3954--A

2021-2022 Regular Sessions

IN ASSEMBLY

January 29, 2021

Introduced by M. of A. THIELE -- read once and referred to the Committee on Agriculture -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the agriculture and markets law, the state finance law, and the economic development law, in relation to procurement of locally grown farm and food products and codifying the New York state council on food policy

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Short title. This act shall be known and may be cited as
2	the "local food, farms, and jobs act".
3	§ 2. Section 16 of the agriculture and markets law is amended by
4	adding a new subdivision 6-a to read as follows:
5	6-a. Establish a New York state council on food policy. The purpose
б	of the council shall be to facilitate the growth of a New York-based
7	local farm and food product economy that revitalizes rural and urban
8	communities, promotes healthy eating with access to fresh foods, creates
9	jobs, ensures a readily available supply of safe food in an emergency
10	event, and supports economic growth through making local farm or food
11	<u>products available to all New York citizens.</u>
12	(a) The responsibilities of the council shall include, but are not
13	<u>limited to, the following:</u>
14	(i) to develop and recommend a food policy for the state which recog-
15	nizes that it is in the best interests of the state to ensure the avail-
16	ability of an adequate supply of affordable, fresh and nutritious food
17	to its residents;
18	(ii) to develop and recommend state policies to expand agricultural
19	production, including locally-grown and organically-grown food;
20	(iii) to develop and recommend a strategic plan for implementation of
21	the state food policy, including benchmarks and criteria for measuring
22	progress in achieving state food policy objectives;
23	(iv) to offer comments on state regulations, legislation and budget
24	proposals in the area of food policy, to ensure a coordinated and
25	comprehensive inter-agency approach to food policy issues;

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD04684-03-1

A. 3954--A

1	(v) to assist state agencies, state-owned facilities, and other enti-
2	ties with the purchase of local farm or food products and with tracking
3	and reporting of such purchases in order to meet the goals established
4	in this section;
5	(vi) to assist local farm and food entrepreneurs to identify and
б	secure necessary resources and equipment to begin, maintain, and expand
7	projects and networks necessary for the development of local farm or
8	food products; provided, however, that the council will facilitate
9	program start-ups and then relinquish rights, benefits, and control
10	within a reasonably short duration of time;
11	(vii) to facilitate the building of infrastructure, including aggre-
12	gation, processing, storage, packaging, and distribution facilities
13	necessary to move local farm or food products to local and other
14	markets;
15	(viii) to support and expand programs that recruit, train, and provide
16	technical assistance to New York farmers and residents in order to
17	encourage the production of local farm or food products;
18	(ix) to coordinate interagency policies, initiatives, and procedures
19	promoting local farm and food products in New York communities, by work-
20	ing with and involving state, federal, and local agencies, as well as
21	community based organizations, educational institutions, and trade
22	organizations in executing the purposes of this section;
23	(x) to facilitate the elimination of legal barriers hindering the
24	development of a local farm and food economy by working with federal,
25	state, and local public health agencies, other agencies and applicable
26	entities, and the New York attorney general to create consistent and
27	compatible regulations for the production, storage, distribution, and
28	marketing of local farm or food products;
29	(xi) to facilitate the use of public lands for growing local farm or
30	food products by working with governmental entities at the local, state,
31	and federal levels;
32	(xii) to set annual goals for all purchases of local farm or food
33	products by New York residents and to monitor the development and expan-
34	sion of a local farm and food economy through data collection, tracking,
35	measurement, analysis, and reporting on progress made in an annual
36	report to the legislature; and
37	(xiii) to initiate and facilitate public awareness campaigns about the
38	economic benefits of a local farm and food economy.
39	(b) (i) The council shall consist of thirteen voting members as
40	follows: six members with experience and expertise related to agricul-
41	ture, nutrition or food policy appointed on the recommendation of the
42	legislative leaders, two each by the temporary president of the senate
43	and the speaker of the assembly, and one each by the minority leader of
44	the senate, and the minority leader of the assembly; the dean of the New
45	York state college of agriculture and life sciences; and six members
46	shall be appointed by the governor.
47	(ii) The council shall consult on a regular basis with an advisory
48	board consisting of: the commissioner, the commissioner of health, the
40 49	commissioner of the office of temporary and disability assistance, the
49 50	commissioner of the office of children and family services, the commis-
	sioner of education, the director of the office for the aging and eight
51 52	members appointed by the governor.
	(c) (i) The six council members selected by the legislative leaders
53 54	shall be appointed to three-year staggered terms as determined by the
54 55	shall be appointed to three-year staggered terms as determined by the legislature. Such persons may be nominated by organizations representing
1.1	TEVISIONE, AUCH DELSONS MAY DE DOMENNERD DV OFDALLZALIOUS TEDTESENEIND.

