AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1 40-a and 93 of the state finance law, and are authorized to be paid as
2 hereinafter provided as an advance for a share, part or whole of the
3 cost for such programs, purposes and projects hereinafter specified.

4 c) The several amounts specified in this chapter as capital projects -
5 reappropriations, or so much thereof as shall be sufficient to accom-
6 plish the purpose of the appropriations, as appropriated by comprehen-
7 sive construction programs (hereinafter referred to by the abbreviation
8 CCP), purposes, and projects, being the undisbursed and/or unexpended
9 balances of the prior year's appropriations, are reappropriated and
10 unless otherwise amended or repealed in part or total in this chapter
11 shall continue to be available for the same purposes as the prior appro-
12 priations or as otherwise amended for the fiscal year beginning April 1,
13 2020.

14 The capital projects reappropriations contained in this chapter may be
15 amended by repealing the items set forth in brackets and by adding ther-
16 eto the underscored material. Certain reappropriations in this chapter
17 are shown using abbreviated text, with three leader dots (an ellipsis)
18 followed by three spaces (...) used to indicate where existing law
19 that is being continued is not shown. However, unless a change is clear-
20 ly indicated by the use of brackets [-] for deletions and underscores
21 for additions, the purpose, amounts, funding source and all other
22 aspects pertinent to each item of appropriation shall be as last appro-
23 priated.

24 For the purpose of complying with section 25 of the state finance law,
25 the year, chapter and section of the last act reappropriating a former
26 original appropriation or any part thereof is, unless otherwise indi-
27 cated, chapter 54, section 1, of the laws of 2019.

28 d) No moneys appropriated by this chapter shall be available for
29 payment until a certificate of approval has been issued by the director
30 of the budget, who shall file such certificate with the department of
31 audit and control, the chairperson of the senate finance committee and
32 the chairperson of the assembly ways and means committee.

33 e) Notwithstanding any provision of law to the contrary, prior to the
34 expenditure of any funds received by the Federal government in response
35 to the COVID-19 public health emergency pursuant to the authority grant-
36 ed in any appropriation set forth herein, the director of the budget may
37 require that the agency or public authority making such expenditures
38 submit an allocation plan to the director of the budget for approval.
39 Approved allocation plans shall be provided to the president pro tempore
40 of the senate and the speaker of the assembly within 30 days of
41 approval. Such allocation plan must comport with any minimum Federal
42 requirements for the expenditure of such funds.

43 f) The appropriations contained in this chapter shall be available for
44 the fiscal year beginning on April 1, 2020 except as otherwise noted.

DEPARTMENT OF ENVIRONMENTAL CONSERVATION

CAPITAL PROJECTS - REAPPROPRIATIONS 2020-21

For water resources purposes, shall be available for the state share of the costs of water quality improvement projects, as defined in section 56-0101 of the environmental conservation law, to implement the Long Island Sound Comprehensive Conservation Management Plan consistent with paragraph (b) of subdivision 1 of section 56-0303 of the environmental conservation law, and to implement wastewater treatment improvement projects in small upstate communities (09650357) (24890) ... 8,168,000 (re. \$543,000)

By chapter 54, section 1, of the laws of 2002:

For water resources purposes, shall be available for the state share of the costs of water quality improvement projects, as defined in section 56-0101 of the environmental conservation law, to implement the Long Island Sound Comprehensive Conservation Management Plan consistent with paragraph (b) of subdivision 1 of section 56-0303 of the environmental conservation law, and to implement wastewater treatment improvement projects in small upstate communities (09650257) (24890) ... 4,900,000 (re. \$668,000)

By chapter 54, section 1, of the laws of 1990, as amended by chapter 54, section 1, of the laws of 2002:

For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1990, in accordance with the provisions of title 3 of article 51 of the environmental conservation law as amended, to provide state matching funds for projects scheduled to receive construction grants from federal fiscal years 1989 and 1990 funds, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget. No such certificates of approval of availability shall be issued for or include funds for projects which have not received a federal grant for the construction of sewage treatment related facilities.

