d) No moneys appropriated by this chapter shall be available for
26 payment until a certificate of approval has been issued by the director
27 of the budget, who shall file such certificate with the department of
28 audit and control, the chairperson of the senate finance committee and
29 the chairperson of the assembly ways and means committee.

30 e) The appropriations contained in this chapter shall be available for
31 the fiscal year beginning on April 1, 2019 except as otherwise noted.

The appropriation made by chapter 54, section 1, of the laws of 2014, as amended by chapter 54, section 1, of the laws of 2018, is hereby amended and reappropriated to read:

Notwithstanding any provision of law this appropriation shall be allocated only pursuant to a plan setting forth an itemized list of projects with the amount to be received by each, or the methodology for allocating such appropriation. Such plan shall be subject to the approval of the temporary president of the senate and the director of the budget and thereafter shall be included in a resolution calling for the expenditure of such monies, which resolution must be approved by a majority vote of all members elected to the senate upon a roll call vote.

Notwithstanding any other law to the contrary, all or a portion of the amounts hereby appropriated may be suballocated or transferred to the dormitory authority of the state of New York for such purpose. Notwithstanding any provision of law to the contrary, the office of the state inspector general is hereby authorized to conduct a pre-audit review of any contract related to the expenditure of funds authorized herein. Additionally, notwithstanding any provision of law to the contrary, the office of the inspector general is authorized to require as part of its review that any contract subject to its review be accompanied by certification forms, affirmed under

By chapter 54, section 1, of the laws of 2017:

For payment of the costs of capital projects undertaken by or on behalf of school districts for the acquisition of smart schools classroom technology to be loaned to children attending a nonpublic school located in the school district, except a nonpublic school to which tuition is paid under articles 85 or 89 of the education law, in accordance with the requirements of section 755 of the education law and guidelines developed by the commissioner of education, in connection with the smart schools investment plans first submitted to the education department prior to April 15, 2017 and approved by the smart schools review board pursuant to subdivision 16 of section 3641 of the education law.

Each school district shall be eligible to receive an allocation from the funds appropriated herein equal to the product of the enrollment of all such nonpublic schools in the 2014-15 school year multiplied by the per pupil amount, provided that the liability of the state and the amount to be distributed or otherwise expended by the state to provide such loans shall be limited to the amount appropriated herein. The per pupil amount shall equal the quotient of (i) the amount budgeted by such school district in its approved smart schools investment plan for servers, wireless access points and other portable connectivity devices to be acquired as part of a school connectivity project, divided by (ii) the total public and nonpublic school enrollment in such school district in the 2014-15 school year.

Provided further that no school district shall be eligible to receive an allocation to support the loan of smart schools classroom technology in an aggregate amount greater than \$250 multiplied by the nonpublic school enrollment in the 2014-15 school year.

Notwithstanding paragraph b of subdivision 16 of section 3641 of the education law, the commissioner of education shall distribute funds appropriated pursuant to this paragraph upon approval of an application made by the school district. 3 Health Care System Improvement Purpose

4 The appropriation made by chapter 54, section 1, of the laws of 2018, is
5 hereby amended and reappropriated to read:

6 For payments and grants to support health care facility transformation
7 statewide. Notwithstanding section 163 of the state finance law or
8 any other provision of law to the contrary, this appropriation may
9 be used to fund payments and or grants, including up to \$5,000,000
10 to regional perinatal care centers or other health providers to
11 establish telehealth applications, made by the commissioner of
12 health in his or her sole discretion, without a competitive bid or
13 request for proposal process, to eligible applicants as determined
14 by the commissioner of health for the purposes that strengthen and
15 protect continued access to health care services in communities
16 including but not limited to children's residential treatment facil-
17 ities. Such purposes may include debt retirement and capital
18 projects or non-capital projects that facilitate health care trans-
19 formation activities including, merger, consolidation, acquisition
20 or other activities intended to: create financially sustainable
21 systems of care; preserve or expand essential health care services;
22 modernize obsolete facility physical plants and infrastructure;
23 foster participation in alternative payment arrangements, including
24 but not limited to contracts with managed care plans and accountable
25 care organizations; increase the quality of resident care or experi-
26 ence in residential health care facilities; or improve health infor-
27 mation technology infrastructure, including telehealth, to strength-
28 en the acute, post-acute care, primary care, and longterm care
29 continuum. Grants shall not be available to support general operat-
30 ing expenses.

31 The commissioner and the president of the dormitory authority of the
32 state of New York shall enter into an agreement, subject to the
33 approval of the director of the budget, and subject to section
34 1680-r of the public authorities law, for the purposes of awarding,
35 distributing, and administering the funds made available pursuant to
36 this appropriation.

