Introduced by M. of A. GUNTHER, RAMOS, LUPARDO, ABINANTI, WALLACE, PALMESANO -- Multi-Sponsored by -- M. of A. BRAUNSTEIN -- read once and referred to the Committee on Mental Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the mental hygiene law and the executive law, in relation to requiring legislative approval for the closure of certain office of mental health, office for people with developmental disabilities or office of children and family services facilities and institutions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The mental hygiene law is amended by adding a new section
2 13.18 to read as follows:

3 § 13.18 Closure of facilities.

4 The commissioner shall submit a written report to the legislature at
5 least three hundred sixty-five days prior to the date the office is
6 seeking closure of any facility or institution. Such report shall
7 include justification for the proposed closure. The legislature may
8 require any additional information or data that it deems necessary in
9 such report. If the legislature, or the appropriate committees thereof,
10 upon review of the report submitted to it by the office, finds that the
11 proposed closure is not justified then closure shall not occur until
12 approved by a majority vote of each house of the legislature.

13 § 2. Subdivision (e) of section 7.17 of the mental hygiene law, as
14 amended by chapter 723 of the laws of 1993, paragraph 1 as amended by
15 chapter 170 of the laws of 1994, paragraph 3 as amended by chapter 83 of
16 the laws of 1995, is amended to read as follows:

17 (e) In the event that the plan for state and local mental health
18 services, developed in accordance with subdivision (b) of this section,

determines that significant service reductions are anticipated for a particular state-operated hospital or its catchment area, or a state-operated research institute, the commissioner shall take the following actions[~~, provided nothing in this subdivision shall create a basis for enjoining any otherwise lawful service reductions~~]:

1. submit a written report to the legislature at least three hundred sixty-five days prior to the date the office is seeking closure of any facility or institution. Such report shall include justification for the proposed closure. The legislature may require any additional information or data that it deems necessary in such report. If the legislature, or the appropriate committees thereof, upon review of the report submitted to it by the office, finds that the proposed closure is not justified then closure shall not occur until approved by a majority vote of each house of the legislature.

2. confer with the department of civil service, the governor's office of employee relations and any other state agency to develop strategies which attempt to minimize the impact on the state workforce by providing assistance in obtaining state employment in state-operated community-based services or other employment opportunities, and to develop strategies for the development of necessary retraining and redeployment programs. In planning such strategies, the commissioner shall provide for the participation of the representatives of the employee labor organizations and for the participation of managerial and confidential employees to ensure continuity of employment;

~~[2-]~~ 3. consult with the department of economic development and any other appropriate state agencies to develop strategies which attempt to minimize the impact of such significant service reductions on the local and regional economies;

~~[3-]~~ 4. provide for a mechanism which may reasonably be expected to provide notice to local governments, community organizations, employee labor organizations, managerial and confidential employees, consumer and advocacy groups of the potential for significant service reductions at such state-operated hospitals and state-operated research institutes at least twelve months prior to commencing such service reduction, provided, however, that this requirement shall be deemed satisfied with respect to reductions at Central Islip Psychiatric Center, Gowanda Psychiatric Center, Harlem Valley Psychiatric Center, Kings Park Psychiatric Center, Willard Psychiatric Center and Manhattan Children's Psychiatric Center; and

~~[4-]~~ 5. consult with the office of general services and any other appropriate state agency in developing a mechanism for determining alternative uses for land and buildings to be vacated by the office of mental health. Such a mechanism should include a review of other programs or state agencies that could feasibly expand their operations onto a state-operated hospital campus and are compatible with health, safety and programmatic needs of patients served in such facilities.

§ 3. Subdivision 15 of section 501 of the executive law, as amended by section 1 of part H of chapter 58 of the laws of 2006, is amended to read as follows:

15. In the event that the office of children and family services determines that significant service reductions, public employee staffing reductions and/or the transfer of operations to a private or not-for-profit entity are anticipated in the office of children and family services long term planning process or for a particular facility in a future year, to take the following actions:

(a) submit a written report to the legislature at least three hundred sixty-five days prior to the date the office of children and family services is seeking closure of any secure or limited secure facility. Such report shall include justification for the proposed closure. The legislature may require any additional information or data that it deems necessary in such report. If the legislature, or the appropriate committees thereof, upon review of the report submitted to it by the office of children and family services, finds that the proposed closure is not justified then closure shall not occur until approved by a majority vote of each house of the legislature.

(b) confer with the department of civil service, the governor's office of employee relations and any other state agency to develop strategies which attempt to minimize the impact on the state workforce by providing assistance in obtaining state employment in state-operated community-based services or other employment opportunities, and to develop strategies for the development of necessary retraining and redeployment programs. In planning such strategies, the commissioner of the office of children and family services shall provide for the participation of the representatives of the employee labor organizations and for the participation of managerial and confidential employees to ensure continuity of employment;

~~(b)~~ (c) consult with the department of economic development and any other appropriate state agencies to develop strategies which attempt to minimize the impact of such significant service reductions, public employee staffing reductions and/or the transfer of operations to a private or not-for-profit entity on the local and regional economies;

~~(c)~~ (d) provide for a mechanism which may reasonably be expected to provide notice to local governments, community organizations, employee labor organizations, managerial and confidential employees, consumer and advocacy groups of the potential for significant service reductions, public employee staffing reductions and/or the transfer of operations to a private or not-for-profit entity at such state-operated facilities, at least twelve months prior to commencing such service reduction; and

~~(d)~~ (e) consult with the office of general services and any other appropriate state agency in developing a mechanism for determining alternative uses for land and buildings to be vacated by the office of children and family services. Such a mechanism should include a review of other programs or state agencies that could feasibly expand their operations onto a state-operated campus and are compatible with health, safety and programmatic needs of persons served in such facilities.

§ 4. Severability. If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

§ 5. This act shall take effect on the thirtieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