Notwithstanding the provisions of any general or special law, the amounts hereby appropriated shall have all disbursements reimbursed from the Pure Waters Bond Act proceeds authorizations and are contingent upon the partial repeal of existing capital projects fund authorizations elsewhere in this chapter. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (09019057) (24891) ... 4,609,600 (re. \$1,466,000)

3 (g) The extent to which the proposed project benefits medicaid enrol-
4 lees and uninsured individuals;
5 (h) The extent to which the applicant has engaged the community
6 affected by the proposed project and the manner in which community
7 engagement has shaped such project; and
8 (i) The extent to which the proposed project addresses potential risk
9 to patient safety and welfare.

10 Notwithstanding any inconsistent provision of law to the contrary, and
11 upon approval of the director of the budget, the commissioner may
12 award up to \$300,000,000 of the funds made available pursuant to
13 this appropriation for unfunded project applications submitted in
14 response to the request for applications number 17648 issued by the

17 Authorized amounts to be awarded pursuant to applications submitted in
18 response to the request for application number 17648 shall be
19 awarded no later than September 1, 2019.

20 The department shall provide a report on a quarterly basis to the
21 chairs of the senate finance, assembly ways and means, and senate
22 health and assembly health committees, until such time as the
23 department determines that the projects that receive funding pursu-
24 ant to this appropriation are substantially complete. Such reports
25 shall be submitted no later than sixty days after the close of the
26 quarter, and shall include, for each award, the name of the appli-
27 cant, a description of the project or purpose, the amount of the
28 award, disbursement date, and status of achievement of process and
29 performance metrics and milestones pursuant to subdivision 6 of
30 section 2825-f of the public health law.

31 Within amounts appropriated herein, a minimum of \$45,000,000 shall be
32 made available for grant awards to residential health care facili-

2 or other significant corporate restructuring activity that is part
3 of an overall transformation plan intended to create a financially
4 sustainable system of care that promotes a patient-centered model of
5 health care delivery aimed at improving the overall health and well-
6 being of a community. Eligible applicants shall be those deemed by
7 the commissioner to be a provider that fulfills or will fulfill a
8 health care need for acute inpatient, outpatient, primary, home care
9 or residential health care services in a community. The commissioner
10 and the president of the dormitory authority of the state of New
11 York shall enter into an agreement, subject to the approval of the
12 director of the budget, and subject to section 1680-r of the public
13 authorities law, for the purposes of awarding, distributing, and
14 administering the funds made available pursuant to this appropri-
15 ation. In determining awards for eligible applicants under this
16 appropriation, the commissioner of health and the president of the
17 authority shall consider criteria including, but not limited to:

- 18 (a) the extent to which the proposed capital project will contribute
19 to the integration of health care services and long term sustaina-
20 bility of the applicant or preservation of essential health services
21 in the community or communities served by the applicant;
- 22 (b) the extent to which the proposed project or purpose is aligned
23 with delivery system reform incentive payment ("DSRIP") program
24 goals and objectives;
- 25 (c) consideration of geographic distribution of funds;
- 26 (d) the relationship between the proposed capital project and identi-
27 fied community need;
- 28 (e) the extent to which the applicant has access to alternative
29 financing;
- 30 (f) the extent that the proposed capital project furthers the develop-
31 ment of primary care and other outpatient services;
- 32 (g) the extent to which the proposed capital project benefits medicaid
33 enrollees and uninsured individuals;
- 34 (h) the extent to which the applicant has engaged the community
35 affected by the proposed capital project and the manner in which
36 community engagement has shaped such capital project; and
- 37 (i) the extent to which the proposed capital project addresses poten-
38 tial risk to patient safety and welfare.

39 Disbursement of awards made pursuant to this appropriation shall be
40 conditioned on the awardee achieving certain process and performance
41 metrics and milestones as determined in the sole discretion of the
42 commissioner. Such metrics and milestones shall be structured to
43 ensure that the health care transformation and provider sustainabil-
44 ity goals of the project are achieved, and such metrics and mile-
45 stones shall be included in grant disbursement agreements or other
46 contractual documents as required by the commissioner.