37 In determining awards for eligible applicants under this appropri-
38 ation, the commissioner of health shall consider criteria including,
39 but not limited to:

- 40 (a) The extent to which the proposed project will contribute to the
41 integration of health care services or the long term sustainability
42 of the applicant or preservation of essential health services in the
43 community or communities served by the applicant;
44 (b) The extent to which the proposed project or purpose is aligned
45 with delivery system reform incentive payment ("DSRIP") program
46 goals and objectives;
47 (c) The geographic distribution of funds;
48 (d) The relationship between the proposed project and identified
49 community need;
50 (e) The extent to which the applicant has access to alternative
51 financing;

DEPARTMENT OF HEALTH

CAPITAL PROJECTS - REAPPROPRIATIONS 2019-20

- 1 (f) The extent to which the proposed project furthers the development
2 of primary care and other outpatient services;
3 (g) The extent to which the proposed project benefits medicaid enrol-
4 lees and uninsured individuals;
5 (h) The extent to which the applicant has engaged the community
6 affected by the proposed project and the manner in which community
7 engagement has shaped such project; and
8 (i) The extent to which the proposed project addresses potential risk
9 to patient safety and welfare.

10 Notwithstanding any inconsistent provision of law to the contrary, and
11 upon approval of the director of the budget, the commissioner may
12 award up to \$300,000,000 of the funds made available pursuant to
13 this appropriation for unfunded project applications submitted in
14 response to the request for applications number 17648 issued by the
15 department on January 8, 2018 pursuant to section 2825-e of the
16 public health law.

17 Authorized amounts to be awarded pursuant to applications submitted in
18 response to the request for application number 17648 shall be
19 awarded no later than May 1, 2019.

20 The department shall provide a report on a quarterly basis to the
21 chairs of the senate finance, assembly ways and means, and senate
22 health and assembly health committees, until such time as the
23 department determines that the projects that receive funding pursu-
24 ant to this appropriation are substantially complete. Such reports
25 shall be submitted no later than sixty days after the close of the
26 quarter, and shall include, for each award, the name of the appli-
27 cant, a description of the project or purpose, the amount of the
28 award, disbursement date, and status of achievement of process and
29 performance metrics and milestones pursuant to subdivision 6 of
30 section 2825-f of the public health law.

31 Within amounts appropriated herein, a minimum of \$45,000,000 shall be
32 made available for grant awards to residential health care facili-
33 ties, up to \$20,000,000 may be made available for grant awards made

3 By chapter 54, section 1, of the laws of 2017, as transferred by chapter
4 54, section 1, of the laws of 2018:

5 For payments and grants to support health care facility transformation
6 statewide for capital, non-operational works. Notwithstanding
7 section 163 of the state finance law or any other provision of law
8 to the contrary, this appropriation may be used to fund payments and
9 or grants made by the commissioner of health in his or her sole
10 discretion, without a competitive bid or request for proposal proc-
11 ess, to eligible applicants as determined by the commissioner of
12 health for purposes in support of essential health care services.
13 Such purposes may include debt retirement and capital projects or
14 non-capital projects that facilitate health care transformation,
15 including mergers, consolidation, acquisition or other corporate
16 restructuring activities intended to create a financially sustaina-
17 ble system of care that promotes a patient-centered model of health
18 care delivery or preserves or expands essential health care
19 services. Grants shall not be available to support general operating
20 expenses.

21 The commissioner and the president of the dormitory authority of the
22 state of New York shall enter into an agreement, subject to the
23 approval of the director of the budget, and subject to section
24 1680-r of the public authorities law, for the purposes of awarding,
25 distributing, and administering the funds made available pursuant to
26 this appropriation.

27 In determining awards for eligible applicants under this appropri-
28 ation, the commissioner of health shall consider stakeholder, commu-
29 nity, and legislative input pursuant to subdivision 4-a of section
30 2825-e of the public health law criteria including, but not limited
31 to:

32 (a) the extent to which the proposed project will contribute to the
33 integration of health care services or the long term sustainability
34 of the applicant or preservation of essential health services in the
35 community or communities served by the applicant;

36 (b) The extent to which the proposed project or purpose is aligned
37 with delivery system reform incentive payment ("DSRIP") program
38 goals and objectives;

39 (c) Consideration of geographic distribution of funds;

40 (d) The relationship between the proposed project and identified
41 community need;

42 (e) The extent to which the applicant has access to alternative
43 financing;

44 (f) The extent that the proposed project furthers the development of
45 primary care and other outpatient services;

46 (g) The extent to which the proposed project benefits medicaid enrol-
47 lees and uninsured individuals;

48 (h) The extent to which the applicant has engaged the community
49 affected by the proposed capital project and the manner in which
50 community engagement has shaped such capital project; and

CAPITAL PROJECTS - REAPPROPRIATIONS 2019-20

(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner of health may award up to \$300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 1607010255 issued by the department on July 20, 2016 pursuant to section 2825-d of the public health law.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees. Such reports shall be submitted no later than 60 days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-e of the public health law.

