52 laws of 2010, is amended to read as follows:

54 lock device requirements; alternative sentence. (1) For the purposes of
55 this subdivision, "ignition interlock monitor" shall mean a person
56 designated by the county where a conviction for a violation of section

eleven hundred ninety-two of this article shall have occurred who monitors compliance with the provisions of section eleven hundred ninety-eight of this article and the concurrent regulations related thereto, by participants in the ignition interlock program.

(2) In addition to the imposition of any fine or period of imprisonment as set forth in this subdivision and to any license sanction imposed pursuant to subdivision two of this section, the court shall sentence such person convicted of, or adjudicated a youthful offender for, a violation of subdivision two, two-a, three or four-a of section eleven hundred ninety-two of this article to a period of probation or conditional discharge, the conditions of which shall include the following:

A declaration from the ignition interlock monitor on a form provided by the commissioner, certifying that such person has operated such motor vehicle free of any violations as set forth in paragraph (i) of this subdivision for a period of one hundred twenty consecutive days after the restoration of the operator's license, shall be deemed to have satisfied the conditions of probation or conditional discharge relating to the ignition interlock requirements set forth in this paragraph. The period of interlock restriction shall commence on the date that such ignition interlock device shall have been installed.

(3) Notwithstanding the provisions of subparagraph two of this paragraph and subdivision two of this section relating to license sanctions, a court may impose an alternative sentence upon such person convicted of, or adjudicated a youthful offender for, a violation of subdivision two, two-a, three or four-a of section eleven hundred ninety-two of this article, a period of probation or conditional discharge, the conditions of which shall include the following:

A declaration from the ignition interlock monitor on a form provided by the commissioner, certifying that such person has operated the motor vehicle free of any violations as set forth in paragraph (i) of this subdivision for a period of three hundred consecutive days shall be deemed to have satisfied the conditions of probation or conditional discharge relating to the ignition interlock requirements as set forth in this paragraph. The period of interlock restriction shall commence on the date that such ignition interlock device shall have been installed. The alternative sentence set forth herein shall not be imposed on any offender subject to the additional penalties set forth in subdivision one-a of this section or who shall have also been convicted of a violation of any

1 provision of article one hundred twenty or one hundred twenty five of
2 the penal law involving the operation of a vehicle.

3 (4) When a sentence is imposed pursuant to subparagraph two or three

7 the motor vehicle free of any violations set forth in paragraph (i) of
8 this subdivision for a period of one hundred twenty days for a sentence
9 imposed pursuant to subparagraph two of this paragraph and for a period
10 of three hundred consecutive days for a sentence imposed pursuant to
11 subparagraph three of this paragraph. A violation of any of the
12 provisions of paragraph (i) of this subdivision shall cause the respec-
13 tive period of operation to reset from the date of any such violation.

14 (h) Driving while ability impaired by alcohol; ignition interlock
15 device requirement. Notwithstanding any other provision of law to the
16 contrary, when a person shall be charged with a violation of subdivision
17 two, two-a, three, or four-a of section eleven hundred ninety-two of
18 this article and a plea of guilty shall have been entered in satisfac-
19 tion of such charge to a violation of subdivision one of section eleven
20 hundred ninety-two of this article, the conditions of such plea shall
21 include an express prohibition on the operation of any motor vehicle
22 without a functioning ignition interlock device for a period of six
23 months, and such person shall install and maintain an ignition interlock
24 device for a period of not less than six months on the motor vehicle
25 operated most frequently by such person. A declaration from the ignition
26 interlock monitor on a form provided by the commissioner, certifying
27 that such person has operated the motor vehicle free of any violations
28 as set forth in paragraph (i) of this subdivision for a period of ninety
29 consecutive days after the date of installation, shall be deemed to have
30 satisfied the conditions of such plea relating to the ignition interlock
31 requirements set forth in this paragraph. The period of interlock
32 restriction shall be deemed to commence from the date such ignition
33 interlock device shall have been installed. If such person is found to
34 have violated the terms of the use of such ignition interlock device as
35 set forth in paragraph (i) of this subdivision, such ninety day period
36 shall reset from the date of any such violation.

