35 license therefor has been issued pursuant to section 400.00 of the penal

23 or retired deputy sheriff employed by boards of cooperative educational
24 services or a school district as a school resource officer; or to a

26 who is employed as a school resource officer by a county, city, town or
27 village police department pursuant to a contract with a school district
28 to provide such services. The commissioner of education may include no
29 more than twenty thousand dollars in addition to the earning limitations
30 set forth in the table in subdivision two of this section to such
31 retired police officer, retired state trooper, or retired deputy sheriff
32 who is employed as a school resource officer.

33 § 5. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

Insofar as this bill will affect the New York State and Local Employees' Retirement System (NYSLERS) and the New York State and Local Police and Fire Retirement System (NYSLPFRS), this bill will allow the commissioner of education to determine that the earnings limitations set forth in Section 212 of the Retirement and Social Security Law (RSSL) shall not apply to retired police officers, retired state troopers and retired deputy sheriffs who are employed as a school resource officer by either a board of cooperative educational services or a school district, or by a county, city, town or village police department pursuant to a contract with a school district to provide such services. The commissioner may include no more than twenty thousand dollars in addition to the earnings limitations set forth in subdivision two of Section 212 of the RSSL for the affected school resource officers. Currently, only retired police officers who are employed as a school resource officer by a school district are not subject to the earnings limitations set forth in Section 212 of the RSSL.

If this bill is enacted, we expect few retirees to be affected. There would be negligible additional annual costs. However, if large numbers of retirees are hired into such positions, there would be additional annual costs which would be shared by the state of New York and all of the participating employers in the System.