Within amounts appropriated herein, the director of the budget is authorized to make a determination to fund up to \$200,000,000 for grant awards which are not eligible to be funded with the proceeds of bonds issued pursuant to section 1680-r of the public authorities law.

Within amounts appropriated herein, \$50,000,000 shall be made available for grant awards to Montefiore medical center, and a minimum of \$75,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, or a home care provider certified or licensed pursuant to article 36 of public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW17HE) (26668)

3 of an overall transformation plan intended to create a financially
4 sustainable system of care that promotes a patient-centered model of
5 health care delivery aimed at improving the overall health and well-
6 being of a community. Eligible applicants shall be those deemed by
7 the commissioner to be a provider that fulfills or will fulfill a
8 health care need for acute inpatient, outpatient, primary, home care
9 or residential health care services in a community. The commissioner
10 and the president of the dormitory authority of the state of New
11 York shall enter into an agreement, subject to the approval of the
12 director of the budget, and subject to section 1680-r of the public
13 authorities law, for the purposes of awarding, distributing, and
14 administering the funds made available pursuant to this appropri-
15 ation. In determining awards for eligible applicants under this
16 appropriation, the commissioner of health and the president of the
17 authority shall consider criteria including, but not limited to:

- 18 (a) the extent to which the proposed capital project will contribute
19 to the integration of health care services and long term sustaina-
20 bility of the applicant or preservation of essential health services
21 in the community or communities served by the applicant;
- 22 (b) the extent to which the proposed project or purpose is aligned
23 with delivery system reform incentive payment ("DSRIP") program
24 goals and objectives;
- 25 (c) consideration of geographic distribution of funds;
- 26 (d) the relationship between the proposed capital project and identi-
27 fied community need;
- 28 (e) the extent to which the applicant has access to alternative
29 financing;
- 30 (f) the extent that the proposed capital project furthers the develop-
31 ment of primary care and other outpatient services;
- 32 (g) the extent to which the proposed capital project benefits medicaid
33 enrollees and uninsured individuals;
- 34 (h) the extent to which the applicant has engaged the community
35 affected by the proposed capital project and the manner in which
36 community engagement has shaped such capital project; and
- 37 (i) the extent to which the proposed capital project addresses poten-
38 tial risk to patient safety and welfare.

39 Disbursement of awards made pursuant to this appropriation shall be
40 conditioned on the awardee achieving certain process and performance
41 metrics and milestones as determined in the sole discretion of the
42 commissioner. Such metrics and milestones shall be structured to
43 ensure that the health care transformation and provider sustainabil-
44 ity goals of the project are achieved, and such metrics and mile-
45 stones shall be included in grant disbursement agreements or other
46 contractual documents as required by the commissioner.

47 The department shall provide a report on a quarterly basis to the
48 chairs of the senate finance, assembly ways and means, senate health
49 and assembly health committees. Such reports shall be submitted no
50 later than sixty days after the close of the quarter, and shall
51 include, for each award, the name of the applicant, a description of
52 the project or purpose, the amount of the award, disbursement date,

CAPITAL PROJECTS - REAPPROPRIATIONS 2019-20

1 The commissioner shall provide, in electronic excel format or as
2 requested by the Legislature, an annual report to the director of
3 the budget, the speaker of the Assembly, and the temporary president
4 of the Senate, on or before July 1 of each year, that summarizes the
5 activities undertaken pursuant to the funding made available in the
6 2016-17 and 2017-18 state fiscal year housing program (ccp). Such
7 annual report shall be cumulative and shall include an itemized list
8 of each project utilizing funds appropriated by the 2016-17 and
9 2017-18 state fiscal year housing program (ccp), including a brief
10 description of the project, street address, county, awardee, total
11 budget, amount of capital subsidy appropriated by the housing
12 program (ccp), relevant section of the housing program (ccp), bonded
13 or cash, amount of each additional public funding source, funding
14 program, number of units, area median income requirements if appli-
15 cable, month and year construction will commence, projected date of
16 occupancy, and project phase (in development, engineering,
17 construction, complete, defunded). Such annual report shall continue
18 to be provided until such time as the final disbursement of funds
19 appropriated in the 2016-17 and 2017-18 state fiscal year housing
20 program (ccp) has occurred.

