

STATE OF NEW YORK

6008

2021-2022 Regular Sessions

IN ASSEMBLY

March 4, 2021

Introduced by M. of A. BRONSON -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to mandatory continuing education for mental health practitioners and clarifies authorization to practice

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The education law is amended by adding a new section 8413
2 to read as follows:

3 § 8413. Mandatory continuing education. 1. Requirement of continuing
4 education.

5 (a) Each licensed mental health counselor, marriage and family therapist,
6 psychoanalyst, and creative arts therapist required under this
7 article to register triennially with the department to practice in the
8 state shall comply with the provisions of the mandatory continuing
9 education requirements prescribed in subdivision two of this section
10 except as set forth in paragraphs (b) and (c) of this subdivision.
11 Licensed mental health counselors, marriage and family therapists,
12 psychoanalysts and creative arts therapists who do not satisfy the
13 mandatory continuing education requirements shall not practice until
14 they have met such requirements, and they have been issued a registra-
15 tion certificate, except that a licensed mental health counselor,
16 marriage and family therapist, psychoanalyst, and creative arts therapist
17 may practice without having met such requirements if he or she is
18 issued a conditional registration certificate pursuant to subdivision
19 three of this section.

20 (b) Each licensed mental health counselor, marriage and family therapist,
21 psychoanalyst, and creative arts therapist shall be exempt from
22 the mandatory continuing education requirement for the triennial registra-
23 tion period during which they are first licensed. In accordance with
24 the intent of this section, adjustment to the mandatory continuing

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD09892-01-1

1 education requirement may be granted by the department for reasons of
2 health certified by an appropriate health care professional, for
3 extended active duty with the armed forces of the United States, or for
4 other good cause acceptable to the department which may prevent compli-
5 ance.

6 (c) A licensed mental health counselor, marriage and family therapist,
7 psychoanalyst, and creative arts therapist not engaged in practice, as
8 determined by the department, shall be exempt from the mandatory contin-
9 uing education requirement upon the filing of a statement with the
10 department declaring such status. Any licensee who returns to the prac-
11 tice of mental health counseling, marriage and family therapy, psycho-
12 analysis, or creative arts therapy during the triennial registration
13 period shall notify the department prior to reentering the profession
14 and shall meet such mandatory education requirements as shall be
15 prescribed by regulations of the commissioner.

16 2. During each triennial registration period an applicant for regis-
17 tration as a licensed mental health counselor, marriage and family ther-
18 apist, psychoanalyst, and creative arts therapist shall complete a mini-
19 imum of thirty-six hours of acceptable formal continuing education as
20 specified in subdivision four of this section, a maximum of twelve hours
21 of which may be self-instructional course work acceptable to the depart-
22 ment. Any licensed mental health counselor, marriage and family thera-
23 pist, psychoanalyst, and creative arts therapist whose first registra-
24 tion date following the effective date of this section occurs less than
25 three years from such effective date, but on or after June thirtieth,
26 two thousand twenty-two, shall complete continuing education hours on a
27 prorated basis at the rate of one-half hour per month for the period
28 beginning June thirtieth, two thousand twenty-two up to the first regis-
29 tration date thereafter. A licensee who has not satisfied the mandatory
30 continuing education requirements shall not be issued a triennial regis-
31 tration certificate by the department and shall not practice unless and
32 until a conditional registration certificate is issued as provided for
33 in subdivision three of this section. Continuing education hours taken
34 during one triennium may not be transferred to a subsequent triennium.

35 3. The department, in its discretion, may issue a conditional regis-
36 tration to a licensee who fails to meet the continuing education
37 requirements established in subdivision two of this section but who
38 agrees to make up any deficiencies and complete any additional education
39 which the department may require. The fee for such a conditional regis-
40 tration shall be the same as, and in addition to, the fee for the trien-
41 nial registration. The duration of such conditional registration shall
42 be determined by the department but shall not exceed one year. Any
43 licensee who is notified of the denial of registration for failure to
44 submit evidence, satisfactory to the department, of required continuing
45 education and who practices without such registration may be subject to
46 disciplinary proceedings pursuant to section sixty-five hundred ten of
47 this title.

48 4. As used in subdivision two of this section, "acceptable formal
49 continuing education" shall mean formal courses of learning which
50 contribute to professional practice in mental health counseling,
51 marriage and family therapy, psychoanalysis, or creative arts therapy
52 and which meet the standards prescribed by regulations of the commis-
53 sioner. Such formal courses of learning shall include, but not be limit-
54 ed to, collegiate level credit and non-credit courses, professional
55 development programs and technical sessions offered by national, state
56 and local professional associations and other organizations acceptable

1 to the department, and any other organized educational and technical
2 programs acceptable to the department. The department may, in its
3 discretion and as needed to contribute to the health and welfare of the
4 public, require the completion of continuing education courses in
5 specific subjects to fulfill this mandatory continuing education
6 requirement. Courses must be taken from a sponsor approved by the
7 department, pursuant to the regulations of the commissioner.

