

STATE OF NEW YORK

8280--A

2021-2022 Regular Sessions

IN ASSEMBLY

September 13, 2021

Introduced by M. of A. McDONALD, LUPARDO, GALLAHAN, OTIS, GALEF, ABINANTI, BUTTENSCHON, FAHY, B. MILLER, GOTTFRIED, ENGLEBRIGHT, SANTABARBARA, KELLES -- Multi-Sponsored by -- M. of A. ANGELINO, J. M. GIGLIO -- read once and referred to the Committee on Health -- recommitted to the Committee on Health in accordance with Assembly Rule 3, sec. 2 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, in relation to authorizing certain emergency medical technicians and paramedics to administer certain vaccines pursuant to non-patient specific orders and under the authority of an emergency medical services director

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 3005-c to read as follows:

§ 3005-c. Vaccination by emergency medical technicians and paramedics.
1. Emergency medical technicians and advanced emergency medical technicians may administer vaccinations against influenza and COVID-19 pursuant to a non-patient specific order and under the authority of an emergency medical services director while overseen or approved by the department of health or local health departments and operated under the medical supervision of licensed physicians, licensed physician assistants, or certified nurse practitioners; provided that such individuals first receive training in the following areas, as determined by the commissioner after consultation with the commissioner of education:

(a) techniques, indications, precautions, contraindications, infection control practices;

(b) use of personal protective equipment sufficient to provide the basic level of competence for such tasks; and

(c) a current certificate in basic cardiopulmonary resuscitation, which at a minimum must include a certification in basic cardiopulmonary

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1 resuscitation by an online program that has received accreditation from
2 the American Nurses Credentialing Center, the Accreditation Council for
3 Pharmacy Education (ACPE), or the Accreditation Council for Continuing
4 Medical Education.

5 2. Certified emergency medical technician-paramedics, with prior
6 approval of the department, may administer vaccinations against influen-
7 za and COVID-19 pursuant to a non-patient specific order and under the
8 medical direction of a licensed physician; provided that such emergency
9 medical technician-paramedics first receive training in the following
10 areas, as determined by the commissioner after consultation with the
11 commissioner of education:

12 (a) techniques, indications, precautions, contraindications, infection
13 control practices;

14 (b) use of personal protective equipment sufficient to provide the
15 basic level of competence for such tasks; and

16 (c) a current certificate in basic cardiopulmonary resuscitation,
17 which at a minimum must include a certification in basic cardiopulmonary
18 resuscitation by an online program that has received accreditation from
19 the American Nurses Credentialing Center, the Accreditation Council for
20 Pharmacy Education (ACPE), or the Accreditation Council for Continuing
21 Medical Education.

22 § 2. This act shall take effect immediately.