21 Notwithstanding any other law to the contrary, the amounts appropri-
22 ated herein may be suballocated to any state department, agency, or
23 public authority for the purposes stated herein. Notwithstanding
24 section 40 of the state finance law or any other law to the contra-
25 ry, all assistance appropriations made from this account shall
26 remain in full force and effect in accordance, in the aggregate,
27 with the following schedule: not more than \$344,000,000 for the
28 period April 1, 2016, through and past March 31, 2017, and not more
29 than an additional \$246,000,000 for the period April 1, 2017 through
30 and past March 31, 2018 as indicated below:

- 31 1. When combined with other funds made available in the 2016-17 and
32 2017-18 state fiscal year housing program (ccp), up to a total of
33 \$950,000,000 shall be made available for the purpose of providing
34 capital and operating subsidies for the development of 6,000 or more
35 supportive housing units throughout the state over the next five
36 years, as determined by a competitive selection process.
- 37 2. When combined with other funds made available in the 2016-17 and
38 2017-18 state fiscal year housing program (ccp), up to a total of
39 \$472,025,000 shall be made available for the purpose of providing
40 capital subsidies for the new construction or adaptive reuse of
41 rental housing affordable to households that earn up to 60 percent
42 of area median income (AMI) and that advance one or more of the
43 specific housing priorities of the state. Up to 5 percent of the
44 funds allocated herein may be used for administrative purposes.
- 45 3. When combined with other funds made available in the 2016-17 and
46 2017-18 state fiscal year housing program (ccp), up to a total of
47 \$125,000,000 shall be made available for the purpose of developing
48 or rehabilitating one hundred percent senior rental affordable hous-
49 ing targeted to low-income seniors, aged 60 and above.
- 50 4. When combined with other funds made available in the 2016-17 and
51 2017-18 state fiscal year housing program (ccp), up to a total of
52 \$45,000,000 for purposes of the rural and urban community investment

3 5. When combined with other funds made available in the 2016-17 and
4 2017-18 state fiscal year housing program (ccp), up to a total of
5 \$150,000,000 shall be made available for the purpose of providing
6 capital subsidies for the new construction, adaptive reuse, or
7 reconstruction of rental housing affordable to households that earn
8 between 60 percent and 130 percent of AMI and that advance one or
9 more of the specific housing priorities of the state.

10 6. When combined with other funds made available in the 2016-17 and
11 2017-18 state fiscal year housing program (ccp), up to a total of
12 \$146,000,000 shall be made available for the purpose of substantial
13 or moderate rehabilitation of site-specific multi-family rental
14 housing currently under a regulatory agreement or extended use
15 agreement with the division of housing and community renewal or
16 another state, federal or local housing agency.

17 7. When combined with other funds made available in the 2016-17 and
18 2017-18 state fiscal year housing program (ccp), up to a total of
19 \$75,000,000 shall be made available for the purpose of providing
20 capital subsidies to preserve and improve Mitchell-Lama properties
21 in the state.

22 8. When combined with other funds made available in the 2016-17 and
23 2017-18 state fiscal year housing program (ccp), up to a total of
24 \$125,000,000 shall be made available for the purpose of substantial
25 or moderate rehabilitation and/or the demolition and replacement
26 through new construction of site-specific multi-family rental hous-
27 ing currently owned by public housing authorities outside of New
28 York city. The distribution of any funds which the division of hous-
29 ing and community renewal or other appropriate state agencies or
30 authorities authorizes to be used as part of a federal housing
31 program, shall require the division of housing and community renewal
32 to monitor and ensure that any affected public housing tenants are
33 properly informed regarding participation in the federal housing
34 program and that appropriate documents related to participation in
35 such federal housing program are made publicly available and are
36 posted on each applicable housing authority's website in a timely
37 manner to properly inform such public housing authority tenants.
38 The residents of public housing that receives and uses such funds to
39 participate in such federal program shall be provided a uniform
40 lease agreement that provides, at a minimum, terms and conditions
41 consistent with those found in the public housing lease they had
42 prior to the public housing having received any such funds. Public
43 housing authorities that receive and use such funds shall be
44 required to: provide resident education, which shall include compre-
45 hensive information about any anticipated changes to the public
46 housing; provide language assistance to residents with limited
47 English proficiency; recognize the right of residents to form a
48 resident organization; require resident participation funding
49 commensurate to the funding that was being allocated to residents
50 already; develop a set of procedures for resident grievances and
51 lease termination proceedings that apply to residents following the
52 use of such funds, which shall be consistent with any existing

1 procedures, can provide stronger resident protections, and conform
2 with any other applicable federal rules and/or regulations. In cases
3 when there is a property manager other than the public housing
4 authority that receives these funds, then such property manager
5 shall be required to take actions including, but not limited to,
6 providing clear and accessible information to residents before,
7 during, and after becoming the property manager; provide language
8 assistance to residents with limited English proficiency; and recog-
9 nize a legitimate resident organization as the residents' represen-
10 tative, invite such resident organization to all resident engage-
11 ments, and meet regularly with the resident organization to discuss
12 emerging property-wide issues.

