3 § 2. Paragraph 16 of subsection (1) of section 3221 of the insurance
4 law, as added by chapter 554 of the laws of 2002, is amended to read as
5 follows:

6 (16) ~~(A) Every group or blanket policy [which provides coverage for~~
7 ~~prescription drugs shall include coverage for the cost of contraceptive~~
8 ~~drugs or devices approved by the federal food and drug administration or~~
9 ~~generic equivalents approved as substitutes by such food and drug admin-~~
10 ~~istration under the prescription of a health care provider legally~~
11 ~~authorized to prescribe under title eight of the education law. The~~
12 ~~coverage required by this section shall be included in policies and~~

14 ~~(A)]~~ that is issued, amended, renewed, effective or delivered on or

16 of the following services and contraceptive methods:

17 (1) All FDA-approved contraceptive drugs, devices, and other products.
18 This includes all FDA-approved over-the-counter contraceptive drugs,
19 devices, and products as prescribed or as otherwise authorized under
20 state or federal law. The following applies to this coverage:

21 (a) where the FDA has approved one or more therapeutic and pharmaceu-
22 tical equivalent, as defined by the FDA, versions of a contraceptive
23 drug, device, or product, a group or blanket policy is not required to
24 include all such therapeutic and pharmaceutical equivalent versions in
25 its formulary, so long as at least one is included and covered without
26 cost-sharing and in accordance with this paragraph;

27 (b) if the covered therapeutic and pharmaceutical equivalent versions
28 of a drug, device, or product are not available or are deemed medically
29 inadvisable a group or blanket policy shall provide coverage for an

31 contraceptive drug, device, or product without cost-sharing. If the
32 attending health care provider, in his or her reasonable professional
33 judgment, determines that the use of a non-covered therapeutic or phar-
34 maceutical equivalent of a drug, device, or product is warranted, the
35 health care provider's determination shall be final. The superintendent
36 shall promulgate regulations establishing a process, including time-
37 frames, for an insured, an insured's designee or an insured's health
38 care provider to request coverage of a non-covered contraceptive drug,
39 device, or product. Such regulations shall include a requirement that
40 insurers use an exception form that shall meet criteria established by
41 the superintendent;

42 (c) this coverage shall include emergency contraception without cost-
43 sharing when provided pursuant to a prescription or order under section

53 device insertion and removal.

54 (B) A group or blanket policy subject to this paragraph shall not
55 impose a deductible, coinsurance, copayment, or any other cost-sharing
56 requirement on the coverage provided pursuant to this paragraph.

(C) Except as otherwise authorized under this paragraph, a group or blanket policy shall not impose any restrictions or delays on the coverage required under this paragraph.

(D) Benefits for an enrollee under this paragraph shall be the same for an enrollee's covered spouse or domestic partner and covered nonspouse dependents.

If so requested, such contract shall be provided without coverage for contraceptive methods. This paragraph shall not be construed to deny an enrollee coverage of, and timely access to, contraceptive methods.

The notice shall also advise the certificateholders of the additional premium for such coverage.

~~[(C)]~~ (G) Nothing in this paragraph shall be construed as authorizing a group or blanket policy which provides coverage for prescription drugs to exclude coverage for prescription drugs prescribed for reasons other than contraceptive purposes.

The superintendent shall promulgate regulations establishing a process, including timeframes, for an insured, an insured's designee or an insured's health care provider to request coverage of a non-covered contraceptive drug, device, or product.
