AN ACT to amend the legislative law, the public officers law and the tax
law, in relation to eligibility to assume office for persons owing
past-due tax liabilities

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. The legislative law is amended by adding a new section 3-a
2 to read as follows:

3 § 3-a. Past-due tax liabilities of members-elect. 1. The legislature
4 shall require a tax clearance from the department of taxation and
5 finance, as provided for in section one hundred seventy-one-x of the tax
6 law, for each member-elect of the legislature. No person elected to the
7 legislature having past-due tax liabilities, as defined in subdivision
8 one of section one hundred seventy-one-x of the tax law, or otherwise
9 denied a tax clearance by the department of taxation and finance pursu-
10 ant to such section, shall be sworn into or assume office unless and
11 until such past-due tax liabilities are satisfied, settled, or made
12 subject to a payment plan established by the department of taxation and
13 finance and in which such person is in good standing.

14 2. If, after six months subsequent to the date on which such member-e-
15 lect would have been sworn into office but for their owing past-due tax
16 liabilities, such past-due tax liabilities have not been satisfied,
17 settled, or made subject to a payment plan established by the department
18 of taxation and finance and in which such person is in good standing,
19 then a special election shall be held to fill such office.

20 § 2. Section 3 of the public officers law is amended by adding a new

1 certification of such person's election, request a tax clearance from
2 the department of taxation and finance, as provided for in section one
3 hundred seventy-one-x of the tax law. No such person having past-due tax
4 liabilities, as defined in subdivision one of section one hundred seven-
5 ty-one-x of the tax law, or otherwise denied a tax clearance by the
6 department of taxation and finance pursuant to such section, shall be
7 sworn into or assume office unless and until such past-due tax liabil-
8 ities are satisfied, settled, or made subject to a payment plan estab-
9 lished by the department of taxation and finance and in which such
10 person is in good standing.

11 (ii) If, after six months subsequent to the date on which a person
12 elected to statewide office would have been sworn into office but for
13 their owing past-due tax liabilities, such past-due tax liabilities have
14 not been satisfied, settled, or made subject to a payment plan estab-
15 lished by the department of taxation and finance and in which such
16 person is in good standing, then a special election shall be held to
17 fill such office.

18 § 3. The tax law is amended by adding a new section 171-x to read as
19 follows:

20 § 171-x. Enforcement of delinquent tax liabilities through tax clear-
21 ances. (1) For the purposes of this section, the term "tax liabilities"
22 shall mean any tax, surcharge, or fee administered by the commissioner,
23 or any penalty or interest owed by an individual or entity. The term
24 "past-due tax liabilities" means any unpaid tax liabilities that have
25 become fixed and final such that the taxpayer no longer has any right to
26 administrative or judicial review. The term "government entity" means
27 the state of New York, or any of its agencies, political subdivisions,
28 instrumentalities, public corporations (including a public corporation
29 created pursuant to agreement or compact with another state or Canada),
30 or combination thereof.

31 (2) The commissioner, or his or her designee, shall cooperate with any
32 government entity that is required by law or has elected to require tax
33 clearances to establish procedures by which the department shall receive
34 a tax clearance request and transmit such tax clearance to the govern-
35 ment entity, and any other procedures deemed necessary to carry out the
36 provisions of this section. These procedures shall, to the extent prac-
37 ticable, require secure electronic communication between the department
38 and the requesting government entity for the transmission of tax clear-
39 ance requests to the department and transmission of tax clearances to
40 the requesting entity. Notwithstanding any other law to the contrary, a
41 government entity shall be authorized to share any data or information
42 with the department that is necessary to ensure the proper matching of a
43 person who is the subject of a tax clearance request to the tax records
44 maintained by the department.

