2021-2022 Regular Sessions

IN ASSEMBLY

February 9, 2021

Introduced by M. of A. ABBATE, DeSTEFANO, DURSO -- read once and referred to the Committee on Governmental Employees -- recommitted to the Committee on Governmental Employees in accordance with Assembly Rule 3, sec. 2 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the retirement and social security law, in relation to implementing a presumption of performance of duty disability for post-traumatic stress disorder in certain employees of Suffolk county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The retirement and social security law is amended by adding
2 a new section 605-g to read as follows:

3 § 605-g. Accidental disability retirement for certain employees in
4 Suffolk county. Notwithstanding any provision of this chapter or of any
5 general, special or local law to the contrary, any member who serves in
6 Suffolk county as a public safety dispatcher I, public safety dispatcher
7 II, public safety dispatcher III, including Spanish speaking dispatchers
8 in such titles, emergency service dispatcher I, emergency service
9 dispatcher II, emergency service dispatcher III, including Spanish
10 speaking dispatchers in such titles, emergency complaint operator,
11 including Spanish speaking operators in such title, public safety offi-
12 cer I, public safety officer II, public safety officer III, including
13 Spanish speaking officers in such titles, and case worker or case worker
14 trainee in the department of social services family and children's
15 service administration, child protective services investigating bureau
16 and child protective preventative services bureau, who is diagnosed with
17 post-traumatic stress disorder, resulting in disability or death to such
18 member, presently employed, and who shall have sustained such disability
19 while so employed, shall be presumptive evidence that such disability
20 was incurred in the performance and discharge of duty and the natural
21 and proximate result of an accident, unless the contrary be proved by

1 competent evidence; provided, however, that prior to entry into service,
2 such member was not previously diagnosed with post-traumatic stress
3 disorder.

4 § 2. Notwithstanding any other provision of law to the contrary, none
5 of the provisions of this act shall be subject to section 25 of the
6 retirement and social security law.

7 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant improved disability eligibility to any Tier 3,
4, 5 or 6 member of the New York State and Local Employees' Retirement
System (NYSLERS) employed by any municipality within Suffolk County,
including Suffolk County itself, in the title of

1. public safety dispatcher,
2. public safety officer,
3. emergency complaint operator,
4. emergency service dispatcher, or
5. case worker with the Department of Social Services.

For any member so employed who is diagnosed with post-traumatic stress
disorder, resulting in disability, such diagnosis shall be considered as
presumptive evidence that the disability was incurred in the performance
of the member's duties and the result of an accident, unless the contra-
ry be proven by competent evidence and provided no such diagnosis was
made prior to employment with Suffolk County. The annual accidental
disability benefit for these members would be 1/3 of final average sala-
ry (FAS). Currently, in order to receive a 1/3 of FAS disability bene-
fit, members must have at least ten years of service.

Insofar as this bill affects the NYSLERS, if this legislation is
enacted during the 2022 legislative session, it would lead to more disa-
bilities being classified as "accidental. The cost of the benefit will
depend upon the applicant's age, service, and salary. It is estimated
that the per-person cost will be up to five and one half (5.5) times
salary.

The exact number of current members as well as future members who
could be affected by this legislation cannot be readily determined. All
costs arising from this bill would be shared by the State of New York
and all of the participating employers in the NYSLERS.