8 5. Licensed mental health counselors, marriage and family therapists,
9 psychoanalysts, and creative arts therapists shall maintain adequate
10 documentation of completion of acceptable formal continuing education
11 and shall provide such documentation at the request of the department.
12 Failure to provide such documentation upon the request of the department
13 shall be an act of misconduct subject to disciplinary proceedings pursu-
14 ant to section sixty-five hundred ten of this title.

15 6. The mandatory continuing education fee shall be forty-five dollars,
16 shall be payable on or before the first day of each triennial registra-
17 tion period, and shall be paid in addition to the triennial registration
18 fee required by section sixty-seven hundred thirty-four of this title.

19 § 2. Subdivision 1 of section 8402 of the education law, as added by
20 chapter 676 of the laws of 2002, is amended to read as follows:

21 1. Definition of the practice of mental health counseling. The prac-
22 tice of the profession of mental health counseling is defined as:

23 (a) the evaluation, assessment, diagnosis, amelioration, treatment,
24 modification, or adjustment to a disability, problem, or disorder of
25 behavior, character, development, emotion, personality or relationships
26 by the use of verbal or behavioral methods with individuals, couples,
27 families or groups in private practice, group, or organized settings;
28 [and]

29 (b) the use of assessment instruments and mental health counseling and
30 psychotherapy to identify, evaluate, diagnose and treat dysfunctions and
31 disorders for purposes of providing appropriate mental health counseling
32 services; and

33 (c) diagnosis in the context of licensed mental health counseling
34 practice is the process of distinguishing between similar mental,
35 emotional, behavioral, developmental, and addictive disorders, impair-
36 ments and disabilities within a psychosocial framework on the basis of
37 their similar and unique characteristics consistent with accepted clas-
38 sification systems.

39 § 3. Subdivision 1 of section 8403 of the education law, as added by
40 chapter 676 of the laws of 2002, is amended to read as follows:

41 1. Definition of the practice of marriage and family therapy. The
42 practice of the profession of marriage and family therapy is defined as:

43 (a) the assessment, diagnosis and treatment of nervous and mental
44 disorders, whether affective, cognitive or behavioral, which results in
45 dysfunctional interpersonal family relationships including, but not
46 limited to familial relationships, marital/couple relationships,
47 parent-child relationships, pre-marital and other personal relation-
48 ships;

49 (b) the use of mental health counseling, psychotherapy and therapeutic
50 techniques to evaluate and treat marital, relational, and family
51 systems, and individuals in relationship to these systems;

52 (c) the use of mental health counseling and psychotherapeutic tech-
53 niques to treat mental, emotional and behavioral disorders and ailments
54 within the context of marital, relational and family systems to prevent
55 and ameliorate dysfunction; [and]

(d) the use of assessment instruments and mental health counseling and psychotherapy to identify ~~[and]~~, evaluate, diagnose and treat dysfunctions and disorders for purposes of providing appropriate marriage and family therapy services; and

(e) diagnosis in the context of licensed marriage and family therapy practice is the process of distinguishing between similar mental, emotional, behavioral, developmental, and addictive disorders, impairments and disabilities within a psychosocial framework on the basis of their similar and unique characteristics consistent with accepted classification systems.

§ 4. Subdivision 1 of section 8404 of the education law, as added by chapter 676 of the laws of 2002, is amended to read as follows:

1. Definition of the practice of creative arts therapy. The practice of the profession of creative arts therapy is defined as:

(a) the assessment, evaluation, diagnosis and the therapeutic intervention and treatment, which may be either primary, parallel or adjunctive, of mental, emotional, developmental and behavioral disorders through the use of the arts as approved by the department; ~~[and]~~

(b) the use of assessment instruments and mental health counseling and psychotherapy to identify, evaluate, diagnose and treat dysfunctions and disorders for purposes of providing appropriate creative arts therapy services; and

(c) diagnosis in the context of licensed creative arts therapy practice is the process of distinguishing between similar mental, emotional, behavioral, developmental, and addictive disorders, impairments and disabilities within a psychosocial framework on the basis of their similar and unique characteristics consistent with accepted classification systems.

§ 5. Subdivision 1 of section 8405 of the education law, as added by chapter 676 of the laws of 2002, is amended to read as follows:

1. Definition of the practice of psychoanalysis. The practice of the profession of psychoanalysis is defined as:

(a) the observation, description, evaluation, ~~[and]~~ interpretation, diagnosis and treatment of dynamic unconscious mental processes that contribute to the formation of personality and behavior in order to identify and resolve unconscious psychic problems which affect interpersonal relationships and emotional development, to facilitate changes in personality and behavior through the use of verbal and nonverbal cognitive and emotional communication, and to develop adaptive functioning; ~~[and]~~

(b) the use of assessment instruments and mental health counseling and psychotherapy to identify, evaluate, diagnose and treat dysfunctions and disorders for purposes of providing appropriate psychoanalytic services; and

(c) diagnosis in the context of licensed psychoanalysis practice is the process of distinguishing between similar mental, emotional, behavioral, developmental, and addictive disorders, impairments and disabilities within a psychosocial framework on the basis of their similar and unique characteristics consistent with accepted classification systems.

§ 6. This act shall take effect immediately; provided, however, section one of this act shall take effect June 30, 2022. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized and directed to be made and completed by the state education department.