47 The department shall provide a report on a quarterly basis to the
48 chairs of the senate finance, assembly ways and means, senate health
49 and assembly health committees. Such reports shall be submitted no
50 later than sixty days after the close of the quarter, and shall
51 include, for each award, the name of the applicant, a description of
52 the project or purpose, the amount of the award, disbursement date,

33 repair, rehabilitation, or replacement of capital works or purposes
34 damaged by hurricane Sandy which are expected to be eligible for
35 reimbursement by FEMA, FTA, FHWA and/or any other federal reimburse-
36 ment source. No such advances for a project shall be made unless the
37 division of budget has first determined that there is a substantial
38 likelihood that the project is eligible for reimbursement by FEMA,
39 FTA, FHWA and/or any other federal reimbursement source. Notwith-
40 standing any provision of law to the contrary, the state comptroller
41 shall credit these appropriations with federal grants received
42 pursuant to the federal community development block grant program or
43 any other federal program providing disaster aid, in recognition
44 that the state was required to make payments for eligible projects
45 in advance of the availability of federal reimbursement. Funds

2 construction, complete, defunded). Such annual report shall continue
3 to be provided until such time as the final disbursement of funds
4 appropriated in the 2016-17 and 2017-18 state fiscal year housing
5 program (ccp) has occurred.

6 Notwithstanding any other law to the contrary, the amounts appropri-
7 ated herein may be suballocated to any state department, agency, or
8 public authority for the purposes stated herein. Notwithstanding
9 section 40 of the state finance law or any other law to the contra-
10 ry, all assistance appropriations made from this account shall
11 remain in full force and effect in accordance, in the aggregate,
12 with the following schedule: not more than \$344,000,000 for the
13 period April 1, 2016, through and past March 31, 2017, and not more
14 than an additional \$246,000,000 for the period April 1, 2017 through
15 and past March 31, 2018 as indicated below:

- 16 1. When combined with other funds made available in the 2016-17 and
17 2017-18 state fiscal year housing program (ccp), up to a total of
18 \$950,000,000 shall be made available for the purpose of providing
19 capital and operating subsidies for the development of 6,000 or more
20 supportive housing units throughout the state over the next five
21 years, as determined by a competitive selection process.
- 22 2. When combined with other funds made available in the 2016-17 and
23 2017-18 state fiscal year housing program (ccp), up to a total of
24 \$472,025,000 shall be made available for the purpose of providing
25 capital subsidies for the new construction or adaptive reuse of
26 rental housing affordable to households that earn up to 60 percent
27 of area median income (AMI) and that advance one or more of the
28 specific housing priorities of the state. Up to 5 percent of the
29 funds allocated herein may be used for administrative purposes.
- 30 3. When combined with other funds made available in the 2016-17 and
31 2017-18 state fiscal year housing program (ccp), up to a total of
32 \$125,000,000 shall be made available for the purpose of developing
33 or rehabilitating one hundred percent senior rental affordable hous-
34 ing targeted to low-income seniors, aged 60 and above.
- 35 4. When combined with other funds made available in the 2016-17 and
36 2017-18 state fiscal year housing program (ccp), up to a total of
37 \$45,000,000 for purposes of the rural and urban community investment
38 fund program created pursuant to article XXVII of the private hous-

2 another state, federal or local housing agency.

3 7. When combined with other funds made available in the 2016-17 and
4 2017-18 state fiscal year housing program (ccp), up to a total of
5 \$75,000,000 shall be made available for the purpose of providing
6 capital subsidies to preserve and improve Mitchell-Lama properties
7 in the state.

