24 visually unrecognizable to the viewer of such proceeding by means of
25 special editing by the news media.

26 3. Requests for coverage of proceedings; administrative review. (a)
27 Prior to the commencement of the proceedings, any news media interested
28 in providing audio-visual coverage of court proceedings shall file a
29 request with the presiding trial judge, if assigned, or if no assignment
30 has been made, to the judge responsible for making such assignment.
31 Requests for audio-visual coverage shall be made in writing and not less
32 than seven days before the commencement of the judicial proceeding, and
33 shall refer to the individual proceeding with sufficient identification
34 to assist the presiding trial judge in considering the request. Where
35 circumstances are such that an applicant cannot reasonably apply seven
36 or more days before the commencement of the proceeding, the presiding
37 trial judge may shorten the time period for requests.

38 (b) Permission for news media coverage shall be at the discretion of
39 the presiding trial judge. An order granting or denying a request for
40 audio-visual coverage of a proceeding shall be in writing and shall be
41 included in the record of such proceeding. Such order shall contain any
42 restrictions imposed by the judge on the audio-visual coverage and shall
43 contain a statement advising the parties that any violation of the order
44 is punishable by contempt pursuant to article nineteen of this chapter.
45 Such order for initial access shall be subject only to review by the
46 appropriate administrative judge; there shall be no further judicial
47 review of such order or determination during the pendency of such
48 proceeding before such trial judge. No order allowing audio-visual
49 coverage of a proceeding shall be sealed.

50 (c) Subject to the provisions of subdivision seven of this section,
51 upon a request for audio-visual coverage of court proceedings, the
52 presiding trial judge shall, at a minimum, take into account the follow-
53 ing factors: (i) the type of case involved; (ii) whether such coverage
54 would cause harm to any participant in the case or otherwise interfere
55 with the fair administration of justice, the advancement of a fair trial
56 or the rights of the parties; (iii) whether any order directing the

1 exclusion of witnesses from the courtroom prior to their testimony could
2 be rendered substantially ineffective by allowing audio-visual coverage
3 that could be viewed by such witnesses to the detriment of any party;
4 (iv) whether such coverage would interfere with any law enforcement
5 activity; or (v) whether the subject matter involves lewd or scandalous
6 matters.

7 (d) A request for audio-visual coverage made after the commencement of
8 a trial proceeding in which a jury is sitting shall not be granted
9 unless (i) counsel for all parties to the proceeding consent to such
10 coverage, or (ii) the request is for coverage of the verdict and/or
11 sentencing in such proceeding.

12 4. Supervision of audio-visual coverage; mandatory pretrial confer-
13 ence; judicial discretion. (a) Audio-visual coverage of a court
14 proceeding shall be subject to the supervision of the presiding trial
15 judge. In supervising audio-visual coverage of court proceedings, in
16 particular any which involve lewd or scandalous matters, a presiding
17 trial judge shall, where necessary for the protection of any participant
18 or to preserve the welfare of a minor, prohibit all or any part of the
19 audio-visual coverage of such participant, minor or exhibit.

20 (b) A pretrial conference shall be held in each case in which audio-
21 visual coverage of a proceeding has been approved. At such conference
22 the presiding trial judge shall review, with counsel and the news media
23 who will participate in the audio-visual coverage, the restrictions to
24 be imposed. Counsel shall convey to the court any concerns of prospec-
25 tive witnesses with respect to audio-visual coverage.

26 (c) There shall be no limitation on the exercise of discretion under
27 this subdivision except as provided by law. The presiding trial judge
28 may at any time modify or reverse any prior order or determination.

29 5. Consent. (a) Audio-visual coverage of judicial proceedings, except
30 for arraignments and suppression hearings, shall not be limited by the
31 objection of counsel, parties, or jurors, except for a finding by the
32 presiding trial judge of good or legal cause.

