6 have been deducted from compensation if he or she had been a participant
7 at the beginning of that payroll period and such deductions had been
8 required for such payroll period until such amount is paid to the
9 retirement system; and

10 (C) (1) interest on each such amount included in such participant's

18 period for which interest accrues on that amount shall be equal to the
19 rate or rates of interest required by law to be used during that same
20 period to credit interest on the accumulated deductions of retirement
21 system members.

22 (ii) Except as provided in subparagraph (iii) of this paragraph, no

37 sion), as if such additional member contributions never had been paid.

38 4. The board of trustees of the retirement system may, consistent with

42 improved benefit retirement program (including the deduction of such
43 contributions, and any interest thereon, from his or her compensation).

50 sion (including accrued interest on such loan), that participant, never-
51 theless, shall be eligible to retire pursuant to subdivision c of this
52 section, provided, however, that where such participant is not entitled
53 to a refund of additional member contributions pursuant to paragraph

1 ance with the method set forth in subdivision i of section six hundred
2 thirteen-b of this chapter) which is actuarially equivalent to:

3 (i) the amount of any unpaid contribution deficiency chargeable to
4 such member pursuant to paragraph three of this subdivision; plus

5 (ii) the amount of any unpaid balance of a loan of his or her addi-
6 tional member contributions pursuant to paragraph eight of this subdivi-
7 sion (including accrued interest on such loan).

8 6. Subject to the provisions of paragraph five of this subdivision,
9 where a participant has not paid in full any contribution deficiency
10 chargeable to him or her pursuant to paragraph three of this subdivi-
11 sion, and a benefit, other than a refund of a member's accumulated
12 deductions or a refund of additional member contributions pursuant to
13 paragraph seven of this subdivision, becomes payable by the retirement
14 system to the participant or to his or her designated beneficiary or
15 estate, the actuarial equivalent of any such unpaid amount shall be
16 deducted from the benefit otherwise payable.

17 7. (i) All additional member contributions required by this subdivi-
18 sion (and any interest thereon) which are received by the retirement
19 system shall be paid into its contingent reserve fund and shall be the

22 member contributions or accumulated deductions of a member of the
23 retirement system under section 13-125 or section 13-162 of the adminis-
24 trative code while he or she is a participant in the twenty-five year
25 improved benefit retirement program or otherwise.

28 service cease to hold a position as a water supply police member for any
29 reason whatsoever, his or her accumulated additional member contrib-
30 utions made pursuant to this subdivision (together with any interest
31 thereon paid to the retirement system) which remain credited to such
32 participant's account may be withdrawn by him or her pursuant to proce-
33 dures promulgated in regulations of the board of trustees of the retire-
34 ment system, together with interest thereon at the rate of interest
35 required by law to be used to credit interest on the accumulated
36 deductions of retirement system members compounded annually.

38 no person shall be permitted to withdraw from the retirement system any
39 additional member contributions paid pursuant to this subdivision or any
40 interest paid thereon, except pursuant to and in accordance with the
41 preceding subparagraphs of this paragraph; and (B) no person, while he

44 contributions or any interest paid thereon pursuant to any of the
45 preceding subparagraphs of this paragraph or otherwise.

47 program shall be permitted to borrow from his or her additional member
48 contributions, including any interest paid thereon, which are credited
49 to the additional contributions account established for such participant
50 in the contingent reserve fund of the retirement system. The borrowing
51 from such additional member contributions pursuant to this paragraph
52 shall be governed by the same rights, privileges, obligations and proce-

2 provisions of section six hundred thirteen-b of this chapter as made
3 applicable to this subdivision, promulgate regulations governing the
4 borrowing of such additional member contributions.

5 9. Wherever a person has an unpaid balance of a loan of his or her
6 additional member contributions pursuant to paragraph eight of this
7 subdivision at the time he or she becomes entitled to a refund of his or

9 paragraph seven of this subdivision, the amount of such unpaid loan
10 balance (including accrued interest) shall be deemed to have been
11 returned to such member, and the refund of such additional contributions
12 shall be the net amount of such contributions, together with interest
13 thereon in accordance with the provisions of such subparagraph.

14 10. Notwithstanding any other provision of law to the contrary, the
15 provisions of section one hundred thirty-eight-b of this chapter shall
16 not be applicable to the additional member contributions which are
17 required by this subdivision.

