AN ACT to amend the public buildings law, in relation to authorizing the
use of cool roofs on new or substantially renovated state-owned build-
ings

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

Section 1. The section heading and subdivision 1 of section 83 of the
public buildings law, as added by chapter 380 of the laws of 2009, are
amended to read as follows:

Agency green building and cool roof construction requirements. 1.
~~[The]~~ (a) For purposes of minimizing the consumption of energy and
providing for the efficient utilization of resources expended in the use
and occupancy of state buildings, the construction of new buildings and
the substantial renovation of existing buildings shall comply with such
green construction requirements and procedures as shall have been estab-
lished by the office in regulations pursuant to subdivision two of this
section.

(b) For the purpose of increasing solar reflectance and thermal emit-
tance of agency buildings, new construction of agency buildings with
flat roofs or substantial renovation of the roof subsystem of agency
buildings with flat roofs shall comply with the cool roof standards and
regulations promulgated by the office pursuant to subdivision two of
this section. Such standards and regulations shall require the use of
materials and/or methods including, but not be limited to:

(i) Inherently cool roofing materials such as white vinyl;

(ii) Coated roofs and white paint based products;

(iii) Green roofs using plant-based materials for insulation cover.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