13 9. When combined with other funds made available in the 2016-17 and
14 2017-18 state fiscal year housing program (ccp), up to a total of
15 \$62,500,000 shall be made available for the purpose of substantial
16 or moderate rehabilitation and/or the demolition and replacement
17 through new construction of buildings of 5 to 40 units.

18 10. When combined with other funds made available in the 2016-17 and
19 2017-18 state fiscal year housing program (ccp), up to a total of
20 \$41,475,000 shall be made available for the purpose of promoting
21 home ownership among families of low and moderate income for whom
22 there are few affordable home ownership alternatives in the private
23 market, and to stimulate the development, stabilization, and preser-
24 vation of New York communities.

25 11. When combined with other funds made available in the 2016-17 and
26 2017-18 state fiscal year housing program (ccp), up to a total of
27 \$13,000,000 shall be made available for the purposes of mobile and
28 manufactured home replacement program pursuant to chapter 54 of the
29 laws of 2016.

30 12. When combined with other funds made available in the 2016-17 and
31 2017-18 state fiscal year housing program (ccp), up to a total of
32 \$10,000,000 shall be made available for the purpose of stimulating
33 reinvestment in properties located within mixed-used commercial
34 districts located in urban, small town, and rural areas of the state
35 pursuant to article XXVI of the private housing finance law.

36 13. When combined with other funds made available in the 2016-17 and
37 2017-18 state fiscal year housing program (ccp), up to a total of
38 \$200,000,000 shall be made available, pursuant to a plan approved by
39 the director of the budget, in consultation with the New York city
40 housing authority chair and the dormitory authority of the state of
41 New York, for the purpose of capital projects and other improvements
42 related to housing developments owned or operated by the New York
43 city housing authority.

44 14. When combined with other funds made available in the 2016-17 and
45 2017-18 state fiscal year housing program (ccp), up to a total of
46 \$100,000,000 shall be made available for the preservation, restora-
47 tion or creation of affordable housing units in a city having a
48 population of one million or more, one hundred percent of which
49 shall be affordable to households that earn up to sixty percent of
50 the area median income adjusted for family size. Priority shall be

2 2017-18 state fiscal year housing program (ccp), up to a total of
3 \$146,000,000 shall be made available for the purpose of substantial
4 or moderate rehabilitation of site-specific multi-family rental
5 housing currently under a regulatory agreement or extended use
6 agreement with the division of housing and community renewal or
7 another state, federal or local housing agency.

8 7. When combined with other funds made available in the 2016-17 and
9 2017-18 state fiscal year housing program (ccp), up to a total of
10 \$75,000,000 shall be made available for the purpose of providing
11 capital subsidies to preserve and improve Mitchell-Lama properties
12 in the state.

13 8. When combined with other funds made available in the 2016-17 and
14 2017-18 state fiscal year housing program (ccp), up to a total of
15 \$125,000,000 shall be made available for the purpose of substantial
16 or moderate rehabilitation and/or the demolition and replacement
17 through new construction of site-specific multi-family rental hous-
18 ing currently owned by public housing authorities outside of New
19 York city. The distribution of any funds which the division of hous-
20 ing and community renewal or other appropriate state agencies or
21 authorities authorizes to be used as part of a federal housing
22 program, shall require the division of housing and community renewal
23 to monitor and ensure that any affected public housing tenants are
24 properly informed regarding participation in the federal housing
25 program and that appropriate documents related to participation in
26 such federal housing program are made publicly available and are
27 posted on each applicable housing authority's website in a timely
28 manner to properly inform such public housing authority tenants.
29 The residents of public housing that receives and uses such funds to
30 participate in such federal program shall be provided a uniform
31 lease agreement that provides, at a minimum, terms and conditions
32 consistent with those found in the public housing lease they had
33 prior to the public housing having received any such funds. Public
34 housing authorities that receive and use such funds shall be
35 required to: provide resident education, which shall include compre-
36 hensive information about any anticipated changes to the public
37 housing; provide language assistance to residents with limited
38 English proficiency; recognize the right of residents to form a
39 resident organization; require resident participation funding
40 commensurate to the funding that was being allocated to residents
41 already; develop a set of procedures for resident grievances and
42 lease termination proceedings that apply to residents following the
43 use of such funds, which shall be consistent with any existing
44 procedures, can provide stronger resident protections, and conform
45 with any other applicable federal rules and/or regulations. In cases
46 when there is a property manager other than the public housing
47 authority that receives these funds, then such property manager
48 shall be required to take actions including, but not limited to,
49 providing clear and accessible information to residents before,
50 during, and after becoming the property manager; provide language
51 assistance to residents with limited English proficiency; and recog-

9. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$62,500,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$41,475,000 shall be made available for the purpose of promoting home ownership among families of low and moderate income for whom there are few affordable home ownership alternatives in the private market, and to stimulate the development, stabilization, and preservation of New York communities.

11. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$13,000,000 shall be made available for the purposes of mobile and manufactured home replacement program pursuant to chapter 54 of the laws of 2016.

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority.

14. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$100,000,000 shall be made available for the preservation, restoration or creation of affordable housing units in a city having a population of one million or more, one hundred percent of which shall be affordable to households that earn up to sixty percent of the area median income adjusted for family size. Priority shall be given to applicants incorporated pursuant to the not-for-profit corporation law, with prior experience in community development projects with at least a fifty-one percent controlling interest in such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be prioritized in the agency review of such project (08111607) (30904)

2 The appropriation made by chapter 54, section 1, of the laws of 2014, is
3 hereby amended and reappropriated to read:

4 Notwithstanding any provision of law this appropriation shall be allo-
5 cated only pursuant to a plan setting forth an itemized list of
6 projects with the amount to be received by each, or the methodology
7 for allocating such appropriation. Such plan shall be subject to the
8 approval of the temporary president of the senate and the director
9 of the budget and thereafter shall be included in a resolution call-
10 ing for the expenditure of such monies, which resolution must be
11 approved by a majority vote of all members elected to the senate
12 upon a roll call vote.

13 Notwithstanding any provision of law to the contrary, the office of
14 the state inspector general is hereby authorized to conduct a pre-
15 audit review of any contract related to the expenditure of funds
16 authorized herein. Additionally, notwithstanding any provision of
17 law to the contrary, the office of the inspector general is author-
18 ized to require as part of its review that any contract subject to
19 its review be accompanied by certification forms, affirmed under
20 penalty of perjury, from state agency officials, members of the

3 Highway Aid Purpose

4 For capital grants to municipalities under
5 the municipal streets and highways program
6 for repayment of eligible costs of federal
7 aid municipal street and highway projects
8 pursuant to section 15 of chapter 329 of
9 the laws of 1991, as added by section 9 of
10 chapter 330 of the laws of 1991, as
11 amended. The department of transportation
12 shall provide such information to the
13 municipalities as may be necessary to
14 maintain the federal tax exempt status of
15 any bonds, notes, or other obligations
16 issued by such municipalities to provide
17 for the non-federal share of the cost of
18 projects pursuant to chapter 330 of the
19 laws of 1991 or section 80-b of the high-
20 way law (17MA1921) (54265) 39,700,000

21 For capital grants to municipalities under
22 the consolidated local street and highway
23 improvement program:

24 The sum of \$379,300,000 to counties, cities,
25 towns and villages for reimbursement of
26 eligible costs of local highway and bridge
27 projects pursuant to sections 16 and 16-a
28 of chapter 329 of the laws of 1991, as
29 added by section 9 of chapter 330 of the
30 laws of 1991, as amended. For the purposes
31 of computing allocations to municipi-
32 palities, the amount distributed pursuant
33 to section 16 of chapter 329 of the laws
34 of 1991 shall be deemed to be
35 \$125,540,000. The amount distributed
36 pursuant to section 16-a of chapter 329 of
37 the laws of 1991 shall be deemed to be
38 \$253,760,000. Notwithstanding the
39 provisions of any general or special law,
40 the amounts deemed distributed in accord-
41 ance with section 16 of chapter 329 of the
42 laws of 1991 shall be adjusted so that
43 such amounts will not be less than 86.579
44 percent of the "funding level" as defined
45 in subdivision 5 of section 10-c of the
46 highway law for each such municipality. In
47 order to achieve the objectives of section
48 16 of chapter 329 of the laws of 1991, to
49 the extent necessary, the amounts in
50 excess of 86.579 percent of the funding
51 level to be deemed distributed to each

5 highway and bridge projects pursuant to
6 sections 16 and 16-a of chapter 329 of the
7 laws of 1991, as added by section 9 of
8 chapter 330 of the laws of 1991, as
9 amended. For the purposes of computing
10 allocations to municipalities, the amount
11 distributed pursuant to section 16 of
12 chapter 329 of the laws of 1991 shall be
13 deemed to be \$19,460,000. The amount
14 distributed pursuant to section 16-a of
15 chapter 329 of the laws of 1991 shall be
16 deemed to be \$39,337,000. Notwithstanding
17 the provisions of any general or special
18 law, the amounts deemed distributed in
19 accordance with section 16 of chapter 329
20 of the laws of 1991 shall be adjusted so
21 that such amounts will not be less than
22 13.421 percent of the "funding level" as
23 defined in subdivision 5 of section 10-c
24 of the highway law for each such munici-
25 pality. In order to achieve the objectives
26 of section 16 of chapter 329 of the laws
27 of 1991, to the extent necessary, the
28 amounts in excess of 13.421 percent of the
29 funding level to be deemed distributed to
30 each municipality under this paragraph
31 shall be reduced in equal proportion. To
32 the extent that the total of remaining
33 payment allocations calculated herein
34 varies from \$58,797,000, the payment
35 amounts to each locality shall be adjusted
36 by a uniform percentage so that the total

