2021-2022 Regular Sessions

IN ASSEMBLY

April 23, 2021

Introduced by M. of A. BRONSON -- read once and referred to the Committee on Judiciary

AN ACT to amend a chapter of the laws of 2021 relating to establishing the "COVID-19 Emergency Protect Our Small Businesses Act of 2021", in relation to providing for certain commercial small businesses to be eligible for relief under the "COVID-19 Emergency Protect Our Small Businesses Act of 2021"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 3 of a chapter of the laws of 2021 relating to
2 establishing the "COVID-19 Emergency Protect Our Small Businesses Act of
3 2021", as proposed in legislative bills numbers S. 471-A and A. 3207, is
4 amended to read as follows:

5 § 3. Legislative intent. The Legislature finds and declares all of the
6 following:

7 On March 7, 2020, Governor Andrew Cuomo proclaimed a state of emergen-
8 cy in response to the Coronavirus disease (COVID-19) pandemic. Measures
9 necessary to contain the spread of COVID-19 have brought about wide-
10 spread economic and societal disruption, placing the state of New York
11 in unprecedented circumstances.

12 COVID-19 presents a historic threat to small businesses and commercial
13 property owners. Thousands of small businesses and commercial property
14 owners are facing eviction or foreclosure due to necessary disease
15 control measures that closed or restricted businesses across the state.
16 The pandemic has further interrupted court operations, the availability
17 of counsel, the ability for parties to pay for counsel, and the ability
18 to safely commute and enter a courtroom, settlement conference and the
19 like.

20 Ensuring small businesses and commercial property owners can survive
21 in this unprecedented time is to the mutual benefit of all New Yorkers
22 and will help the state address the pandemic, protect public health, and

1 set the stage for recovery. It is, therefore, the intent of this legis-
2 lation to avoid as many evictions and foreclosures of small businesses
3 as possible for businesses experiencing a financial hardship during the
4 COVID-19 pandemic.

5 As such, it is necessary to temporarily allow small businesses
6 impacted by COVID-19 to remain in their place of business. A limited,
7 temporary stay is necessary to protect the public health, safety and
8 morals of the people the Legislature represents from the dangers of the
9 COVID-19 emergency pandemic.

10 § 2. Section 1 of part A of a chapter of the laws of 2021 relating to
11 establishing the "COVID-19 Emergency Protect Our Small Businesses Act of
12 2021", as proposed in legislative bills numbers S. 471-A and A. 3207, is
13 amended to read as follows:

14 Section 1. Definitions. For the purposes of this act: 1. "Eviction
15 proceeding" means a summary proceeding to recover possession of real
16 property under article seven of the real property actions and
17 proceedings law relating to a commercial unit or any other judicial or
18 administrative proceeding to recover possession of real property relat-
19 ing to a commercial unit.

20 2. "Landlord" includes a landlord, owner of a commercial property and
21 any other person with a legal right to pursue eviction, possessory
22 action or a money judgment for rent, including arrears, owed or that
23 becomes due during the COVID-19 covered period, as defined in section 1
24 of chapter 127 of the laws of 2020.

25 3. "Tenant" includes a commercial tenant that is a resident of the
26 state, independently owned and operated, not dominant in its field and
27 either employs [fifty] one hundred or fewer persons, or, the commercial
28 tenant's business was closed to in-person operations by executive order
29 or department of health directive for two or more weeks between May 15,
30 2020 and May 1, 2021, and employs five hundred or fewer persons.

31 4. "Hardship declaration" means the following statement, or a substan-
32 tially equivalent statement in the language in which the commercial
33 lease or tenancy agreement was written or negotiated, in 14-point type,
34 published by the office of court administration, whether in physical or
35 electronic written form:

36 "NOTICE TO COMMERCIAL TENANT: If you have lost significant revenue or
37 had significantly increased necessary costs during the COVID-19 pandem-
38 ic, and you sign and deliver this hardship declaration form to your
39 landlord, you cannot be evicted until at least May 1, 2021 for nonpay-
40 ment of rent or for holding over after the expiration of your lease. You
41 may still be evicted for violating your lease by persistently and unrea-
42 sonably engaging in behavior that substantially infringes on the use and
43 enjoyment of other tenants or occupants or causes a substantial safety
44 hazard to others.

45 If your landlord has provided you with this form, your landlord must
46 also provide you with a mailing address and e-mail address to which you
47 can return this form. If your landlord has already started an eviction
48 proceeding against you, you can return this form to either your land-
49 lord, the court, or both at any time. You should keep a copy or picture
50 of the signed form for your records. You will still owe any unpaid rent
51 to your landlord. ~~[You should also]~~ To the extent you can pay less than
52 the full rent, it is recommended you do so and keep careful track of
53 what you have paid and any amount you still owe.

I am the owner, chief executive officer, president, or similar officer of (name of business), in which is a commercial tenant at (address of commercial unit). My business is resident in New York state, independently owned and operated, not dominant in its field, and either employs [~~fifty~~] one hundred or fewer persons, or, the commercial business was closed to in-person operations by executive order or department of health directive for two or more weeks between May 15, 2020 and May 1, 2021, and employs five hundred or fewer persons. My business is experiencing financial hardship, and is unable to pay the rent in full or other financial obligations under the lease in full or obtain an alternative suitable commercial property because of one or more of the following:

1. Significant loss of revenue during the COVID-19 pandemic.
2. Significant increase in necessary expenses related to providing personal protective equipment to employees or purchasing and installing other protective equipment to prevent the transmission of COVID-19 within the business.
3. Moving expenses and difficulty in securing an alternative commercial property make it a hardship for the business to relocate to another location during the COVID-19 pandemic.

To the extent the business has lost revenue or had increased expenses, any public assistance the business has received since the start of the COVID-19 pandemic [~~does~~] must not fully make up for the business's loss of revenue or increased expenses, and the business still meets the aforementioned eligibility criteria to qualify for a financial hardship.

I understand that the business must comply with all other lawful terms under its commercial tenancy, lease agreement or similar contract. I further understand that lawful fees, penalties or interest for not having paid rent in full or met other financial obligations as required by the commercial tenancy, lease agreement or similar contract may still be charged or collected and may result in a monetary judgment. I further understand that the landlord may be able to seek eviction after May 1, 2021, and that the law may provide certain protections at that time that are separate from those available through this declaration.