8 8. When combined with other funds made available in the 2016-17 and
9 2017-18 state fiscal year housing program (ccp), up to a total of
10 \$125,000,000 shall be made available for the purpose of substantial
11 or moderate rehabilitation and/or the demolition and replacement
12 through new construction of site-specific multi-family rental hous-
13 ing currently owned by public housing authorities outside of New
14 York city. The distribution of any funds which the division of hous-
15 ing and community renewal or other appropriate state agencies or
16 authorities authorizes to be used as part of a federal housing
17 program, shall require the division of housing and community renewal
18 to monitor and ensure that any affected public housing tenants are
19 properly informed regarding participation in the federal housing
20 program and that appropriate documents related to participation in
21 such federal housing program are made publicly available and are
22 posted on each applicable housing authority's website in a timely
23 manner to properly inform such public housing authority tenants.
24 The residents of public housing that receives and uses such funds to
25 participate in such federal program shall be provided a uniform
26 lease agreement that provides, at a minimum, terms and conditions
27 consistent with those found in the public housing lease they had
28 prior to the public housing having received any such funds. Public
29 housing authorities that receive and use such funds shall be
30 required to: provide resident education, which shall include compre-
31 hensive information about any anticipated changes to the public
32 housing; provide language assistance to residents with limited
33 English proficiency; recognize the right of residents to form a
34 resident organization; require resident participation funding
35 commensurate to the funding that was being allocated to residents
36 already; develop a set of procedures for resident grievances and
37 lease termination proceedings that apply to residents following the
38 use of such funds, which shall be consistent with any existing
39 procedures, can provide stronger resident protections, and conform
40 with any other applicable federal rules and/or regulations. In cases
41 when there is a property manager other than the public housing
42 authority that receives these funds, then such property manager
43 shall be required to take actions including, but not limited to,
44 providing clear and accessible information to residents before,
45 during, and after becoming the property manager; provide language
46 assistance to residents with limited English proficiency; and recog-
47 nize a legitimate resident organization as the residents' represen-
48 tative, invite such resident organization to all resident engage-
49 ments, and meet regularly with the resident organization to discuss
50 emerging property-wide issues.

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.
2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.
3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.
4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.
5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.
6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use

1 agreement with the division of housing and community renewal or
2 another state, federal or local housing agency.

3 7. When combined with other funds made available in the 2016-17 and
4 2017-18 state fiscal year housing program (ccp), up to a total of
5 \$75,000,000 shall be made available for the purpose of providing
6 capital subsidies to preserve and improve Mitchell-Lama properties
7 in the state.

8 8. When combined with other funds made available in the 2016-17 and
9 2017-18 state fiscal year housing program (ccp), up to a total of
10 \$125,000,000 shall be made available for the purpose of substantial
11 or moderate rehabilitation and/or the demolition and replacement
12 through new construction of site-specific multi-family rental hous-
13 ing currently owned by public housing authorities outside of New
14 York city. The distribution of any funds which the division of hous-
15 ing and community renewal or other appropriate state agencies or
16 authorities authorizes to be used as part of a federal housing
17 program, shall require the division of housing and community renewal
18 to monitor and ensure that any affected public housing tenants are
19 properly informed regarding participation in the federal housing
20 program and that appropriate documents related to participation in
21 such federal housing program are made publicly available and are
22 posted on each applicable housing authority's website in a timely
23 manner to properly inform such public housing authority tenants.
24 The residents of public housing that receives and uses such funds to
25 participate in such federal program shall be provided a uniform
26 lease agreement that provides, at a minimum, terms and conditions
27 consistent with those found in the public housing lease they had
28 prior to the public housing having received any such funds. Public
29 housing authorities that receive and use such funds shall be
30 required to: provide resident education, which shall include compre-
31 hensive information about any anticipated changes to the public
32 housing; provide language assistance to residents with limited
33 English proficiency; recognize the right of residents to form a
34 resident organization; require resident participation funding
35 commensurate to the funding that was being allocated to residents
36 already; develop a set of procedures for resident grievances and
37 lease termination proceedings that apply to residents following the
38 use of such funds, which shall be consistent with any existing
39 procedures, can provide stronger resident protections, and conform
40 with any other applicable federal rules and/or regulations. In cases
41 when there is a property manager other than the public housing
42 authority that receives these funds, then such property manager
43 shall be required to take actions including, but not limited to,
44 providing clear and accessible information to residents before,
45 during, and after becoming the property manager; provide language
46 assistance to residents with limited English proficiency; and recog-
47 nize a legitimate resident organization as the residents' represen-
48 tative, invite such resident organization to all resident engage-
49 ments, and meet regularly with the resident organization to discuss
50 emerging property-wide issues.