CAPITAL PROJECTS - REAPPROPRIATIONS 2019-20

To the department of transportation, notwithstanding the provisions of title one of chapter seven hundred seventeen of the laws of nineteen hundred sixty-seven, as amended, or of any agreements entered into pursuant to such provisions (which agreements shall no longer be applicable to such projects), for one hundred percentum of the net project cost of the acquisition, construction, reconstruction and improvement, with expected federal aid as indicated, of airport or aviation capital projects in accordance with the schedule set forth below, including the completion of those of the said projects already commenced, which amount shall be available for the payment of liabilities incurred prior to April 1, 1971, provided that as to any project in the foregoing schedule which has not heretofore been authorized by the legislature in an appropriation act, no certificate of approval of availability shall be issued until the commissioner of transportation has delivered to the director of the budget his certification that such project is consistent with the provisions of subdivision 1 of section 15 of the transportation law. The amount hereby appropriated is in addition to and supplemental to the amounts heretofore expended from the capital construction fund as part of the "net project cost" as set forth in the schedule below:

16 By chapter 54, section 1, of the laws of 1991:

17 For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

18 Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.

19 No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

20 Funds shall not be allocated for projects at Stewart airport from this appropriation for infrastructure improvements or other development

1 purposes not directly related to a private facility until the
 2 commissioner of transportation has provided the director of the
 3 budget with the following projections to support any such allocation
 4 of funds: (a) effect on Stewart airport net operating revenues; (b)
 5 effect on new jobs for the state of New York; and (c) effect on net
 6 revenues of amortization of state capital expenditures. It is
 7 acknowledged that funds provided herein pursuant to the transporta-
 8 tion capital facilities development act of 1967 are made available
 9 by repealing a portion of an appropriation for the payment of the
 10 state's share to the Niagara frontier transportation authority for
 11 construction, reconstruction, and improvement of airport or aviation
 12 capital projects at Buffalo international airport. It is the intent
 13 of the legislature that the repeal of such funds appropriated to the
 14 Niagara frontier transportation authority does not void the state's
 15 commitment to provide alternative state share funding sources to the
 16 authority to complete the airport or aviation capital projects at
 17 Buffalo international airport as originally provided by chapter 54,
 18 section 1, of the laws of 1982, as amended by chapter 54, section 3,
 19 of the laws of 1988. It is further the intent of the legislature
 20 that such alternative state share funding be provided to the author-
 21 ity no later than March 31, 1993 (17439114) (53271)

6 The sum of one hundred million dollars (\$100,000,000) or so much thereof as may be necessary is hereby appropriated from the rail preservation and development fund pursuant to the energy conservation through improved transportation bond act of nineteen hundred seventy-nine for payment to the local assistance account for disbursements from such fund pursuant to an appropriation for the reconstruction, improvement, reconditioning and preservation of highways and bridges of the state highway system, for the acquisition of real property and interest in real property required or expected to be required therefor by any county, city, town or village, or two or more of the foregoing acting jointly.

17 Notwithstanding the provisions of any general or special law, no moneys shall be available from the rail preservation and development fund until a certificate of approval of availability shall have been issued by the director of the budget, and a copy of such certificate filed with the state comptroller, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time by the director of the budget, and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

27 The director of the budget is hereby authorized to designate to the state comptroller specific appropriations made from the local assistance fund for purposes for which rail preservation and development fund expenditures are authorized. The state comptroller shall at the commencement of each month certify to the director of the budget, the chairman of the senate finance committee and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations designated by the director of the budget from the local assistance account for these disbursements pursuant to appropriations from such fund for such purposes for the month preceding such certification and such certification shall not exceed in the aggregate the moneys hereby appropriated (01371210) (80925)

 Program Improvement/Change Purpose

By chapter 54, section 1, of the laws of 2018:

The sum of \$10,000,000 is hereby appropriated for payments and grants, including up to \$200,000 in costs associated with program administration to eligible nonprofit arts and cultural organizations for the arts and cultural facilities improvement program. Such program shall provide for targeted investment for capital projects in such eligible arts or cultural facilities to improve the quality, efficiency, and accessibility of arts and cultural organizations that benefit New Yorkers. Provided that such investments may include, but are not limited to: renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; and accessibility renovations.