33 (b) Audio-visual coverage of arraignments and suppression hearings
34 shall be permitted only with the consent of all parties to the proceed-
35 ing; provided, however, where a party is not yet represented by counsel
36 consent may not be given unless the party has been advised of his or her
37 right to the aid of counsel pursuant to subdivision four of section
38 170.10 or section 180.10 of the criminal procedure law and the party has
39 affirmatively elected to proceed without counsel at such proceeding.

40 (c) Counsel to each party in a criminal trial proceeding shall advise
41 each nonparty witness that he or she has the right to request that his
42 or her image be visually obscured during said witness' testimony, and
43 upon such request the presiding trial judge shall order the news media
44 to visually obscure the visual image of the witness in any and all audi-
45 o-visual coverage of the judicial proceeding.

46 6. Restrictions relating to equipment and personnel; sound and light
47 criteria. Where audio-visual coverage of court proceedings is authorized
48 pursuant to this section, the following restrictions shall be observed:

49 (a) Equipment and personnel:

50 (i) No more than two electronic or motion picture cameras and two
51 camera operators shall be permitted in any proceeding.

52 (ii) No more than one photographer to operate two still cameras with
53 not more than two lenses for each camera shall be permitted in any
54 proceeding.

55 (iii) No more than one audio system for broadcast purposes shall be
56 permitted in any proceeding. Audio pickup for all media purposes shall

1 be effectuated through existing audio systems in the court facility. If
2 no technically suitable audio system is available, microphones and
3 related wiring essential for media purposes shall be supplied by those
4 persons providing audio-visual coverage. Any microphones and sound
5 wiring shall be unobtrusive and located in places designated by the
6 presiding trial judge.

7 (iv) Notwithstanding the provisions of subparagraphs (i), (ii) and
8 (iii) of this paragraph, the presiding trial judge may modify his or her
9 original order to increase or decrease the amount of equipment that will
10 be permitted into a courtroom on a finding of special circumstances so
11 long as it will not impair the dignity of the court or the judicial
12 process.

13 (v) Notwithstanding the provisions of subparagraphs (i), (ii) and
14 (iii) of this paragraph, the equipment authorized therein shall not be
15 admitted into a court proceeding unless all persons interested in
16 providing audio-visual coverage of such proceedings shall have entered
17 into pooling arrangements for their respective groups. Furthermore, a
18 pool operator for the electronic and motion picture media and a pool
19 operator for the still photography media shall be selected, and proce-
20 dures for cost sharing and dissemination of audio-visual material estab-
21 lished. The court shall not be called upon to mediate or resolve any
22 dispute as to such arrangements. In making pooling arrangements, consid-
23 eration shall be given to educational users' needs for full coverage of
24 entire proceedings.

25 (b) Sound and light criteria:

26 (i) Only electronic and motion picture cameras, audio equipment and
27 still camera equipment which do not produce distracting sound or light
28 shall be employed to cover judicial proceedings. The chief administrator
29 of the courts shall promulgate a list of acceptable equipment models.

30 (ii) No motorized drives shall be permitted, and no moving lights,
31 flash attachments, or sudden lighting changes shall be permitted during
32 judicial proceedings.

33 (iii) No light or signal visible or audible to trial participants
34 shall be used on any equipment during audio-visual coverage to indicate
35 whether it is operating.

36 (iv) It shall be the affirmative duty of any person desiring to use
37 equipment other than that authorized by the chief administrator to
38 demonstrate to the presiding trial judge, adequately in advance of any
39 proceeding, that the equipment sought to be utilized meets acceptable
40 sound and light criteria. A failure to obtain advance judicial approval
41 for equipment shall preclude its use in any proceeding.

42 (v) With the concurrence of the presiding trial judge modifications
43 and additions may be made to light sources existing in the facility,
44 provided such modifications or additions are installed and maintained at
45 the expense of the news media who are providing audio-visual coverage
46 and provided they are not distracting or otherwise offensive.

47 (c) Location of equipment and personnel. Cameras, equipment and
48 personnel shall be positioned in locations designated by the presiding
49 trial judge.

