

STATE OF NEW YORK

10132

IN ASSEMBLY

April 29, 2022

Introduced by M. of A. LAWLER -- read once and referred to the Committee on Governmental Employees

AN ACT granting retroactive membership in the New York state and local police and fire retirement system to Paul Valentine Jr.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other law to the contrary, Paul Valentine Jr., an employee of the Town of Orangetown and a member of the New York state and local police and fire retirement system, who for reasons not ascribable to his own negligence, failed to become a member of the New York state and local employees' retirement system during his employment with the Town of Orangetown on June 26, 2001, shall be deemed to have joined the New York state and local police and fire retirement system on such date and shall be granted Tier II status in the New York state and local police and fire retirement system, if, within one year of the effective date of this act, he shall file a written request with the state comptroller.

2 § 2. No contributions made to the New York state and local retirement system by Paul Valentine Jr. shall be returned or refunded to him pursuant to this act.

3 § 3. All past service costs of implementing the provisions of this act shall be borne by the Town of Orangetown.

4 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide Paul Valentine Jr. a date of membership of June 26, 2001 resulting in Tier 2 status in the New York State and Local Police and Fire Retirement System. The member is currently in Tier 6. There will be no refund of member contributions.

If this bill is enacted during the 2022 legislative session, we anticipate that there will be an increase of approximately \$9,400 in the annual contributions of the Town of Orangetown for the fiscal year ending March 31, 2023. In future years, this cost will vary as the billing rates and salary of Paul Valentine Jr. change.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD15200-05-2

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$5,320 which will be borne by the Town of Orangetown as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023.