45 (3) Upon receipt of a tax clearance request, the department shall
46 examine its records to determine whether the subject of the tax clear-
47 ance request has past-due tax liabilities equal to or in excess of the
48 dollar threshold applicable for such tax clearance request. When a tax
49 clearance request so requires, the department shall also determine
50 whether (i) the subject of such request has complied with applicable tax
51 return filing requirements for each of the past three years; and/or (ii)
52 whether a subject of such request that is an individual or entity that
53 is a person required to register pursuant to section one thousand one
54 hundred thirty-four of this chapter is registered pursuant to such
55 section. The department shall deny a tax clearance if it determines that
56 the subject of a tax clearance request has past-due tax liabilities

1 equal to or in excess of the applicable threshold or, when the tax
2 clearance request so requires, has not complied with applicable return
3 filing and/or registration requirements.

4 (4) If a tax clearance is denied, the government entity that requested
5 the clearance shall provide notice to the subject of the request to
6 contact the department. Such notice shall be made by first class mail
7 with a certificate of mailing and a copy of such notice also shall be
8 provided to the department. When the subject of the request contacts the
9 department, the department shall inform him or her of the basis for the
10 denial of the tax clearance and shall also inform such person (i) that a
11 tax clearance denied due to past-due tax liabilities may be issued once
12 the taxpayer fully satisfies past-due tax liabilities or makes payment
13 arrangements satisfactory to the commissioner; (ii) that a tax clearance
14 denied due to failure to file tax returns may be issued once the indi-
15 vidual has satisfied the applicable return filing requirements; (iii)
16 that a tax clearance denied for failure to register pursuant to section
17 one thousand one hundred thirty-four of this chapter may be issued once
18 the individual has registered pursuant to such section; and (iv) the
19 grounds for challenging the denial of a tax clearance listed in subdivi-
20 sion five of this section.

21 (5) (a) Notwithstanding any other provision of law, and except as
22 specifically provided herein, an individual denied a tax clearance shall
23 have no right to commence a court action or proceeding or seek any other
24 legal recourse against the department or the government entity related
25 to the denial of a tax clearance by the department.

26 (b) An individual seeking to challenge the denial of a tax clearance
27 must protest to the department or the division of tax appeals no later
28 than sixty days from the date of the notification to the individual that
29 the tax clearance was denied. An individual may challenge a department
30 finding of past-due tax liabilities only on the grounds that (i) the
31 individual or entity denied the tax clearance is not the individual or
32 entity with the past-due tax liabilities at issue or (ii) the past-due
33 tax liabilities were satisfied. An individual may challenge a depart-
34 ment finding of failure to comply with tax return filing requirements
35 only on the grounds that all required tax returns have been filed for
36 each of the past three years.

37 (c) Nothing in this subdivision is intended to limit any individual
38 from seeking relief from joint and several liability pursuant to section
39 six hundred fifty-four of this chapter, to the extent that he or she is
40 eligible pursuant to that section, or establishing to the department
41 that the enforcement of the underlying tax liabilities has been stayed
42 by the filing of a petition pursuant to the Bankruptcy Code of 1978
43 (Title Eleven of the United States Code).

44 (6) Notwithstanding any other provision of law, the department may
45 exchange with a government entity any data or information that, in the
46 discretion of the commissioner, is necessary for the implementation of a
47 tax clearance requirement. However, no government entity may re-disclose
48 this information to any other entity or person, other than for the
49 purpose of informing the individual that a required tax clearance has
50 been denied, unless otherwise permitted by law.

51 (7) Except as otherwise provided in this section, the activities to
52 collect past-due tax liabilities undertaken by the department pursuant
53 to this section shall not in any way limit, restrict or impair the
54 department from exercising any other authority to collect or enforce tax
55 liabilities under any other applicable provision of law.

1 (8) Except as otherwise provided in this section, the provisions of
2 this section are not applicable to the tax clearance required by section
3 one hundred seventy-one-v of this article.

4 § 4. This act shall take effect June 1, 2023; provided, however, that
5 the department of taxation and finance, and any other government entity
6 electing to receive a tax clearance from the department of taxation and
7 finance may work to execute the necessary procedures and technical
8 changes to support the tax clearance process as described in this act
9 before that date; provided, further, that this effective date will not
10 impact the administration of any tax clearance program authorized by
11 another provision of law.