50 (i) All audio-visual coverage operators shall assume their assigned,
51 fixed position within the designated area and once established in such
52 position, shall act in a manner so as not to call attention to their
53 activities.

54 (ii) The areas so designated shall provide reasonable access to cover-
55 age with the least possible interference with court proceedings. Equip-

1 ment that is not necessary for audio-visual coverage from inside the
2 courtroom shall be located in an area outside the courtroom.

3 (d) Movement of equipment during proceedings. Equipment shall not be
4 placed in, moved about or removed from the courtroom, and related
5 personnel shall not move about the courtroom, except prior to commence-
6 ment or after adjournment of proceedings each day, or during a recess.
7 Camera film and lenses shall be changed only during a recess in
8 proceedings.

9 7. Restrictions on audio-visual coverage. Notwithstanding the initial
10 approval of a request for audio-visual coverage of any court proceeding,
11 the presiding trial judge shall have discretion throughout the proceed-
12 ing to revoke such approval or limit such coverage, and may where appro-
13 priate exercise such discretion to limit, restrict or prohibit audio or
14 video broadcast or photography of any part of the proceeding in the
15 courtroom, or of the name or features of any participant therein. In any
16 case, audio-visual coverage shall be limited as follows:

17 (a) no audio pickup or audio broadcast of conferences which occur in a
18 court facility between attorneys and their clients, between co-counsel
19 of a client, or between counsel and the presiding trial judge, shall be
20 permitted without the prior express consent of all participants in the
21 conference;

22 (b) no conference in chambers shall be subject to audio-visual cover-
23 age;

24 (c) no audio-visual coverage of the selection of the prospective jury
25 during voir dire shall be permitted;

26 (d) no audio-visual coverage of the jury, or of any juror or alternate
27 juror, while in the jury box, in the courtroom, in the jury deliberation
28 room during recess, or while going to or from the deliberation room at
29 any time shall be permitted; provided, however, that, upon consent of
30 the foreperson of a jury, the presiding trial judge may, in his or her
31 discretion, permit audio coverage of such foreperson delivering a
32 verdict;

33 (e) no audio-visual coverage shall be permitted of a witness, who as a
34 peace or police officer acted in a covert or undercover capacity in
35 connection with the instant court proceeding, without the prior written
36 consent of such witness;

37 (f) no audio-visual coverage shall be permitted of a witness, who as a
38 peace or police officer is currently engaged in a covert or undercover
39 capacity, without the prior written consent of such witness;

40 (g) no audio-visual coverage shall be permitted of the victim in a
41 prosecution for rape, criminal sexual act, sexual abuse or other sex
42 offense under article one hundred thirty or section 255.25 of the penal
43 law; notwithstanding the initial approval of a request for audio-visual
44 coverage of such a proceeding, the presiding trial judge shall have
45 discretion throughout the proceeding to limit any coverage which would
46 identify the victim, except that said victim can request of the presid-
47 ing trial judge that audio-visual coverage be permitted of his or her
48 testimony, or in the alternative the victim can request that coverage of
49 his or her testimony be permitted but that his or her image shall be
50 visually obscured by the news media, and the presiding trial judge in
51 his or her discretion shall grant the request of the victim for the
52 coverage specified;

53 (h) no audio-visual coverage of any arraignment or suppression hearing
54 shall be permitted without the prior consent of all parties to the
55 proceeding; provided, however, where a party is not yet represented by
56 counsel consent may not be given unless the party has been advised of

1 his or her right to the aid of counsel pursuant to subdivision four of
2 section 170.10 or section 180.10 of the criminal procedure law and the
3 party has affirmatively elected to proceed without counsel at such
4 proceeding;

5 (i) no judicial proceeding shall be scheduled, delayed, reenacted or
6 continued at the request of, or for the convenience of the news media;

7 (j) no audio-visual coverage of any participant shall be permitted if
8 the presiding trial judge finds that such coverage is liable to endanger
9 the safety of any person;

10 (k) no audio-visual coverage of any judicial proceedings which are by
11 law closed to the public, or which may be closed to the public and which
12 have been closed by the presiding trial judge shall be permitted; and

13 (l) no audio-visual coverage shall be permitted which focuses on or
14 features a family member of a victim or a party in the trial of a crimi-
15 nal case, except while such family member is testifying. Audio-visual
16 coverage operators shall make all reasonable efforts to determine the
17 identity of such persons, so that such coverage shall not occur.