Up to \$5,000,000 in funding from this appropriation shall be made available through a competitive process to be determined exclusively by the New York state council on the arts. The determination of this competitive process and guidelines shall be limited to the New York state council on the arts in consultation with the dormitory authority of the state of New York. The guidelines for the program and competitive process shall ensure that such funding is made available for uses throughout the state and takes into account regional distribution, supports a range of grant awards including a minimum grant of \$50,000, consideration of a waiver of match requirements for organizations as deemed appropriate by the New York state council on the arts, and shall be subject to the approval of the director of the budget. Notwithstanding any inconsistent provision of law, the dormitory authority shall be authorized to administer this program and designated state agencies shall provide all necessary assistance.

Up to \$5,000,000 in funding from this appropriation shall be made available through a competitive process that shall include representatives from state agencies to be determined by the director of the budget and the guidelines for the program and competitive process shall also ensure that such funding is made available for uses throughout the state and takes into account regional distribution, and shall be subject to the approval of the director of the budget.

24 organization that provides services in the municipality, or in the
25 case of the Bronx, the borough, to serve as the local coordinator of
26 each such local task force. Provided further that, except in muni-
27 cipalities where a state-funded antipoverty task force or initiative
28 already exists and is receiving or has received funding, each such
29 taskforce shall make efforts to be comprised of, but not limited to,
30 the following members: representatives from municipal, county,
31 and/or state government; individuals who have lived in or currently
32 live in households in poverty; individuals and advocates represent-
33 ing local not-for-profit and community organizations; represen-
34 tatives from local school districts; and representatives from local
35 social services districts. Of the funds appropriated herein, the
36 amount available for each local anti-poverty task force shall be
37 determined based on the number of people in each municipality, or a
38 borough, who are living in poverty as determined by the U.S. Census
39 Bureau's 2010-14 American Community Survey Five-year Estimate
40 provided that each local anti-poverty task force shall be eligible
41 to receive funding in the following amounts: municipalities with
42 fewer than 5,000 individuals in poverty shall each be eligible to
43 receive \$500,000; municipalities with between 5,000 and 10,000 indi-
44 viduals in poverty shall each be eligible to receive \$1,000,000;
45 municipalities with between 10,000 and 40,000 individuals in poverty
46 shall each be eligible to receive \$1,500,000; and municipalities, or
47 a borough, with more than 40,000 individuals in poverty shall each
48 be eligible to receive \$2,750,000. Funds appropriated herein shall
49 be available to support the work of each anti-poverty task force and
50 such work shall be divided into two phases. During the first phase,

1 the mayor of the municipality, or in the case of the Bronx, the
2 borough president, will select a not-for-profit organization that
3 has demonstrated successful performance working with community
4 stakeholders and achieving objectives specified herein, to coordi-
5 nate the local antipoverty task force. The not-for-profit organiza-
6 tion serving as coordinator will assemble the antipoverty task force
7 using the criteria outlined above. Provided further that, with
8 guidance and oversight of the commissioner of the office of tempo-
9 rary and disability assistance, each local anti-poverty task force
10 shall use data to identify high need issues and neighborhoods within
11 the municipality, or in the case of the Bronx, the borough; identify
12 problems that are common in neighborhoods throughout the munici-
13 pality, or in the case of the Bronx, the borough; receive input from
14 local residents; use data and resident input to select one or more
15 focus areas related to either one or more issues or one or more
16 neighborhoods; and develop a plan for how funding will be targeted
17 toward the identified issues or neighborhoods. Such focus areas may
18 include, but are not limited to childhood poverty and homelessness.
19 Activities included in such plan may include, but are not limited
20 to: providing public assistance recipients opportunities to partic-
21 ipate in enhanced work activities that either provide recognized
22 credentialing or enhanced career readiness or job training for
23 better linkage to potential employment; assisting families in pover-
24 ty through services provided to parents and children; and addressing
25 chronic homelessness or housing insecurity. Such plan must include
26 measurable objectives and a timeframe for completion and shall be
27 submitted for approval to the commissioner of the office of tempo-
28 rary and disability assistance. Of the total amount made available
29 to each anti-poverty task force, the lesser of \$300,000 or 20
30 percent of the total award may be used to carry out planning and
31 administration, provided however, that the amount used for planning
32 and administration may exceed such limitation if such amount is
33 approved by the commissioner of the office of temporary and disabil-
34 ity assistance as part of the plan required herein. Upon receiving
35 approval from the commissioner of the office of temporary and disa-
36 bility assistance, each such anti-poverty task force shall commence
37 the second phase of its work, which will support the implementation
38 of the plan developed during the first phase. Funding appropriated
39 herein shall be made available to the not-for-profit organization
40 serving as coordinator and its use shall be restricted to purposes
41 or initiatives that do not necessitate ongoing state financial
42 support. Such anti-poverty task forces shall be encouraged to secure
43 match funding from private sector and foundation sources to supple-
44 ment the funds appropriated herein and provided further that any
45 funding provided from this appropriation shall not be used to
46 supplant funding for programs already in existence. Such funds may