A. 3954--A

1	the sectors outlined in paragraph (b) of this subdivision. Vacancies
2	shall be filled by the legislative leaders.
3	(ii) The six council members selected by the governor and the dean of
4	the New York state college of agriculture and life sciences shall be
5	appointed to three-year staggered terms as determined by the governor.
б	(iii) The members of the advisory board shall be appointed to three-
7	year staggered terms as determined by the governor. Such persons shall
8	be nominated by organizations representing the sectors outlined in para-
9	graph (b) of this subdivision. Vacancies shall be filled by the gover-
10	nor.
11	(d) The council may apply for and establish a not-for-profit corpo-
12	ration.
13	(e) The board of directors shall elect its presiding officers from
14	among its members and may elect or appoint an executive committee, other
15	committees, and subcommittees to conduct the business of the organiza-
16	tion.
17	(f) The council may solicit grants, loans, and contributions from
18	public or private sources and may enter into any contracts, grants,
19	loans, or agreements with respect to the use of such funds to execute
20	the purposes of this subdivision.
21	(q) The council shall issue a written report on the first day of
22	December each year on: (i) the activities of the council during the
23	preceding year; (ii) recommended food policies for the state; (iii)
24	recommended changes to the strategic plan; (iv) an account of the
25	progress made in achieving the goals of the council; and (v) actions
26	which are necessary to implement the recommendations of the council and
27	effectuate its purposes.
28	(h) Subject to the availability of public or private funds, the board
29	of directors may employ an executive director, treasurer, other staff,
30	or independent contractors necessary to execute the purposes of this
31	subdivision, and it may fix the compensation, benefits, terms, and
32	conditions of those persons' employment.
33	(i) The state governmental agencies represented on the board of direc-
34	tors may re-direct existing staff, as appropriations permit; assist in
35	executing the purposes of this subdivision; and provide office space,
36	meeting space, and other research and communication services as appro-
37	<u>priate.</u>
38	(j) No member of the council shall be disqualified from holding any
39	public office or employment, nor shall he or she forfeit any such office
40	or employment by virtue of his or her appointment hereunder. Members of
41	the council shall receive no compensation for their services but shall
42	be allowed their actual and necessary expenses incurred in the perform-
43	ance of their functions hereunder. All members of the council shall
44	serve at the pleasure of the governor and vacancies shall be filled in
45	the same manner as original appointments.
46	\S 3. The state finance law is amended by adding a new section 163-c to
47	read as follows:
48	§ 163-c. Procurement goals for local farm or food products. 1. For
49	the purposes of this section, "local farm or food products" are products
50	grown, processed, packaged, and distributed by New York citizens or
51	businesses located wholly within the borders of New York state.
52	2. (a) In order to create, strengthen, and expand local farm and food
53	economies throughout New York, it shall be the goal of this state that:
54	(i) twenty percent of all food and food products purchased by state
55	agencies and state-owned facilities, including, without limitation,
56	facilities for persons with mental health and developmental disabili-

A. 3954--A

1	ties, correctional facilities, and public universities, shall, by two
2	thousand twenty-two, be local farm or food products; and
3	(ii) fifty percent of all food and food products purchased by state
4	agencies and state-owned facilities, including, without limitation,
5	facilities for persons with mental health and developmental disabili-
б	ties, correctional facilities, and public universities, shall, by two
7	thousand twenty-six, be local farm or food products.
8	(b) The New York state council on food policy shall support and
9	encourage that twenty-five percent of food and food products purchased
10	by entities funded in part or in whole by state funds, which spend more
11	than twenty-five thousand dollars per year on food or food products for
12	its students, residents, or clients, including, without limitation,
13	public schools, child care facilities, after-school programs, and hospi-
14	tals, shall, by two thousand twenty-three, be local farm or food
15	products. The goal shall increase to forty percent by two thousand twen-
16	ty-eight.
17	(c) To meet the goals set forth in this section, when a state contract
18	for purchase of food or food products is to be awarded to the lowest
	responsible bidder, an otherwise qualified bidder who will fulfill the
19	
20	contract through the use of local farm or food products may be given
21	preference over other bidders, provided that the cost included in the
22	bid of local farm or food products is not more than ten percent greater
23	than the cost included in a bid that is not for local farm or food
24	products.
25	(d) All state agencies and state-owned facilities that purchase food
26	and food products shall, with the assistance of the New York state coun-
27	cil on food policy, develop a system for (i) identifying the percentage
28	of local farm or food products purchased for fiscal year two thousand
28 29	twenty-two as the baseline; and (ii) tracking and reporting local farm
28 29 30	twenty-two as the baseline; and (ii) tracking and reporting local farm or food products purchases on an annual basis.

Section 16 of the agriculture and markets law is amended by adding a new subdivision 52 to read as follows: 52. Establish, and make available on its website, a geo-coded elec- tronic database to facilitate the purchase of fresh produce and food products by schools. The database shall be developed jointly with the New York state council on food policy and, at a minimum, contain the information necessary for (a) schools to identify and contact agricul- tural producers that are interested in supplying schools in the state with fresh produce and food products and (b) agricultural producers of fresh produce and food products to identify schools in the state that are interested in purchasing those products. § 5. Subdivisions 8 and 9 of section 180-a of the economic development law, as added by chapter 550 of the laws of 1999, are amended to read as follows: 8. geographically balanced public input and advice from individuals and agencies directly involved with the production, processing, manufac- turing and storage of agricultural products; and such other individuals and agencies as may be engaged in state and local activities in support of economic development in the agriculture resource industry; [and] 9. the establishment and purposes of the New York state council on</pre>
