1	(ix) discharge planning of health care services including planning for
2	discharges requiring residential placement or long-term care services;
3	and
4	(x) substance use disorders.
5	(b) Such [ <del>review</del> ] <u>reviews</u> shall be performed at least annually, and
6	shall focus on whether such [policy or practice is] policies or prac-
7	tices are consistent with current, generally accepted medical standards
8	and procedures used to prevent the transmission of and to treat those
9	infections and diseases among the general public. In performing such
10	reviews, in order to determine the quality and adequacy of care and
11	treatment provided, department personnel are authorized to enter correc-
12	tional facilities and inspect policy and procedure manuals and medical
13	protocols, interview health services providers and inmate-patients,
14	review medical grievances, and inspect a representative sample of
15	medical records of inmates known to be infected with any such infections
16	or diseases. Prior to initiating a review of a correctional system, the
17	commissioner shall inform the public, including patients, their families
18	and patient advocates, of the scheduled review and invite them to
19	provide the commissioner with relevant information.
20	(c) Upon the completion of such review, the department shall, in writ-
21	ing, approve such policy or practice as instituted in facilities oper-
22	ated by the department of corrections and community supervision, and in
23	any local correctional facility, or, based on specific, written recom-
24	mendations, direct the department of corrections and community super-
25	vision, or the authority responsible for the provision of medical care
26	to inmates in local correctional facilities to prepare and implement a
27	corrective plan to address deficiencies in areas where such policy or
28	practice fails to conform to current, generally accepted medical stand-
29	ards and procedures. The commissioner shall monitor the implementation
30	of such corrective plans and shall conduct such further reviews as the
31	commissioner deems necessary to ensure that identified deficiencies in
32 33	those policies and practices are corrected. All written reports pertain- ing to reviews provided for in this subdivision <u>shall not contain indi-</u>
34	vidual patient identifying information and shall be [maintained, under
35	such conditions as the commissioner shall prescribe, as ] public informa-
36	tion [available for public inspection] and shall be posted on the
37	department's website.
38	(d) As used in this subdivision, "emerging infectious disease" means
39	an infection that has increased recently or is threatening to increase
40	in the near future.
41	26-a. (a) The department, in consultation with the department of
42	corrections and community supervision, shall biennially study health
43	care staffing in facilities operated by the department of corrections
44	and community supervision and in local correctional facilities as
45	defined in subdivision sixteen of section two of the correction law. The
46	study shall examine:
47	(i) adequacy of staffing, including in specialties such as women's,
48	transgender, and geriatric health care;
49	<u>(ii) potential challenges such as salary adequacy or geographic</u>
50	factors; and
51	(iii) impact of staffing levels on availability of services.
52	(b) The first such study shall be completed and submitted to the
53	governor, the temporary president of the senate, and the speaker of the
54	assembly no later than one year after the effective date of this subdi-
55	vision.
56	§ 2. This act shall take effect immediately.