18 11. Notwithstanding any other provision of law to the contrary, the
19 additional member contributions which are required by this subdivision
20 shall not be reduced under any program for increased-take-home-pay.

25 sion e of this section; and

26 (iv) who does not withdraw in whole or in part his or her accumulated

43 e. Additional member contributions. 1. In addition to the member
44 contributions required by section six hundred thirteen of this article,
45 each participant in the twenty-five year retirement program shall

52 credited service after such person ceases to be a participant, but
53 before he or she again becomes a participant pursuant to paragraph six
54 of subdivision b of this section. The additional contributions required
55 by this subdivision shall be in lieu of additional member contributions
56 required by subdivision d of section six hundred four-c of this article,

1 as added by chapter ninety-six of the laws of nineteen hundred ninety-

3 be required to make contributions pursuant to such subdivision d of

13 this subdivision shall be deducted (subject to the applicable provisions
14 of subdivision d of section six hundred thirteen of this article) from
15 the compensation of such participant on each and every payroll of such
16 participant for each and every payroll period for which he or she is
17 such a participant.

18 4. (i) Each participant in the twenty-five year retirement program
19 shall be charged with a contribution deficiency consisting of the total

21 make pursuant to paragraphs one and two of this subdivision which are
22 not deducted from his or her compensation pursuant to paragraph three of
23 this subdivision, if any, together with interest thereon, compounded
24 annually, and computed in accordance with the provisions of subpara-
25 graphs (ii) and (iii) of this paragraph.

26 (ii) (A) The interest required to be paid on each such amount speci-
27 fied in subparagraph (i) of this paragraph shall accrue from the end of
28 the payroll period for which such amount would have been deducted from
29 compensation if he or she had been a participant at the beginning of
30 that payroll period and such deduction had been required for such
31 payroll period, until such amount is paid to the retirement system.

32 (B) The rate of interest to be applied to each such amount during the
33 period for which interest accrues on that amount shall be equal to the
34 rate or rates of interest required by law to be used during that same
35 period to credit interest on the accumulated deductions of retirement
36 system members.

37 (iii) Except as otherwise provided in paragraph five of this subdivi-
38 sion, no interest shall be due on any unpaid additional member contrib-
39 utions which are not attributable to a period prior to the first full
40 payroll period referred to in paragraph three of this subdivision.

41 5. (i) Should any person who, pursuant to subparagraph (ii) of para-

45 program pursuant to paragraph six of subdivision b of this section, an
46 appropriate amount shall be included in such participant's contribution
47 deficiency (including interest thereon as calculated pursuant to subpar-

49 person received a refund of such additional member contributions
50 (including any amount of an unpaid loan balance deemed to have been
51 returned to such person pursuant to paragraph twelve of this subdivi-
52 sion), as if such additional member contributions never had been paid.

53 (ii) (A) Interest on a participant's additional member contributions
54 included in such participant's contribution deficiency pursuant to
55 subparagraph (i) of this paragraph shall be calculated as if such addi-
56 tional member contributions had never been paid by such participant, and

1 such interest shall accrue from the end of the payroll period to which
2 an amount of such additional member contributions is attributable, until
3 such amount is paid to the retirement system.

4 (B) The rate of interest to be applied to each such amount during the
5 period for which interest accrues on that amount shall be five percent
6 per annum, compounded annually.

7 6. Where a participant who is otherwise eligible for service retire-
8 ment pursuant to subdivision c of this section did not, prior to the
9 effective date of retirement, pay the entire amount of a contribution
10 deficiency chargeable to him or her pursuant to paragraphs four and five
11 of this subdivision, or repay the entire amount of a loan of his or her
12 additional member contributions pursuant to paragraph eleven of this
13 subdivision (including accrued interest on such loan), that participant,
14 nevertheless, shall be eligible to retire pursuant to subdivision c of
15 this section, provided, however, that such participant's service retire-
16 ment benefit calculated pursuant to paragraph two of such subdivision c
17 shall be reduced by a life annuity (calculated in accordance with the
18 method set forth in subdivision i of section six hundred thirteen-b of
19 this article) which is actuarially equivalent to:

20 (i) the amount of any unpaid contribution deficiency chargeable to
21 such member pursuant to paragraphs four and five of this subdivision;
22 plus

23 (ii) the amount of any unpaid balance of a loan of his or her addi-
24 tional member contributions pursuant to paragraph eleven of this subdi-
25 vision (including accrued interest on such loan).

