AN ACT to direct all hospitals and medical professionals treating patients for a drug overdose to inquire whether the patient has previously participated in either an in-patient or out-patient rehabilitation program, and to report their findings to the New York state office of addiction services and supports (OASAS)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "Christina O'Donnell act".

3 § 2. All hospitals and medical professionals treating patients for a
4 drug overdose shall be required to inquire whether a patient has previ-
5 ously participated in either an in-patient or out-patient rehabilitation
6 program. All findings shall be reported to the New York state office of
7 addiction services and supports (OASAS).

8 § 3. All hospitals, medical professionals and drug
9 treatment/rehabilitation centers shall be required to report case
10 details to OASAS for any applicant that they deny addiction treatment
11 to. Such case details shall include the written reason why the applicant
12 was denied treatment, including applicants who were unable to gain
13 placement on a waiting list to receive treatment.

14 § 4. The office of court administration shall report to OASAS:

15 a. the number of defendants that have been sentenced to drug treatment
16 services;

17 b. how many of those defendants have been required to participate in
18 an in-patient program; and

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 c. how many of those defendants have been required to participate in
2 an out-patient program.

3 § 5. The commissioner of OASAS, or his or her designee, shall publish
4 a report, available to the general public, on its findings including but
5 not limited to:

6 a. the total number of reported overdoses reported by hospitals and
7 medical professionals and office of court administration;

8 b. the total number of overdose patients who have participated in a
9 rehabilitation program before;

10 c. whether the rehabilitation program that they participated in was an
11 in-patient or out-patient program; and

12 d. all information required by section three of this act.

13 § 6. The commissioner's report shall be filed within one year of the
14 effective date of this act, unless the commissioner of OASAS requests in
15 writing, an extension of time. The commissioner shall then conduct an
16 outreach program to inform local governments, private organizations and
17 the public regarding the finding of such report.

18 § 7. This act shall take effect immediately.
