2021-2022 Regular Sessions

IN ASSEMBLY

January 26, 2021

Introduced by M. of A. L. ROSENTHAL -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to authorizing and establishing a training program for paramedics for the administration of buprenorphine

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 3309 of the public health law is amended by adding
2 a new subdivision 7 to read as follows:

3 7. The commissioner shall develop a training program and associated
4 training materials for paramedics providing emergency medical services
5 on protocols for the administration of buprenorphine upon the adminis-
6 tration of naloxone. Paramedics shall be authorized to carry buprenor-
7 phine for administration pursuant to such protocols in cases of a
8 suspected overdose. Such protocols shall permit the administration of
9 buprenorphine upon a paramedic receiving:

10 (a) authorization from the physician supervising such paramedic; and
11 (b) informed consent from the person receiving such emergency medical
12 services.

13 § 2. The public health law is amended by adding a new section 3055 to
14 read as follows:

15 § 3055. Buprenorphine administration. The commissioner shall provide
16 the training program relating to the administration of buprenorphine
17 upon the administration of naloxone pursuant to subdivision seven of
18 section thirty-three hundred nine of this chapter to all paramedics
19 providing emergency medical services. Upon completion of such training
20 paramedics shall be authorized to carry buprenorphine for administration
21 in cases of a suspected overdose pursuant to the established protocols.

22 § 3. This act shall take effect on the one hundred eightieth day after
23 it shall have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
