Introduced by M. of A. CRUZ -- (at request of the Office of Court Administration) -- read once and referred to the Committee on Codes

AN ACT to amend the criminal procedure law, in relation to allowing predicate felony offenders to be sentenced as first felony offenders with the consent of the district attorney and the court

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 5 of section 220.10 of the criminal procedure
2 law is amended by adding a new paragraph (i) to read as follows:

3 (i) (i) Notwithstanding any contrary provision of article seventy of
4 the penal law, in any case where the defendant appears to be a second
5 felony offender or a second felony drug offender pursuant to section
6 400.21 of this part, a second violent felony offender pursuant to
7 section 400.15 of this part or a persistent violent felony offender
8 pursuant to section 400.16 of this part, the defendant may enter a plea
9 of guilty with a promised lawful sentence for such conviction which is
10 applicable to a conviction without any such predicate status, under the
11 conditions outlined in this subdivision. The court shall treat any such
12 promise in the same manner as it would any other lawful sentence promise
13 in connection with a plea.

14 (ii) The sentencing of a defendant pursuant to any such plea shall not
15 impact whether any conviction is considered a predicate felony or predi-
16 cate violent felony conviction under the penal law or the criminal
17 procedure law for any reason other than the lawful term of the imposed
18 sentence under this subdivision. The people may require, as a condition
19 of any such plea, that the defendant be adjudicated as a second felony
20 offender, second felony drug offender, second violent felony offender or
21 persistent violent felony offender, as the case may be, or may waive any
22 such adjudication, provided, however, that if the people require any
23 such adjudication and the defendant has not agreed to it as a condition

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 of the plea, the defendant may withdraw any guilty plea prior to the
2 imposition of the sentence.

3 (iii) A plea of guilty may only be entered under this subdivision with
4 both the permission of the court and the consent of the people when,
5 upon review of the nature and circumstances of the criminal conduct, the
6 available evidence and the history and character of the defendant, the
7 prosecutor and the court are of the opinion that the plea is in the
8 interests of justice. The factors warranting the plea shall be placed on
9 the record; however, the failure to do so shall not entitle the defend-
10 ant to have the plea of guilty set aside.

11 § 2. This act shall take effect immediately and shall apply to pleas
12 entered on or after such date.