18 8. Violations. Any violation of an order or determination issued under
19 this section shall be punishable as a contempt pursuant to article nine-
20 teen of this chapter.

21 9. Review committee. (a) There shall be created a committee to review
22 audio-visual coverage of court proceedings. The committee shall consist
23 of twelve members of whom: three to be appointed by the governor, three
24 to be appointed by the chief judge of the court of appeals, two to be
25 appointed by the temporary president of the senate, two to be appointed
26 by the speaker of the assembly, one to be appointed by the minority
27 leader of the senate and one to be appointed by the minority leader of
28 the assembly. The chair of the committee shall be appointed by the chief
29 judge of the court of appeals. At least one member of the committee and
30 no more than two members of the committee shall be a representative of
31 the broadcast media, be employed by the broadcast media or receive
32 compensation from the broadcast media. At least two members of the
33 committee shall be members of the bar, engaged in the practice of law
34 and regularly conduct trials and/or appellate arguments; and at least
35 one member of the committee shall by professional training and expertise
36 be qualified to evaluate and analyze research methodology relevant to
37 analyzing the impact and effect of audio-visual coverage of judicial
38 proceedings. No one who has served on an earlier committee established
39 by law to review audio-visual coverage of judicial proceedings in this
40 state may be appointed to such committee. No member or employee of the
41 executive, legislative, or judicial branches of the state government may
42 be appointed to such committee.

43 (b) The members of the committee shall serve without compensation for
44 their services as members of the committee, except that each of the
45 nonpublic members of the committee may be allowed the necessary and
46 actual travel, meals and lodging expenses which he or she shall incur in
47 the performance of his or her duties under this section. Any expenses
48 incurred pursuant to this section shall be a charge against the office
49 of court administration.

50 (c) The committee shall have the power, duty and responsibility to
51 evaluate, analyze and monitor the provisions of this section. The office
52 of court administration and all participants in proceedings where audi-
53 o-visual coverage was permitted, including judges, attorneys and jurors,
54 shall cooperate with the committee in connection with the review of the
55 impact of audio-visual coverage on such proceedings. The committee shall
56 request participation and assistance from the New York state bar associ-

1 ation and other bar associations. The committee shall issue a report to
2 the legislature, the governor and the chief judge of the court of
3 appeals evaluating the efficacy of the program and whether any public
4 benefits accrue from the program, any abuses that occurred during the
5 program and the extent to which and in what way the conduct of partic-
6 ipants in court proceedings changes when audio-visual coverage is pres-
7 ent. The committee shall expressly and specifically analyze and evaluate
8 the degree of compliance by trial judges and the media with the
9 provisions of this section and the effect of audio-visual coverage on
10 the conduct of trial judges both inside and outside the courtroom. Such
11 report shall be submitted to the legislature, the governor and the chief
12 judge of the court of appeals by January thirty-first, two thousand
13 twenty-three.

14 10. Rules and regulations. The chief administrator shall promulgate
15 appropriate rules and regulations for the implementation of the
16 provisions of this section after affording all interested persons, agen-
17 cies and institutions an opportunity to review and comment thereon. Such
18 rules and regulations shall include provisions to ensure that audio-vi-
19 sual coverage of trial proceedings shall not interfere with the decorum
20 and dignity of courtrooms and court facilities.

21 § 2. This act shall take effect on the first of November next succeed-
22 ing the date on which it shall have become a law and shall expire and be
23 deemed repealed 5 years after such effective date.