26 7. Where a participant who is otherwise eligible for a vested right to
27 a deferred benefit pursuant to subdivision d of this section did not,
28 prior to the date of discontinuance of service, pay the entire amount of
29 a contribution deficiency chargeable to him or her pursuant to para-
30 graphs four and five of this subdivision, or repay the entire amount of
31 a loan of his or her additional member contributions pursuant to para-
32 graph eleven of this subdivision (including accrued interest on such
33 loan), that participant, nevertheless, shall be eligible for a vested
34 right to a deferred benefit pursuant to subdivision d of this section,
35 provided, however, that the deferred vested benefit calculated pursuant
36 to paragraph three of such subdivision d shall be reduced by a life
37 annuity (calculated in accordance with the method set forth in subdivi-
38 sion i of section six hundred thirteen-b of this article) which is actu-
39 arially equivalent to:

40 (i) the amount of any unpaid contribution deficiency chargeable to
41 such member pursuant to paragraphs four and five of this subdivision;
42 plus

43 (ii) the amount of any unpaid balance of a loan of his or her addi-
44 tional member contributions pursuant to paragraph eleven of this subdi-
45 vision (including accrued interest on such loan).

46 8. The head of a retirement system which includes participants in the
47 twenty-five year retirement program in its membership may, consistent
48 with the provisions of this subdivision, promulgate regulations for the
49 payment of such additional member contributions, and any interest there-
50 on, by such participants (including the deduction of such contributions,
51 and any interest thereon, from the participant's compensation).

52 9. Subject to the provisions of paragraphs six and seven of this
53 subdivision, where a participant has not paid in full any contribution
54 deficiency chargeable to him or her pursuant to paragraphs four and five
55 of this subdivision, and a benefit, other than a refund of member
56 contributions pursuant to section six hundred thirteen of this article

1 or a refund of additional member contributions pursuant to subparagraph
2 (ii) of paragraph ten of this subdivision, becomes payable under this
3 article to the participant or to his or her designated beneficiary or
4 estate, the actuarial equivalent of any such unpaid amount shall be
5 deducted from the benefit otherwise payable.

6 10. (i) Such additional member contributions (and any interest there-
7 on) shall be paid into the contingent reserve fund of the retirement
8 system of which the participant is a member and shall not for any
9 purpose be deemed to be member contributions or accumulated contrib-
10 utions of a member under section six hundred thirteen of this article or
11 otherwise while he or she is a participant in the twenty-five year
12 retirement program or otherwise.

13 (ii) Should a participant in the twenty-five year retirement program
14 who has rendered less than five years of credited service cease to hold
15 a position as a water supply police member for any reason whatsoever,
16 his or her accumulated additional member contributions made pursuant to
17 this subdivision (together with any interest thereon paid to the retire-
18 ment system) may be withdrawn by him or her pursuant to procedures
19 promulgated in regulations of the board of trustees of the retirement
20 system, together with interest thereon at the rate of five percent per
21 annum, compounded annually.

22 (iii) Notwithstanding any other provision of law to the contrary, (A)
23 no person shall be permitted to withdraw from the retirement system any
24 additional member contributions paid pursuant to this subdivision or any
25 interest paid thereon, except pursuant to and in accordance with the
26 preceding subparagraphs of this paragraph; and (B) no person, while he
27 or she is a participant in the twenty-five year retirement program,
28 shall be permitted to withdraw any such additional member contributions
29 or any interest paid thereon pursuant to any of the preceding subpara-
30 graphs of this paragraph or otherwise.

31 11. A participant in the twenty-five year retirement program shall be
32 permitted to borrow from his or her additional member contributions
33 (including any interest paid thereon) which are credited to the addi-
34 tional contributions account established for such participant in the
35 contingent reserve fund of the retirement system. The borrowing from
36 such additional member contributions pursuant to this paragraph shall be
37 governed by the rights, privileges, obligations and procedures set forth
38 in section six hundred thirteen-b of this article which govern the
39 borrowing of member contributions made pursuant to section six hundred
40 thirteen of this article. The board of trustees of the retirement system
41 may, consistent with the provisions of this subdivision and the
42 provisions of section six hundred thirteen-b of this article as made
43 applicable to this subdivision, promulgate regulations governing the
44 borrowing of such additional member contributions.

