1 Section 1. Section 490 of the vehicle and traffic law, is amended by
2 adding a new subdivision 2-a to read as follows:

3 2-a. In addition to the provisions of subdivision two of this section,
4 the commissioner shall ensure that space is provided on the application
5 so that the applicant shall indicate a declaration relating to the
6 designation of a health care proxy pursuant to section twenty-nine
7 hundred eighty-one of the public health law and that the following is
8 typed in clear and conspicuous type:

9 "You must fill out the following section: Have you completed a health
10 care proxy? Check box for 'yes' or 'skip this question'." Followed by a
11 space for the health care agent's name.

12 The commissioner shall also ensure that space is provided on the
13 application so that the applicant shall indicate a declaration relating
14 to the use of life-sustaining treatment and that the following is typed
15 in clear and conspicuous type:

16 "You must fill out the following section: Have you completed a living
17 will? Check box for 'yes' or 'skip this question'."

18 The commissioner shall make whatever provisions are feasible and
19 desirable to maintain and issue all suitable documents regarding
20 advanced directives at driver's license examining offices.

22 traffic law, as amended by chapter 429 of the laws of 2014, is amended

(b) The identification card shall contain a distinguishing number or mark and adequate space upon which an anatomical gift, pursuant to article forty-three of the public health law, a declaration relating to a health care proxy, pursuant to section twenty-nine hundred eighty-one of the public health law, and a declaration relating to the use of life-sustaining treatments by the holder may be recorded and shall contain such other information and shall be issued in such form as the commissioner shall determine; provided, however, every identification card or renewal thereof issued to a person under the age of twenty-one years shall have prominently imprinted thereon the statement "UNDER 21 YEARS OF AGE" in notably distinctive print or format. Provided, further, however, that every identification card issued to an applicant who was a member of the armed forces of the United States and received an honorable discharge or was released therefrom under honorable conditions shall, upon his or her request and submission of proof as set forth herein, contain a distinguishing mark, in such form as the commissioner shall determine, indicating that he or she is a veteran. Such proof shall consist of a certificate of release or discharge from active duty including but not limited to a DD Form 214 or other proof satisfactory to the commissioner. The commissioner shall not require fees for the issuance of such identification cards or renewals thereof to persons under twenty-one years of age which are different from the fees required for the issuance of identification cards or renewals thereof to persons twenty-one years of age or over, nor fees to persons requesting a veteran distinguishing mark which are different from fees that would otherwise be required. Provided, however, that notwithstanding the provisions of section four hundred ninety-one of this article, the commissioner shall not require any fees for the duplication or amendment of an identification card prior to its renewal if such duplication or amendment was solely for the purpose of adding a veteran distinguishing mark to such identification card.

§ 3. Subdivision 1 of section 502 of the vehicle and traffic law, is REPEALED and a new subdivision 1 is added to read as follows:

1. Application for license. Application for a driver's license shall be made to the commissioner. The fee prescribed by law may be submitted with such application. The applicant shall furnish such proof of identity, age, and fitness as may be required by the commissioner. Eligibility for a driver's license shall not be conditioned on a particular immigration status. The commissioner may also provide that the application procedure shall include the taking of a photo image or images of the applicant in accordance with rules and regulations prescribed by the commissioner. In addition, the commissioner also shall require that the applicant provide his or her social security number where such applicant is a legal immigrant and shall provide space on the application so that the applicant may register in the New York state organ and tissue donor registry under section forty-three hundred ten of the public health law with the following stated on the application in clear and conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

The commissioner of the department of health shall not maintain records of any person who checks "skip this question". Failure to check a box shall not impair the validity of an application, and failure to check "yes" or checking "skip this question" shall not be construed to imply a wish not to donate. In the case of an applicant under eighteen

1 years of age, checking "yes" shall not constitute consent to make an
2 anatomical gift or registration in the donate life registry. Where an
3 applicant has previously consented to make an anatomical gift or regis-
4 tered in the donate life registry, checking "skip this question" or
5 failing to check a box shall not impair that consent or registration. In
6 addition, the commissioner also shall require that space shall be
7 provided on the application so that the applicant may request a notation
8 upon such license that he or she is a veteran of the United States armed
9 forces. Additionally, the commissioner shall ensure that space is
10 provided on the application so that the applicant shall indicate a
11 declaration relating to the designation of a health care proxy pursuant
12 to section twenty-nine hundred eighty-one of the public health law and
13 that the following is typed in clear and conspicuous type:

14 "You must fill out the following section: Have you completed a health
15 care proxy? Check box for 'yes' or 'skip this question'." Followed by a
16 space for the health care agent's name.

17 The commissioner shall also ensure that space is provided on the
18 application so that the applicant shall indicate a declaration relating
19 to the use of life-sustaining treatment and that the following is typed
20 in clear and conspicuous type:

21 "You must fill out the following section: Have you completed a living
22 will? Check box for 'yes' or 'skip this question'."

23 The commissioner shall make whatever provisions are feasible and

39 certificate" and "medical certification" shall mean a form substantially

44 license.

45 § 4. Subdivision 1 of section 502 of the vehicle and traffic law, as
46 added by section three of this act, is amended to read as follows:

48 be made to the commissioner. The fee prescribed by law may be submitted
49 with such application. The applicant shall furnish such proof of identi-
50 ty, age, and fitness as may be required by the commissioner. Eligibility
51 for a driver's license shall not be conditioned on a particular immi-
52 gration status. The commissioner may also provide that the application
53 procedure shall include the taking of a photo image or images of the