51 9. When combined with other funds made available in the 2016-17 and
52 2017-18 state fiscal year housing program (ccp), up to a total of

23 2017-18 state fiscal year housing program (ccp), up to a total of
24 \$200,000,000 shall be made available, pursuant to a plan approved by
25 the director of the budget, in consultation with the New York city
26 housing authority chair and the dormitory authority of the state of
27 New York, for the purpose of capital projects and other improvements
28 related to housing developments owned or operated by the New York
29 city housing authority; provided further to the extent practicable,
30 the New York city housing authority in its administration of such
31 funds shall include employment opportunities for NYCHA tenants
32 consistent with section 3 of the housing and urban development act
33 of 1968.
- 34 14. When combined with other funds made available in the 2016-17 and
35 2017-18 state fiscal year housing program (ccp), up to a total of
36 \$100,000,000 shall be made available for the preservation, restora-
37 tion or creation of affordable housing units in a city having a
38 population of one million or more, one hundred percent of which
39 shall be affordable to households that earn up to sixty percent of
40 the area median income adjusted for family size. Priority shall be
41 given to applicants incorporated pursuant to the not-for-profit
42 corporation law, with prior experience in community development
43 projects with at least a fifty-one percent controlling interest in
44 such project. Not-for-profits shall strive to develop projects

4 tion, construction, reconstruction, and
5 improvement of mass transportation capital
6 projects including the acquisition of real
7 property, for other mass transportation
8 projects including local transportation
9 planning studies. Notwithstanding any
10 inconsistent provisions of law, the state
11 share of such projects shall be 50 percent
12 of the non-federal share, but in no event
13 shall the state share exceed 10 percent of
14 project costs.

15 Notwithstanding any other provision of law,
16 the commissioner of transportation shall
17 make available directly to the City of New
18 York (City) an amount commensurate with
19 the state share of (i) federal funds
20 previously awarded to the City and reallo-
21 cated to the metropolitan transportation
22 authority (MTA), and (ii) the federally
23 authorized level of financial assistance
24 transferred by resolution of the metropol-
25 itan planning organization (MPO) to the
26 metropolitan transportation authority
27 (MTA) and credited to the City by the MTA
28 for capital expenses.

29 The state share of such reimbursement shall
30 be 50 percent of the non-federal share of
31 the federally authorized level of finan-
32 cial assistance transferred to the MTA,
33 but in no event shall the state share
34 exceed 10 percent of project costs. Prior
35 to requesting reimbursement for projects
36 progressed by the MTA on behalf of the
37 City, the City shall certify to the
38 commissioner of transportation that each
39 eligible project progressed under this
40 provision is federally eligible and that
41 the match amount requested does not exceed
42 the state share of the federally author-
43 ized level of financial assistance. In
44 addition, the City must provide an appli-
45 cation to the commissioner of transporta-
46 tion certifying that the work to be funded
47 under the project has been performed and
48 that the City has reimbursed the MTA for
49 100 percent of the match amount for the
50 project. Upon such application, the
51 commissioner of transportation shall

17 For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

18 Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.

19 No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

CAPITAL PROJECTS - REAPPROPRIATIONS 2020-21

By chapter 55, section 1, of the laws of 2006, as amended by chapter 55, section 1, of the laws of 2008:

For the payment of the costs, including the payment of liabilities incurred prior to April 1, 2006, of state highways, parkways, bridges, the New York State Thruway, Indian reservation roads, and facilities for which the responsibility is vested with the state department of transportation including work appurtenant and ancillary thereto, the cost of administrative services of the department of transportation and the cost of services provided by private firms; including the costs of preventive maintenance on state roads and bridges as defined in paragraph (a) of subdivision 1 of section 10-d of the highway law for contractual preventive maintenance services provided by private firms; and including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision, and appraisals, surveys, testing and environmental impact statements for transportation projects. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, preventive maintenance, and the acquisition of property.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state nonfederally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective and the federal aid and state matching funds saved as a result of the use of nonfederal aid funds for local bridge projects are made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available for local bridge projects from this appropriation shall not exceed \$2,500,000 in state fiscal year 2006-2007.

