AN ACT to amend the education law, in relation to requiring water safety instruction in schools

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The education law is amended by adding a new section 805 to 2 read as follows:

3 § 805. Instruction in water safety. 1. All students in grades kindergarten through twelve in all public schools in the state shall receive 4 5 instruction in water safety. Such program shall be defined by the б commissioner in regulations after consultation with the department of 7 health and be designed to educate students about water safety in grades 8 kindergarten through twelve. Such age appropriate instruction shall 9 include, but not be limited to, the proper use of flotation devices, awareness of water conditions, how to respond if caught in a rip 10 current, the proper supervision of swim areas, safe behaviors in and 11 12 around the water, the importance of pool barriers and fencing, the 13 importance of formal swim lessons, the importance of avoiding alcohol 14 and substance use with water recreation, the importance of cardiopulmonary resuscitation for drowning victims and the importance of the order 15 of administering such aid. Nothing in this section shall prevent the 16 department from making model curriculum and resource materials available 17 18 on the department's website.

19 2. The commissioner may provide technical assistance to assist in the 20 development of curricula for such instruction which shall be age appro-21 priate and developed according to the needs and abilities of pupils at 22 successive grade levels in order to provide awareness, skills, informa-23 tion, self-confidence and support in the understanding of water safety 24 and the practice of water safety behaviors and skills.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.
