1 that if the department demonstrates reasonable efforts to commence a  
2 hearing within such sixty day period and to complete such hearing within  
3 a reasonable period of time, the hearing officer may authorize the  
4 department to extend the period of suspension or limitation for an  
5 appropriate period of time, but in no event beyond an additional thirty

7 § 2. Subdivision 7 of section 460-d of the social services law, as  
8 added by chapter 669 of the laws of 1977, paragraph (a) as amended by  
9 chapter 719 of the laws of 1989, paragraph (b) as amended by chapter 524

12 7. (a) The department shall adopt regulations establishing civil  
13 penalties of up to [~~one~~] two thousand dollars per day per violation,  
14 and, for repeat violations, under subparagraph two of paragraph (c) of  
15 this subdivision for which a prior penalty was assessed, up to three  
16 thousand dollars per day per violation to be assessed against all adult  
17 care facilities except facilities operated by a social services district  
18 for violations of (i) regulations of the department pertaining to the  
19 care of residents in such facilities, (ii) paragraph (a) of subdivision  
20 three of section four hundred sixty-one-a of this [~~chapter~~] article, or  
21 (iii) an order issued pursuant to subdivision eight of this section. The  
22 regulations shall specify the violations subject to penalty and the  
23 amount of the penalty to be assessed in connection with each such  
24 violation and shall specify that only civil penalties of up to [~~one~~] two  
25 thousand dollars per day per violation shall be assessed pursuant to  
26 this paragraph against an adult care facility found responsible for an  
27 act of retaliation or reprisal against any resident, employee, or other  
28 person for having filed a complaint with or having provided information  
29 to any long term care [~~patient~~] ombudsman functioning in accordance with  
30 section [~~five hundred forty-four or five hundred forty-five~~] two hundred  
31 eighteen of the [~~executive~~] elder law.

32 (b) [~~(1)~~] In addition to any other civil or criminal penalty provided  
33 by law, the department shall have the power to assess civil penalties in  
34 accordance with its regulations adopted pursuant to paragraph (a) of  
35 this subdivision, after a hearing conducted in accordance with the  
36 procedures established by regulations of the department. Such procedures  
37 shall require that notice of the time and place of the hearing, together  
38 with a statement of charges of violations, shall be served in person or  
39 by certified mail addressed to the facility at least thirty days prior  
40 to the date of the hearing. The statement of charges of violations shall  
41 set forth the existence of the violations, the amount of penalty for  
42 which it may become liable and the steps which must be taken to rectify  
43 the violation and, where applicable, a statement that the department  
44 contends that a penalty may be imposed under this paragraph regardless  
45 of rectification. An answer to the charges of violations, in writing,  
46 shall be filed with the department, not less than ten days prior to the  
47 date of hearing. The answer shall notify the department of the facili-  
48 ty's position with respect to each of the charges and shall include all  
49 matters which if not disclosed in the answer would be likely to take the  
50 department by surprise. The commissioner, or a member of his staff who  
51 is designated and authorized by him to hold such hearing, may in his  
52 discretion allow the facility to prove any matter not included in the  
53 answer.

54 (c) (1) Where the facility satisfactorily demonstrates that it either  
55 had rectified the violations within thirty days of receiving written  
56 notification of the results of the inspection pursuant to section four

1 hundred sixty-one-a of this [~~chapter~~] article, or had submitted within  
2 thirty days an acceptable plan for rectification and was rectifying the  
3 violations in accordance with the steps and within the additional peri-  
4 ods of time as accepted by the department in such plan, no penalty shall  
5 be imposed, except as provided in subparagraph two of this paragraph.

6 (2) Rectification shall not preclude the assessment of a penalty if  
7 the department establishes at a hearing that a particular violation,  
8 although corrected[~~, -- endangered or resulted in harm to any resident as~~  
9 ~~the result of~~]:

10 (i) endangered any resident. Endangerment is defined as:

11 (A) the total or substantial failure of the facility's fire detection  
12 or prevention systems, or emergency evacuation procedures prescribed by  
13 department safety standard regulations;

14 ~~[(ii)]~~ (B) the retention of any resident who has been evaluated by the  
15 resident's physician as being medically or mentally unsuited for care in  
16 the facility or as requiring placement in a hospital or residential  
17 health care facility and for whom the operator is not making persistent  
18 efforts to secure appropriate placement;

19 ~~[(iii)]~~ (C) the failure in systemic practices and procedures which  
20 shall be defined as widespread or chronic, and material, noncompliance  
21 with statutory or regulatory requirements, including but not limited to  
22 the rights of residents under section four hundred sixty-one-d of this  
23 article;

24 ~~[(iv)]~~ (D) the failure of the operator to take actions as required by  
25 department regulations in the event of a resident's illness or accident;

26 ~~[(v)]~~ (E) the failure of the operator to provide at all times super-  
27 vision of residents by numbers of staff at least equivalent to the night  
28 staffing requirement set forth in department regulations; or

29 ~~[(vi)]~~ (F) [unreasonable] threats of retaliation or taking reprisals,  
30 including but not limited to [unreasonable] threats of eviction or  
31 hospitalization, against any resident, employee or other person who  
32 makes a complaint concerning the operation of an adult care facility,  
33 participates in the investigation of a complaint or is the subject of an  
34 action identified in a complaint[~~-~~

