AN ACT to amend the criminal procedure law, in relation to authorizing the court the discretion to release persons charged with certain crimes involving possession of a firearm on their own recognizance or under non-monetary conditions, fix bail, or commit the person to the custody of the sheriff

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 510.10 of the criminal procedure law, as amended by section 2 of part JJJ of chapter 59 of the laws of 2019, is amended to read as follows:

4 1. When a principal, whose future court attendance at a criminal 5 action or proceeding is or may be required, comes under the control of a б court, such court shall, in accordance with this title, by a securing 7 order release the principal on the principal's own recognizance, release 8 the principal under non-monetary conditions, or, where authorized, fix 9 bail or commit the principal to the custody of the sheriff. In all such 10 cases, except where another type of securing order is shown to be 11 required by law, or unless otherwise provided by law, the court shall 12 release the principal pending trial on the principal's own recognizance, unless it is demonstrated and the court makes an individualized determi-13 14 nation that the principal poses a risk of flight to avoid prosecution. If such a finding is made, the court must, unless otherwise provided by 15 law, select the least restrictive alternative and condition or condi-16 17 tions that will reasonably assure the principal's return to court. The 18 court shall explain its choice of release, release with conditions, bail 19 or remand on the record or in writing.
