2021-2022 Regular Sessions

IN ASSEMBLY

February 1, 2021

Introduced by M. of A. SCHMITT -- read once and referred to the Committee on Higher Education

AN ACT to amend the public health law and the agriculture and markets law, in relation to euthanasia technicians; and to repeal certain provisions of the education law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 13 of section 6705 of the education law is 2 REPEALED.

- § 2. Paragraph (d) of subdivision 1 of section 3305 of the public 4 health law, as amended by chapter 635 of the laws of 1997, is amended to read as follows:
- (d) to a duly authorized agent of an incorporated society for the prevention of cruelty to animals or a municipal animal control facility for the limited purpose of buying, possessing, and dispensing to registered and certified [personnel] licensed euthanasia technicians, keta-10 mine hydrochloride to anesthetize animals and/or sodium pentobarbital to 11 euthanize animals, including but not limited to dogs and cats. The 12 department shall, consistent with the public interest, register such 13 duly authorized agent and such agent shall file, on a quarterly basis, a 14 report of purchase, possession, and use of ketamine hydrochloride and/or sodium pentobarbital, which report shall be certified by the society for 15 the prevention of cruelty to animals or municipal animal control facili-16 ty as to its accuracy and validity. This report shall be in addition to 17 any other record keeping and reporting requirements of state and federal 18 19 law and regulation. The department shall adopt rules and regulations 20 providing for the registration and certification of any [individual] 21 licensed euthanasia technician who, under the direction of the duly 22 authorized and registered agent of an incorporated society for the prevention of cruelty to animals, or municipal animal control facility, 24 uses ketamine hydrochloride to anesthetize animals and/or sodium pento-

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

barbital to euthanize animals, including but not limited to dogs and cats. The department may also adopt such other rules and regulations as shall provide for the safe and efficient use of ketamine hydrochloride and/or sodium pentobarbital by incorporated societies for the prevention of cruelty to animals and animal control facilities. Nothing in this paragraph shall be deemed to waive any other requirement imposed on incorporated societies for the prevention of cruelty to animals and animal control facilities by state and federal law and regulation.

- § 3. Subdivision 3 of section 374 of the agriculture and markets law, as added by chapter 479 of the laws of 2009, is amended to read as follows:
- 12 3. a. Except as provided in subdivision four of this section, euthana-13 sia of animals pursuant to this section shall be accomplished solely by 14 means of injection of sodium pentobarbital or sodium pentobarbital 15 solution administered by a [certified] licensed euthanasia technician, a 16 licensed veterinarian or a licensed veterinary technician. Euthanasia 17 by intracardiac injection of sodium pentobarbital or sodium pentobarbital solution shall be performed only upon animals that are heavily 18 sedated, anesthetized, or comatose. However, only a licensed veterinari-19 20 an may perform euthanasia by intracardiac injection of sodium pentobar-21 bital or sodium pentobarbital solution upon animals that are not heavily 22 sedated, anesthetized or comatose and only when such licensed veterinarian determines that such intracardiac injection is the most humane option available. Whenever a cardiac injection of sodium pentobarbital 23 24 25 or sodium pentobarbital solution is administered by a licensed veterina-26 rian upon an animal that is not heavily sedated, anesthetized or coma-27 tose, such veterinarian must document, in writing, the administration of such injection and the reason for its administration. Such documentation 28 29 shall be retained for at least three years. Under no circumstances shall 30 intracardiac injection be performed on animals that are not heavily 31 sedated, anesthetized or comatose where such animals are under the care 32 of any duly incorporated society for the prevention of cruelty to 33 animals, animal shelter, humane society or pound.
 - b. No animal shall be left unattended between the time that the euthanasia procedure begins and the time when death is confirmed. The body of a euthanized animal shall not be disposed of in any manner until death is confirmed by a licensed veterinarian, a [certified] licensed euthanasia technician or a licensed veterinary technician. Violations of this paragraph shall be punishable by a civil penalty of not [more] less than five hundred dollars.

The department of health shall promulgate regulations deemed necessary for implementation of the provisions of this subdivision, including regulations governing [the training and] certification of [certified] licensed euthanasia technicians.

§ 4. This act shall take effect immediately.