45 12. Whenever a person has an unpaid balance of a loan of his or her
46 additional member contributions pursuant to paragraph eleven of this
47 subdivision at the time he or she becomes entitled to a refund of his or
48 her additional member contributions pursuant to subparagraph (ii) of
49 paragraph ten of this subdivision, the amount of such unpaid loan
50 balance (including accrued interest) shall be deemed to have been
51 returned to such member, and the refund of such additional contributions
52 shall be the net amount of such contributions, together with interest
53 thereon in accordance with the provisions of such subparagraph (ii).

(v) With the exception of federal income tax treatment, the additional member contributions picked up pursuant to paragraph (i) of this subdivision shall for all other purposes, including computation of retirement benefits and contributions by employers and employees, be deemed employee salary. Nothing contained in this subdivision shall be construed as superseding the provisions of section four hundred thirty-one of this chapter, or any similar provision of law which limits the salary base of computing retirement benefits payable by a public retirement system.

§ 7. Section 13-125.2 of the administrative code of the city of New York is amended by adding a new subdivision a-9 to read as follows:

a-9. 20 retirement and social security law), the additional member contributions
21 of such participant picked up pursuant to subdivision a-nine of this
22 section shall be deemed to be and treated as a part of such member's
23 additional member contributions under subdivision d of such section four
24 hundred forty-five-j.

25 § 10. Paragraph 3 of subdivision d of section 13-125.2 of the adminis-

37 and be payable to the retirement system on such contributions if they
38 were made by such member in the absence of a pick up program applicable
39 to such member under the provisions of this section.

40 § 11. Subdivision a of section 603 of the retirement and social secu-

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation would amend certain provisions of the Retirement and Social Security Law (RSSL) and the Administrative Code of the City of New York (ACCNY), and add RSSL Sections 445-j and 604-j to establish a 25-Year Retirement Program for Tiers 2, 4, and 6 New York City Employees' Retirement System (NYCERS) members who are employed in the title of Water Supply Police (WSP 25-Year Plans).

Effective Date: Upon enactment.

MEMBERS ELIGIBLE TO JOIN: Those NYCERS members who are sworn officers of the water supply police employed by the City of New York (City), appointed to protect the sources, works, and transmission of water supplied to the City, and to protect persons on or in the vicinity of such water sources, works, and transmission pursuant to subdivision o of section 1.20 of the Criminal Procedure Law.

For purposes of this Fiscal Note, these members are collectively referred to as "Water Supply Police Members."

Participation in an applicable WSP 25-Year Plan is optional for anyone who is eligible to participate in the Plan on the date of enactment by filing an election form within 180 days of enactment. Anyone who is a member of NYCERS on the date of enactment and subsequently becomes employed as a Water Supply Police Member also has 180 days upon becoming such a member to elect to join the applicable WSP 25-Year Plan.

Any Water Supply Police Member who becomes a NYCERS member after the date of enactment is mandated into the Tier 6 WSP 25-Year Plan. However, if the member exceeds age 30 upon being mandated into the WSP 25-Year Plan, the member has the option to file an application to opt out of the Plan within 180 days of becoming a Water Supply Police Member.

There is currently only one active Tier 2 Water Supply Police Member, who is not expected to benefit from the proposed legislation. Therefore, the following summary only applies to Tier 4 and Tier 6 Water Supply Police Members.

The proposed legislation, if enacted, would provide the following benefits to Water Supply Police Members under the WSP 25-Year Plans:

- * Service retirement benefit:
- * 50% of Final Average Salary (FAS) for the first 25 years of Credited Service, plus
- * 2% of FAS for each additional year of Credited Service up to a maximum of 30 years of such service.
- * Final Average Salary:
- * Tier 4 - Three-Year Average (FAS3)
- * Tier 6 - Five-Year Average (FAS5)
- * Vested benefit:
- * Eligibility is:
- * At least five, but less than 25, years of Credited Service for Tier 4 and Tier 6 members.
- * Payable at:
- * The date the member would have completed 25 years of Credited Service for Tier 4 and Tier 6 members.
- * Amount:
- * 2% of FAS for each year of Credited Service.
- * Other benefits: Members of the proposed WSP 25-Year Plan are entitled to the same disability and death benefits as other Tier 4 and Tier 6 members under the respective basic plans.