38 paragraphs (g) and (h) of this subdivision, the following shall be
39 deemed a violation of the ignition interlock device requirements:

40 (1) any violation of the provisions of subdivision nine of section
41 eleven hundred ninety-eight of this chapter; or

42 (2) a certified violation on a form provided by the commissioner that
43 such person has:

44 (i) attempted to start his or her vehicle with a blood alcohol concen-
45 tration level of .04 or more, unless a subsequent test performed within
46 ten minutes thereafter registers a blood alcohol concentration level
47 lower than .04 and the digital image provided confirms that the same
48 person provided both samples;

49 (ii) failed to take any random test, unless a review of the digital
50 image confirms that such vehicle was not occupied by the driver at the
51 time of the missed test;

52 (iii) failed to pass any random re-test with a blood alcohol concen-
53 tration level of .025 or lower, unless a subsequent test performed with-
54 in ten minutes registers a blood alcohol concentration level lower than
55 .025, and the digital image confirms that the same person provided both
56 samples; or

1 (iv) failed to appear at the ignition interlock device vendor when
2 required for maintenance, repair, calibration, monitoring, inspection,
3 or replacement of such device. A certificate of violation shall be
4 accompanied by a contemporaneous digital image verifying the identity of
5 the violator.

6 (j) Ignition interlock device requirements; terms of imprisonment.
7 When a sentence imposed pursuant to this subdivision includes a term of
8 imprisonment, the satisfaction of such term of imprisonment shall not
9 reduce or otherwise limit the requirements set forth in paragraph (g) of
10 this subdivision.

11 (k) Demonstration of regular and consistent use. During the period of
12 authorized use of a motor vehicle with an ignition interlock device
13 pursuant to the provisions of this subdivision, the person so authorized
14 shall demonstrate regular and consistent use of the ignition interlock
15 device.

16 (l) The office of probation and correctional alternatives shall recom-
17 mend to the commissioner of the division of criminal justice services
18 regulations governing the monitoring of compliance by persons ordered to
19 install and maintain ignition interlock devices to provide standards for
20 monitoring by departments of probation, and options for monitoring of
21 compliance by such persons, that counties may adopt as an alternative to
22 monitoring by a department of probation.

23 § 3. Paragraph (c) of subdivision 1-a of section 1193 of the vehicle
24 and traffic law, as amended by chapter 669 of the laws of 2007, is
25 amended to read as follows:

26 (c) A court sentencing a person pursuant to paragraph (a) or (b) of
27 this subdivision shall: (i) order, as a condition of such sentence, the
28 installation of an ignition interlock device approved pursuant to
29 section eleven hundred ninety-eight of this article in [~~any~~] the motor
30 vehicle [~~owned or~~] most frequently operated by the person so sentenced.
31 Such devices shall remain installed during any period of license revoca-
32 tion required to be imposed pursuant to paragraph (b) of subdivision two
33 of this section, and, upon the termination of such revocation period,
34 for an additional period as determined by the court, but in no event
35 less than twelve months; and (ii) order that such person receive an
36 assessment of the degree of their alcohol or substance abuse and depend-
37 ency pursuant to the provisions of section eleven hundred ninety-eight-a
38 of this article. Where such assessment indicates the need for treat-
39 ment, such court is authorized to impose treatment as a condition of
40 such sentence except that such court shall impose treatment as a condi-
41 tion of a sentence of probation or conditional discharge pursuant to the
42 provisions of subdivision three of section eleven hundred ninety-eight-a
43 of this article. Any person ordered to install an ignition interlock
44 device pursuant to this paragraph shall be subject to paragraph (j) of
45 subdivision one of this section and the provisions of subdivisions four,
46 five, seven, eight and nine of section eleven hundred ninety-eight of
47 this article.

