2. Within one hundred eighty days of the effective date of the chapter
of the laws of two thousand twenty-two, which added this section, the
commissioner shall establish a statewide program to provide for automated identification of eligible affordability program participants for
participation in utility corporation energy affordability programs.

- 3. The office shall engage with utility corporations to establish automated file matching mechanisms that will provide, via electronic means, to utility corporations a list of eligible affordability program participants within the utility corporation's service territory.
- 4. The office shall conduct automated file matching to identify utility corporation customer accounts with affordability program participants and such information shall be provided to utility corporations no less than semi-annually. Utility corporation customer accounts identified by the office as eligible for participation in available utility corporation energy affordability programs as a result of such file matching shall be enrolled in such programs within sixty days of receipt of the office communicating the results of the automated file matching to the utility corporation.
- 5. The commissioner may adopt, on an emergency basis pursuant to article two of the state administrative procedure act, any rules necessary to carry out the provisions of this article.
- 6. The commissioner may delegate the administration of any portion of this program to any state agency, city, county, town, contractor or non-profit organization in accordance with the provisions of this article and applicable federal requirements.
- 26 § 2. This act shall take effect immediately.