The items shown in the schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the budget (17020622) (53164) 667,502,000 (re. \$3,923,000)

In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 86.579 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of \$58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be \$19,460,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be \$39,337,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 13.421 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 13.421 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from \$58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal \$58,797,000.

 Program Improvement/Change Purpose

By chapter 54, section 1, of the laws of 2018:

The sum of \$10,000,000 is hereby appropriated for payments and grants, including up to \$200,000 in costs associated with program administration to eligible nonprofit arts and cultural organizations for the arts and cultural facilities improvement program. Such program shall provide for targeted investment for capital projects in such eligible arts or cultural facilities to improve the quality, efficiency, and accessibility of arts and cultural organizations that benefit New Yorkers. Provided that such investments may include, but are not limited to: renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; and accessibility renovations.

Up to \$5,000,000 in funding from this appropriation shall be made available through a competitive process to be determined exclusively by the New York state council on the arts. The determination of this competitive process and guidelines shall be limited to the New York state council on the arts in consultation with the dormitory authority of the state of New York. The guidelines for the program and competitive process shall ensure that such funding is made available for uses throughout the state and takes into account regional distribution, supports a range of grant awards including a minimum grant of \$50,000, consideration of a waiver of match requirements for organizations as deemed appropriate by the New York state council on the arts, and shall be subject to the approval of the director of the budget. Notwithstanding any inconsistent provision of law, the dormitory authority shall be authorized to administer this program and designated state agencies shall provide all necessary assistance.

Up to \$5,000,000 in funding from this appropriation shall be made available through a competitive process that shall include representatives from state agencies to be determined by the director of the budget and the guidelines for the program and competitive process shall also ensure that such funding is made available for uses throughout the state and takes into account regional distribution, and shall be subject to the approval of the director of the budget.

11 the municipality, or in the case of the Bronx, the borough; identify
12 problems that are common in neighborhoods throughout the munici-
13 pality, or in the case of the Bronx, the borough; receive input from
14 local residents; use data and resident input to select one or more
15 focus areas related to either one or more issues or one or more
16 neighborhoods; and develop a plan for how funding will be targeted
17 toward the identified issues or neighborhoods. Such focus areas may
18 include, but are not limited to childhood poverty and homelessness.
19 Activities included in such plan may include, but are not limited
20 to: providing public assistance recipients opportunities to partic-
21 ipate in enhanced work activities that either provide recognized
22 credentialing or enhanced career readiness or job training for
23 better linkage to potential employment; assisting families in pover-
24 ty through services provided to parents and children; and addressing
25 chronic homelessness or housing insecurity. Such plan must include
26 measurable objectives and a timeframe for completion and shall be
27 submitted for approval to the commissioner of the office of tempo-
28 rary and disability assistance. Of the total amount made available
29 to each anti-poverty task force, the lesser of \$300,000 or 20
30 percent of the total award may be used to carry out planning and
31 administration, provided however, that the amount used for planning
32 and administration may exceed such limitation if such amount is
33 approved by the commissioner of the office of temporary and disabili-
34 ty assistance as part of the plan required herein. Upon receiving
35 approval from the commissioner of the office of temporary and disa-
36 bility assistance, each such anti-poverty task force shall commence
37 the second phase of its work, which will support the implementation
38 of the plan developed during the first phase. Funding appropriated
39 herein shall be made available to the not-for-profit organization
40 serving as coordinator and its use shall be restricted to purposes
41 or initiatives that do not necessitate ongoing state financial
42 support. Such anti-poverty task forces shall be encouraged to secure
43 match funding from private sector and foundation sources to supple-
44 ment the funds appropriated herein and provided further that any
45 funding provided from this appropriation shall not be used to
46 supplant funding for programs already in existence. Such funds may
