Such fee shall not exceed the cost of one credit of the student's program of graduate or doctorate course work as established by the trustees of the state university. All current and future mandatory university fees, with the exclusion of the graduate student association student activity fee, shall not be charged to a graduate student serving a full-time or half-time appointment as a graduate teaching assistant, graduate assistant, graduate research assistant, graduate research associate, or graduate teaching associate. All current and future mandatory university fees, with the exclusion of the graduate student association student activity fee, shall not be charged to a SUNY graduate student