35 ~~The department shall specify in its regulations those regulations to~~  
36 ~~which this subparagraph two shall apply.~~

37 ~~(3) In assessing penalties pursuant to this paragraph, the department~~  
38 ~~shall consider promptness of rectification, delay occasioned by the~~  
39 ~~department, and the specific circumstances of the violations as mitigat-~~  
40 ~~ing factors.~~

41 ~~(e)]~~; or

42 (ii) resulted in harm to any resident, including but not limited to:

43 (A) physical harm;

44 (B) loss or denial of access to money or other personal property,

50 article, or (II) an egregious failure by an operator, administrator,  
51 case manager, or other employee in a supervisory position to ensure the  
52 rights of a resident under section four hundred sixty-one-d of this  
53 article; or

55 a violation of the same provision of regulation for which the facility

1 received notice of a citation issued by the department at any time in  
2 the previous twelve months.

3 (d) In assessing penalties pursuant to this paragraph, the department  
4 shall consider promptness of rectification, delay occasioned by the  
5 department, and the specific circumstances of the violations as mitigat-  
6 ing factors.

7 (e) Upon the request of the department, the attorney general may  
8 commence an action in any court of competent jurisdiction against any  
9 facility subject to the provisions of this section, and against any  
10 person or corporation operating such facility, for the recovery of any  
11 penalty assessed by the department in accordance with the provisions of  
12 this subdivision.

13 ~~[(d)]~~ (f) Any such penalty assessed by the department may be released  
14 or compromised by the department, subject to and consistent with para-  
15 graph (c) of this subdivision, before the matter has been referred to  
16 the attorney general, and where such matter has been referred to the  
17 attorney general, any such penalty may be released or compromised and  
18 any action commenced to recover the same may be settled and discontinued  
19 by the attorney general, after considering paragraph (c) of this subdi-  
20 vision and with the consent of the department.

21 § 3. Paragraphs (a) and (b) of subdivision 9 of section 460-d of the  
22 social services law, paragraph (a) as amended by chapter 558 of the laws  
23 of 1999 and paragraph (b) as added by chapter 848 of the laws of 1992,  
24 are amended to read as follows:

25 (a) The department shall have authority to impose a civil penalty [~~not~~  
26 ~~exceeding one thousand dollars per day~~] consistent with section twelve  
27 of the public health law against, and to issue an order requiring the  
28 closing of, after notice and opportunity to be heard, any facility which  
29 does not possess a valid operating certificate issued by the department  
30 and is an adult care facility subject to the provisions of this article  
31 and the regulations of the department. A hearing shall be conducted in  
32 accordance with procedures established by department regulations which  
33 procedures shall require that notice of the determination that the  
34 facility is an adult care facility and the reasons for such determi-  
35 nation and notice of the time and place of the hearing be served in  
36 person on the operator, owner or prime lessor, if any, or by certified  
37 mail, return receipt requested, addressed to such person and received at  
38 least twenty days prior to the date of the hearing. If such operator,  
39 owner or prime lessor, if any, is not known to the department, then  
40 service may be made by posting a copy thereof in a conspicuous place  
41 within the facility or by sending a copy thereof by certified mail,  
42 return receipt requested, addressed to the facility. A written answer to  
43 the notice of violation may be filed with the department not less than  
44 five days prior to the date of the hearing. Demonstration by the facil-  
45 ity that it possessed an operating certificate issued pursuant to this  
46 article, article twenty-eight of the public health law or article

49 defense to any charges made pursuant to this subdivision.

50 (b) [~~The penalty authorized by this section shall begin to run thirty~~  
51 ~~days after the department provides the operator, in writing, with a~~  
52 ~~summary of the inspection of the facility by which the department deter-~~  
53 ~~mined that he or she is operating an uncertified adult care facility.~~]  
54 The submission of an application by the operator for an operating  
55 certificate for the facility shall not act as a bar to the imposition of  
56 a penalty against the operator of an unlicensed adult care facility.

§ 4. Paragraph (c) of subdivision 9 of section 460-d of the social services law is amended by adding a new subparagraph (iv) to read as follows:

(iv) If the department of health determines, based on a complaint or other facts known to the department, that there is reason to believe that an individual or entity is operating an adult home, enriched housing program, or residence for adults which does not possess a valid operating certificate issued by the department, and that one or more conditions or activities at such facility constitute or are likely to give rise to an immediate danger to the health of the residents, and awaiting a court order pursuant to subparagraph (iii) of this paragraph would be seriously detrimental to the health of such residents, the department of health may, notwithstanding an objection by the operator, administrator or other person in charge, inspect the entire premises, which shall include access to all dwellings on the said property which house tenants/occupants as well as access to such tenants/occupants, for the purpose of ascertaining whether such danger exists or is likely to arise on an immediate basis. The department of health may request the assistance of local law enforcement for purposes of carrying out such inspection and may take any appropriate action if it determines that such danger exists or is likely to arise, including issuing a written notice directing the operator, administrator or other person in charge of such facility to cease or correct the condition or activity at issue.
