

STATE OF NEW YORK

2330

2021-2022 Regular Sessions

IN ASSEMBLY

January 14, 2021

Introduced by M. of A. JACOBSON, DICKENS, SIMON, REYES, THIELE, GALEF, GOTTFRIED, STERN, ZEBROWSKI, COLTON, ENGLEBRIGHT, MAGNARELLI, L. ROSENTHAL, BRABENEC, GUNTHER, LAVINE, RAMOS, SEAWRIGHT -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the public service law, in relation to directing the public service commission study the feasibility and the costs of burying all or most of the electrical, telephone and internet transmission lines in New York state and to publish and deliver a report of its findings to the governor and the legislature, and requiring new electrical, telephone and internet transmission lines to be buried underground

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public service law is amended by adding two new
2 sections 119-d and 119-e to read as follows:

3 § 119-d. Buried line study. 1. The commission shall conduct a study to
4 analyze the feasibility and the costs of burying underground all or most
5 of the existing electrical, telephone and internet transmission lines in
6 New York state. Such study shall include an analysis of:

7 (a) the economic and environmental benefits from burying such existing
8 lines; and

9 (b) the economic cost burden of doing so, if any, including an esti-
10 mate of what the cost per utility customer would be, the number of jobs
11 to be created to complete the project and a timeline for completion of
12 the project.

13 2. In analyzing costs and benefits for the purposes of this study, the
14 commission shall consider the varying geographical areas of the state
15 and report separately on the impact particular areas might have on the
16 project. The study shall also quantify the economic costs and benefits
17 of burying existing electrical, telephone and internet transmission

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD05957-01-1

1 lines to utility customers and shall disaggregate the results by utili-
2 ty. The study shall calculate the cost per customer of the entire cost
3 of project statewide, regardless of where the customer lives, for the
4 life of the project on a monthly basis.

5 3. Within one hundred eighty days of the effective date of this
6 section, the commission shall:

7 (a) publish the report of its findings on its website in a location
8 accessible to the public; and

9 (b) deliver a copy of the report to the governor, the temporary presi-
10 dent of the senate, the speaker of the assembly, the chair of the senate
11 energy and telecommunications committee and the chair of the assembly
12 energy committee.

13 § 119-e. Buried lines. 1. Notwithstanding any law, rule or regulation
14 to the contrary, to the greatest extent possible, all new electrical,
15 telephone and internet transmission lines installed in the state shall
16 be buried underground.

17 2. The provisions of this section shall apply to electrical, telephone
18 and internet transmission lines for which preliminary permits are issued
19 on and after the effective date of this section.

20 § 2. This act shall take effect immediately.
