10 department to practice in the state shall comply with the provisions of
11 the mandatory continuing education requirements prescribed in subdivi-

13 of this subdivision. Licensed athletic trainers who do not satisfy the
14 mandatory continuing education requirements shall not practice until
15 they have met such requirements, and they have been issued a registra-
16 tion certificate, except that a licensed athletic trainer may practice
17 without having met such requirements if he or she is issued a condi-
18 tional registration certificate pursuant to subdivision three of this
19 section.

20 (b) Each licensed athletic trainer shall be exempt from the mandatory
21 continuing education requirement for the triennial registration period
22 during which he or she is first licensed. In accordance with the intent
23 of this section, adjustment to the mandatory continuing education
24 requirement may be granted by the department for reasons of health
25 certified by an appropriate health care professional, for extended
26 active duty with the armed forces of the United States, or for other
27 good cause acceptable to the department which may prevent compliance.

28 (c) A licensed athletic trainer not engaged in practice, as determined
29 by the department, shall be exempt from the mandatory continuing educa-
30 tion requirement upon the filing of a statement with the department
31 declaring such status. Any licensee who returns to the practice of
32 athletic training during the triennial registration period shall notify
33 the department prior to reentering the profession and shall meet such
34 mandatory education requirements as shall be prescribed by regulations
35 of the commissioner.

36 2. During each triennial registration period, an applicant for regis-
37 tration as a licensed athletic trainer shall complete a minimum of
38 forty-five hours of acceptable formal continuing education, as specified
39 in subdivision four of this section. Any licensed athletic trainer whose
40 first registration date following the effective date of this section

42 January first, two thousand twenty, shall complete continuing education
43 hours on a prorated basis at the rate of one hour per month for the
44 period beginning January first, two thousand twenty and then fifteen
45 hours per year until his or her first registration date thereafter. A
46 licensee who has not satisfied the mandatory continuing education
47 requirements shall not be issued a triennial registration certificate by
48 the department and shall not practice unless and until a conditional
49 registration certificate is issued as provided for in subdivision three
50 of this section. Continuing education hours taken during one triennium
51 may not be transferred to a subsequent triennium.

52 3. The department, in its discretion, may issue a conditional regis-
53 tration to a licensee who fails to meet the continuing education
54 requirements established in subdivision two of this section but who
55 agrees to make up any deficiencies and complete any additional education
56 which the department may require. The fee for such a conditional regis-

1 tration shall be the same as, and in addition to, the fee for the trien-
2 nal registration. The duration of such conditional registration shall
3 be determined by the department but shall not exceed one year. Any
4 licensee who is notified of the denial of registration for failure to
5 submit evidence, satisfactory to the department, of required continuing
6 education and who practices without such registration may be subject to
7 disciplinary proceedings pursuant to section sixty-five hundred ten of
8 this title.

9 4. As used in subdivision two of this section, "acceptable formal
10 education" shall mean formal courses of learning which contribute to
11 professional practice in athletic training and which meet the standards
12 prescribed by regulations of the commissioner. Such formal courses of
13 learning shall include, but not be limited to, collegiate level credit
14 and non-credit courses, professional development programs and technical
15 sessions offered by national, state and local professional associations,
16 and any other organized educational and technical programs acceptable to
17 the department. The department may, in its discretion and as needed to
18 contribute to the health and welfare of the public, require the
19 completion of continuing education courses in specific subjects to
20 fulfill this mandatory continuing education requirement. Continuing
21 education courses must be taken from a provider approved by the depart-
22 ment, based upon an application and fee pursuant to the regulations of
23 the commissioner.

24 5. A licensed athletic trainer shall maintain adequate documentation
25 of completion of acceptable formal continuing education and shall
26 provide such documentation at the request of the department. Failure to
27 provide such documentation upon the request of the department shall be
28 an act of misconduct subject to disciplinary proceedings pursuant to
29 section sixty-five hundred ten of this title.

30 6. The mandatory continuing education fee shall be payable on or
31 before the first day of each triennial registration period, and shall be
32 paid in addition to the triennial registration fee required by section
33 eighty-three hundred fifty-five of this article.

34 § 8356-b. Special provisions. Any person who is certified as an
35 athletic trainer by the department on the effective date of this section
36 shall have one year from the effective date to apply for and qualify for
37 licensure as an athletic trainer without meeting any additional require-

49 damages for injuries alleged to have been sustained by such person or
50 for damages for the death of such person alleged to have occurred by
51 reason of an act or omission in the rendering of such first aid or emer-
52 gency treatment unless it is established that such injuries were or such
53 death was caused by gross negligence on the part of such athletic train-
54 er. Nothing in this section shall be deemed or construed to relieve a
55 [certified] licensed athletic trainer from liability for damages for
56 injuries or death caused by an act or omission on the part of an athlet-

1 ic trainer while rendering professional services in the normal and ordi-
2 nary course of his or her practice.
