32 § 2. Paragraph a of subdivision 1 of section 4404 of the education law
33 is amended by adding a new closing paragraph to read as follows:

34 Notwithstanding any other provision of law, rule or regulation to the
35 contrary, in a school district in a city having a population of one
36 million or more, upon the decision of an impartial hearing officer,
37 state review officer, or by a court finding, or by the signing of a
38 settlement agreement between the parent or person in parental relation
39 and the board of education of the school district in the city having a
40 population of one million or more or a state agency, that a unilateral
41 parental placement shall be made and that tuition payments shall be
42 granted for such unilateral placement, then such placement and tuition
43 payments shall continue with such uninterrupted bimonthly payments being
44 at the tuition cost as the previous year's payments, unless and until
45 the committee on special education determines that the child's needs can
46 be met in another public or approved private school program due to regu-
47 larly scheduled individualized education program meetings and where such
48 determination was based upon a significant revision to the child's indi-
49 vidualized education program that is caused by a substantial change to
50 the child's disability status that requires the committee to recommend
51 such new placement; provided, however, that to qualify for such tuition
52 payments provided pursuant to this paragraph, the family of such child
53 shall have an income of four times or less than the income eligibility
54 requirements under the federal National School Lunch Program; and
55 provided further that where the parent or person in parental relation
56 brings a due process proceeding to challenge such revised, new place-

1 ment, the unilateral parental placement for which tuition payment was
2 granted shall be the pendency placement, as provided in subdivision four
3 of this section. If there is a significant change in a child's individ-
4 ualized education program during the course of the school year, such
5 that the child would no longer be entitled to receive all of the
6 services that the child had been receiving from the non-public school,
7 the child's parents shall not be required to repay any of the tuition
8 reimbursement received prior to such change provided the cost of
9 services that would have been provided by the school district had the
10 child been attending public school is the same or greater than the cost
11 of the services that were actually provided to the student by the non-
12 public school. The requirements of this paragraph shall also apply to
13 all settlements that have previously been entered into and remain in
14 effect. If the child's parents fail to attend three IEP meetings sched-
15 uled on regular school days during the school year, the child shall no
16 longer be able to receive pendency under this section.

17 § 3. This act shall take effect January 1, 2022; provided, however,
18 that the amendments to item (i) of clause (b) of subparagraph 3 of para-