48 § 4. Subdivisions 1, 2, 3, 4 and 5 of section 1198 of the vehicle and
49 traffic law, subdivisions 1, 2, 3, 4 and paragraph (a) of subdivision 5
50 as amended by chapter 496 of the laws of 2009, paragraph (a) of subdivi-
51 sion 4 as amended by chapter 169 of the laws of 2013, and subdivision 5
52 as amended by chapter 669 of the laws of 2007, are amended to read as
53 follows:

54 1. Applicability. The provisions of this section shall apply through-
55 out the state to each person required or otherwise ordered by a court as
56 a condition of sentence, plea, probation or conditional discharge, which

1 shall prohibit the operation of a motor vehicle without a functioning
2 ignition interlock device and requires such person to install and ~~[oper-~~
3 ~~ate]~~ maintain an ignition interlock device in ~~[any]~~ the vehicle ~~[which~~
4 ~~he or she owns or operates]~~ most frequently operated by such person.

5 2. Requirements. (a) In addition to any other penalties prescribed by
6 law, the court shall require that any person who has been convicted ~~[of]~~
7 or adjudicated a youthful offender for a violation of subdivision two,
8 two-a ~~[or]~~, three or four-a of section eleven hundred ninety-two of this
9 article, or any crime defined by this chapter or the penal law of which
10 an alcohol-related violation of any provision of section eleven hundred
11 ninety-two of this article is an essential element, ~~[to]~~ shall not oper-
12 ate a motor vehicle without an ignition interlock device and shall
13 install and maintain, as a condition of plea, sentence, probation or
14 conditional discharge, a functioning ignition interlock device in
15 accordance with the provisions of this section and, as applicable, in
16 accordance with the provisions of subdivisions one and one-a of section
17 eleven hundred ninety-three of this article; provided, however, the
18 court may not authorize the operation of a motor vehicle by any person
19 whose license or privilege to operate a motor vehicle has been revoked
20 except as provided herein. For any such individual subject to a sentence
21 of probation, installation and maintenance of such ignition interlock
22 device shall be a condition of probation.

23 (b) Nothing contained in this section shall prohibit a court, upon
24 application by a probation department, from modifying the conditions of
25 probation of any person convicted of any violation set forth in para-
26 graph (a) of this subdivision prior to the effective date of this
27 section, to require the installation and maintenance of a functioning
28 ignition interlock device, and such person shall thereafter be subject
29 to the provisions of this section.

30 ~~[(c) Nothing contained in this section shall authorize a court to~~
31 ~~sentence any person to a period of probation or conditional discharge~~
32 ~~for the purpose of subjecting such person to the provisions of this~~
33 ~~section, unless such person would have otherwise been so eligible for a~~
34 ~~sentence of probation or conditional discharge.]~~

35 3. Conditions. (a) ~~[Notwithstanding any other provision of law]~~ Except
36 as provided for sentences imposed pursuant to paragraph (g) of subdivi-
37 sion one of section eleven hundred ninety-three of this chapter, the
38 commissioner may grant a post-revocation conditional license, as set
39 forth in paragraph (b) of this subdivision, to a person who has been
40 convicted of a violation of subdivision two, two-a ~~[or]~~, three or four-a
41 of section eleven hundred ninety-two of this article and who has been
42 sentenced to a period of probation or conditional discharge, provided
43 the person has satisfied the minimum period of license revocation estab-
44 lished by law and the commissioner has been notified that such person
45 may operate only a motor vehicle equipped with a functioning ignition
46 interlock device. No such request shall be made nor shall such a
47 license be granted, however, if such person has been found by a court to
48 have committed a violation of section five hundred eleven of this chap-
49 ter during the license revocation period or deemed by a court to have
50 violated any condition of probation or conditional discharge set forth
51 by the court relating to the operation of a motor vehicle or the
52 consumption of alcohol. In exercising discretion relating to the issu-
53 ance of a post-revocation conditional license pursuant to this subdivi-
54 sion, the commissioner shall not deny such issuance based solely upon
55 the number of convictions for violations of any subdivision of section
56 eleven hundred ninety-two of this article committed by such person with-

1 in the ten years prior to application for such license. Upon the termi-
2 nation of the period of probation or conditional discharge set by the
3 court, the person may apply to the commissioner for restoration of a
4 license or privilege to operate a motor vehicle in accordance with this
5 chapter.

