

STATE OF NEW YORK

8773

IN SENATE

July 15, 2020

Introduced by Sen. RAMOS -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the civil practice law and rules, the criminal procedure law, the executive law, and the legislative law in relation to the use in evidence of the fact of possession or presence on the premises of condoms and other sexual and reproductive health devices; and to repeal paragraph (d) of subdivision 1 of section 160.10 of the criminal procedure law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "Decrimi-
2 nalize condoms act".

3 § 2. Legislative findings. The legislature hereby finds that promoting
4 and protecting health and respecting and fulfilling human rights are
5 necessarily linked, and that health-oriented and rights-based law
6 enforcement efforts are central to the effective provision of government
7 services for the benefit of the people of the State. Article 17, section
8 3 of the New York constitution requires that the legislature protect and
9 promote the health of the inhabitants of this state as a matter of
10 public concern. Despite these provisions, for purposes of prosecuting
11 certain criminal, civil and administrative offenses, reproductive and
12 sexual health tools, including condoms, are currently being destroyed,
13 confiscated, or used as evidence by law enforcement officers. This
14 legislation is intended to strengthen the public health of all New York-
15 ers, including the most vulnerable, while preserving the ability of law
16 enforcement to prosecute other crimes such as felony sexual offenses.
17 The purpose of this bill is to avoid the disparate impact of the prac-
18 tice of citing condoms and other reproductive and sexual health tools as
19 evidence upon survivors of trafficking and people who are or are
20 profiled as being engaged in sex work.

21 § 3. The civil practice law and rules is amended by adding a new
22 section 4519-a to read as follows:

23 § 4519-a. Possession of reproductive or sexual health devices; receipt
24 into evidence. 1. The fact of possession of a condom or other reproduc-

15 tive or other tool used to prevent unwanted pregnancy or the trans-
16 mission of HIV or other sexually transmitted diseases and infections,
17 including but not limited to male condoms, female condoms, lubricants,

33 word, rule or regulation of any governmental instrumentality authorized
34 by law to adopt the same, for the purpose of establishing probable cause

19 bill which, if passed, would increase or decrease the number of arres-
20 tees or pretrial or sentenced population of correctional facilities in
21 this state, a majority of the committee members voting may request that
22 a health and human rights impact statement be prepared. The legislature
23 shall by concurrent resolution of the senate and assembly prescribe
24 rules requiring health and human rights impact statements to accompany,

31 ing status composition of the arrestee and correctional facility popu-
32 lation and an explanation of that impact. Any impact statement printed
33 with or prepared for a bill is solely for the purpose of information,

36 chamber thereof for any purpose. Each impact statement shall bear the
37 following disclaimer: "The following health and human rights impact
38 statement is prepared for the benefit of the members of the legislature,
39 solely for purposes of information, summarization and explanation and
40 does not represent the intent of the legislature or either chamber ther-
41 eof for any purpose."

42 § 9. The legislative law is amended by adding a new section 83-n to
43 read as follows:

44 § 83-n. Legislative commission on health and human rights. 1. The
45 legislature hereby finds that promoting and protecting health and

47 coordination between health and law enforcement efforts is central to
48 the effective provision of government services for the benefit of the
49 people of the state.

50 2. A legislative commission on health and human rights is hereby
51 established to examine, evaluate and make recommendations concerning
52 rights-based approaches to health and law enforcement interventions.

21 made.

22 4. The commission in addition to the above mentioned powers shall have
23 all the powers and privileges of a legislative committee pursuant to
24 this chapter.

25 5. For the accomplishment of its purpose, the commission shall be
26 authorized and empowered to undertake any study, inquiry, survey, or
27 analysis it may deem relevant through its own personnel in cooperation
28 with or by agreement with any other public or private agency.

29 6. The commission may require and shall receive from any department,
30 board, bureau, commission, authority, office, or other instrumentality
31 of the state, and from any county, city, town or village of this state,

50 legislative law. The division shall present to the governor, the tempo-
51 rary president of the senate, the minority leader of the senate, the
52 speaker of the assembly and the minority leader of the assembly an annu-
53 al report containing the statistics and other information relevant to
54 this subdivision.

55 § 11. If any provision of this article or the application thereof to
56 any person, circumstances, or political subdivision of this state is

1 adjudged invalid by a court of competent jurisdiction such judgment
2 shall not affect or impair the validity of the other provisions of the
3 article or the application thereof to other political subdivisions of
4 this state, persons, and circumstances.

5 § 12. This act shall take effect on the first of March next succeeding
6 the date on which it shall have become a law; provided, however that the
