The state finance law is amended by adding a new section 95-k to 51 read as follows: 52 § 95-k. Excluded worker unemployment program fund. 1. There is hereby established in the joint custody of the commissioner of taxation and 53 finance and the state comptroller a special fund to be known as the 54

55 <u>"excluded worker unemployment program fund".</u>

2. Moneys in such fund shall consist of all moneys appropriated for

 5 shall be retained in and become part of the fund.

б 3. All moneys collected as contributions and interest relating to wage 7 replacement to workers and families unable to access traditional worker wage insurance or assistance programs shall be deposited in a bank, 8 9 trust company or industrial bank designated by the state comptroller. 10 Moneys so deposited shall be credited immediately to the account of the 11 excluded worker unemployment program fund and shall be used for the 12 purposes set forth in section five hundred ninety-one-b of the labor law. Moneys in such fund may be invested by the state comptroller in 13 14 accordance with the provisions of section ninety-eight of this article, 15 and shall only be used for the purposes specified herein.

16 4. Moneys in the fund shall be used exclusively for the purpose of 17 providing wage replacement to workers that do not qualify for unemployment insurance or other worker wage assistance programs and who have 18 lost a major source of income due to lost work. The moneys shall be paid 19 20 out of the fund on the audit and warrant of the state comptroller on 21 vouchers certified or approved by such commissioner or his or her duly 22 designated officer. Any balance in such fund shall not lapse at any time 23 but shall remain continuously available for such purposes.

5. Moneys of the fund shall not be used in whole or in part for any purpose or in any manner which would (a) permit its substitution for, or a corresponding reduction in, federal funds that would be available in its absence to finance expenditures for the administration of this article; or (b) cause the appropriate agency of the United States government to withhold any part of an administrative grant which would otherwise be made.

31 § 4. The sum of eight hundred million dollars (\$800,000,000) is hereby 32 appropriated from any moneys in the state treasury in the general fund 33 to the credit of the state purposes account for the excluded worker 34 unemployment program fund in carrying out the provisions of this act. 35 Such sum shall be payable on the audit and warrant of the state comp-36 troller on vouchers certified or approved in the manner provided by law. 37 No expenditure shall be made from this appropriation until a certificate of approval of availability shall have been issued by the director of 38 39 the budget and filed with the state comptroller and a copy filed with 40 the chairman of the senate finance committee and the chairman of the assembly ways and means committee. Such certificate may be amended from 41 42 time to time by the director of the budget and a copy of each such 43 amendment shall be filed with the state comptroller, the chairman of the 44 senate finance committee and the chairman of the assembly ways and means 45 committee.

46 § 5. Severability Clause. If any clause, sentence, paragraph, subdivi-47 sion, section, or part of this act shall be adjudged by any court of 48 competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its 49 operation to the clause, sentence, paragraph, subdivision, section, or 50 51 part thereof directly involved in the controversy in which such judgment 52 shall have been rendered. It is hereby declared to be the intent of the 53 legislature that this act would have been enacted even if such invalid 54 provisions had not been included herein.

55 § 6. This act shall take effect immediately.