6 (b) Notwithstanding any inconsistent provision of this chapter, a
7 post-revocation conditional license granted pursuant to paragraph (a) of
8 this subdivision shall be valid only for use by the holder thereof, (1)
9 ~~[enroute]~~ en route to and from the holder's place of employment, (2) if
10 the holder's employment requires the operation of a motor vehicle then
11 during the hours thereof, (3) ~~[enroute]~~ en route to and from a class or
12 course at an accredited school, college or university or at a state
13 approved institution of vocational or technical training, (4) to and
14 from court ordered probation activities, (5) to and from a motor vehicle
15 office for the transaction of business relating to such license, (6) for
16 a three hour consecutive daytime period, chosen by the department, on a
17 day during which the participant is not engaged in usual employment or
18 vocation, (7) ~~[enroute]~~ en route to and from a medical examination or
19 treatment as part of a necessary medical treatment for such participant
20 or member of the participant's household, as evidenced by a written
21 statement to that effect from a licensed medical practitioner, (8)
22 ~~[enroute]~~ en route to and from a class or an activity which is an
23 authorized part of the alcohol and drug rehabilitation program and at
24 which participant's attendance is required, and (9) ~~[enroute]~~ en route
25 to and from a place, including a school, at which a child or children of
26 the participant are cared for on a regular basis and which is necessary
27 for the participant to maintain such participant's employment or enroll-
28 ment at an accredited school, college or university or at a state
29 approved institution of vocational or technical training.

30 (c) The post-revocation conditional license described in this subdivi-
31 sion may be revoked by the commissioner for sufficient cause including
32 but not limited to, failure to comply with the terms of the condition of
33 probation or conditional discharge set forth by the court, conviction of
34 any traffic offense other than one involving parking, stopping or stand-
35 ing ~~[or]~~, conviction of any alcohol or drug related offense, misdemeanor
36 or felony, any violation of section five hundred eleven of this chapter
37 or section eleven hundred ninety-two of this article with respect to
38 operating a motor vehicle without an ignition interlock device when
39 required to do so, or failure to install or maintain a court ordered
40 ignition interlock device.

41 (d) Nothing contained herein shall prohibit the court from requiring,
42 as a condition of probation or conditional discharge, the installation
43 of a functioning ignition interlock device in any vehicle owned or oper-
44 ated by a person sentenced for a violation of subdivision two, two-a,
45 ~~[or]~~ or four-a of section eleven hundred ninety-two of this ~~[chap-~~
46 ~~ter]~~ article, or any crime defined by this chapter or the penal law of
47 which an alcohol-related violation of any provision of section eleven
48 hundred ninety-two of this ~~[chapter]~~ article is an essential element, if
49 the court in its discretion, determines that such a condition is neces-
50 sary to ensure the public safety. Imposition of an ignition interlock
51 condition shall in no way limit the effect of any period of license
52 suspension or revocation set forth by the commissioner or the court.

53 (e) Nothing contained herein shall prevent the court from applying any
54 other conditions of probation or conditional discharge allowed by law,
55 including treatment for alcohol or drug abuse, restitution and community
56 service.

(f) The commissioner shall note on the operator's record of any person restricted pursuant to this section that, in addition to any other restrictions, conditions or limitations, such person may operate only a motor vehicle equipped with an ignition interlock device.

