1 prescribed by the state board of elections and provided that the total
2 number of persons eligible to vote in such other district in such
3 election, including the persons eligible to vote in such first mentioned
4 districts, is not more than five hundred. The inspectors of election and
5 poll clerks, if any, of such other election district shall also act in
6 all respects as the election officers for such first mentioned districts
7 and no other inspectors shall be appointed to serve in or for such first
8 mentioned districts. A separate poll ledger or computer generated regis-
9 tration list, separate voting machine or ballots and separate canvass of
10 results shall be provided for such first mentioned districts, except
11 that if the candidates and ballot proposals to be voted on by the voters
12 of such districts are the same, the election districts shall be combined
13 and shall constitute a single election district for that election.
14 However, if the first mentioned district contains fewer than ten voters
15 eligible to vote in such election, there shall be no limitation on the
16 total number of persons eligible to vote in such combined district. If
17 the polling place for any election district is moved for any election,

19 shall, not later than ten nor more than fifteen days before such
20 election, mail, by first class mail, to each voter eligible to vote in
21 such election district at such election, a notice setting forth the
22 location of the polling place for such election and specifying that such
23 location is for such election only, and email the same notification to
24 any voter that has supplied the board with a valid email address.
25 § 3. This act shall take effect on the ninetieth day after it shall
26 have become a law.