ADDITIONAL MEMBER CONTRIBUTIONS: Members of a WSP 25-Year Plan are required to make, in addition to the Tier 4 Basic Member Contributions (BMC) of 3% and the Tier 6 BMC ranging from 3% to 6% depending on defined salary scales, Additional Member Contributions equal to 6% of compensation for all service as a Plan participant on and after the starting date of the Plan until the later of a maximum of 30 years of Credited Service or the one-year anniversary of the enactment of the Plan.

FINANCIAL IMPACT - PRESENT VALUES: Based on the anticipated group of members joining the WSP 25-Year Plans and the actuarial assumptions and methods described herein, the enactment of this proposed legislation would increase the Present Value of Future Benefits (PVFB) by approximately \$6.7 million and increase the Present Value of member contributions by approximately \$3.5 million. The net result is an increase in the Present Value of future employer contributions of approximately \$3.2 million.

Under the Entry Age Normal cost method used to determine the employer contributions to NYCERS, there would be an increase in the Unfunded Accrued Liability (UAL) of approximately \$3.8 million offset by a decrease in the Present Value of future employer Normal Cost of \$0.6 million.

FINANCIAL IMPACT - ANNUAL EMPLOYER CONTRIBUTIONS: In accordance with ACCNY Section 13-638.2(k-2), new UAL attributable to benefit changes are to be amortized as determined by the Actuary but are generally amortized over the remaining working lifetime of those impacted by the benefit changes. As of June 30, 2020, the remaining working lifetime of the Water Supply Police Members assumed to join the WSP 25-Year Plans is approximately 12 years.

For the purposes of this Fiscal Note, the increase in UAL was amortized over a 12-year period (11 payments under the One-Year Lag Methodology (OYLM)) using level dollar payments. This payment plus the increase in the Normal Cost results in an increase in annual employer contributions of approximately \$758,000 each year.

CONTRIBUTION TIMING: For the purposes of this Fiscal Note, it is assumed that the changes in the Present Value of future employer contributions and annual employer contributions would be reflected for the first time in the June 30, 2021 actuarial valuation of NYCERS. In accordance with the OYLM used to determine employer contributions, the increase in employer contributions would first be reflected in Fiscal Year 2023.

CENSUS DATA: The estimates presented herein are based on the census data used in the Preliminary June 30, 2020 (Lag) actuarial valuation of NYCERS to determine the Preliminary Fiscal Year 2022 employer contributions.

The 127 Water Supply Police Members as of June 30, 2020 assumed to join the WSP 25-Year Plans had an average age of approximately 39.1 years, average service of approximately 14.2 years, and an average salary of approximately \$75,300.

ACTUARIAL ASSUMPTIONS AND METHODS: The changes in the Present Value of future employer contributions and annual employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the June 30, 2019 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2021 employer contributions of NYCERS.

To determine the impact of the elective nature of the proposed legislation, a subgroup of Water Supply Police Members was developed based on who could potentially benefit actuarially from WSP 25-Year Plan participation. The net Present Value of future employer costs (i.e. the PVFB less the Present Value of future member contributions) of each member's benefit was determined under their current plan and under the applicable WSP 25-Year Plan. If the net Present Value of future employer cost under the WSP 25-Year Plan was greater than or equal to the Present Value of future employer cost under the member's current plan, the member was deemed to benefit actuarially.

Based on this analysis, it was determined that those members who are mandated into the WSP 25-Year Plan in the future will generally not benefit from Plan participation (i.e. they will have a decrease in Present Value of future employer costs as compared to the Tier 6 63/10 Plan they would otherwise participate in, absent this proposed legislation), and therefore the costs presented in this Fiscal Note are borne only from current NYCERS members who are assumed to benefit from, and thus opt to join, the WSP 25-Year Plan.

The Actuary is proposing a set of changes for use beginning with the June 30, 2019 (Lag) actuarial valuations of NYCERS to determine the Final Fiscal Year 2021 Employer Contributions (2021 A&M). If the 2021 A&M is enacted, it is estimated that it would produce increases in the Present Value of Employer Contributions that are approximately 5% larger than the results shown above and annual employer contributions that are approximately 3% larger than the results shown above.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, as well as certain demographic characteristics of NYCERS and other exogenous factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:

- * The initial, additional administrative costs of NYCERS and other New York City agencies to implement the proposed legislation.

- * The impact of this proposed legislation on Other Postemployment Benefit (OPEB) costs.
