AN ACT to amend the retirement and social security law, in relation to accidental disability retirement for uniformed court officers and peace officers employed in the unified court system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision a of section 605-a of the retirement and social
2 security law, as amended by chapter 489 of the laws of 2008, is amended
3 to read as follows:

4 a. A member employed as a uniformed court officer or peace officer in
5 the unified court system shall be entitled to an accidental disability
6 retirement allowance if, at the time application therefor is filed, such
7 member is:

8 1. Physically or mentally incapacitated for performance of duty as the
9 natural and proximate result of an accident, not caused by his or her
10 own willful negligence, sustained in such service and while actually a
11 member of the retirement system; and

12 2. Actually in service upon which his or her membership is based.
13 However, in a case where a member is discontinued from service subse-

15 that the member meets the requirements of paragraph one of this subdivi-
16 sion, application may be made either (a) by a vested member incapac-
17 itated as the result of a qualifying World Trade Center condition as
18 defined in section two of this chapter at any time, or (b) not later

1 shall be entitled to accidental disability retirement unless the contra-
2 ry can be proven by competent evidence under this section.

3 § 2. Notwithstanding any other provision of law to the contrary, none
4 of the provisions of this act shall be subject to section 25 of the
5 retirement and social security law.

6 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Tier 3, 4, 5 and 6 uniformed court officers and peace officers in the unified court system to be eligible for an accidental disability for injuries sustained in the performance of duty as the result of a physical assault by an assailant, unless the contrary be proven by competent evidence. The benefit for an accidental disability would be 75% of final average salary less worker's compensation.

If this bill is enacted, the cost will vary depending on the members' age, service, tier and salary. It is estimated that the average per person cost will be approximately three (3) times salary.

The exact number of members who would be affected by this legislation cannot be readily determined. In all likelihood, very few members would be affected.
