1 2. Within one hundred eighty days of the effective date of the chapter
2 of the laws of two thousand twenty-two, which added this section, the
3 commissioner shall establish a statewide program to provide for auto-
4 mated identification of eligible affordability program participants for
5 participation in utility corporation energy affordability programs.

6 3. The office shall engage with utility corporations to establish
7 automated file matching mechanisms that will provide, via electronic
8 means, to utility corporations a list of eligible affordability program
9 participants within the utility corporation's service territory.

10 4. The office shall conduct automated file matching to identify utili-
11 ty corporation customer accounts with affordability program participants
12 and such information shall be provided to utility corporations no less
13 than semi-annually. Utility corporation customer accounts identified by
14 the office as eligible for participation in available utility corpo-
15 ration energy affordability programs as a result of such file matching
16 shall be enrolled in such programs within sixty days of receipt of the
17 office communicating the results of the automated file matching to the
18 utility corporation.

19 5. The commissioner may adopt, on an emergency basis pursuant to arti-
20 cle two of the state administrative procedure act, any rules necessary
21 to carry out the provisions of this article.

22 6. The commissioner may delegate the administration of any portion of
23 this program to any state agency, city, county, town, contractor or
24 non-profit organization in accordance with the provisions of this arti-
25 cle and applicable federal requirements.

26 § 2. This act shall take effect immediately.