4. Proof of compliance and recording of condition. (a) Following imposition by the court of the use of an ignition interlock device as a condition plea, sentence, of probation or conditional discharge it shall require the person to provide proof of compliance with this section to the court and the probation department or other monitor where such person is under probation or conditional discharge supervision. A claim by such person that he or she has good cause for not installing an ignition interlock device shall be made to the court at or before sentencing, in writing in the form of a sworn affidavit signed by such person asserting under oath that he or she is not the registered or titled owner of any motor vehicle and will not operate any motor vehicle during the period of restriction, or that such person does not have access to the vehicle operated by such person at the time of the violation of section eleven hundred ninety-two of this article, or that the registered owner of that vehicle or any vehicle registered to such person's household will not give consent for the installation of an interlock device on his or her vehicle. The affidavit shall include a statement regarding whether such person owned any motor vehicle on the date of the underlying violation of section eleven hundred ninety-two of this article and whether ownership of any of those vehicles has been transferred to another party by sale, gift or any other means since the date of said violation. The affidavit shall also include a statement from such person that he or she has not and will not transfer ownership of any vehicle to evade installation of an ignition interlock device, the address of such person's employment, if applicable, and how such person intends to travel to that location during the period of restriction. The person also may include any other facts and circumstances he or she believes to be relevant to the claim of good cause. The court shall make a finding whether good cause exists on the record and, if good cause shall be found, issue such finding in writing to be filed by such person with the probation department or the ignition interlock monitor, as appropriate. In the event the court denies such person's claim of good cause on the basis of the affidavit filed with the court, such persons shall be given an opportunity to be heard. Such person shall also be permitted to waive the opportunity to be heard, if he or she chooses to do so. If ~~the~~ a person shall be ordered to install and maintain an ignition interlock device, and such person fails to provide for such proof of installation, absent a finding by the court of good cause for that failure which is entered in the record, the court may revoke, modify, or terminate the person's sentence of probation or conditional discharge as provided under law. ~~[Good cause may include a finding that the person is not the owner of a motor vehicle if such person asserts under oath that such person is not the owner of any motor vehicle and that he or she will not operate any motor vehicle during the period of interlock restriction except as may be otherwise authorized pursuant to law.]~~ "Owner" shall have the same meaning as provided in section one hundred twenty-eight of this chapter.

(b) When a court imposes the condition specified in subdivision one of this section, the court shall notify the commissioner in such manner as the commissioner may prescribe, and the commissioner shall note such condition on the operating record of the person subject to such conditions.

1 5. Cost, installation and maintenance. (a) The cost of installing and
2 maintaining the ignition interlock device shall be borne by the person
3 subject to such condition unless the court determines such person is
4 financially unable to afford such cost whereupon such cost may be
5 imposed pursuant to a payment plan or waived. In the event of such
6 waiver, the cost of the device shall be borne in accordance with regu-
7 lations issued under paragraph (g) of subdivision one of section eleven
8 hundred ninety-three of this article or pursuant to such other agreement
9 as may be entered into for provision of the device. Such cost shall be
10 considered a fine for the purposes of subdivision five of section 420.10
11 of the criminal procedure law. Such cost shall not replace, but shall
12 instead be in addition to, any fines, surcharges, or other costs imposed
13 pursuant to this chapter or other applicable laws.

14 (b) The installation and service provider of the device shall be
15 responsible for the installation, calibration, and maintenance of such
16 device.

17 (c) Failure to install such device, failure to appear for a service
18 visit or failure to comply with service instructions or circumvention of
19 or tampering with the device, in violation of regulations promulgated by
20 the division of criminal justice services, shall constitute a violation
21 of the conditions of a person's sentence, probation or conditional
22 discharge.

23 § 5. Paragraph (k-1) of subdivision 2 of section 65.10 of the penal
24 law, as amended by chapter 669 of the laws of 2007, is amended to read
25 as follows:

26 (k-1) Install and maintain a functioning ignition interlock device, as
27 that term is defined in section one hundred nineteen-a of the vehicle
28 and traffic law, in any vehicle owned or operated by the defendant [~~if~~
29 ~~the court in its discretion determines that such a condition is neces-~~
30 ~~sary to ensure the public safety. The court may require such condition~~
31 ~~only where a person has been convicted of a violation of subdivision~~
32 ~~two, two-a or three of section eleven hundred ninety-two of the vehicle~~
33 ~~and traffic law, or any crime defined by the vehicle and traffic law or~~
34 ~~this chapter of which an alcohol-related violation of any provision of~~
35 ~~section eleven hundred ninety-two of the vehicle and traffic law is an~~
36 ~~essential element]. The offender shall be required to install and oper-~~
37 ~~ate the ignition interlock device only in accordance with~~ the provisions
38 of paragraphs (g), (h), (i) and (j) of subdivision one of section eleven
39 hundred ninety-three and section eleven hundred ninety-eight of the
40 vehicle and traffic law.

41 § 6. The division of criminal justice services is authorized and
42 directed to compile and publish annually a report on its website of the
43 total number of repeat convictions with respect to violations of section
44 1192 of the vehicle and traffic law for the five years succeeding the
