IN ASSEMBLY

February 9, 2022

Introduced by M. of A. CAHILL -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to the disclosure of certain health information during a declared health emergency

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 206-c to read as follows:

3 § 206-c. Disclosure of certain health information during a declared
4 health emergency. The commissioner shall compile and report in a timely
5 manner simultaneously to the governor, the speaker of the assembly and
6 the temporary president of the senate, health care data related to
7 declared health emergencies including, but not limited to, the number of
8 cases related to such health emergency that originate in nursing, adult
9 and residential health care facilities that are transferred to hospitals
10 and any deaths associated with such cases; number of cases related to
11 such health emergency that originate in hospitals and transferred to
12 nursing, adult or residential health care facilities and any deaths
13 associated with such cases; and the reason a patient was admitted or
14 visiting a hospital, nursing, adult or residential health care facility
15 when the patient tested positive for or was affected by the declared
16 health emergency. All such information shall include new and cumulative
17 data. All personally identifiable health information shall be kept
18 confidential. The commissioner shall also update the same information on
19 the department's website that is downloadable in spreadsheet format,
20 organized according to county and date.

21 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
